Dear Federal Election Commission -

You can & should take care to be CRYSTAL CLEAR in whatever wording you choose...in the deliberate hope that a clever lawyer cannot dance around the new law.

Think there needs to be a return to reigning in the hedge-funds, the commodity pricing, and the amount of \$\$\$\$\$\$\$\$ the brokers & executives can make.

Think there also needs to be a severely scaled down limit to the amount of \$\$\$\$\$\$\$\$ corporations can contribute to ANY CAMPAIGN, PAC OR NOT!!!!!!!!!!

Further, ANY \$\$\$\$\$\$\$\$ MADE IN THE US.....STAYS IN THE US....NO MORE OFF-SHORE SHELTERS FOR ANYONE!!!!!!!!!!

Finally, ANY COMPANY SHIPPING JOBS OUT OF THE US, SHOULD, BY LAW, BE FORCED TO PAY HIGH PENALTIES, BE MADE TO BE RESPONSIBLE FOR THE RE-TRAINING COSTS & MEDICAL COVERAGE FOR ALL THE US WORKERS BEING DUMPED BY THE COMPANY!!!!!!!!!!

I CANNOT BELIEVE what I'm saying to a government agency....the very fact that I feel I have to tell you these things I find utterly shameful.

Thank You.
