Addendum to MYL PAC's formal comments:

On page 14 of the petition for rulemaking PDF ? page 8 as labeled in the petition ? one sentence, and an accompanying footnote, has been redacted from the public record.

MYL PAC submitted a FOIA request, number 2015-10, for the content of this redaction. Our FOIA request was granted expedition and public interest fee waiver, but was denied on the basis of 52 U.S.C. ? 30109(a)(12)(A) (formerly 2 U.S.C. ? 437(g)(12)(A)), i.e., because it involves an FEC enforcement matter (presumably an open MUR). The denial is currently undergoing administrative appeal.

This APA rulemaking proceeding is a public hearing, and all documents submitted for such a proceeding, including the initiating petition, are public documents. Any privacy interest in their content is waived by their submission to public record.

Our ability to comment on the full petition, fully informed by its content, is impaired when the Commission redacts portions of the petition.

We therefore formally object to this redaction, and ask that the Commission publish the unredacted petition for rulemaking together with an extension of time for comment to allow the public to read and respond to the unredacted petition.

Sincerely,
Sai
President, Make Your Laws PAC
