To cite the regulations in this volume use title, part and section number. Thus, 11 CFR 1.1 refers to Title 11, Part 1, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

ISSUE DATES

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.......................................................... as of January 1
Title 17 through Title 27.......................................................... as of April 1
Title 28 through Title 41.......................................................... as of July 1
Title 42 through Title 50.......................................................... as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 1988), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a
date certain for expiration, an appropriate note will be inserted following the

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agen-
cies to display an OMB control number with their information collection re-
quest. Many agencies have begun publishing numerous OMB control numbers as
amendments to existing regulations in the CFR. These OMB numbers are
placed as close as possible to the applicable recordkeeping or reporting require-
ments.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover
of each volume are not carried. Code users may find the text of provisions in
effect on a given date in the past by using the appropriate numerical list of
sections affected. For the period before January 1, 1973, consult either the List
volumes. For the period beginning January 1, 1973, a “List of CFR Sections
Affected” is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate
volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS.
This volume contains the Parallel Table of Statutory Authorities and Agency
Rules (Table I), and Acts Requiring Publication in the Federal Register (Table
III). A list of CFR Titles, Chapters, and Parts and an alphabetical list of agen-
cies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that
volume.

The Federal Register Index is issued monthly in cumulative form. This index
is based on a consolidation of the “Contents” entries in the daily Federal Regis-
ter.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the
revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the
Code of Federal Regulations.

Supplement A—Other regulations implementing section 401 of the Federal Election Campaign Act of 1971 .... 227
§ 1.3 Procedures for requests pertaining to individual records in a record system.

(a) Any individual may request the Commission to inform him or her whether a particular record system named by the individual contains a record pertaining to him or her. The request may be made in person or in writing at the location and to the person specified in the notice describing that record system.
§ 1.4 Times, places, and requirements for identification of individuals making requests.

(a) After being informed by the Commission that a record system contains a record pertaining to him or her, an individual may request the Commission to disclose that record in the manner described in this section. Each request for the disclosure of a record or a copy of it shall be made at the Federal Election Commission, 999 E Street, NW., Washington, DC 20463 and to the system manager identified in the notice describing the systems of records, either in writing or in person. Requests may be made by specifically authorized agents or by parents or guardians of individuals.

(b) Each individual requesting the disclosure of a record or copy of a record shall furnish the following information with his or her request:

(1) The name of the record system containing the record;

(2) Proof as described in paragraph (c) of this section that he or she is the individual to whom the requested record relates;

(3) Any other information required by the notice describing the record system.

(c) Proof of identity as required by paragraph (b)(2) of this section shall be provided as described in paragraphs (c)(1) and (2) of this section. Requests made by an agent, parent, or guardian, shall be in accordance with the procedures described in § 1.10.

(1) Requests made in writing shall include a statement, signed by the individual and either notarized or witnessed by two persons (including witnesses' addresses). If the individual appears before a notary, he or she shall submit adequate proof of identification in the form of a driver's license, birth certificate, passport or other identification acceptable to the notary. If the statement is witnessed, it shall include a sentence above the witnesses' signatures that they personally know the individual or that the individual has submitted proof of his or her identification to their satisfaction. In any case in which, because of the extreme sensitivity of the record sought to be seen or copied, the Commission determines that the identification is not adequate, it may request the individual to submit additional proof of identification.

(2) If the request is made in person, the requestor shall submit proof of identification similar to that described in paragraph (c)(1) of this section, acceptable to the Commission. The individual may have a person of his or her own choosing accompany him or her when the record is disclosed.

[41 FR 43064, Sept. 29, 1976, as amended at 50 FR 50778, Dec. 12, 1985]

§ 1.5 Disclosure of requested information to individuals.

(a) Upon submission of proof of identification as required by § 1.4, the Commission shall allow the individual to see and/or obtain a copy of the requested record or shall send a copy of the record to the individual by registered mail. If the individual requests to see the record, the Commission may make the record available either at the location where the record is maintained or at a place more suitable to the requestor, if possible. The record
shall be made available as soon as possible but in no event later than 15 days after proof of identification.

(b) The Commission must furnish each record requested by an individual under this part in a form intelligible to that individual.

(c) If the Commission denies access to a record to an individual, he or she shall be advised of the reason for the denial and advised of the right to judicial review.

(d) Upon request, an individual will be provided access to the accounting of disclosures from his or her record under the same procedures as provided above and in § 1.4.

§ 1.6 Special procedure; Medical records. [Reserved]

§ 1.7 Request for correction or amendment to record.

(a) Any individual who has reviewed a record pertaining to him or her that was furnished under this part, may request the Commission to correct or amend all or any part of that record.

(b) Each individual requesting a correction or amendment shall send the request to the Commission through the person who furnished the record.

(c) Each request for a correction or amendment of a record shall contain the following information:

(1) The name of the individual requesting the correction or amendment;
(2) The name of the system of records in which the record sought to be amended is maintained;
(3) The location of the system of records from which the individual record was obtained;
(4) A copy of the record sought to be amended or corrected or a sufficiently detailed description of that record;
(5) A statement of the material in the record that the individual desires to correct or amend;
(6) A statement of the basis for the requested correction or amendment including any material that the individual can furnish to substantiate the reasons for the correction or amendment sought.

§ 1.8 Agency review of request for correction or amendment of record.

(a) The Commission shall, not later than ten (10) days (excluding Saturdays, Sundays and legal holidays) after the receipt of the request for a correction or amendment of a record under § 1.7, acknowledge receipt of the request and inform the individual whether information is required before the correction or amendment can be considered.

(b) If no additional information is required, within ten (10) days from receipt of the request, the Commission shall either make the requested correction or amendment or notify the individual of its refusal to do so, including in the notification the reasons for the refusal, and the appeal procedures provided in § 1.9.

(c) The Commission shall make each requested correction or amendment to a record if that correction or amendment will tend to negate inaccurate, irrelevant, untimely, or incomplete matter in the record.

(d) The Commission shall inform prior recipients of any amendment or correction or notation of dispute of such individual's record if an accounting of the disclosure was made. The individual may request a list of prior recipients if an accounting of the disclosure was made.

§ 1.9 Appeal of initial adverse agency determination on amendment or correction.

(a) Any individual whose request for a correction or amendment has been denied in whole or in part, may appeal that decision to the Commissioners no later than one hundred eighty (180) days after the adverse decision is rendered.

(b) The appeal shall be in writing and shall contain the following information:

(1) The name of the individual making the appeal;
(2) Identification of the record sought to be amended;
(3) The record system in which that record is contained;
(4) A short statement describing the amendment sought; and
§ 1.10 Disclosure of record to person other than the individual to whom it pertains.

(a) Any individual who desires to have a record covered by this Part disclosed to or mailed to another person may designate such person and authorize such person to act as his or her agent for that specific purpose. The authorization shall be in writing, signed by the individual and notarized or witnessed as provided in § 1.4(c).

(b) The parent of any minor individual or the legal guardian of any individual who has been declared by a court of competent jurisdiction to be incompetent, due to physical or mental incapacity or age, may act on behalf of that individual in any matter covered by this part. A parent or guardian who desires to act on behalf of such an individual shall present suitable evidence of parentage or guardianship, by birth certificate, certified copy of a court order, or similar documents, and proof of the individual's identity in a form that complies with § 1.4(c) of this part.

(c) An individual to whom a record is to be disclosed in person, pursuant to this part may have a person of his or her own choosing accompany him or her when the record is disclosed.

§ 1.11 Fees.

(a) The Commission shall not charge an individual for the costs of making a search for a record or the costs of reviewing the record. When the Commission makes a copy of a record as a necessary part of the Process of disclosing the record to an individual, the Commission shall not charge the individual for the cost of making that copy.

(b) If an individual requests the Commission to furnish a copy of the record, the Commission shall charge the individual for the costs of making the copy. The fee that the Commission has established for making a copy is ten cents ($.10) per page.

§ 1.12 Penalties.

Any person who makes a false statement in connection with any request for a record, or an amendment or correction thereto, under this part, is subject to the penalties prescribed in 18 U.S.C. 494 and 495.

§ 1.13 General exemptions. [Reserved]

§ 1.14 Specific exemptions.

(a) No individual, under the provisions of these regulations, shall be entitled to access to materials compiled in its systems of records identified as FEC audits and investigations (FEC 2) or FEC compliance actions (FEC 3). These exempted systems relate to the Commission's power to exercise exclusive civil jurisdiction over the enforcement of the Act under 2 U.S.C.
§ 2.2 Definitions.

(b) Commissioner or Member. "Commissioner" or "Member" means an individual appointed to the Federal Election Commission pursuant to 2 U.S.C. 437c and section 101(e) of Pub. L. 94-283 and shall also include ex-officio non-voting Commissioners or Members, the Secretary of the Senate and the Clerk of the House, but does not include a proxy or other designated representative of a Commissioner.

(c) Person. "Person" means an individual, including employees of the Commission, partnership, corporation, association, or public or private organization, other than an agency of the United States Government.

(d) Meeting. (1) "Meeting" means the deliberation of at least four voting members of the Commission in colloquia where such deliberations determine or result in the joint conduct or disposition of official Commission business. For the purpose of this section, "joint conduct" does not include, for example, situations where the requisite number of members is physically present in one place but not conducting agency business as a body (e.g., at a meeting at which one member is giving a speech while a number of other members are present in the audience). A deliberation conducted through telephone or similar communications equipment by means of which all persons participating can hear each other will be considered a "meeting" under this section.

(2) The term "meeting" does not include the process of notation voting by circulated memorandum for the purpose of expediting consideration of routine matters. It also does not include deliberations to schedule a meeting, to take action to open or close a meeting, or to release or withhold information, or to change the subject matter of a meeting under 11 CFR 2.5, 2.6 and 2.7.

§ 2.3 General rules.

(a) Commissioners shall not jointly conduct, determine or dispose of Commission business other than in accordance with this Part.

(b) Except as provided in 11 CFR 2.4, every portion of every Commission meeting shall be open to public observation.

(c) No additional right to participate in Commission meetings is granted to any person by this Part. A meeting is not part of the formal or informal record of decision of the matters discussed therein except as otherwise required by law. Statements of views or expressions of opinions made by Commissioners or FEC employees at meetings are not intended to represent final determinations or beliefs.

(d) Members of the public attending open Commission meetings may use small electronic sound recorders to record the meeting, but the use of other electronic recording equipment and cameras requires advance notice to and coordination with the Commission's Press Officer.

§ 2.4 Exempted meetings.

(a) Meetings Required by Statute to be Closed. Meetings concerning matters specifically exempted from disclosure by statutes which require public withholding in such a manner as to leave no discretion for the Commission on the issue, or which establish particular types of matters to be withheld, shall be closed to public observation in accordance with the procedures of 11 CFR 2.5.

(1) As required by 2 U.S.C. 437g(a)(12), all Commission meetings, or portions of meetings, pertaining to any notification or investigation that a violation of the Act has occurred, shall be closed to the public.

(2) For the purpose of this section, "any notification or investigation that a violation of the Act has occurred" includes, but is not limited to, determinations pursuant to 2 U.S.C. 437g, the issuance of subpoenas, discussion of referrals to the Department of Justice, or consideration of any other matter related to the Commission's enforcement activity, as set forth in 11 CFR Part 111.

(b) Meetings Closed by Commission Determination. Except as provided in 11 CFR 2.4(c), the requirement of open meetings will not apply where the Commission finds, in accordance with 11 CFR 2.5, that an open meeting or the release of information is likely to result in the disclosure of:

(1) Matters that relate solely to the Commission's internal personnel decisions, or internal rules and practices.

(i) This provision includes, but is not limited to, matters relating to Commission policies on working conditions, or materials prepared predominantly for internal use, the disclosure of which would risk circumvention of Commission regulations; but

(ii) This provision does not include discussions or materials regarding employees' dealings with the public, such as personnel manuals or Commission directives setting forth job functions or procedures;

(2) Financial or commercial information obtained from any person which is privileged or confidential;

(3) Matters which involve the consideration of a proceeding of a formal nature by the Commission against a specific person or the formal censure of any person;

(4) Information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(5) Investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would:

(i) Interfere with enforcement proceedings,

(ii) Deprive a person of a right to a fair trial or an impartial adjudication,

(iii) Constitute an unwarranted invasion of personal privacy,

(iv) Disclose the identity of a confidential source,

(v) Disclose investigative techniques and procedures, or

(vi) Endanger the life or physical safety of law enforcement personnel;

(6) Information the premature disclosure of which would be likely to have a considerable adverse effect on the implementation of a proposed Commission action, as long as the
Commission has not already disclosed the content or nature of its proposed action, or is not required by law to disclose it prior to final action; or

(7) Matters that specifically concern the Commission's participation in a civil action or proceeding, or an arbitration, or involving a determination on the record after opportunity for a hearing.

(c) Notwithstanding the applicability of any exemptions set forth in 11 CFR 2.4(b), the Commission may determine that the public interest requires a meeting to be open.

§ 2.5 Procedures for closing meetings.

(a) General. No meeting or portion of a meeting may be closed to the public observation under this section unless a majority of the Commissioners (not including ex officio non-voting Commissioners) votes to take such action. The closing of one portion of a meeting shall not justify closing any other portion of a meeting.

(b) Certification. Each time the Commission votes to close a meeting, the General Counsel shall publicly certify that, in his or her opinion, each item on the agenda may properly be closed to public observation. The certification shall state each relevant exemption provision. The original copy of the certification shall be attached to, and preserved with, the statement required by 11 CFR 2.5(d).

(c) Voting Procedures. (1) No meeting need be held to consider closing a meeting, the Commission may vote to close a meeting or any portion thereof by using its notation vote procedures.

(i) A separate vote shall be taken with respect to each item on an agenda proposed to be closed in whole or in part pursuant to 11 CFR 2.4, or with respect to any information proposed to be withheld under 11 CFR 2.4.

(ii) A single vote may be taken with respect to a particular matter to be discussed in a series of closed meetings, or with respect to any information concerning such series of meetings, so long as each meeting in the series is scheduled to be held no more than 30 days after the initial meeting.

(iii) This section shall not affect the Commission's practice of setting dates for closed meetings more than 30 days in advance of such meetings.

(2) The Commission Secretary shall record the vote of each Commissioner participating in the vote. No proxies, written or otherwise, shall be counted.

(3)(i) A Commissioner may object to a recommendation to close the discussion of a particular matter or may assert a claim of exemption for a matter scheduled to be discussed in an open meeting. Such objection or assertion will be discussed by the Commission at the next scheduled closed meeting, to determine whether the matter in question should be discussed in a closed meeting.

(ii) An “objection for the record only” will not cause the objection to be placed on any agenda.

(d) Public Statement of Vote. (1) If the Commission votes to close a meeting, or any portion thereof, under this section, it shall make publicly available within 24 hours a written statement of the vote. The written statement shall contain:

(i) A citation to the provision(s) of 11 CFR 2.4 under which the meeting was closed to public observation and an explanation of why the specific discussion comes within the cited exemption(s);

(ii) The vote of each Commissioner participating in the vote;

(iii) A list of the names of all persons expected to attend the closed meeting and their affiliation. For purposes of this section, affiliation means title or position, and name of employer, and in the case of a representative, the name of the person represented. In the case of Commission employees, the statement will reflect, through the use of titles rather than individual names, that the Commissioners, specified division heads and their staff will attend; and

(iv) The signature of the Commission Secretary.

(2) The original copy of the statement shall be maintained by the Commission Secretary. A copy shall be posted on a public bulletin board located in the Commission's Public Records Office.

(e) Public Request to Close a Meeting. A person whose interests may be directly affected by a portion of a
meeting may request that the Commission close that portion to the public for any of the reasons referred to in 11 CFR 2.4. The following procedures shall apply to such requests:

(1) The request must be made in writing and shall be directed to the Chairman of the Commission.

(2) The request shall identify the provisions of 11 CFR 2.4 under which the requestor seeks to close all or a portion of the meeting.

(3) A recorded vote to close the meeting or a portion thereof shall be taken.

(4) Requests made under this section shall become part of the official record of the underlying matter and shall be disclosed in accordance with 11 CFR 2.6 on completion of the matter.

(5) If the Commission decides to approve a request to close, the Commission will then follow the procedures for closing a meeting set forth in 11 CFR 2.5 (a) through (d).

§ 2.6 Transcripts and recordings.

(a) The Commission Secretary shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting, or portion of a meeting, closed to public observation. An electronic recording of a meeting shall be coded, or other records shall be kept in a manner adequate to identify each speaker.

(b)(1) In the case of any meeting closed pursuant to 11 CFR 2.4(b), as the last item of business, the Commission will determine which, if any, portions of the electronic recording or transcript and which if any, items of information withheld under 11 CFR 2.5 contain information which should be withheld pursuant to 11 CFR 2.4.

(2) Portions of transcripts or recordings determined to be outside the scope of any exemptions under 11 CFR 2.6(b)(1) shall be promptly made available to the public through the Commission's Public Records Office at a cost sufficient to cover the Commission's actual cost of duplication or transcription. Requests for such copies shall be made and processed in accordance with the provisions of 11 CFR Part 5.

(3) Portions of transcripts or electronic recordings not made available immediately pursuant to 11 CFR 2.6(b)(1), and portions of transcripts or recordings withheld pursuant to 11 CFR 2.4(a), will be made available on request when the relevant exemptions no longer apply. Such materials shall be requested and processed under the provisions of 11 CFR 2.6(b)(2).

(c) A complete verbatim copy of the transcript or a complete electronic recording of each meeting, or portion of a meeting, closed to the public, shall be maintained by the Commission Secretary in confidential files of the Commission, for a minimum of two years subsequent to such meeting, or a minimum of one year after the conclusion of any agency proceeding with respect to which the meeting, or portion of the meeting was held, whichever occurs later.

§ 2.7 Announcement of meetings and schedule changes.

(a)(1) In the case of each meeting, the Commission shall publicly announce and shall submit such announcement for publication in the FEDERAL REGISTER at least seven days prior to the day on which the meeting is to be called to order. The Commission Secretary shall also forward a copy of such announcement for posting in the Commission's Public Records Office.

(2) Announcements made under this section shall contain the following information:

(i) The date of the meeting;

(ii) The place of the meeting;

(iii) The subject matter of the meeting;

(iv) Whether the meeting is to be open or closed to the public; and

(v) The name and telephone number of the official designated by the agency to respond to requests for information about the meeting.

(b) The public announcement and submission for publication shall be made when required by 11 CFR 2.7(a) in the case of every Commission meeting unless a majority of the Commissioners decide by recorded vote that Commission business requires that the meeting be called at an earlier date, in
which case the Commission shall make at the earliest practicable time, the announcement required by this section and a concurrent submission for publication of that announcement in the Federal Register.

(c) The time or place of a meeting may be changed following the public announcement required by 11 CFR 2.7 (a) or (b) only if the Commission announces the change at the earliest practicable time.

(d) The subject matter of a meeting, or the determination of the Commission to open or close a meeting, or portions of a meeting, to the public may be changed following the public announcement required by 11 CFR 2.7 (a) or (b) only if:

1. A majority of the entire membership of the Commission determines by recorded vote that Commission business so requires and that no earlier announcement of the change was possible; and

2. The Commission publicly announces the change and the vote of each member upon the change at the earliest practicable time. Immediately following this announcement, the Commission shall submit for publication in the Federal Register a notice containing the information required by 11 CFR 2.7(a)(2), including a description of any change from the earlier published notice.

§ 2.8 Annual report.

The Commission shall report annually to Congress regarding its compliance with the requirements of the Government in the Sunshine Act and of this Part, including:

(a) A tabulation of the total number of Commission meetings open to the public;

(b) The total number of such meetings closed to the public;

(c) The reasons for closing such meetings; and

(d) A description of any litigation brought against the Commission under the Sunshine Act, including any costs assessed against the Commission in such litigation (whether or not paid by the Commission).

Authority: 5 U.S.C. 552, as amended.

Source: 44 FR 33368, June 8, 1979, unless otherwise noted.

§ 4.1 Definitions.

As used in this part:

(a) “Commission” means the Federal Election Commission, established by the Federal Election Campaign Act of 1971, as amended.

(b) “Commissioner” means the Secretary of the Senate, the Clerk of the House, or their designees ex officio, or an individual appointed to the Federal Election Commission pursuant to 2 USC 437c(a).

(c) “Request” means to seek the release of records under 5 U.S.C. 552.

(d) “Requestor” is any person who submits a request to the Commission.

(f) “Public Disclosure Division” of the Commission is that division which is responsible for, among other things, the processing of requests for public access to records which are submitted to the Commission pursuant to 2 USC 437f(d), 437g(a)(4)(B)(ii), and 438(a).

(g) “Direct costs” means those expenditures which the Commission actually incurs in searching for and duplicating (and, in the case of commercial use requestors, reviewing) documents to respond to a FOIA request. Direct costs include the salary of the employee performing the work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating equipment. Direct costs do not
include overhead expenses such as the cost of space and heating or lighting the facility in which the records are stored.

(h) "Search" means all time spent looking for material that is responsive to a FOIA request, including page-by-page or line-by-line identification of material within documents. This includes both manual searches and searches conducted with a computer using existing programming. Search time does not include review of material in order to determine whether the material is exempt from disclosure.

(i) "Review" means the process of examining a document located in response to a commercial use request to determine whether any portion of the document located is exempt from disclosure. Review also refers to processing any document for disclosure, i.e., doing all that is necessary to excise exempt portions of the document and otherwise prepare the document for release. Review does not include time spent by the Commission resolving general legal or policy issues regarding the application of exemptions.

(j) "Duplication" means the process of making a copy of a document necessary to respond to a FOIA request. Examples of the form such copies can take include, but are not limited to, paper copy, microform, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk).

(k) "Commercial use" means a purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. The Commission's determination as to whether documents are being requested for a commercial use will be based on the purpose for which the documents are being requested. Where the Commission has reasonable cause to doubt the use for which the requester claims to have made the request or where that use is not clear from the request itself, the Commission will seek additional clarification before assigning the request to a specific category.

(l) "Educational institution" means a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(m) "Non-commercial scientific institution" means an organization that is not operated on a commercial basis, as that term is defined in paragraph (k) of this section, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(n) "Representative of the news media" means a person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of news media entities include, but are not limited to, television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news, as defined in this paragraph) who make their products available for purchase or subscription by the general public. A freelance journalist may be regarded as working for a news organization and therefore considered a representative of the news media if that person can demonstrate a solid basis for expecting publication by that news organization, even though that person is not actually employed by that organization. The best means by which a freelance journalist can demonstrate a solid basis for expecting publication by a news organization is by having a publication contract with that news organization. When no such contract is present, the Commission will look to the freelance journalist's past publication record in making this determination.

§ 4.2 Policy on disclosure of records.

(a) The Commission will make the fullest possible disclosure of records to the public, consistent with the rights
of individuals to privacy, the rights of persons contracting with the Commission with respect to trade secret and commercial or financial information entitled to confidential treatment, and the need for the Commission to promote free internal policy deliberations and to pursue its official activities without undue disruption.

(b) All Commission records shall be available to the public unless they are specifically exempt under this part.

(c) To carry out this policy, the Commission shall designate a Freedom of Information Act Officer.

§ 4.3 Scope.

The regulations in this part implement the provisions of the Freedom of Information Act, 5 U.S.C. 552, with respect to the availability of records for inspection and copying.

[44 FR 33368, June 8, 1979, as amended at 45 FR 31291, May 13, 1980]

§ 4.4 Availability of records.

(a) In accordance with 5 U.S.C. 552(a)(2) and (a)(3) the Commission shall make the following materials available for public inspection and copying:

(1) Statements of policy and interpretation which have been adopted by the Commission;

(2) Administrative staff manuals and instructions to staff that affect a member of the public;

(3) Opinions of Commissioners rendered in enforcement cases and General Counsel’s reports and non-exempt 2 USC 437g investigatory materials in enforcement files will be made available no later than 30 days from the date on which a respondent is notified that the Commission has voted to take no further action and to close such an enforcement file.

(4) Letter requests for guidance and responses thereto;

(5) The minutes of Commission meetings and transcripts made from tapes of Commission meetings;

(6) Material routinely prepared for public distribution, e.g. campaign guidelines, FEC Record, press releases, speeches, notices to candidates and committees.

(7) Proposals submitted in response to a request for proposals formulated pursuant to the Federal Procurement Regulations. 41 CFR 1-1.001 et seq.

(8) Contracts for services and supplies entered into by the Commission.

(9) Statements and certifications (with respect to closing meetings) as required by the Government in the Sunshine Act, 5 U.S.C. 552b.

(10) Reports of receipts and expenditures, designations of campaign depositories, statements of organization, candidate designations of committees, and the indices compiled from the filings therein.

(11) Requests for advisory opinions, written comments submitted in connection therewith, and responses approved by the Commission.

(12) With respect to enforcement matters, any conciliation agreement entered into between the Commission and any respondent.

(13) Copies of studies published pursuant to the Commission’s duty to serve as a national clearinghouse on election law administration.

(14) Audit reports (if discussed in open session).

(15) Agendas for Commission meetings.

(b) Public access to the materials described in subparagraphs (a)(3) and (a)(10) through (a)(15) of this section is also available pursuant to the Federal Election Campaign Act of 1971, as amended, in accordance with the provisions of Part 5 of this chapter.

(c) The Commission shall maintain and make available current indexes and supplements providing identifying information regarding any matter issued, adopted or promulgated after April 15, 1975 as required by 5 U.S.C. 552(a)(2)(c). These indexes and supplements shall be published and made available on at least a quarterly basis for public distribution unless the Commission determines by Notice in the Federal Register that publication would be unnecessary, impracticable, or not feasible due to budgetary considerations. Nevertheless, copies of any index or supplement shall be made available upon request at a cost not to exceed the direct cost of duplication.

(d) The Freedom of Information Act and the provisions of this part apply
only to existing records; they do not require the creation of new records.

(e) If documents or files contain both disclosable and nondisclosable information, the nondisclosable information will be deleted and the disclosable information released unless the disclosable portions cannot be reasonably segregated from the other portions in a manner which will allow meaningful information to be disclosed.

(f) All records created in the process of implementing provisions of 5 U.S.C. 552 will be maintained by the Commission in accordance with the authority granted by General Records Schedule 14, approved by the National Archives and Records Service of the General Services Administration.

[44 FR 33368, June 8, 1979, as amended at 45 FR 31291, May 13, 1980]

§ 4.5 Categories of exemptions.

(a) No requests under 5 U.S.C. 552 shall be denied release unless the record contains, or its disclosure would reveal, matters that are:

(1) Specifically authorized under criteria established by an executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive order;

(2) Related solely to the internal personnel rules and practices of the Commission;

(3) Specifically exempted from disclosure by statute, provided that such statute (A) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or (B) establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Trade secrets and commercial or financial information obtained from a person which are privileged or confidential. Such information includes confidential business information which concerns or relates to the trade secrets, processes, operations, style of works, or apparatus, or to the production, sales, shipments, purchases, transfers, identification of customers, inventories, or amount of source of income, profits, losses, or expenditures of any person, firm, partnership, corporation, or other organization, if the disclosure is likely to have the effect of either impairing the Commission's ability to obtain such information as is necessary to perform its statutory functions, or causing substantial harm to the competitive position of the person, firm, partnership, corporation, or other organization from which the information was obtained, unless the Commission is required by law to disclose such information. These procedures shall be used for submitting business information in confidence:

(i) A request for confidential treatment shall be addressed to the FOIA officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463, and shall indicate clearly on the envelope that it is a request for confidential treatment.

(ii) With each submission of, or offer to submit, business information which a submitter desires to be treated as confidential under paragraph (a)(4) of this section, the submitter shall provide the following, which may be disclosed to the public: (A) A written description of the nature of the subject information, and a justification for the request for its confidential treatment, and (B) a certification in writing under oath that substantially identical information is not available to the public.

(iii) Approval or denial of requests shall be made only by the FOIA officer or his or her designees. A denial shall be in writing, shall specify the reason therefore, and shall advise the submitter of the right to appeal to the Commission.

(iv) For good cause shown, the Commission may grant an appeal from a denial by the FOIA Officer or his or her designee if the appeal is filed within fifteen (15) days after receipt of the denial. An appeal shall be addressed to the FOIA Officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463 and shall clearly indicate that it is a confidential submission appeal. An appeal will be decided within twenty (20) days after its receipt (excluding Saturdays, Sundays and legal holidays) unless an extension, stated in writing with the reasons therefore, has been provided the person making the appeal.
(v) Any business information submitted in confidence and determined to be entitled to confidential treatment shall be maintained in confidence by the Commission and not disclosed except as required by law. In the event that any business information submitted to the Commission is not entitled to confidential treatment, the submitter will be permitted to withdraw the tender unless it is the subject of a request under the Freedom of Information Act or of judicial discovery proceedings.

(vi) Since enforcement actions under 2 U.S.C. 437g are confidential by statute, the procedures outlined in § 4.5(a)(4) (i) thru (v) are not applicable.

(5) Inter-agency or intra-agency memoranda or letters which would not be available by law to a party in litigation with the Commission.

(6) Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement agency in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(b) Whenever a request is made which involves access to records described in 11 CFR 4.5(a)(7): and

(1) The investigation or proceeding involves a possible violation of criminal law; and

(2) There is reason to believe that—

(i) The subject of the investigation or proceeding is not aware of its pendency, and

(ii) Disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings;

The agency may, during only such time as that circumstance continues, treat the records as not subject to the requirements of the Freedom of Information Act.

(c) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt.

(d) If a requested record is one of another government agency or deals with subject matter to which a government agency other than the Commission has exclusive or primary responsibility, the request for such a record shall be promptly referred by the Commission to that agency for disposition or guidance as to disposition.

(e) Nothing in this part authorizes withholding of information or limiting the availability of records to the public, except as specifically provided in this part; nor is this part authority to withhold information from Congress.

§ 4.6 Discretionary release of exempt records.

The Commission may, in its discretion, release requested records despite the applicability of the exemptions in § 4.5(a), if it determines that it is in the public interest and that the rights of third parties would not be prejudiced.
§ 4.7 Requests for records.

(a) A request to inspect or copy Commission public records of the type referred to in 11 CFR 4.4(b) may be made in person or by mail. The Public Records Office is open Monday through Friday between the hours of 9:00 a.m. and 5:00 p.m. and is located on the first floor, 999 E Street, NW., Washington, DC 20463.

(b) Requests for copies of records pursuant to the Freedom of Information Act shall be addressed to FOIA officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463. The request shall reasonably describe the records sought with sufficient specificity with respect to names, dates, and subject matter, to permit the records to be located. A requester will be promptly advised if the records cannot be located on the basis of the description given and that further identifying information must be provided before the request can be satisfied.

(c) Records or copies thereof will normally be made available either immediately upon receipt of a request or within ten working days thereafter, or twenty working days in the case of an appeal, unless in unusual circumstances the time is extended or subject to 11 CFR 4.9(f)(3), which governs advance payments. In the event the time is extended, the requestor shall be notified of the reasons for the extension and the date on which a determination is expected to be made, but in no case shall the extended time exceed ten working days. An extension may be made if it is—

(1) Necessary to locate records or transfer them from physically separate facilities; or

(2) Necessary to search for, collect, and appropriately examine a large quantity of separate and distinct records which are the subject of a single request; or

(3) Necessary for consultation with another agency which has a substantial interest in the determination of the request, or with two or more components of the Commission which have a substantial subject matter interest therein.

(d) Any person denied access to records by the Commission shall be notified immediately giving reasons therefore, and notified of the right of such person to appeal such adverse determination to the Commission.

(e) The date of receipt of a request under this part shall be the date on which the FOIA Officer actually receives the request.

§ 4.8 Appeal of denial.

(a) Any person who has been notified pursuant to § 4.6(d) of this part that his/her request for inspection of a record or for a copy has been denied, or who has received no response within ten working days (or within such extended period as is permitted under § 4.7(c) of this part) after the request has been received by the Commission, may appeal the adverse determination or the failure to respond by requesting the Commission to direct that the record be made available.

(b) The appeal request shall be in writing, shall clearly and prominently state on the envelope or other cover and at the top of the first page “FOIA Appeal”, and shall identify the record in the form in which it was originally requested.

(c) The appeal request should be delivered or addressed to the FOIA Officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463.

(d) The requestor may state facts and cite legal or other authorities as he/she deems appropriate in support of the appeal request.

(e) For good cause shown, the Commission may disclose a record which is subject to one of the exemptions listed in § 4.5 of this part.

(f) The Commission will make a determination with respect to any appeal within twenty days (excluding Saturdays, Sundays and legal holidays) after receipt of the appeal (or within such extended period as is permitted under § 4.7(c) of this part). If on appeal, the denial of the request for a record or a copy is in whole or in part upheld, the Commission shall advise the requestor of the denial and shall notify him/her of the provisions for

(g) Because of the risk of misunderstanding inherent in oral communications, the Commission will not entertain any appeal from an alleged denial or failure to comply with an oral request. Any person who has orally requested a copy of a record that he/she believes to have been improperly denied should resubmit the request in writing as set forth in § 4.7.

[44 FR 33368, June 8, 1979, as amended at 50 FR 50778, Dec. 12, 1985]

§ 4.9 Fees.

(a) Exceptions to fee charges—(1) General. Except for a commercial use requester, the Commission will not charge a fee to any requester for the first two hours of search time and the first 100 pages of duplication in response to any FOIA request.

(2) Free computer search time. For purposes of this paragraph, the term "search time" is based on the concept of a manual search. To apply this to a search conducted by a computer, the Commission will provide the equivalent dollar value of two hours of professional staff time, calculated according to paragraph (c)(4) of this section, in computer search time. Computer search time is determined by adding the cost of the computer connect time actually used for the search, calculated at the rate of $25.00 per hour, to the cost of the operator's salary for the time spent conducting the computer search, calculated at the professional staff time rate set forth at paragraph (c)(4) of this section.

(3) Definition of pages. For purposes of this paragraph, the word "pages" refers to paper copies of a standard agency size which will normally be 8½" x 11" or 8½" x 14". Thus, while a requester would not be entitled to 100 free computer disks, for example, a requester would be entitled to 100 free pages of a computer printout.

(4) Minimum charge. The Commission will not charge a fee to any requester when the allowable direct cost of that FOIA request is equal to or less than the Commission's cost of routinely collecting and processing a FOIA request fee.

(b) Fee reduction or waiver—(1) The Commission will consider requests for the reduction or waiver of any fees assessed pursuant to paragraph (c)(1) of this section if it determines, either as a result of its own motion or in response to a written submission by the requester, that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and that disclosure of the information is not primarily in the commercial interest of the requester.

(2) A request for a reduction or waiver of fees shall be made in writing by the FOIA requestor; shall accompany the relevant FOIA request so as to be considered timely; and shall include a specific explanation as to why the fee for that FOIA request should be reduced or waived, applying the standard stated in paragraph (b)(1) of this section to the facts of that particular request. In addition, the explanation shall include: the requester's (and user's, if the requester and the user are different persons or entities) identity, qualifications and expertise in the subject area, and ability and intention to disseminate the information to the public; and a discussion of any commercial or personal benefit that the requester (and user, if the requester and user are different persons or entities) expects as a result of disclosure, including whether the information disclosed would be resold in any form at a fee above actual cost.

(c) Fees to be charged. (1) The FOIA services provided by the Commission in response to a FOIA request for which the requester will be charged will depend upon the category of the requester. The categories of FOIA requestors are as follows:

(i) Commercial use requestors. A requester of documents for commercial use will be assessed reasonable standard charges for the full allowable direct costs of searching for, reviewing for release and duplicating the records sought, according to the Commission's schedule of fees for those services as set forth at paragraph (c)(4) of this section. A commercial use requester is not entitled to two hours of free
§ 4.9    11 CFR Ch. I (1-1-88 Edition)

search time nor 100 free pages of duplication of documents.

(ii) Educational and non-commercial scientific institution requestors. The Commission will provide documents to requestors in this category for the cost of duplication of the records provided by the Commission in response to the request, according to the Commission's schedule of fees as set forth at paragraph (c)(4) of this section, excluding charges for the first 100 pages of duplication. Requestors in this category will not be charged for search time. To be eligible for inclusion in this category, requestors must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

(iii) Requestors who are representatives of the news media. The Commission will provide documents to requestors in this category for the cost of duplication of the records provided by the Commission in response to the request, according to the Commission's schedule of fees as set forth at paragraph (c)(4) of this section, excluding charges for the first 100 pages of duplication. Requestors in this category will not be charged for search time. To be eligible for inclusion in this category, the requestor must meet the criteria listed at 11 CFR 4.1(n) and his or her request must not be made for a commercial use. A request for records supporting the news dissemination function of the requestor shall not be considered to be a request that is for a commercial use.

(iv) All other requestors. The Commission will charge requestors who do not fit into any of the categories listed in paragraph (c)(1)(i), (ii) or (iii) of this section the full direct costs of searching for and duplicating records in response to the request, according to the Commission's schedule of fees as set forth at paragraph (c)(4) of this section, excluding charges for the first two hours of search time and the first 100 pages of duplication. Requests from record subjects for records about themselves will continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for duplication.

(2) The Commission may assess fees for the full allowable direct costs of searching for documents in response to a request even if the Commission fails to locate any documents which are responsive to that request and, in the case of commercial use requestors, reviewing documents located in response to a request which the Commission determines are exempt from disclosure.

(3) If the Commission estimates that search or duplication charges are likely to exceed $25.00, it will notify the requestor of the estimated amount of the fee unless the requestor has indicated in advance a willingness to pay a fee as high as that estimated by the Commission. Through this notification, the Commission will offer the requestor the opportunity to confer with Commission staff to reformulate the original request in order to meet the requestor's needs at a lower cost.

(4) The following is the schedule of the Commission's standard fees. The cost of staff time will be added to all of the following fees, generally at the "Professional" rate listed below, except for the cost of "Photocopying from photocopiers" which has been calculated to include staff time.
Photocopying

Photocopying from photocopying machines—$.07 per page
Photocopying from microfilm reader-printer—$.15 per page
Paper copies from microfilm-paper print machine—$.05 per frame page

Reels of Microfilm

Daily film (partial or complete roll)—$2.85 per roll
Other film (partial or complete roll)—$5.00 per roll
Publications: (new or not from available stocks)
Cost of photocopying document—$.07 per page
Cost of binding document—$.30 per inch

Publications: (available stock)

If available from stock on hand, cost is based on previously calculated cost as stated in the publication (based on actual cost per copy, including reproduction and binding). Commission publications for which fees will be charged include, but are not limited to, the following: Advisory Opinion Index, Report on Financial Activity, Financial Control and Compliance Manual, MUR Index, and Guideline for Presentation in Good Order.

Computer Tapes

Cost to process the request at the rate of $25.00 per hour connect time plus the cost of the computer tape ($25.00) and professional staff time (see Staff Time).
er tape or microfilm, they shall be made payable to that private contractor and shall be forwarded to the Commission.

(d) Interest charges. FOIA requestors should pay fees within 30 days following the day on which the invoice for that request was sent to the requestor. If the invoice is unpaid on the 31st day following the day on which the invoice was sent, the Commission will begin assessing interest charges, which will accrue from the date the invoice was mailed. Interest will be charged at a rate that is equal to the average investment rate for the Treasury tax and loan accounts for the 12-month period ending on September 30 of each year, rounded to the nearest whole percentage point, pursuant to 31 U.S.C. 3717. The accrual of interest will be stayed by the Commission’s receipt of the fee, even if the fee has not yet been processed.

(e) Aggregating requests. A requestor may not file multiple requests, each seeking portions of a document or documents, in order to avoid payment of fees. When the Commission reasonably believes that a FOIA requestor or group of requestors acting in concert is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Commission will aggregate any such requests and charge the appropriate fees. In making this determination, the Commission will consider the time period in which the requests have occurred, the relationship of the requestors, and the subject matter of the requests.

(f) Advance payments. The Commission will require a requestor to make an advance payment, i.e., a payment before work is commenced or continued on a request, when:

(1) The Commission estimates or determines that allowable charges that a requestor may be required to pay are likely to exceed $250. In such a case, the Commission will notify the requestor of the likely cost and, where the requestor has a history of prompt payment of FOIA fees, obtain satisfactory assurance of full payment, or in the case of a requestor with no FOIA fee payment history, the Commission will require an advance payment of an amount up to the full estimated charges; or

(2) A requestor has previously failed to pay a fee in a timely fashion (i.e., within 30 days of the date of the billing). In such a case, the Commission may require that the requestor pay the full amount owed plus any applicable interest or demonstrate that the fee has been paid and make an advance payment of the full amount of the estimated fee before the Commission begins to process a new request or a pending request from that requestor.

3 If the provisions of paragraph (f)(1) or (2) of this section apply, the administrative time limits prescribed in 11 CFR 4.7(c) will begin only after the Commission has received the payments or the requestor has made acceptable arrangements to make the payments required by paragraph (f)(1) or (2) of this section.

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient's program, except that this paragraph does not apply to candidates or conventions receiving public financing under Title 26, United States Code;

(vi) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The Commission may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(6) The Commission may not administer a certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap.

§§6.131—6.139 [Reserved]

§6.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Commission. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established in 29 CFR Part 1613, shall apply to employment in federally conducted programs or activities.

§§6.141—6.148 [Reserved]

§6.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in 11 CFR 6.150 and 11 CFR 6.151, no qualified handicapped person shall be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the Commission because its facilities are inaccessible to or unusable by handicapped persons.

§6.150 Program accessibility; Existing facilities.

(a) General. The Commission will operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the Commission to make each of its existing facilities accessible to and usable by handicapped persons;

(2) Require the Commission to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. The Commission has the burden of proving that compliance with 11 CFR 6.150(a) would result in such alterations or burdens. The decision that compliance would result in such alteration or burdens must be made by the Commission after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the Commission will take any other action that would not result in such an alteration or such a burden but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods. The Commission may comply with the requirements of this section through such means as rede-
sign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The Commission is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The Commission, in making alterations to existing buildings, will meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157) and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the Commission will give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) Time period for compliance. The Commission will comply with the obligations established under this section within sixty days of the effective date of this part except that where structural changes in facilities are undertaken, such changes will be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the Commission will develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan will be developed with the assistance of interested persons, including handicapped persons and organizations representing handicapped persons. A copy of the transition plan will be made available for public inspection. The plan will, at a minimum—

(1) Identify physical obstacles in the Commission's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the official responsible for implementation of the plan; and

(5) Identify the persons or groups with whose assistance the plan was prepared.

§ 6.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the Commission shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act, 42 U.S.C. 4151-4157, as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 6.152—6.159 [Reserved]

§ 6.160 Communications.

(a) The Commission will take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The Commission will furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Commission.

(i) In determination what type of auxiliary aid is necessary, the Commission will give primary consideration to the requests of the handicapped person.

(ii) The Commission need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the Commission communicates with applicants and beneficiaries by telephone, telecommunica-
tions devices for deaf persons (TDD's), or equally effective telecommunication systems will be used.

(b) The Commission will ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The Commission will provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) The Commission will take appropriate steps to provide handicapped persons with information regarding their section 504 rights under the Commission's programs of activities.

(e) This section does not require the Commission to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. The Commission has the burden of proving that compliance with this section would result in such alterations or burdens. The decision that compliance would result in such alteration or burdens must be made by the Commission after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the Commission will take any other action that would not result in such an alteration or such a burden but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§6.161—6.169 [Reserved]

(ii) Any person who believes that a denial of his or her services will result or has resulted in discrimination prohibited by this part may file a complaint with the Rehabilitation Act Officer.

(2) All complete complaints must be filed within 180 days of the alleged act of discrimination. The Commission may extend this time period for good cause.

(3) Complaints filed under this part shall be addressed to the Rehabilitation Act Officer, 999 E Street, NW., Washington, DC 20463.

(e) The Commission will notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), are not readily accessible and usable to handicapped persons.

(f)(1) The Commission will accept and investigate a complete complaint that is filed in accordance with paragraph (d) of this section and over which it has jurisdiction. The Rehabilitation Act Officer will notify the complainant and the respondent of receipt and acceptance of the complaint.

(2) If the Rehabilitation Act Officer receives a complaint that is not complete (See 11 CFR 6.101(c)), he or she will notify the complainant within 30 days of receipt of the incomplete com-
plaint, that additional information is needed. If the complainant fails to complete the complaint within 30 days of receipt of this notice, the Rehabilitation Act Officer will dismiss the complaint without prejudice.

(3) If the Rehabilitation Act Officer receives a complaint over which the Commission does not have jurisdiction, the Commission will promptly notify the complainant and will make reasonable efforts to refer the complaint to the appropriate governmental entity.

(g) Within 180 days of receipt of a complete complaint for which it has jurisdiction, the Commission will notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;
(2) A description or a remedy for each violation found; and
(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the Commission of the letter required by § 6.170(g). The Commission may extend this time for good cause.

(i) Timely appeals to the Commission shall be addressed to the Rehabilitation Act Officer, Federal Election Commission, 999 E Street, NW., Washington, DC20463.

(j) The Commission will notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the Commission determines that it needs additional information from the complainant, it shall have 60 days from the date it receives the additional information to make its determination on the appeal.

(k) The Commission may extend the time limits in paragraphs (g) and (j) of this section for good cause.

(l) The Commission may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated.

The Ethics Officer should be consulted prior to the undertaking of any action which might violate this part governing the conduct of Commissioners or employees.

§ 7.4 Interpretation and advisory service.

A Commissioner or employee seeking advice and guidance on questions of conflict of interest and on other matters covered by this part should consult with the Commission’s General Counsel, who serves as Ethics Officer. The Ethics Officer should be consulted prior to the undertaking of any action which might violate this part governing the conduct of Commissioners or employees.

§ 7.5 Reporting suspected violations.

(a) Personnel who have information which causes them to believe that there has been a violation of a statute or policy set forth in this part should promptly report such incident to the Ethics Officer. If a report is made orally, the Ethics Officer shall require a written report from the complainant before proceeding further.

(b) When information available to the Commission indicates a conflict between the interests of an employee or special Commission employee and the performance of his or her Commission duties, the employee or special Commission employee shall be provided an opportunity to explain the conflict or appearance of conflict in writing.

§ 7.6 Disciplinary and other remedial action.

(a) A violation of this part by an employee or special Commission employee may be cause for appropriate disciplinary action which may be in addition to any penalty prescribed by law.

(b) When the Ethics Officer determines that an employee may have or appears to have a conflict of interest, the Ethics Officer, the employee’s supervisor, the employee’s division head, and the Staff Director or General Counsel may question the employee in the matter and gather other information. The Ethics Officer, the employee’s supervisor, the employee’s division head, and the Staff Director or General Counsel shall discuss with the employee possible ways of eliminating the conflict or appearance of conflict. If the Ethics Officer, after consultation with the employee’s supervisor, the employee’s division head, and the Staff Director or General Counsel, concludes that remedial action should be taken, he or she shall refer a statement to the Commission containing his or her recommendation for such action. The Commission, after consideration of the employee’s explanation and the results of any investigation, may direct appropriate remedial action as it deems necessary.

(c) Remedial action pursuant to paragraph (b) of this section may include, but is not limited to:

(1) Changes in assigned duties;
(2) Divestment by the employee of his or her conflicting interest;
(3) Disqualification for a particular action; or
(4) Disciplinary action.

Subpart B—Conduct and Responsibilities of Employees or Commissioners

§ 7.7 Prohibited conduct—General.

A Commissioner or employee shall avoid any action whether or not specifically prohibited by this subpart which might result in, or create the appearance of:

(a) Using public office for unlawful private gain;

(b) Giving favorable or unfavorable treatment to any person or organization due to any partisan, political, or other consideration;

(c) Impeding Government efficiency or economy;

(d) Losing independence or impartiality;

(e) Making a Government decision outside official channels; or

(f) Affecting adversely the confidence of the public in the integrity of the Government.
§ 7.8 Gifts, entertainment, and favors.

(a) A Commissioner or employee of the Federal Election Commission shall not solicit or accept, directly or indirectly, any gift, gratuity, favor, entertainment, loan, or any other thing of monetary value, from a person who:

(1) Has, or is seeking to obtain, contractual or other business or financial relations with the Commission;

(2) Conducts operations or activities that are regulated or examined by the Commission;

(3) Has interests that may be substantially affected by the performance or nonperformance of the Commissioner or employee’s official duty.

(b) Paragraph (a) of this section shall not apply:

(1) Where obvious family or personal relationships govern when the circumstances make it clear that it is those relationships rather than the business of the persons concerned which are the motivating factors;

(2) To the acceptance of food, refreshments, and accompanying entertainment of nominal value in the ordinary course of a social occasion or a luncheon or dinner meeting or other function where a Commissioner or an employee is properly in attendance;

(3) To the acceptance of unsolicited advertising or promotional material or other items of nominal intrinsic value such as pens, pencils, note pads, calendars; and

(4) To the acceptance of loans from banks or other financial institutions on customary terms to finance proper and usual activities, such as home mortgage loans.

(c) A Commissioner or an employee shall not solicit a contribution from another employee for a gift to an official superior, make a donation as a gift to an official superior, or accept a gift from an employee receiving less pay than himself or herself. However, this paragraph does not prohibit a voluntary gift of nominal value or donation in a nominal amount made on a special occasion such as birthday, holiday, marriage, illness, or retirement.

(d) A Commissioner or employee shall not accept a gift, present, decoration, or other thing from a foreign government unless authorized by Congress as provided by the Constitution and in Section 7342 of Title 5, United States Code.

(e) Neither this section nor 11 CFR 7.7 precludes a Commissioner or employee from receipt of a bona fide reimbursement, unless prohibited by law, for expenses of travel and such other necessary subsistence as is compatible with this part for which no Government payment or reimbursement is made. However, this section does not allow an employee or Commissioner to be reimbursed, or payment to be made on his or her behalf, for excessive personal living expenses, gifts, entertainment, or other personal benefits, nor does it allow an employee to be reimbursed by a person for travel on official business under agency orders when reimbursement is prescribed by Decision B-128527 of the Comptroller General dated March 7, 1987 (46 Comp. Gen. 689).

§ 7.9 Outside employment or activities.

(a) A member of the Commission shall not devote a substantial portion of his or her time to any other business, vocation, or employment. Any individual who is engaging substantially in any other business, vocation, or employment at the time such individual begins to serve as a member of the Commission shall appropriately limit such activity no later than 90 days after beginning to serve as such a member.

(b) An employee shall not engage in outside employment that is not compatible with the full discharge of this or her Government employment and not in compliance with any labor-management agreement between the Federal Election Commission and a labor organization. Incompatible outside employment or other activities include but are not limited to:

(1) Outside employment or other activities which would involve the violation of a Federal or State statute, local ordinance, Executive Order, or regulation to which the employee is subject;

(2) Outside employment or other activities which would give rise to a real or apparent conflict of interest situation even though no violation of a specific statutory provision was involved;
(3) Acceptance of a fee, compensation, gift, payment of expense, or any other thing of monetary value in circumstances where acceptance may result in, or create the appearance of, a conflict of interest;

(4) Outside employment or other activities that might bring discredit upon the Government or Commission;

(5) Outside employment or other activities that establish relationships or property interests that may result in a conflict between the employee's private interests and official duties;

(6) Outside employment or other activities which would involve any contractor or subcontractor connected with any work performed for the Commission or would involve any person or organization in a position to gain advantage in its dealings with the Government through the employee's exercise of his or her official duties;

(7) Outside employment of other activities that may be construed by the public to be the official acts of the Federal Election Commission. In any permissible outside employment, care shall be taken to ensure that names and titles of employees are not used to give the impression that the activity is officially endorsed or approved by the Commission or is part of the Commission's activities;

(8) Outside employment or other activities which would involve use by an employee of his or her official duty time; use of official facilities, including office space, machines, or supplies, at any time; or use of the services of other employees during their official duty hours;

(9) Outside employment or other activities which tend to impair the employee's mental or physical capacities to perform Commission duties and responsibilities in an acceptable manner; or

(10) Use of information obtained as a result of Government employment which is not freely available to the general public or would not be made available upon request. However, written authorization for the use of any such information may be given when the Commission determines that such use would be in the public interest.

(c) An employee shall not receive any salary or anything of monetary value from a private source as compensation for his or her services to the Government in violation of 18 U.S.C. 209.

(d) Employees are encouraged to engage in teaching, lecturing, and writing that is not prohibited by law, Executive Order 11222, or this part. However, an employee shall not, either for or without compensation, engage in teaching or writing that is dependent on information obtained as a result of his or her Commission employment, except when that information has been made available to the general public or will be made available on request, or when the Commission gives written authorization for the use of nonpublic information on the basis that the use is in the public interest.

(e) This section does not preclude an individual from participation in the affairs of or acceptance of an award for meritorious public contribution or achievement given by a charitable, religious, professional, social, fraternal, nonprofit educational, recreational, public service or civic organization.

(f) An employee of the Office of General Counsel who intends to engage in outside employment shall obtain the approval of the General Counsel/Ethics Officer. All other employees who intend to engage in outside employment shall obtain the approval of the Staff Director prior to review and approval by the Ethics Officer. The request shall include the name of the person, group, or organization for whom the work is to be performed, the nature of the services to be rendered, the proposed hours of work, or approximate dates of employment, and the employee's certification as to whether the outside employment (including teaching, writing or lecturing) will depend in any way on information obtained as a result of the employee's official Government position. The employee will receive notice of approval or disapproval of any written request in accordance with any labor-management agreement between the Commission and a labor organization. A record of the approval shall be placed in each employee's official personnel folder.
§ 7.10 Financial interests.

(a)(1) A Commissioner or employee shall not engage in, directly or indirectly, a financial transaction as a result of, or primarily relying on, information obtained through his or her Commission employment.

(2) A Commissioner or employee shall not have a direct or indirect financial interest that conflicts substantially, or appears to conflict substantially, with his or her Commission duties and responsibilities, except in cases where the Commissioner or employee makes full disclosure, and the Commissioner or employee disqualifies himself or herself from participating in any decisions, approval, disapproval, recommendation, the rendering of advice, investigation, or otherwise in any proceeding of the Commission in which the financial interest is or appears to be affected. The filing of public financial disclosure reports will constitute full disclosure for all individuals who are required to file such reports pursuant to the Ethics in Government Act. Until such time as the extent, shape and form of confidential financial disclosure reports required of employees by the Ethics in Government Act has been determined, full disclosure by an employee will require that that employee submit a written statement to the Ethics Officer disclosing the particular financial interest which conflicts substantially, or appears to conflict substantially, with the employee's duties and responsibilities.

(3) A Commissioner or employee should disqualify himself or herself from a proceeding in which his or her impartiality might reasonably be questioned where the Commissioner or employee knows that he or she, or his or her spouse, has an interest in the subject matter in controversy or is a party to the proceeding, or any other interest that could be substantially affected by the outcome of the proceeding.

(b) This section does not preclude a Commissioner or employee from having a financial interest or engaging in financial transactions to the same extent as a private citizen not employed by the Government provided that the activity is not prohibited by law, Executive Order 11222, or Commission regulations.

§ 7.11 Political and organization activity.

(a) Due to the Federal Election Commission's role in the political process, the following restrictions on political activities are required in addition to those imposed by the Hatch Act (5 U.S.C. 7324 et seq.):

(1) No Commissioner or employee should publicly support a candidate, political party, or political committee subject to the jurisdiction of the Commission. No Commissioner or employee should work for a candidate, political party or political committee subject to the jurisdiction of the Commission. Commissioners and employees should be aware that contributing to candidates, political parties, or political committees subject to the jurisdiction of the Commission is likely to result in a conflict of interest.

(2) No Commissioner or employee shall display partisan buttons, badges or other insignia on Commission premises.

(b) Special Government employees are subject to the restrictions contained in this section for the entire 24 hours of any day on which the employee is on active duty status.

(c) Employees on leave, leave without pay, or on furlough or terminal leave, even though the employees' resignations have been accepted, are subject to the restrictions of this section. A separated employee who has received a lump-sum payment for annual leave, however, is not subject to the restrictions during the period covered by the lump-sum payment or thereafter, provided he or she does not return to Federal employment during that period. An employee is not permitted to take a leave of absence to work with a political candidate, committee, or organization or become a candidate for office despite any understanding that he or she will resign his or her position if nominated or elected.

(d) An employee is accountable for political activity by another person acting as his or her agent or under the employee's direction or control if the employee is thus accomplishing what
§ 7.12  he or she may not lawfully do directly and openly.

§ 7.12 Membership in associations.
Commissioners or employees who are members of nongovernmental associations or organizations shall avoid activities on behalf of those associations or organizations that are incompatible with their official governmental positions.

§ 7.13 Use of Government property.
A Commission or employee shall not directly or indirectly use, or allow the use of, Government property of any kind, including property leased to the Government, for other than officially approved activities. Commissioners and employees have a positive duty to protect and conserve Government property including equipment, supplies, and other property entrusted or issued to him or her.

§ 7.14 Prohibition against making complaints and investigations public.
(a) Commission employees are warned that they are subject to criminal penalties if they discuss or otherwise make public any matters pertaining to a complaint or investigation under 2 U.S.C. 437g, without the written permission of the person complained against or being investigated. Such communications are prohibited by 2 U.S.C. 437g(a)(12)(A).
(b) 2 U.S.C. 437g(a)(12)(B) provides as follows: “Any member or employee of the Commission or any other person, who violates the provisions of subparagraph (A) shall be fined not more than $2,000. Any such member, employee, or other person who knowingly and willfully violates this subsection shall be fined not more than $5,000.”

§ 7.15 Ex parte communications.
In order to avoid the possibility of prejudice, real or apparent, to the public interest in enforcement actions pending before the Commission pursuant to 2 U.S.C. 437g(A)(1) or (2):
(a) Except to the extent required for the disposition of ex parte matters as required by law (as, for example, during the normal course of an investigation or a conciliation effort), no Commissioner or employee involved in the decisional process shall make or entertain any ex parte communications.
(b) The prohibition of this section shall apply from the time a complaint is filed with the Commission pursuant to 2 U.S.C. 437(a)(1) or from the time that the Commission determines on the basis of information ascertained in the normal course of its supervisory responsibilities that it has reason to believe that a violation has occurred or may occur pursuant to 2 U.S.C. 437g(a)(2), and shall remain in force until the Commission has concluded all action with respect to the enforcement matter in question.
(c) Any written communication prohibited by paragraph (a) of this section shall be delivered to the Ethics Officer of the Commission who shall place the communication in the file of the case.
(d) A Commissioner or employee, other than the employee assigned to the case, involved in handling enforcement actions who receives an oral offer or any communication concerning any enforcement action pending before the Commission as described in paragraph (a) of this section shall decline to listen to such communication. If unsuccessful in preventing the communication, the Commissioner or employee shall advise the person making the communication that he or she will not consider the communication and shall prepare a statement setting forth the substance and circumstances of the communication within 48 hours of receipt of the communication and shall deliver the statement to the Ethics Officer for placing in the file in the manner set forth in paragraph (c) of this section.

§ 7.16 Miscellaneous statutory provisions.
Each employee shall acquaint himself or herself with each statute that relates to his or her ethical and other conduct as an employee of the Commission and of the Government. In particular, the attention of employees is directed to the following statutory provisions:
(a) Chapter 11 of Title 18, United States Code, relating to bribery, graft,

§ 7.23 Initiation of investigation.

(2) The Ethics Officer, within five days after receipt of the complaint, shall send a copy of the complaint by certified mail to the former employee named in the complaint. (b) Review of complaint. (1) The Ethics Officer will review the complaint and any materials submitted by the former employee, and will prepare a report to the Commission recommending whether the complaint should be investigated or should be dismissed on its face.

(2) If the Commission, by an affirmative vote of four members, finds that the complaint appears to be substantiated, it may order an investigation of the allegations made in the complaint.

(i) Except as may be required to coordinate with the Department of Justice under 11 CFR 7.23(b)(2)(ii) any investigation conducted under this section shall be kept confidential until such time as the Commission has determined whether there is reasonable cause to believe a violation has occurred.

(ii) The Ethics Officer shall notify the Director of the Office of Government Ethics and the Criminal Division of the Department of Justice of the Commission's finding that the complaint has merit. The notification shall contain a copy of the complaint, any materials submitted by the former employee, the Ethics Officer's report, and the certification of the Commission's action.

(iii) The Commission will coordinate any investigation or administrative action with the Department of Justice to avoid prejudicing criminal proceedings, unless the Department of Justice notifies the Commission that it does not intend to initiate criminal proceedings.

Such response must be received by the Commission within 20 days after the former employee's receipt of the Ethics Officer's report, unless an extension is authorized in writing by the Ethics Officer.

(c) No reasonable cause to believe finding. If the Commission determines that there is no reasonable cause to believe a violation has occurred, it will close its file on the matter and take no further action. § 100.1 Scope.

§ 100.2 Election (2 U.S.C. 431(1)).

(a) "Election" means the process by which individuals, whether opposed or unopposed, seek nomination for election, or election, to Federal office. The specific types of elections, as set forth at 11 CFR 100.2(b), (c), (d), (e) and (f) are included in this definition.

(b) General election. A general election is an election which meets either of the following conditions:

1. An election held in even numbered years on the Tuesday following the first Monday in November is a general election.

2. An election which is held to fill a vacancy in a Federal office (i.e., a special election) and which is intended to result in the final selection of a single individual to the office at stake is a general election. See 11 CFR 100.2(f).

(c) Primary election. A primary election is an election which meets one of the following conditions:

1. An election which is held prior to a general election, as a direct result of which candidates are nominated, in accordance with applicable State law, for election to Federal office in a subsequent election is a primary election.

2. An election which is held for the expression of a preference for the nomination of persons for election to the office of President of the United States is a primary election.

3. An election which is held to elect delegates to a national nominating convention is a primary election.

4. With respect to individuals seeking federal office as independent candidates, or without nomination by a major party (as defined in 26 U.S.C. 9002(6)), the primary election is considered to occur on one of the following dates, at the choice of the candidate:

   (i) The day prescribed by applicable State law as the last day to qualify for a position on the general election ballot may be designated as the primary election for such candidate.

   (ii) The date of the last major party primary election, caucus, or convention in that State may be designated as the primary election for such candidate.

   (iii) In the case of non-major parties, the date of the nomination by that party may be designated as the primary election for such candidate.

5. With respect to any major party candidate (as defined at 26 U.S.C. 9002(6)) who is unopposed for nomination within his or her own party, and who is certified to appear as that party's nominee in the general election for the office sought, the primary election is considered to have occurred on the date on which the primary election was held by the candidate's party in that State.
Runoff election. "Runoff election" means the election which meets either of the following conditions:

1. The election held after a primary election, and prescribed by applicable state law as the means for deciding which candidate(s) should be certified as a nominee for the Federal office sought, is a runoff election.

2. The election held after a general election and prescribed by applicable state law as the means for deciding which candidate should be certified as an officeholder elect, is a runoff election.

Caucus or Convention. A caucus or convention of a political party is an election if the caucus or convention has the authority to select a nominee for federal office on behalf of that party.

Special election. "Special election" means an election which is held to fill a vacancy in a Federal office. A special election may be a primary, general, or runoff election, as defined at 11 CFR 100.2 (b), (c) and (d).

§ 100.3 Candidate (2 U.S.C. 431(2)).

Definition. "Candidate" means an individual who seeks nomination for election, or election, to federal office. An individual becomes a candidate for Federal office whenever any of the following events occur:

1. The individual has received contributions aggregating in excess of $5,000 or made expenditures aggregating in excess of $5,000.

2. The individual has given his or her consent to another person to receive contributions or make expenditures on behalf of that individual and such person has received contributions aggregating in excess of $5,000 or made expenditures aggregating in excess of $5,000.

3. After written notification by the Commission that any other person has received contributions aggregating in excess of $5,000 or made expenditures aggregating in excess of $5,000 on the individual's behalf, the individual fails to disavow such activity by letter to the Commission within 30 days of receipt of the notification.

4. The aggregate of contributions received under 11 CFR 100.3(a) (1), (2), and (3), in any combination thereof, exceeds $5,000, or the aggregate of expenditures made under 11 CFR 100.3(a) (1), (2), and (3), in any combination thereof, exceeds $5,000.

Election cycle. For purposes of determining whether an individual is a candidate under this section, contributions or expenditures shall be aggregated on an election cycle basis. An election cycle shall begin on the first day following the date of the previous general election for the office or seat which the candidate seeks, unless contributions or expenditures are designated for another election cycle. For an individual who receives contributions or makes expenditures designated for another election cycle, the election cycle shall begin at the time such individual, or any other person acting on the individual's behalf, first receives contributions or makes expenditures in connection with the designated election. The election cycle shall end on the date on which the general election for the office or seat that the individual seeks is held.

§ 100.4 Federal office (2 U.S.C. 431(3)).

"Federal office" means the office of President or Vice President of the United States, Senator or Representative in, or Delegate or Resident Commissioner to, the Congress of the United States.

§ 100.5 Political committee (2 U.S.C. 431 (4), (5), (6)).

"Political committee" means any group meeting one of the following conditions:

(a) Except as provided in 11 CFR 100.5(b), (c) and (d), any committee, club, association, or other group of persons which receives contributions aggregating in excess of $1,000 or which makes expenditures aggregating in excess of $1,000 during a calendar year is a political committee.

(b) Any separate segregated fund established under 2 U.S.C. 441b(b)(2)(C) is a political committee.

(c) Any local committee of a political party is a political committee if: it receives contributions aggregating in excess of $5,000 during a calendar year; it makes payments exempted from the definition of contribution,
under 11 CFR 100.7(b)(9), (15) and (17), and expenditure, under 11 CFR 100.8(b)(10), (16) and (18), which payments aggregate in excess of $5,000 during a calendar year; or it makes contributions aggregating in excess of $1,000 or makes expenditures aggregating in excess of $1,000 during a calendar year.

(d) An individual’s principal campaign committee or authorized committee(s) becomes a political committee(s) when that individual becomes a candidate pursuant to 11 CFR 100.3.

(e) The following are examples of political committees:

(1) Principal campaign committee. “Principal campaign committee” means a political committee designated and authorized by a candidate pursuant to 11 CFR 101.1 and 102.1.

(2) Single candidate committee. “Single candidate committee” means a political committee other than a principal campaign committee which makes or receives contributions or makes expenditures on behalf of only one candidate.

(3) Multi-candidate committee. “Multi-candidate committee” means a political committee which (i) has been registered with the Commission, Clerk of the House or Secretary of the Senate for at least 6 months; (ii) has received contributions for Federal elections from more than 50 persons; and (iii) (except for any State political party organization) has made contributions to 5 or more Federal candidates.

(4) Party committee. “Party committee” means a political committee which represents a political party and is part of the official party structure at the national, State, or local level.

(5) Delegate committee. A delegate committee is a group of persons that receives contributions or makes expenditures for the sole purpose of influencing the selection of one or more delegates to a national nominating convention. The term “delegate committee” includes a group of delegates, a group of individuals seeking selection as delegates and a group of individuals supporting delegates. A delegate committee that qualifies as a political committee under 11 CFR 100.5 must register with the Commission pursuant to 11 CFR Part 102 and report its receipts and disbursements in accordance with 11 CFR Part 104. (See definition of “delegate” at 11 CFR 110.14(b)(1).)

(f) A political committee is either an authorized committee or an unauthorized committee.

(1) Authorized committee. An “authorized committee” means the principal campaign committee or any other political committee authorized by a candidate under 11 CFR 102.13 to receive contributions or make expenditures on behalf of such candidate, or which has not been disavowed pursuant to 11 CFR 100.3(a)(3).

(2) Unauthorized committee. An “unauthorized committee” is a political committee which has not been authorized in writing by a candidate to solicit or receive contributions or make expenditures on behalf of such candidate, or which has been disavowed pursuant to 11 CFR 100.3(a)(3).

(g) Affiliated committee. (1) All authorized committees of the same candidate are affiliated.

(2) All committees (including a separate segregated fund, see 11 CFR Part 114) established, financed, maintained, or controlled by the same corporation, labor organization, person, or group of persons including any parent, subsidiary, branch, division, department, or local unit thereof, are affiliated.

(i) Application of the rule of this paragraph means that:

(A) All political committees set up by a single corporation and/or its subsidiaries are affiliated;

(B) All political committees set up by a single national or international union and/or its local unions or other subordinate organizations of the national or international union are affiliated;

(C) All of the political committees set up by an organization of national or international unions and all of its State and/or local central bodies are affiliated;

(D) All political committees (other than party committees) established by a member organization, including a trade or professional association (see 11 CFR 114.8(a)), and/or by related State and local entities are affiliated;
All the political committees established by the same person or group of persons are affiliated.

(ii) For organizations not covered by paragraph (g)(2)(i) of this section, indicia of establishing, financing, maintaining, or controlling include:

(A) Ownership of a controlling interest in voting shares or securities;
(B) Provisions of bylaws, constitutions, or other documents by which one entity has the authority, power, or ability to direct another entity;
(C) The authority, power, or ability to hire, appoint, discipline, discharge, demote, or remove or otherwise influence the decision of the officers or members of an entity;
(D) Similar patterns of contributions;
(E) The transfer of funds between committees which represent a substantial portion of the funds of either the transferor or transferee committee, other than the transfer of funds between the committees which jointly raised the funds so transferred.

§ 100.6 Connected organization (2 U.S.C. 431(7)).

(a) "Connected organization" means any organization which is not a political committee but which directly or indirectly establishes, administers, or financially supports a political committee. A connected organization may be a corporation (including a corporation without capital stock), a labor organization, a membership organization, a cooperative or a trade association.

(b) For purposes of 11 CFR 100.6, organizations which are members of the entity (such as corporate members of a trade association) which establishes, administers, or financially supports a political committee are not organizations which directly or indirectly establish, administer or financially support that political committee.

(c) For purposes of 11 CFR 100.6, the term "financially supports" does not include contributions to the political committee, but does include the payment of establishment, administration and solicitation costs of such committee.

§ 100.7 Contribution (2 U.S.C. 431(8)).

(a) The term "contribution" includes the following payments, services or other things of value:

(i) A gift, subscription, loan (except for a loan made in accordance with 11 CFR 100.7(b)(11)), advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office is a contribution.

(ii) For purposes of 11 CFR 100.7(a)(1), the term "loan" includes a guarantee, endorsement, and any other form of security.

(A) A loan which exceeds the contribution limitations of 2 U.S.C. 441a and 11 CFR Part 110 shall be unlawful whether or not it is repaid.

(B) A loan is a contribution at the time it is made and is a contribution to the extent that it remains unpaid. The aggregate amount loaned to a candidate or committee by a contributor, when added to other contributions from that individual to that candidate or committee, shall not exceed the contribution limitations set forth at 11 CFR Part 110. A loan, to the extent it is repaid, is no longer a contribution.

(C) Except as provided in (D), a loan is a contribution by each endorser or guarantor. Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement. Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that such agreement does not stipulate the portion of the loan for which each endorser or guarantor is liable, the loan shall be considered a loan by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors.

(D) A candidate may obtain a loan on which his or her spouse's signature is required when jointly owned assets are used as collateral or security for the loan. The spouse shall not be considered a contributor to the candidate's campaign if the value of the
§ 100.7

11 CFR Ch. I (1-1-88 Edition)

candidate’s share of the property used as collateral equals or exceeds the amount of the loan which is used for the candidate’s campaign.

(E) If a political committee makes a loan to any person, such loan shall be subject to the limitations of 11 CFR Part 110. Repayment of the principal amount of such loan to such political committee shall not be a contribution by the debtor to the lender committee. Such repayment shall be made with funds which are subject to the prohibitions of 11 CFR 110.4(a) and Part 114. The payment of interest to such committee by the debtor shall be a contribution only to the extent that the interest paid exceeds a commercially reasonable rate prevailing at the time the loan is made. All payments of interest shall be made from funds subject to the prohibitions of 11 CFR 110.4(a) and Part 114.

(ii) For purposes of 11 CFR 100.7(a)(1), the term “money” includes currency of the United States or of any foreign nation, checks, money orders, or any other negotiable instruments payable on demand.

(iii) (A) For purposes of 11 CFR 100.7(a)(1), the term “anything of value” includes all in-kind contributions. Unless specifically exempted under 11 CFR 100.7(b), the provision of any goods or services without charge or at a charge which is less than the usual and normal charge for such goods or services is a contribution. Examples of such goods or services include, but are not limited to: securities, facilities, equipment, supplies, personnel, advertising services, membership lists, and mailing lists. If goods or services are provided at less than the usual and normal charge, the amount of the in-kind contribution is the difference between the usual and normal charge for the goods or services at the time of the contribution and the amount charged the political committee.

(B) For purposes of 11 CFR 100.7(a)(1)(iii)(A), “usual and normal charge” for goods means the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution; and “usual and normal charge” for any services, other than those provided by an unpaid volunteer, means the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered.

(2) The entire amount paid to attend a fundraiser or other political event and the entire amount paid as the purchase price for a fundraising item sold by a political committee is a contribution.

(3) The payment by any person of compensation for the personal services of another person if those services are rendered without charge to a political committee for any purpose, except for legal and accounting services provided under 11 CFR 100.7(b)(13) or (14), is a contribution. No compensation is considered paid to any employee under any of the following conditions:

(i) If an employee is paid on an hourly or salaried basis and is expected to work a particular number of hours per period, no contribution results if the employee engages in political activity during what would otherwise be a regular work period, provided that the taken or released time is made up or completed by the employee within a reasonable time.

(ii) No contribution results where an employee engages in political activity during what would otherwise be normal working hours if the employee is paid on a commission or piecework basis, or is paid only for work actually performed and the employee's time is considered his or her own to use as he or she sees fit.

(iii) No contribution results where the time used by the employee to engage in political activity is bona fide, although compensable, vacation time or other earned leave time.

(4) The extension of credit by any person for a length of time beyond normal business or trade practice is a contribution, unless the creditor has made a commercially reasonable attempt to collect the debt. (See 11 CFR 114.10). A debt owed by a political committee which is forgiven or settled for less than the amount owed is a contribution unless such debt is settled in accordance with the standards set forth at 11 CFR 114.10.
(b) The term "contribution" does not include the following payments, services or other things of value:

(1) (i) Funds received solely for the purpose of determining whether an individual should become a candidate are not contributions. Examples of activities permissible under this exemption if they are conducted to determine whether an individual should become a candidate include, but are not limited to, conducting a poll, telephone calls, and travel. Only funds permissible under the Act may be used for such activities. The individual shall keep records of all such funds received. See 11 CFR 101.3. If the individual subsequently becomes a candidate, the funds received are contributions subject to the reporting requirements of the Act. Such contributions must be reported with the first report filed by the principal campaign committee of the candidate, regardless of the date the funds were received.

(ii) This exemption does not apply to funds received for activities indicating that an individual has decided to become a candidate for a particular office or for activities relevant to conducting a campaign. Examples of activities that indicate that an individual has decided to become a candidate include, but are not limited to:

(A) The individual uses general public political advertising to publicize his or her intention to campaign for Federal office.

(B) The individual raises funds in excess of what could reasonably be expected to be used for exploratory activities or undertakes activities designed to amass campaign funds that would be spent after he or she becomes a candidate.

(C) The individual makes or authorizes written or oral statements that refer to him or her as a candidate for a particular office.

(D) The individual conducts activities in close proximity to the election or over a protracted period of time.

(E) The individual has taken action to qualify for the ballot under State law.

(2) Any cost incurred in covering or carrying a news story, commentary, or editorial by any broadcasting station, newspaper, magazine, or other periodical publication is not a contribution unless the facility is owned or controlled by any political party, political committee, or candidate, in which case the cost for a news story (i) which represents a bona fide news account communicated in a publication of general circulation or on a licensed broadcasting facility, and (ii) which is part of a general pattern of campaign-related news accounts which give reasonably equal coverage to all opposing candidates in the circulation or listening area, is not a contribution.

(3) The value of services provided without compensation by any individual who volunteers on behalf of a candidate or political committee is not a contribution.

(4) No contribution results where an individual, in the course of volunteering personal services on his or her residential premises to any candidate or to any political committee of a political party, provides the use of his or her real or personal property to such candidate for candidate-related activity or to such political committee of a political party for party-related activity. For the purposes of 11 CFR 100.7(b)(4), an individual’s residential premises, shall include a recreation room in a residential complex where the individual volunteering services resides, provided that the room is available for use without regard to political affiliation. A nominal fee paid by such individual for the use of such room is not a contribution.

(5) No contribution results where an individual, in the course of volunteering personal services to any candidate or political committee of a political party, obtains the use of a church or community room and provides such room to any candidate for candidate-related activity or to any political committee of a political party for party-related activity, provided that the room is used on a regular basis by members of the community for noncommercial purposes and the room is available for use by members of the community without regard to political affiliation. A nominal fee paid by such individual for the use of such room is not a contribution.

(6) The cost of invitations, food and beverages is not a contribution where
such items are voluntarily provided by an individual volunteering personal services on the individual's residential premises or in a church or community room as specified at 11 CFR 100.7(b)(4) and (5) to a candidate for candidate-related activity or to any political committee of a political party for party-related activity, to the extent that: the aggregate value of such invitations, food and beverages provided by the individual on behalf of the candidate does not exceed $1,000 with respect to any single election; and on behalf of all political committees of each political party does not exceed $2,000 in any calendar year.

(7) The sale of any food or beverage by a vendor (whether incorporated or not) for use in a candidate's campaign, or for use by a political committee of a political party, at a charge less than the normal or comparable commercial rate, is not a contribution, provided that the charge is at least equal to the cost of such food or beverage to the vendor, to the extent that: the aggregate value of such discount given by the vendor on behalf of any single candidate does not exceed $1,000 with respect to any single election; and on behalf of all political committees of each political party does not exceed $2,000 in a calendar year.

(8) Any unreimbursed payment for transportation expenses incurred by any individual on behalf of any candidate or any political committee of a political party is not a contribution to the extent that: the aggregate value of the payments made by such individual on behalf of a candidate does not exceed $1,000 with respect to a single election; and on behalf of all political committees of each political party does not exceed $2,000 in a calendar year. Additionally, any unreimbursed payment from a volunteer's personal funds for usual and normal subsistence expenses incidental to volunteer activity is not a contribution.

(9) The payment by a State or local committee of a political party of the costs of preparation, display, or mailing or other distribution incurred by such committee with respect to a printed slate card, sample ballot, palm card, or other printed listing(s) of three or more candidates for any public office for which an election is held in the State in which the committee is organized is not a contribution. The payment of the portion of such costs allocable to Federal candidates must be made from funds subject to the limitations and prohibitions of the Act. If made by a political committee, such payments shall be reported by that committee as disbursements, but need not be allocated in committee reports to specific candidates. This exemption shall not apply to costs incurred by such a committee with respect to the preparation and display of listings made on broadcasting stations, or in newspapers, magazines, and similar types of general public political advertising such as billboards.

(10) Any payment made or obligation incurred by a corporation or a labor organization is not a contribution if under the provisions of 11 CFR Part 114 such payment or obligation would not constitute an expenditure by the corporation or labor organization.

(11) A loan of money by a State bank, a federally chartered depository institution (including a national bank) or a depository institution whose deposits and accounts are insured by the Federal Deposit Insurance Corporation, the Federal Savings and Loan Insurance Corporation, or the National Credit Union Administration is not a contribution by the lending institution if such loan is made in accordance with applicable banking laws and regulations and is made in the ordinary course of business. A loan will be deemed to be made in the ordinary course of business if it: bears the usual and customary interest rate of the lending institution for the category of loan involved; is made on a basis which assures repayment; is evidenced by a written instrument; and is subject to a due date or amortization schedule. Such loans shall be reported by the political committee in accordance with 11 CFR 104.3(a). Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement, except that, in the event of a signature by the candidate's
spouse, the provisions of 11 CFR 100.7(a)(1)(i)(D) shall apply. Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that such agreement does not stipulate the portion of the loan for which each endorser or guarantor is liable, the loan shall be considered a contribution by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors. For purposes of 11 CFR 100.7(b)(11), an overdraft made on a checking or savings account shall be considered a contribution by the bank or institution unless: the overdraft is made on an account which is subject to automatic overdraft protection; the overdraft is subject to a definite interest rate which is usual and customary; and there is a definite repayment schedule.

(12) A gift, subscription, loan, advance, or deposit of money or anything of value made to a national committee or a State committee of a political party is not a contribution if it is specifically designated to defray any cost incurred for construction or purchase of any office facility which is not acquired for the purpose of influencing the election of any candidate in any particular election for Federal office. If such gift, subscription, loan, advance, or deposit of money or anything of value is made to a committee which is not a political committee under 11 CFR 100.5, the amount need not be reported. However, if such gift, subscription, loan, advance, or deposit of money or anything of value is made to a political committee, it shall be reported in accordance with 11 CFR 104.3(g).

(13) Legal or accounting services rendered to or on behalf of any political committee of a political party are not contributions if the person paying for such services is the regular employer of the individual rendering the services and such services are not attributable to activities which directly further the election of any designated candidate for Federal office. For purposes of 11 CFR 100.7(b)(13), a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for such services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h).

(14) Legal or accounting services rendered to or on behalf of an authorized committee of a candidate or any other political committee are not contributions if the person paying for such services is the regular employer of the individual rendering the services and if such services are solely to ensure compliance with the Act or 26 U.S.C. 9001 et seq. and 9031 et seq. For purposes of 11 CFR 100.7(b)(14), a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for these services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h).

(15) The payment by a state or local committee of a political party of the costs of campaign materials (such as pins, bumper stickers, handbills, brochures, posters, party tabloids or newsletters, and yard signs) used by such committee in connection with volunteer activities on behalf of any nominee(s) of such party is not a contribution, provided that the following conditions are met:

(i) Such payment is not for cost incurred in connection with any broadcasting, newspaper, magazine, billboard, direct mail, or similar type of general public communication or political advertising. For purposes of 11 CFR 100.7(b)(15)(i), the term “direct mail” means any mailing(s) by a commercial vendor or any mailing(s) made from commercial lists.

(ii) The portion of the cost of such materials allocable to Federal candidates is paid from contributions subject to the limitations and prohibitions of the Act.

(iii) Such payment is not made from contributions designated by the donor to be spent on behalf of a particular candidate or candidates for Federal office. For purposes of 11 CFR 100.7(b)(15)(iii), a contribution shall not be considered a “designated contribution” if the party committee disbursing the funds makes the final decision regarding which candidate(s)
§100.7 shall receive the benefit of such disbursements.

(iv) Such materials are distributed by volunteers and not by commercial or for-profit operations. For the purposes of 11 CFR 100.7(b)(15)(iv), payments by the party organization for travel and subsistence or customary token payments to volunteers do not remove such individuals from the volunteer category.

(v) If made by a political committee such payments shall be reported by the political committee as disbursements in accordance with 11 CFR 104.3 but need not be allocated to specific candidates in committee reports.

(vi) Payments by a State candidate or his or her campaign committee to a State or local political party committee for the State candidate’s share of expenses for such campaign materials are not contributions, provided the amount paid by the State candidate or his or her committee does not exceed his or her proportionate share of the expenses.

(vii) Campaign materials purchased by the national committee of a political party and delivered to a State or local party committee, or materials purchased with funds donated by the national committee to such State or local committee for the purchase of such materials, shall not qualify under this exemption. Rather, the cost of such materials shall be subject to the limitations of 2 U.S.C. 441a(d) and 11 CFR 110.7.

(16) The payment by a candidate for any public office (including State or local office), or by such candidate’s authorized committee, of the costs of that candidate’s campaign materials which include information on or any reference to a candidate for Federal office and which are used in connection with volunteer activities (such as pins, bumper stickers, handbills, brochures, posters, and yard signs) is not a contribution to such candidate for Federal office, provided that the payment is not for the use of broadcasting, newspapers, magazines, billboards, direct mail or similar types of general public communication or political advertising. The payment of the portion of the cost of such materials allocable to Federal candidates shall be made from contributions subject to the limitations and prohibitions of the Act. For purposes of 11 CFR 100.7(b)(16), the term “direct mail” means any mailing(s) by commercial vendors or mailing(s) made from lists which were not developed by the candidate.

(17) The payment by a State or local committee of a political party of the costs of voter registration and get-out-the-vote activities conducted by such committee on behalf of the Presidential and Vice Presidential nominee(s) of that party, is not a contribution to such candidate(s) provided that the following conditions are met:

(i) Such payment is not for the costs incurred in connection with any broadcasting, newspaper, magazine, billboard, direct mail, or similar type of general public communication or political advertising. For purposes of 11 CFR 100.7(b)(17)(i), the term “direct mail” means any mailing(s) by a commercial vendor or any mailing(s) made from commercial lists.

(ii) The portion of the costs of such activities allocable to Federal candidates is paid from contributions subject to the limitations and prohibitions of the Act.

(iii) Such payment is not made from contributions designated to be spent on behalf of a particular candidate or candidates for Federal office. For purposes of 11 CFR 100.7(b)(17)(iii), a contribution shall not be considered a “designated contribution” if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.

(iv) For purposes of 11 CFR 100.7(b)(17), if such activities include references to any candidate(s) for the House or Senate, the costs of such activities which are allocable to that candidate(s) shall be a contribution to such candidate(s) unless the mention of such candidate(s) is merely incidental to the overall activity.

(v) For purposes of 11 CFR 100.7(b)(17), payment of the costs incurred in the use of phone banks in connection with voter registration and get-out-the-vote activities is not a contribution when such phone banks are operated by volunteer workers. The use of paid professionals to design the
phone bank system, develop calling instructions and train supervisors is permissible. The payment of the costs of such professional services is not an expenditure but shall be reported as a disbursement in accordance with 11 CFR 104.3 if made by a political committee.

(D) The Fair Labor Standards Act, 29 USC 201, et seq. and the regulations issued pursuant to such Act, 29 CFR Part 541, et seq., may serve as a guideline in determining whether individuals have policymaking, managerial, professional, or supervisory responsibilities.

For the purposes of 11 CFR 100.8(b)(5), an individual's residential premises shall include a recreation room in a residential complex where the individual volunteering services resides, provided that the room is available for use without regard to political affiliation. A nominal fee paid by such individual for the use of such room is not an expenditure.

A nominal fee paid by such individual for the use of such room is not an expenditure.

(8) Any unreimbursed payment for transportation expenses incurred by any individual on behalf of any candidate or political committee of a political party is not an expenditure to the extent that: the aggregate value of the payments made by such individual on behalf of a candidate does not exceed $1,000 with respect to a single election; and on behalf of all political committees of each political party does not exceed $2,000 in a calendar year. The payment of the portion of such costs allocable to Federal candidates must be made from funds subject to the limitations and prohibitions of the Act. If made by a political party committee, such payments shall be reported by that committee as disbursements, but need not be allocated in committee reports to specific candidates. This exemption shall not apply to costs incurred by such a committee with respect to the preparation and display of listings made on broadcasting stations, or in newspapers, magazines, and similar types of general public political advertising such as billboards.

(11) Any payment made or obligation incurred by a corporation or labor organization is not an expenditure if under the provisions of 11 CFR Part 114 such payment or obligation would not constitute an expenditure by the corporation or labor organization.

(12) A loan of money by a State bank, a federally chartered depository institution (including a national bank) or a depository institution whose deposits and accounts are insured by the Federal Deposit Insurance Corporation, the Federal Savings and Loan Insurance Corporation, or the National Credit Union Administration is not an expenditure by the lending institution if such loan is made in accordance with applicable banking laws and regulations and is made in the ordinary course of business. A loan will be deemed to be made in the ordinary course of business if it: bears the usual and customary interest rate of the lending institution for the category of loan involved; is made on a basis which assures repayment; is evidenced by a written instrument; and is subject to a due date or amortization schedule. Such loans shall be reported by the political committee in accordance with 11 CFR 104.3(a). Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement, except that, in the event of a signature by the candidate's spouse, the provisions of 11 CFR 100.7(a)(1)(i)(D) shall apply. Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that the loan agreement does not stipulate the portion of the loan for which each endorser or guarantor is liable, the loan shall be considered an expenditure by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors. For the purpose of 11 CFR 100.8(b)(12), an overdraft made on a checking or savings account shall be considered an expenditure unless: the overdraft is made on an account which is subject to automatic overdraft protection; and the overdraft is subject to a definite interest rate and a definite repayment schedule.

ther the election of any designated
candidate for Federal office. For pur-
poses of 11 CFR 100.8(b)(14), a part-
nership shall be deemed to be the reg-
ular employer of a partner. Amounts
paid by the regular employer for such
services shall be reported by the com-
mittee receiving such services in ac-
cordance with 11 CFR 104.3(h).

(15) Legal or accounting services ren-
dered to or on behalf of an authorized
committee of a candidate or any other
political committee are not expendi-
tures if the person paying for such
services is the regular employer of the
individual rendering such services and
if the services are solely to ensure com-
pliance with the Act or 26 U.S.C.
9001 et seq. and 9032 et seq. For pur-

nominee(s) of such party is not an ex-
penditure, provided that the following
conditions are met.

materials allocable to Federal candi-
dates is paid from contributions sub-
ject to the limitations and prohibitions
of the Act.

(iii) Such payment is not made from
contributions designated by the donor
to be spent on behalf of a particular
candidate or candidates for Federal
office. For purposes of 11 CFR
100.8(b)(16)(iii), a contribu-
tion shall not be considered a "designated contribu-

bursing the funds makes the final de-
cision regarding which candidate(s)
shall receive the benefit of such dis-
bursement.

(iv) Such materials are distributed
by volunteers and not by commercial
or for-profit operations. For the pur-
poses of 11 CFR 100.8(b)(16)(iv), pay-
ments by the party organization for
travel and subsistence or customary
token payments to volunteers do not
remove such individuals from the vol-
unteer category.

(v) If made by a political party com-
mittee, such payments shall be report-
ed by that committee as disburse-
ments, in accordance with 11 CFR
104.3, but need not be allocated to spe-
cific candidates in committee reports.

or his or her campaign committee to a
State or local political party commit-
tee for the State candidate's share of
expenses for such campaign materials
are not expenditures, provided the
amount paid by the State candidate or
his or her committee does not exceed
his or her proportionate share of the
expenses.

(vii) Campaign materials purchased
by the national committee of a politi-
cal party and delivered to a State or
local party committee, or materials
purchased with funds donated by the
national committee to such State or
local committee for the purchase of
such materials, shall not qualify under
this exemption. Rather, the cost of
such materials shall be subject to the
limitations of 2 U.S.C. 441a(d) and 11
CFR 110.7.
(17) The payment by a candidate for any public office (including State or local office), or by such candidate's authorized committee, of the costs of that candidate's campaign materials which include information on or any reference to a candidate for Federal office and which are used in connection with volunteer activities (such as pins, bumper stickers, handbills, brochures, posters, and yard signs) is not an expenditure on behalf of such candidate for Federal office, provided that the payment is not for the use of broadcasting, newspapers, magazines, billboards, direct mail or similar types of general public communication or political advertising. For purposes of 11 CFR 100.8(b)(17), the term "direct mail" means mailings by commercial vendors or mailings made from lists which were not developed by the candidate.

(18) The payment by a State or local committee of a political party of the costs of voter registration and get-out-the-vote activities conducted by such committee on behalf of the Presidential and Vice Presidential nominee(s) of that party is not an expenditure for the purpose of influencing the election of such candidates provided that the following conditions are met:

(iii) Such payment is not made from contributions designated to be spent on behalf of a particular candidate or candidates for Federal office. For the purposes of 11 CFR 100.8(b)(18)(iii), a contribution shall not be considered a "designated contribution" if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.

(iv) For purposes of 11 CFR 100.8(b)(18), if such activities include references to any candidate(s) for the House or Senate, the costs of such activities which are allocable to that candidate(s) shall be an expenditure on behalf of such candidate(s) unless the mention of such candidate(s) is merely incidental to the overall activity.

(v) For purposes of 11 CFR 100.8(b)(18), payment of the costs incurred in the use of phone banks in connection with voter registration and get-out-the-vote activities is not an expenditure when such phone banks are operated by volunteer workers. The use of paid professionals to design the phone bank system, develop calling instructions and train supervisors is permissible. The payment of the costs of such professional services is not an expenditure but shall be reported as a disbursement in accordance with 11 CFR 104.3 if made by a political committee.

(vi) If made by a political committee, such payments for voter registration and get-out-the-vote activities shall be reported by that committee as disbursements, in accordance with 11 CFR 104.3 but such payments need not be allocated to specific candidates in committee reports except as provided in 11 CFR 100.8(b)(18)(iv).

(vii) Payments made from funds donated by a national committee of a political party to a State or local party committee for voter registration and get-out-the-vote activities shall not qualify under this exemption. Rather, such funds shall be subject to the limitations of 2 U.S.C. 441a(d) and 11 CFR 110.7.

(19) Amounts transferred by a party committee to another party committee or payments made to the appropriate State official of fees collected from candidates or their authorized committees as a condition of ballot access are not expenditures.

(21)(i) Any costs incurred by a candidate or his or her authorized committee(s) in connection with the solicitation of contributions are not expenditures if incurred by a candidate who has been certified to receive Presidential Primary Matching Fund Payments, or by a candidate who has been certified to receive general election public financing under 26 U.S.C. 9004 and who is soliciting contributions in accordance with 26 U.S.C. 9003(b)(2) or 9003(c)(2) to the extent that the aggregate of such costs does not exceed 20 percent of the expenditure limitation applicable to the candidate. These costs shall, however, be reported as disbursements pursuant to 11 CFR Part 104.

(ii) For purposes of 11 CFR 100.8(b)(21), “in connection with the solicitation of contributions” means any cost reasonably related to fundraising activity, including the costs of printing and postage, the production of and space or air time for, advertisements used for fundraising, and the costs of meals, beverages, and other costs associated with a fundraising reception or dinner.

(iii) The fundraising expenditures need not be allocated on a State by State basis, except where the fundraising activity is aimed at a particular State and takes place within 28 days prior to a primary election, convention, or caucus. See 11 CFR 110.8(c).

(22) Payments by a candidate from his or her personal funds, as defined at 11 CFR 110.10(b), for the candidate's routine living expenses which would have been incurred without candidacy, including the costs of food and residence, are not expenditures.

(23) Funds used to defray costs incurred in staging nonpartisan candidate debates in accordance with the provisions of 11 CFR 110.13 and 114.4(e).

(c) For purposes of 11 CFR 100.8(a) and (b), a payment made by an individual shall not be attributed to any other individual, unless otherwise specified by that other individual. To the extent that a payment made by an individual qualifies as a contribution, the provisions of 11 CFR 110.1(k) shall apply.

(c)(1) No political committee which supports or has supported more than one candidate may be designated as a principal campaign committee, except that, after nomination, a candidate for the office of President of the United States nominated by a political party...
may designate the national committee of such political party as his or her principal campaign committee. A national committee which is so designated shall maintain separate books of account with respect to its function as a principal campaign committee.

(2) For purposes of 11 CFR 102.12(c), the term “support” does not include contributions by an authorized committee in amounts aggregating $1,000 or less per election to an authorized committee of any other candidate, except that the national committee of a political party which has been designated as the principal campaign committee of that party’s Presidential candidate may contribute to another candidate in accordance with 11 CFR Part 110.

§ 102.13 Authorization of political committees (2 U.S.C. 432(e)(1) and (3)).

(a)(1) Any political committee authorized by a candidate to receive contributions or make expenditures shall be authorized in writing by the candidate. Such authorization must be filed with the principal campaign committee in accordance with 11 CFR 102.1(b).

(2) If an individual fails to disavow activity pursuant to 11 CFR 100.3(a)(3) and is therefore a candidate upon notice by the Commission, he or she shall authorize the committee in writing.

(b) A candidate is not required to authorize a national, State or subordinate State party committee which solicits funds to be expended on the candidate’s behalf pursuant to 11 CFR 110.7.

(c)(1) No political committee which supports or has supported more than one candidate may be designated as an authorized committee, except that two or more candidates may designate a political committee established solely for the purpose of joint fundraising by such candidates as an authorized committee.

(2) For purposes of 11 CFR 102.13(c), the term “support” does not include contributions by an authorized committee in amounts aggregating $1,000 or less per election to an authorized committee of any other candidate, except that the national committee of a political party which has been designated as the principal campaign committee of that party’s Presidential candidate may contribute to another candidate in accordance with 11 CFR Part 110.

§ 102.14 Names of political committees (2 U.S.C. 432(e)(4) and (5)).

(a) The name of each authorized committee shall include the name of the candidate who authorized such committee. Except as provided in subsection (b) of this section, any political committee which is not an authorized committee shall not include the name of any candidate in its name.

(b)(1) A delegate committee, as defined at 11 CFR 100.5(e)(5), shall include the word “delegate(s)” in its name and may also include in its name the name of the presidential candidate which the delegate committee supports.

(2) A political committee established solely to draft an individual or to encourage him or her to become a candidate may include the name of such individual in the name of the committee provided the committee’s name clearly indicates that it is a draft committee.

(c) The name of a separate segregated fund established pursuant to 11 CFR 102.1(c) shall include the full name of its connected organization. Such fund may also use a clearly recognized abbreviation or acronym by which the connected organization is commonly known. Both the full name and such abbreviation or acronym shall be included on the fund’s Statement of Organization, on all reports filed by the fund, and in all notices required by 11 CFR 109.3 and 110.11. The fund may make contributions using its acronym or abbreviated name. A fund established by a corporation which has a number of subsidiaries need not include the name of each subsidiary in its name. Similarly, a separate segregated fund established by a subsidiary need not include in its name the name of its parent or another subsidiary of its parent.

§ 102.15 Commingled funds (2 U.S.C. 432(b)(3)).

All funds of a political committee shall be segregated from, and may not be commingled with, any personal funds of officers, members or associates of that committee, or with the personal funds of any other individual. See also 11 CFR 103.3 and Part 114 and 2 U.S.C. 441b.

Each political committee shall comply with the notice requirements for solicitation of contributions set forth at 11 CFR 110.11.

§ 102.17 Joint fundraising by committees other than separate segregated funds.

(a) General. (1)(i) Political committees may engage in joint fundraising with other political committees or with unregistered committees or organizations. The participants in a joint fundraising effort under this section shall either establish a separate committee or select a participating committee, to act as fundraising representative for all participants. The fundraising representative shall be a reporting political committee and an authorized committee of each candidate for federal office participating in the joint fundraising activity.

(ii) The participants may hire a commercial fundraising firm or other agent to assist in conducting the joint fundraising activity. In that case, however, the fundraising representative shall still be responsible for ensuring that the recordkeeping and reporting requirements set forth in this section are met.

(2) The procedures in 11 CFR 102.17(c) will govern all joint fundraising activity conducted under this section. The participants in joint fundraising activity may include political party committees (whether or not they are political committees under 11 CFR 100.5), candidate committees, multicandidate committees, and unregistered organizations which do not qualify as collecting agents under 11 CFR 102.6(b).

(3) A fundraising representative conducting joint fundraising under this section is distinguished from an unreg-

istered organization acting as a collecting agent under 11 CFR 102.6(b). If a separate segregated fund or an unregistered organization qualifies and acts as a collecting agent under 11 CFR 102.6(b), the provisions of 11 CFR 102.17 will not apply to that fundraising activity.

(b) Fundraising representatives—(1) Separate fundraising committee as fundraising representative. Participating committees may establish a separate political committee to act as fundraising representative for all participants. This separate committee shall be a reporting political committee and shall collect contributions, pay fundraising costs from gross proceeds and from funds advanced by participants, and disburse net proceeds to each participant.

(2) Participating committee as fundraising representative. All participating committees may select one participant to act as fundraising representative for all participants. The fundraising representative must be a political committee as defined in 11 CFR 100.5. The fundraising representative and any other participating committees may collect contributions; however, all contributions received by other participants shall be forwarded to the fundraising representative as required by 11 CFR 102.8. The fundraising representative shall pay fundraising costs from gross proceeds and from funds advanced by participants and shall disburse net proceeds to each participant.

(3) Funds advanced for fundraising costs. (i) Except as provided in 11 CFR 102.17(b)(3)(ii) and (iii), the amount of funds advanced by each participant for fundraising costs shall be in proportion to the allocation formula agreed upon under 11 CFR 102.17(c)(1).

(ii) A participant may advance more than its proportionate share of the fundraising costs, however, the amount advanced which is in excess of the participant’s proportionate share shall not exceed the amount that participant could legally contribute to the remaining participants. See 11 CFR 102.12(c)(2) and Part 110.

(iii) If all the participants are affiliated under 11 CFR 110.3 or if the participants are all party committees of
the same political party, there is no limit on the amount a participant may advance for fundraising costs on behalf of the other participants.

(c) Joint fundraising procedures. The requirements of 11 CFR 102.17(c)(1) through (8) shall govern joint fundraising activity conducted under this section.

1) Written agreement. The participants in a joint fundraising activity shall enter into a written agreement, whether or not all participants are political committees under 11 CFR 100.5. The written agreement shall identify the fundraising representative and shall state a formula for the allocation of fundraising proceeds. The participants shall also use the formula to allocate the expenses incurred for the fundraising activity. The fundraising representative shall retain the written agreement for a period of three years and shall make it available to the Commission on request.

2) Fundraising notice. In addition to any notice required under 11 CFR 110.11, a joint fundraising notice shall be included with every solicitation for contributions.

(i) This notice shall include the following information:

(A) The names of all committees participating in the joint fundraising activity whether or not such committees are political committees under 11 CFR 100.5; and

(B) The allocation formula to be used for distributing joint fundraising proceeds; and

(C) A statement informing contributors that, notwithstanding the stated allocation formula, they may designate their contributions for a particular participant or participants; and

(D) A statement informing contributors that the allocation formula may change if a contributor makes a contribution which would exceed the amount that contributor may give to any participant.

(ii) In the following situations, the notice shall include the following additional information:

(A) If one or more participants engage in the joint fundraising activity solely to satisfy outstanding debts, a statement informing contributors that the allocation formula may change if a participant receives sufficient funds to pay its outstanding debts; and

(B) If one or more participants can lawfully accept contributions that are prohibited under the Act, a statement informing contributors that contributions from prohibited sources will be distributed only to those participants that can accept them.

3) Separate depository account. (i) The participants or the fundraising representative shall establish a separate depository account to be used solely for the receipt and disbursement of the joint fundraising proceeds. All contributions deposited into the separate depository account must be permissible under the Act. Each political committee shall amend its Statement of Organization to reflect the account as an additional depository. If one or more participants can lawfully accept contributions that are prohibited under the Act, the participants may either establish a second depository account for contributions received from prohibited sources or they may forward such contributions directly to the nonfederal participants.

(ii) The fundraising representative shall deposit all joint fundraising proceeds in the separate depository account within ten days of receipt as required by 11 CFR 103.3. The fundraising representative may delay distribution of the fundraising proceeds to the participants until all contributions are received and all expenses are paid.

(iii) For contribution reporting and limitation purposes, the date of receipt of a contribution by a participating political committee is the date that the contribution is received by the fundraising representative. The fundraising representative shall report contributions in the reporting period in which they are received. Participating political committees shall report joint fundraising proceeds in accordance with 11 CFR 102.17(c)(8) when such funds are received from the fundraising representative.

4) Recordkeeping requirements. (i) The fundraising representative and participating committees shall screen all contributions received to insure that the prohibitions and limitations
§ 102.17

11 CFR Ch. I (1-1-88 Edition)

of 11 CFR Parts 110 and 114 are observed. Participating political committees shall make their contributor records available to the fundraising representative to enable the fundraising representative to carry out its duty to screen contributions.

(ii) The fundraising representative shall collect and retain contributor information with regard to gross proceeds as required under 11 CFR 102.8 and shall also forward such information to participating political committees. The fundraising representative shall also keep a record of the total amount of contributions received from prohibited sources, if any, and of all transfers of prohibited contributions to participants that can accept them.

(iii) The fundraising representative shall retain the records required under 11 CFR 102.9 regarding fundraising disbursements for a period of three years. Commercial fundraising firms or agents shall forward such information to the fundraising representative.

(5) Contribution limitations. Except to the extent that the contributor has previously contributed to any of the participants, a contributor may make a contribution to the joint fundraising effort which contribution represents the total amount that the contributor could contribute to all of the participants under the applicable limits of 11 CFR 110.1 and 110.2.

(6) Allocation of gross proceeds. (i) The fundraising representative shall allocate proceeds according to the formula stated in the fundraising agreement. If distribution according to the allocation formula extinguishes the debts of one or more participants and results in a surplus for those participants or if distribution under the formula results in a violation of the contribution limits of 11 CFR 110.1(a), the fundraising representative may reallocate the excess funds. Reallocation shall be based upon the remaining participants' proportionate shares under the allocation formula. If reallocation results in a violation of a contributor's limit under 11 CFR 110.1, the fundraising representative shall return to the contributor the amount of the contribution that exceeds the limit.

(ii) Designated contributions which exceed the contributor's limit to the designated participant under 11 CFR Part 110 may not be reallocated by the fundraising representative absent the written permission of the contributor.

(iii) If any participants can lawfully accept contributions from sources prohibited under the Act, any such contributions that are received are not required to be distributed according to the allocation formula.

(7) Allocation of expenses and distribution of net proceeds. (i) If participating committees are not affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity and are not committees of the same political party;

(A) After gross contributions are allocated among the participants under 11 CFR 102.17(c)(6), the fundraising representative shall calculate each participant's share of expenses based on the percentage of the total receipts each participant had been allocated. If contributions from sources prohibited under the Act have been received and distributed under 11 CFR 102.17(c)(6)(i), those contributions need not be included in the total receipts for the purpose of allocating expenses under this section. To calculate each participant's net proceeds, the fundraising representative shall subtract the participant's share of expenses from the amount that participant has been allocated from gross proceeds.

(B) A participant may only pay expenses on behalf of another participant subject to the contribution limits of 11 CFR Part 110.

(ii) If participating committees are affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity or if participants are party committees of the same political party, expenses need not be allocated among those participants. Payment of such expenses by an unregistered committee or organization on behalf of an affiliated political committee may cause the unregistered organization to become a political committee.

(iii) Payment of expenses may be made from gross proceeds by the fundraising representative.

74
(B) Reporting of receipts and disbursements—(i) Reporting receipts. (A) The fundraising representative shall report all funds received in the reporting period in which they are received. The fundraising representative shall report the total amount of contributions received from prohibited sources during the reporting period, if any, as a memo entry. Each Schedule A filed by the fundraising representative under this section shall clearly indicate that the contributions reported on that schedule represent joint fundraising proceeds.

(B) After distribution of net proceeds, each participating political committee shall report its share of net proceeds received as a transfer-in from the fundraising representative. Each participating political committee shall also file a memo Schedule A itemizing its share of gross receipts as contributions from original contributors to the extent required under 11 CFR 104.3(a).

(ii) Reporting disbursements. The fundraising representative shall report all disbursements in the reporting period in which they are made.

§ 103.1 Notification of the commission.

Each committee shall notify the Commission of the campaign depository(ies) it has designated, pursuant to 11 CFR 101.1 and 103.2.

§ 103.2 Depositories (2 U.S.C. 432(h)(1)).

Each political committee shall designate one or more State banks, federally chartered depository institutions (including a national bank), or depository institutions the depositor accounts of which are insured by the Federal Deposit Insurance Corporation, Federal Savings and Loan Insurance Corporation, or the National Credit Union Administration, as its campaign depository or depositories. One or more depositories may be established in one or more States. Each political committee shall maintain at least one checking account or transaction account at one of its depositories. Additional accounts may be established at each depository.

§ 103.3 Deposit of receipts and disbursements (2 U.S.C. 432(h)(1)).

(a) All receipts by a political committee shall be deposited in account(s) established pursuant to 11 CFR 103.2, except that any contribution may be, within 10 days of the treasurer's receipt, returned to the contributor without being deposited. The treasurer of the committee shall be responsible for making such deposits. All deposits shall be made within 10 days of the treasurer's receipt. A committee shall make all disbursements by check or similar drafts drawn on an account at its designated campaign depository, except for expenditures of $100 or less made from a petty cash fund maintained pursuant to 11 CFR 102.11. Funds may be transferred from the depository for investment purposes, but shall be returned to the depository before such funds are used to make expenditures.

(b) The treasurer shall be responsible for examining all contributions received for evidence of illegality and for ascertaining whether contributions received, when aggregated with other contributions from the same contributor, exceed the contribution limitations of 11 CFR 110.1 or 110.2.

(1) Contributions that present genuine questions as to whether they were made by corporations, labor organizations, foreign nationals, or Federal contractors may be, within ten days of the treasurer's receipt, either deposited into a campaign depository under 11 CFR 103.3(a) or returned to the contributor. If any such contribution is deposited, the treasurer shall make his or her best efforts to determine the legality of the contribution. The treasurer shall make at least one writ-
ten or oral request for evidence of the legality of the contribution. Such evidence includes, but is not limited to, a written statement from the contributor explaining why the contribution is legal, or a written statement by the treasurer memorializing an oral communication explaining why the contribution is legal. If the contribution cannot be determined to be legal, the treasurer shall, within thirty days of the treasurer’s receipt of the contribution, refund the contribution to the contributor.

(2) If the treasurer in exercising his or her responsibilities under 11 CFR 103.3(b) determined that at the time a contribution was received and deposited, it did not appear to be made by a corporation, labor organization, foreign national or Federal contractor, or made in the name of another, but later discovers that it is illegal based on new evidence not available to the political committee at the time of receipt and deposit, the treasurer shall refund the contribution to the contributor within thirty days of the date on which the illegality is discovered. If the political committee does not have sufficient funds to refund the contribution at the time the illegality is discovered, the political committee shall make the refund from the next funds it receives.

(3) Contributions which on their face exceed the contribution limitations set forth in 11 CFR 110.1 or 110.2, and contributions which do not appear to be excessive on their face, but which exceed the contribution limits set forth in 11 CFR 110.1 or 110.2 when aggregated with other contributions from the same contributor, and contributions which cannot be accepted under the net debts outstanding provisions of 11 CFR 110.1(b)(3) and 110.2(b)(3) may be either deposited into a campaign depository under 11 CFR 103.3(a) or returned to the contributor. If any such contribution is deposited, the treasurer may request redesignation or reattribution of the contribution by the contributor in accordance with 11 CFR 110.1(b), 110.1(k) or 110.2(b), as appropriate. If a redesignation or reattribution is not obtained, the treasurer shall, within sixty days of the treasurer’s receipt of the contribution, refund the contribution to the contributor.

(4) Any contribution which appears to be illegal under 11 CFR 103.3(b)(1) or (3), and which is deposited into a campaign depository shall not be used for any disbursements by the political committee until the contribution has been determined to be legal. The political committee must either establish a separate account in a campaign depository for such contributions or maintain sufficient funds to make all such refunds.

(5) If a contribution which appears to be illegal under 11 CFR 103.3(b)(1) or (3) is deposited in a campaign depository, the treasurer shall make and retain a written record noting the basis for the appearance of illegality. A statement noting that the legality of the contribution is in question shall be included in the report noting the receipt of the contribution. If a contribution is refunded to the contributor because it cannot be determined to be legal, the treasurer shall note the refund on the report covering the reporting period in which the refund is made.

§ 103.4 Vice Presidential candidate campaign depositories.

(a) Form. Every membership organization or corporation which makes disbursements for communications pursuant to 11 CFR 100.8(b)(4) and 114.3 shall report to the Commission on FEC Form 7 such costs which are directly attributable to any communication expressly advocating the election or defeat of a clearly identified candidate (other than a communication primarily devoted to subjects other than the election or defeat of a clearly identified candidate), if such costs exceed $2,000 for any election.

(1) For the purposes of 11 CFR 104.6(a), "election" means two separate processes in a calendar year, to each of which the $2,000 threshold described above applies separately. The first process is comprised of all primary elections for federal office, wherever and whenever held; the second process is comprised of all general elections for federal office, wherever and whenever held.

(2) The term election shall also include each special election held to fill a vacancy in a Federal office (11 CFR 100.2(f)) or each runoff election (11 CFR 100.2(d)).

(b) Filing dates. Organizations required to report under 11 CFR 104.6(a) shall file such reports during a calendar year in which a regularly scheduled general election is held. Such reports shall be filed quarterly in accordance with 11 CFR 104.5(a)(1)(iii) and, with respect to any general election, in accordance with 11 CFR 104.5(a)(1)(i). This identification shall include the individual's name, mailing address, occupation, the name of his or her employer, if any, and the date of receipt and amount of any such contribution. If an individual contributor's name is known to have changed since an earlier contribution reported during the calendar year, the exact name or address previously used shall be noted with the first reported contribution from that contributor subsequent to the name change.

(b) In each case where a contribution received from an individual in a reporting period is added to previously unitemized contributions from the same individual and the aggregate exceeds $200 in a calendar year the reporting committee shall disclose the identification of such individual along with the date of receipt and amount of any such contribution. Except for contributions by payroll deduction, each additional contribution from the individual shall be separately itemized. In the case of a political committee other than an authorized committee which receives contributions through a payroll deduction plan, such committee is not required to separately itemize each additional contribution received from the contributor during the reporting period. In lieu of separate itemization, such committee may report: the aggregate amount of contributions received from the contributor through the payroll deduction plan during the reporting period; the identification of the individual; and a statement of the amount deducted per pay period.

(c) Absent evidence to the contrary, any contribution made by check, money order, or other written instrument shall be reported as a contribution by the last person signing the instrument prior to delivery to the candidate or committee.

(d)(1) If an itemized contribution is made by more than one person in a single written instrument, the treasurer shall report the amount to be attributed to each contributor.

The memo entry for each redesignated contribution shall be reported in the following manner—

(A) The first part of the memo entry shall disclose all of the information for the contribution as it was originally reported on Schedule A;

(a) Any information copied, or otherwise obtained, from any report or statement, or any copy, reproduction, or publication thereof, filed with the Commission, Clerk of the House, Secretary of the Senate, or any Secretary of State or other equivalent State officer, shall not be sold or used by any person for the purpose of soliciting contributions or for any commercial purpose, except that the name and address of any political committee may be used to solicit contributions from such committee.

(b) For purposes of 11 CFR 104.15, "soliciting contributions" includes soliciting any type of contribution or donation, such as political or charitable contributions.

(c) The use of information, which is copied or otherwise obtained from reports filed under 11 CFR Part 104, in newspapers, magazines, books or other similar communications is permissible as long as the principal purpose of such communications is not to communicate any contributor information listed on such reports for the purpose of soliciting contributions or for other commercial purposes.

PART 106—ALLOCATIONS OF CANDIDATE AND COMMITTEE ACTIVITIES

Sec.
106.1 Allocation of expenditures among (or between) candidates and activities.
106.2 State allocation of expenditures incurred by authorized committees of Presidential primary candidates receiving matching funds.
106.3 Allocation of expenses between campaign and non-campaign related travel.
106.4 Allocation of polling expenses.

AUTHORITY: 2 U.S.C. 441a(b), 441a(g).
SOURCE: 41 FR 35944, Aug. 25, 1976, unless otherwise noted.

§ 106.1 Allocation of expenditures among (or between) candidates and activities.

(a) General rule: Expenditures, including Independent expenditures, made on behalf of more than one candidate shall be attributed to each candidate in proportion to, and shall be reported to reflect, the benefit reasonably expected to be derived.

(b) An authorized expenditure made by a candidate or political committee on behalf of another candidate shall be reported as a contribution in-kind (transfer) to the candidate on whose behalf the expenditure was made, except that expenditures made by party committees pursuant to §110.7 need only be reported as an expenditure.

(c) Exceptions: (1) Expenditures for rent, personnel, overhead, general administrative, fund-raising, and other day-to-day costs of political committees need not be attributed to individual candidates, unless these expenditures are made on behalf of a clearly identified candidate and the expenditure can be directly attributed to that candidate.

(2) Expenditures for educational campaign seminars, for training of campaign workers, and for registration or get-out-the-vote drives of committees need not be attributed to individual candidates unless these expenditures are made on behalf of a clearly identified candidate, and the expenditure can be directly attributed to that candidate.

(3) Payments made for the cost of certain voter registration and get-out-the-vote activities conducted by State or local party organizations on behalf of any Presidential or Vice-Presidential candidate(s) are exempt from the definition of a contribution or an expenditure under 11 CFR 100.7(b)(17) and 100.8(b)(18). If the State or local party organization includes references to any candidate(s) seeking nomination or election to the House of Representatives or Senate of the United States the portion of the cost of such activities allocable to such candidate(s) shall be considered a contribution to or an expenditure on behalf of such candidate(s), unless such reference is incidental to the overall activity. If such reference is incidental to the overall activity, such costs shall not be considered a contribution to or expenditure on behalf of any candidate(s).

(d) For purposes of this section, "clearly identified" means—

(1) The candidate's name appears;
(2) A photograph or drawing of the candidate appears; or
(3) The identity of the candidate is apparent by unambiguous reference.

(e) Party committees and other political committees which have established Federal campaign committees pursuant to 11 CFR 102.5 shall allocate administrative expenses on a reasonable basis between their Federal and non-Federal accounts in proportion to the amount of funds expended on Federal and non-Federal elections, or on another reasonable basis.
§ 106.2

State allocation of expenditures incurred by authorized committees of Presidential primary candidates receiving matching funds.

(a) General. (1) This section applies to Presidential primary candidates receiving or expecting to receive federal matching funds pursuant to 11 CFR Parts 9031 et seq. Except for expenditures exempted under 11 CFR 106.2(c), expenditures incurred by a candidate's authorized committee(s) for the purpose of influencing the nomination of that candidate for the office of President with respect to a particular State shall be allocated to that State. An expenditure shall not necessarily be allocated to the State in which the expenditure is incurred or paid. In the event that the Commission disputes the candidate's allocation or claim of exemption for a particular expense, the candidate shall demonstrate, with supporting documentation, that his or her proposed method of allocation or claim of exemption was reasonable.

(2) Disbursements made prior to the time an individual becomes a candidate for the purpose of determining whether that individual should become a candidate pursuant to 11 CFR 100.7(b)(1) and 100.8(b)(1), i.e., payments for testing the waters, shall be allocable expenditures under this section if the individual becomes a candidate.

(b) Method of allocating expenditures among states—(1) General allocation method. Unless otherwise specified under 11 CFR 106.2(b)(2), an expenditure incurred by a candidate's authorized committee(s) for the purpose of influencing the nomination of that candidate in more than one State shall be allocated to each State on a reasonable and uniformly applied basis.

(2) Specific allocation methods. Expenditures that fall within the categories listed below shall be allocated based on the following methods. The method used to allocate a category of expenditures shall be based on consistent data for each State to which an allocation is made.

(i) Media expenditures—(A) Print media. Except for expenditures exempted under 11 CFR 106.2(c), allocation of expenditures for the publication and distribution of newspaper, magazine and other types of printed advertisements distributed in more than one State, including any commission charged for the purchase of print media, shall be made using relative circulation percentages in each State or an estimate thereof. For purposes of this section, allocation to a particular State will not be required if less than 3% of the total estimated readership of the publication is in that State.

(B) Broadcast media. Except for expenditures exempted under 11 CFR 106.2(c), expenditures for radio, television and similar types of advertisements purchased in a particular media market that covers more than one State shall be allocated to each State in proportion to the estimated audience. This allocation of expenditures, including any commission charged for the purchase of broadcast media, shall be made using industry market data.

(C) Refunds for media expenditures. Refunds for broadcast time or advertisement space, purchased but not used, shall be credited to the States on the same basis as the original allocation.

(D) Limits on allocation of media expenditures. No allocation of media expenditures shall be made to any State in which the primary election has already been held.

(ii) Salaries. Except for expenditures exempted under 11 CFR 106.2(c), salaries paid to persons working in a particular State for five consecutive days or more, including advance staff, shall be allocated to each State in proportion to the amount of time spent in that State during a payroll period.

(iii) Intra-state travel and subsistence expenditures. Travel and subsistence expenditures for persons working in a State for five consecutive days or more shall be allocated to that State in proportion to the amount of time spent in each State during a payroll period. This same allocation method shall apply to intra-state travel and subsistence expenditures of the candi-
date and his family or the candidate's representatives. For purposes of this section, "subsistence" includes only expenditures for personal living expenses related to a particular individual travelling on committee business, such as food or lodging.

(iv) **Overhead expenditures**—(A) **Overhead expenditures of State offices.** Except for expenditures exempted under 11 CFR 106.2(c), overhead expenditures of committee offices located in a particular State shall be allocated to that State. For purposes of this section, overhead expenditures include, but are not limited to, rent, utilities, office equipment, furniture, supplies, and telephone service base charges. "Telephone service base charges" include any regular monthly charges for committee phone service, and charges for phone installation and intra-state phone calls other than charges related to a special use such as voter registration or get out the vote efforts. Inter-state calls are not included in "telephone service base charges."

(B) **Overhead expenditures of regional offices.** Except for expenditures exempted under 11 CFR 106.2(c), overhead expenditures of a committee regional office or any committee office with responsibilities in two or more States shall be allocated to each state on a reasonable and uniformly applied basis. For purposes of this section, overhead expenditures include but are not limited to, rent, utilities, office equipment, furniture, supplies, and telephone service base charges. "Telephone service base charges" include any regular monthly charges for committee phone service, and charges for phone installation and intra-state phone calls other than charges related to a special use such as voter registration or get out the vote efforts. Inter-state calls are not included in "telephone service base charges."

(v) **Expenditures for Inter-state telephone calls.** Expenditures for telephone calls between two States need not be allocated to any State.

(vi) **Public opinion poll expenditures.** Expenditures incurred for the taking of a public opinion poll covering only one State shall be allocated to that State. Except for expenditures incurred in conducting a nationwide poll, expenditures incurred for the taking of a public opinion poll covering two or more States shall be allocated to those States based on the number of people interviewed in each State.

(c) **Expenditures exempted from allocation**—(1) **National campaign expenditures**—(i) **Operating expenditures.** Expenditures incurred for administrative, staff, and overhead expenditures of the national campaign headquarters need not be allocated to any State. Overhead expenditures shall be defined as in 11 CFR 106.2(b)(2)(iv).

(ii) **National advertising.** Expenditures incurred for advertisements on national networks, national cable or in publications distributed nationwide need not be allocated to any State.

(iii) **Nationwide polls.** Expenditures incurred for the taking of a public opinion poll which is conducted on a nationwide basis need not be allocated to any State.

(2) **Media production costs.** Expenditures incurred for production of media advertising, whether or not that advertising is used in more than one State, need not be allocated to any State.

(3) **Expenditures for transportation and services made available to media.** Expenditures incurred by the candidate's authorized committee(s) to provide transportation and services for media personnel need not be allocated to any State. Reimbursement for such expenditures shall be made in accordance with 11 CFR 9034.6.

(4) **Inter-state travel.** Expenditures incurred for inter-state travel costs, such as travel between State campaigns or between State offices and national campaign headquarters, need not be allocated to any State.

(5) **Compliance costs and fundraising expenditures.** An amount equal to 10% of campaign workers' salaries and overhead expenditures in a particular State may be excluded from allocation to that State as an exempt compliance cost. An additional amount equal to 10% of such salaries and overhead expenditures in a particular State may be excluded from allocation to that State as exempt fundraising expenditures, but this exemption shall not apply within 28 calendar days of the
primary election as specified in 11 CFR 110.8(c)(2). Any amounts excluded for fundraising expenditures shall be applied against the fundraising expenditure limitation under 11 CFR 100.8(b)(21). If the candidate wishes to claim a larger compliance or fundraising exemption for any person, the candidate shall establish allocation percentages for each individual working in that State. The candidate shall keep detailed records to support the derivation of each percentage in accordance with 11 CFR 106.2(e). Alternatively, the Commission's Financial Control and Compliance Manual for Presidential Primary Candidates contains some other accepted allocation methods for calculating a compliance or fundraising exemption.

(i) Exempt compliance costs are those legal and accounting costs incurred solely to ensure compliance with 26 U.S.C. 9031 et seq., 2 U.S.C. 431 et seq. and 11 CFR Chapter I, including the costs of preparing matching fund submissions. The costs of preparing matching fund submissions shall be limited to those functions not required for general contribution processing and shall include the costs associated with: Generating the matching fund submission list and the matching fund computer tape for each submission, edits of the contributor database that are related to preparing a matching fund submission, making photocopies of contributor checks, and seeking additional documentation from contributors for matching purposes. The costs associated with general contribution processing shall include those normally performed for fundraising purposes, or for compliance with the recordkeeping and reporting requirements of 11 CFR Part 100 et seq., such as data entry, batching contributions for deposit, and preparation of FEC reports.

(ii) Exempt fundraising expenditures are those expenses associated with the solicitation of contributions. They include printing and postage for solicitations, airtime for fundraising advertisements and the cost of meals and beverages for fundraising receptions or dinners.

(d) Reporting. All expenditures allocated under this section shall be reported on FEC Form 3P, page 3.

(e) Recordkeeping. All assumptions and supporting calculations for allocations made under this section shall be documented and retained for Commission inspection. For compliance and fundraising deductions that exceed the 10% exemptions under 11 CFR 106.2(c)(5), such records shall indicate which duties are considered compliance or fundraising and the percentage of time each person spends on such activity.

§ 106.3 Allocation of expenses between campaign and non-campaign related travel.

(a) This section applies to allocation for expenses between campaign and non-campaign related travel with respect to campaigns of candidates for Federal office, other than Presidential and Vice Presidential candidates who receive federal funds pursuant to 11 CFR Part 9005 or 9036. (See 11 CFR 9004.7 and 9034.7) All expenditures for campaign-related travel paid for by a candidate from a campaign account or by his or her authorized committees or by any other political committee shall be reported.

(b)(1) Travel expenses paid for by a candidate from personal funds, or from a source other than a political committee, shall constitute reportable expenditures if the travel is campaign-related.

(2) Where a candidate's trip involves both campaign-related and non-campaign-related stops, the expenditures allocable for campaign purposes are reportable, and are calculated on the actual cost-per-mile of the means of transportation actually used, starting at the point of origin of the trip, via every campaign-related stop and ending at the point of origin.

(3) Where a candidate conducts any campaign-related activity in a stop, the stop is a campaign-related stop and travel expenditures made are reportable. Campaign-related activity shall not include any incidental contacts.
(c)(1) Where an individual, other than a candidate, conducts campaign-related activities on a trip, the portion of the trip attributed to each candidate shall be allocated on a reasonable basis.

(2) Travel expenses of a candidate's spouse and family are reportable as expenditures only if the spouse or family members conduct campaign-related activities.

(d) Costs incurred by a candidate for the United States Senate or House of Representatives for travel between Washington, D.C., and the State or district in which he or she is a candidate need not be reported herein unless the costs are paid by a candidate's authorized committee(s), or by any other political committee(s).

(e) Notwithstanding paragraphs (b) and (c) of this section, the reportable expenditure for a candidate who uses government conveyance or accommodations for travel which is campaign-related is the rate for comparable commercial conveyance or accommodation. In the case of a candidate authorized by law or required by national security to be accompanied by staff and equipment, the allocable expenditures are the costs of facilities sufficient to accommodate the party, less authorized or required personnel and equipment. If such a trip includes both campaign and noncampaign stops, equivalent costs are calculated in accordance with paragraphs (b) and (c) of this section.

§ 106.4 Allocation of polling expenses.

(a) The purchase of opinion poll results by a candidate or a candidate's authorized political committee or agent is an expenditure by the candidate. Regarding the purchase of opinion poll results for the purpose of determining whether an individual should become a candidate, see 11 CFR 100.7(b)(1). The poll results are accepted by a candidate or other political committee if the candidate or the candidate's authorized political committee or agent or the other unauthorized political committee—

(1) Requested the poll results before their receipt;

(2) Uses the poll results; or

(3) Does not notify the contributor that the results are refused.

(c) The acceptance of any part of a poll's results which part, prior to receipt, has been made public without any request, authorization, rearrangement, or coordination by the candidate-receipient or political committee-receipient, shall not be treated as a contribution in-kind and expenditure under paragraph (b) of this section.

(d) The purchase of opinion poll results by an unauthorized political committee for its own use, in whole or in part, is an overhead expenditure by the political committee under § 106.1(c)(1) to the extent of the benefit derived by the committee.

(e) The amount of a contribution under paragraph (b) of this section or of any expenditure under paragraphs (a) and (b) of this section attributable to each candidate-receipient or political committee-receipient shall be—

(1) That share of the overall cost of the poll which is allocable to each candidate (including State and local candidates) or political committee, based upon the cost allocation formula of the polling firm from which the results are purchased. Under this method the size of the sample, the number of computer column codes, the extent of computer tabulations, and the extent of written analysis and verbal consultation, if applicable, may be used to determine the shares; or
§ 107.1 (2) An amount computed by dividing the overall cost of the poll equally among candidates (including State and local candidates) or political committees receiving the results; or

(3) A proportion of the overall cost of the poll equal to the proportion that the number of question results received by the candidate or political committee bears to the total number of question results received by all candidates (including State and local candidates) and political committees; or

(4) An amount computed by any other method which reasonably reflects the benefit derived.

(f) The first candidate(s) or committee(s) receiving poll results under paragraph (b) or (d) of this section and any candidate or political committee receiving poll results under paragraph (b) of this section within 15 days after receipt by the initial recipient(s) shall compute the amount of the contribution in-kind and the expenditure as provided in paragraph (e) of this section.

(g) The amount of the contribution and expenditure reported by a candidate or a political committee receiving poll results under paragraph (b) of this section more than 15 days after receipt of such poll results by the initial recipient(s) shall be—

(1) If the results are received during the period 16 to 60 days following receipt by the initial recipient(s), 50 percent of the amount allocated to an initial recipient of the same results;

(2) If the results are received during the period 61 to 180 days after receipt by the initial recipient(s), 5 percent of the amount allocated to an initial recipient of the same results;

(3) If the results are received more than 180 days after receipt by the initial recipient(s), no amount need be allocated.

(h) A contributor of poll results under paragraph (b) of this section shall maintain records sufficient to support the valuation of the contribution(s) in-kind and shall inform the candidate-recipient(s) or political committee-recipient(s) of the value of the contribution(s).

(i) Any arrangement, coordination, or direction by the candidate or his or her agent prior to the publication, distribution, display, or broadcast of the communication. An expenditure will be presumed to be so made when it is—

(A) Based on information about the candidate's plans, projects, or needs provided to the expending person by the candidate, or by the candidate's agents, with a view toward having an expenditure made;

(B) Made by or through any person who is, or has been, authorized to raise or expend funds, who is, or has been, an officer of an authorized committee, or who is, or has been, receiving any form of compensation or reimbursement from the candidate, the candidate's committee or agent;

(c) An expenditure not qualifying under this section as an independent expenditure shall be a contribution in-kind to the candidate and an expenditure by the candidate, unless otherwise exempted.

(d)(1) The financing of the dissemination, distribution, or republication, in whole or in part, of any broadcast or any written, graphic, or other form of campaign materials prepared by the candidate, his campaign committees, or their authorized agents shall be considered a contribution for the purpose of contribution limitations and reporting responsibilities by the person making the expenditure but shall not be considered an expenditure by the candidate or his authorized committees unless made with the cooperation or with the prior consent of, or in consultation with, or at the request or suggestion of, a candidate or any authorized agent or committee thereof.

§ 110.1 Contributions by persons other than multicandidate political committees (2 U.S.C. 441a(a)(1)).

(a) Scope. This section applies to all contributions made by any person as defined in 11 CFR 100.10, except multicandidate political committees as defined in 11 CFR 100.5(e)(3) or entities and individuals prohibited from making contributions under 11 CFR 110.4 and 11 CFR Parts 114 and 115.

(b) Contributions to candidates; designations; and redesignations.

(1) No person shall make contributions to any candidate, his or her authorized political committees or agents with respect to any election for Federal office which, in the aggregate, exceed $1,000.

(2) For purposes of this section, "with respect to any election" means—
(i) In the case of a contribution designated in writing by the contributor for a particular election, the election so designated. Contributors to candidates are encouraged to designate their contributions in writing for particular elections. See 11 CFR 110.11(b)(4).

(ii) In the case of a contribution not designated in writing by the contributor for a particular election, the next election for that Federal office after the contribution is made.

(3)(i) A contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts
outstanding from such election. To the extent that such contribution exceeds net debts outstanding, the candidate or the candidate's authorized political committee shall return or deposit the contribution within ten days from the date of the treasurer's receipt of the contribution as provided by 11 CFR 103.3(a), and if deposited, then within sixty days from the date of the treasurer's receipt the treasurer shall take the following action, as appropriate:

(A) Refund the contribution using a committee check or draft; or

(B) Obtain a written redesignation by the contributor for another election in accordance with 11 CFR 110.1(b)(5); or

(C) Obtain a written reattribution to another contributor in accordance with 11 CFR 110.1(k)(3).

If the candidate is not a candidate in the general election, all contributions made for the general election shall be either returned or refunded to the contributors or redesignated in accordance with 11 CFR 110.1(k)(3), or reattributed in accordance with 11 CFR 110.1(k)(3), as appropriate.

(ii) In order to determine whether there are net debts outstanding from a particular election, the treasurer of the candidate's authorized political committee shall calculate net debts outstanding as of the date of the election. For purposes of this section, "net debts outstanding" means the total amount of unpaid debts and obligations incurred with respect to an election, including the estimated cost of raising funds to liquidate debts incurred with respect to the election and, if the candidate's authorized committee terminates or if the candidate will not be a candidate for the next election, estimated necessary costs associated with termination of political activity, such as the costs of complying with the post-election requirements of the Act and other necessary administrative costs associated with winding down the campaign, including office space rental, staff salaries and office supplies, less the sum of:

(A) The total cash on hand available to pay those debts and obligations, including: currency; balances on deposit in banks, savings and loan institutions, and other depository institutions; traveler's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value; and

(B) The total amounts owed to the candidate or political committee in the form of credits, refunds of deposits, returns, or receivables, or a commercially reasonable amount based on the collectibility of those credits, refunds, returns, or receivables.

(iii) The amount of the net debts outstanding shall be adjusted as additional funds are received and expenditures are made. The candidate and his or her authorized political committee(s) may accept contributions made after the date of the election if such contributions are designated in writing by the contributor for that election and if such contributions do not exceed the adjusted amount of net debts outstanding on the date the contribution is received.

(iv) This paragraph shall not be construed to prevent a candidate who is a candidate in the general election or his or her authorized political committee(s) from paying primary election debts and obligations with funds which represent contributions made with respect to the general election.

(4) For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if—

(i) The contribution is made by check, money order, or other negotiable instrument which clearly indicates the particular election with respect to which the contribution is made;

(ii) The contribution is accompanied by a writing, signed by the contributor, which clearly indicates the particular election with respect to which the contribution is made;

(iii) The contribution is redesignated in accordance with 11 CFR 110.1(b)(5).

(5)(i) The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election if—

(A) The contribution was designated in writing for a particular election, and the contribution, either on its face or when aggregated with other contri-
§ 110.1 11 CFR Ch. I (1-1-88 Edition)

Contributions from the same contributor for the same election, exceeds the limitation on contributions set forth in 11 CFR 110.1(b)(1);

(B) The contribution was designated in writing for a particular election and the contribution was made after that election and the contribution cannot be accepted under the net debts outstanding provisions of 11 CFR 110.1(b)(3);

(C) The contribution was not designated in writing for a particular election, and the contribution exceeds the limitation on contributions set forth in 11 CFR 110.1(b)(1); or

(D) The contribution was not designated in writing for a particular election, and the contribution was received after the date of an election for which there are net debts outstanding on the date the contribution is received.

(ii) A contribution shall be considered to be redesignated for another election if—

(A) The treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and

(B) Within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor.

(iii) A contribution redesignated for another election shall not exceed the limitations on contributions made with respect to that election. A contribution redesignated for a previous election shall be subject to the requirements of 11 CFR 110.1(b)(3) regarding net debts outstanding.

(6) For the purposes of this section, a contribution shall be considered to be made when the contributor relinquishes control over the contribution. A contributor shall be considered to relinquish control over the contribution when it is delivered by the contributor to the candidate, to the political committee, or to an agent of the political committee. A contribution that is mailed to the candidate, or to the political committee or to an agent of the political committee, shall be considered to be made on the date of the postmark. See 11 CFR 110.1(4). An in-kind contribution shall be considered to be made on the date that the goods or services are provided by the contributor.

(c) Contributions to political party committees. (1) No person shall make contributions to the political committees established and maintained by a national political party in any calendar year, which, in the aggregate, exceed $20,000.

(2) For purposes of this section, “political committees established and maintained by a national political party” means—

(i) The national committee;

(ii) The House campaign committee; and

(iii) The Senate campaign committee.

(3) Each recipient committee referred to in 11 CFR 110.1(c)(2) may receive up to the $20,000 limitation from a contributor, but the limits of 11 CFR 110.5 shall also apply to contributions made by an individual.

(4) The recipient committee shall not be an authorized political committee of any candidate, except as provided in 11 CFR 9002.1(c).

(d) Contributions to other political committees. (1) No person shall make contributions to any other political committee in any calendar year which, in the aggregate, exceed $5,000.

(2) The limitation on contributions of this paragraph also applies to contributions made to political committees making independent expenditures under 11 CFR Part 109.

(e) Contributions by partnerships. A contribution by a partnership shall be attributed to the partnership and to each partner—

(1) In direct proportion to his or her share of the partnership profits, according to instructions which shall be provided by the partnership to the political committee or candidate; or

(2) By agreement of the partners, as long as—

(i) Only the profits of the partners to whom the contribution is attributed are reduced (or losses increased), and
(ii) These partners' profits are reduced (or losses increased) in proportion to the contribution attributed to each of them.

A contribution by a partnership shall not exceed the limitations on contributions in 11 CFR 110.1 (b), (c), and (d). No portion of such contribution may be made from the profits of a corporation that is a partner.

(f) Contributions to candidates for more than one Federal office. If an individual is a candidate for more than one Federal office, a person may make contributions which do not exceed $1,000 to the candidate, or his or her authorized political committees for each election for each office, as long as—

(1) Each contribution is designated in writing by the contributor for a particular office;

(2) The candidate maintains separate campaign organizations, including separate principal campaign committees and separate accounts; and

(3) No principal campaign committee or other authorized political committee of that candidate for one election for one Federal office transfers funds to, loans funds to, makes contributions to, or makes expenditures on behalf of another principal campaign committee or other authorized political committee of that candidate for another election for another Federal office, except as provided in 11 CFR 110.3(a)(2)(iv).

(g) Contributions to retire pre-1975 debts. Contributions made to retire debts resulting from elections held prior to January 1, 1975 are not subject to the limitations of 11 CFR Part 110, as long as contributions and solicitations to retire these debts are designated in writing and used for that purpose. Contributions made to retire debts resulting from elections held after December 31, 1974 are subject to the limitations of 11 CFR Part 110.

(h) Contributions to committees supporting the same candidate. A person may contribute to a candidate or his or her authorized committee with respect to a particular election and also contribute to a political committee which has supported, or anticipates supporting, the same candidate in the same election, as long as—

(1) The political committee is not the candidate's principal campaign committee or other authorized political committee or a single candidate committee;

(2) The contributor does not give with the knowledge that a substantial portion will be contributed to, or expended on behalf of, that candidate for the same election; and

(3) The contributor does not retain control over the funds.

(i) Contributions by spouses and minors. (1) The limitations on contributions of this section shall apply separately to contributions made by each spouse even if only one spouse has income.

(2) Minor children (children under 18 years of age) may make contributions to any candidate or political committee which in the aggregate do not exceed the limitations on contributions of this section, if—

(i) The decision to contribute is made knowingly and voluntarily by the minor child;

(ii) The funds, goods, or services contributed are owned or controlled exclusively by the minor child, such as income earned by the child, the proceeds of a trust for which the child is the beneficiary, or a savings account opened and maintained exclusively in the child's name; and

(iii) The contribution is not made from the proceeds of a gift, the purpose of which was to provide funds to be contributed, or is not in any other way controlled by another individual.

(j) Application of limitations to elections. (1) The limitations on contributions of this section shall apply separately with respect to each election as defined in 11 CFR 100.2, except that all elections held in a calendar year for the office of President of the United States (except a general election for that office) shall be considered to be one election.

(2) An election in which a candidate is unopposed is a separate election for the purposes of the limitations on contributions of this section.

(3) A primary or general election which is not held because a candidate is unopposed or received a majority of votes in a previous election is a separate election for the purposes of the
limitations on contributions of this section. The date on which the election would have been held shall be considered to be the date of the election.

(4) A primary election which is not held because a candidate was nominated by a caucus or convention with authority to nominate is not a separate election for the purposes of the limitations on contributions of this section.

(k) Joint contributions and reattributions. (1) Any contribution made by more than one person, except for a contribution made by a partnership, shall include the signature of each contributor on the check, money order, or other negotiable instrument or in a separate writing.

(2) If a contribution made by more than one person does not indicate the amount to be attributed to each contributor, the contribution shall be attributed equally to each contributor.

(3)(i) If a contribution to a candidate or political committee, either on its face or when aggregated with other contributions from the same contributor, exceeds the limitations on contributions set forth in 11 CFR 110.1(b), (c) or (d), as appropriate, the treasurer of the recipient political committee may ask the contributor whether the contribution was intended to be a joint contribution by more than one person.

(ii) A contribution shall be considered to be reattributed to another contributor if—

(A) The treasurer of the recipient political committee asks the contributor whether the contribution is intended to be a joint contribution by more than one person, and informs the contributor that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution; and

(B) Within sixty days from the date of the treasurer's receipt of the contribution, the contributors provide the treasurer with a written reattribution of the contribution, which is signed by each contributor, and which indicates the amount to be attributed to each contributor if equal attribution is not intended.

(l) Supporting evidence. (1) If a political committee receives a contribution designated in writing for a particular election, the treasurer shall retain a copy of the written designation, as required by 11 CFR 110.1(b)(4) or 110.2(b)(4), as appropriate. If the written designation is made on a check or other written instrument, the treasurer shall retain a full-size photocopy of the check or written instrument.

(2) If a political committee receives a written redesignation of a contribution for a different election, the treasurer shall retain the written redesignation provided by the contributor, as required by 11 CFR 110.1(b)(5) or 110.2(b)(5), as appropriate.

(3) If a political committee receives a written reattribution of a contribution to a different contributor, the treasurer shall retain the written reattribution signed by each contributor, as required by 11 CFR 110.1(k).

(4) If a political committee chooses to rely on a postmark as evidence of the date on which a contribution was made, the treasurer shall retain the envelope or a copy of the envelope containing the postmark and other identifying information.

(5) If a political committee does not retain the written records concerning designation required under 11 CFR 110.1(l)(i), the contribution shall not be considered to be designated in writing for a particular election, and the provisions of 11 CFR 110.1(b)(2)(ii) or 110.2(b)(2)(ii) shall apply. If a political committee does not retain the written records concerning redesignation or reattribution required under 11 CFR 110.1(l)(2) or (3), the redesignation or reattribution shall not be effective, and the original designation or attribution shall control.

(m) Contributions to delegates and delegate committees. (1) Contributions to delegates for the purpose of furthering their selection under 11 CFR 110.14 are not subject to the limitations of this section.

(2) Contributions to delegate committees under 11 CFR 110.14 are subject to the limitations of this section.

§ 110.2 Contributions by multicandidate political committees (2 U.S.C. 441a(a)(2)).

(a) Scope. This section applies to all contributions made by any multicandidate political committee as defined in 11 CFR 100.5(e)(3).

(2) For purposes of this section, "with respect to any election" means—

(i) In the case of a contribution designated in writing by the contributor for a particular election, the election so designated. Multicandidate political committees making contributions to candidates are encouraged to designate their contributions in writing for particular elections. See 11 CFR 110.2(b)(4).

(ii) In the case of a contribution not designated in writing by the contributor for a particular election, the next election for that Federal office after the contribution is made.

(3)(i) A contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election. To the extent that such contribution exceeds net debts outstanding, the candidate or the candidate's authorized political committee shall return or deposit the contribution within ten days from the date of the treasurer's receipt of the contribution as provided by 11 CFR 103.3(a), and if deposited, then within sixty days from the date of the treasurer's receipt the treasurer shall take the following action, as appropriate:

(A) Refund the contribution using a committee check or draft; or

(B) Obtain a written redesignation by the contributor for another election in accordance with 11 CFR 110.2(b)(5).

(ii) The treasurer of the candidate's authorized political committee shall calculate net debts outstanding in accordance with 11 CFR 110.1(b)(3)(ii). The amount of the net debts outstanding shall be adjusted as additional funds are received and expenditures are made. The candidate and his or her authorized political committee(s) may accept contributions made after the date of the election if such contributions are designated in writing by the contributor for that election and if such contributions do not exceed the adjusted amount of net debts outstanding on the date the contribution is received.

(4) For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if—

(i) The contribution is made by check, money order, or other negotiable instrument which clearly indicates the particular election with respect to which the contribution is made;

(ii) The contribution is accompanied by a writing, signed by the contributor, which clearly indicates the particular election with respect to which the contribution is made; or

(iii) The contribution is redesignated in accordance with 11 CFR 110.2(b)(5).

(5)(i) The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election if—

(B) The contribution was designated in writing for a particular election and the contribution was made after that election and the contribution cannot be accepted under the net debts outstanding provisions of 11 CFR 110.2(b)(3);

(C) The contribution was not designated in writing for a particular election, and the contribution exceeds the
limitation on contributions set forth in 11 CFR 110.2(b)(1); or

(D) The contribution was not designated in writing for a particular election and the contribution was received after the date of an election for which there are net debts outstanding on the date the contribution is received.

(ii) A contribution shall be considered to be redesignated for another election if—

(A) The treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and

(B) Within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor.

(iii) A contribution redesignated for another election shall not exceed the limitations on contributions made with respect to that election. A contribution redesignated for a previous election shall be subject to the requirements of 11 CFR 110.2(b)(3) regarding net debts outstanding.

(6) For the purposes of this section, a contribution shall be considered to be made when the contributor relinquishes control over the contribution. A contributor shall be considered to relinquish control over the contribution when it is delivered by the contributor to the candidate, to the political committee, or to an agent of the political committee. A contribution that is mailed to the candidate, or to the political committee or to an agent of the political committee, shall be considered to be made on the date of the postmark. See 11 CFR 110.1(1)(4). An in-kind contribution shall be considered to be made on the date that the goods or services are provided by the contributor.

(c) Contributions to political party committees. (1) No multicandidate political committee shall make contributions to the political committees established and maintained by a national political party in any calendar year which, in the aggregate, exceed $15,000.

(4) The recipient committee shall not be an authorized political committee of any candidate, except as provided in 11 CFR 9002.1(c).

(d) Contributions to other political committees. (1) No multicandidate political committee shall make contributions to any other political committee in any calendar year which, in the aggregate, exceed $5,000.

(2) The limitation on contributions of this paragraph also applies to contributions made to political committees making independent expenditures under 11 CFR Part 109.

(e) Contributions by political party committees to Senatorial candidates. Notwithstanding any other provision of the Act, or of these regulations, the Republican and Democratic Senatorial campaign committees, or the national committee of a political party, may make contributions of not more than a combined total of $17,500 to a candidate for nomination or election to the Senate during the calendar year of the election for which he or she is a candidate. Any contribution made by such committee to a Senatorial candidate under this paragraph in a year other than the calendar year in which the election is held shall be considered to be made during the calendar year in which the election is held.

(f) Contributions to candidates for more than one Federal office. If an individual is a candidate for more than one Federal office, a multicandidate political committee may make contributions which do not exceed $5,000 to the candidate, or his or her authorized political committees for each election for each office, provided that the re-
requirements set forth in 11 CFR 110.1(f)(1), (2), and (3) are satisfied.

(g) Contributions to retire pre-1975 debts. Contributions made to retire debts resulting from elections held prior to January 1, 1975 are not subject to the limitations of 11 CFR Part 110, as long as contributions and solicitations to retire these debts are designated in writing and used for that purpose. Contributions made to retire debts resulting from elections held after December 31, 1974 are subject to the limitations of 11 CFR Part 110.

(h) Contributions to committees supporting the same candidate. A multicandidate political committee may contribute to a candidate or his or her authorized committee with respect to a particular election and also contribute to a political committee which has supported, or anticipates supporting, the same candidate in the same election, as long as—

(1) The recipient political committee is not the candidate's principal campaign committee or other authorized political committee or a single candidate committee;

(2) The multicandidate political committee does not give with the knowledge that a substantial portion will be contributed to, or expended on behalf of, that candidate for the same election; and

(3) The multicandidate political committee does not retain control over the funds.

(i) Application of limitations to elections. (1) The limitations on contributions of this section (other than paragraph (e) of this section) shall apply separately with respect to each election as defined in 11 CFR 100.2, except that all elections held in a calendar year for the office of President of the United States (except a general election for that office) shall be considered to be one election.

(2) An election in which a candidate is unopposed is a separate election for the purposes of the limitations on contributions of this section.

(3) A primary or general election which is not held because a candidate is unopposed or received a majority of votes in a previous election is a separate election for the purposes of the limitations on contributions of this section. The date on which the election would have been held shall be considered to be the date of the election.

(4) A primary election which is not held because a candidate was nominated by a caucus or convention with authority to nominate is not a separate election for the purposes of the limitations on contributions of this section.

(j) Contributions to delegates and delegate committees. (1) Contributions to delegates for the purpose of furthering their selection under 11 CFR 110.14 are not subject to the limitations of this section.

(2) Contributions to delegate committees under 11 CFR 110.14 are subject to the limitations of this section.

§ 110.3 Affiliated committees; transfers.

(a)(1)(i) For purposes of the limitations in §§ 110.1 and 110.2, contributions shall be considered to be made by a single political committee (including a separate segregated fund) if made by more than one political committee (including a separate segregated fund) established, financed, maintained, or controlled by any corporation, labor organization, or any other person, including any parent, subsidiary, branch, division, department, or local unit thereof, or by a group of those persons. See affiliated committees, 11 CFR 100.5(g).

(ii) Application of the rule of this paragraph means—

(A) All of the political committees set up by a single corporation and/or its subsidiaries are treated as a single political committee;

(B) All of the political committees set up by a single national or international union and/or its local unions or other subordinate organizations are treated as a single political committee;

(C) All of the political committees set up by an organization of national or international unions and/or all its State and local central bodies are treated as a single political committee;

(D) All of the political committees (other than party committees, see paragraph (b) of this section set up by a membership organization, including
trade or professional associations, see § 114.8(a), and/or by related State and local entities of that organization or group, are treated as a single political committee;

(E) All of the political committees set up by the same group of persons are treated as a single political committee.

(iii) For organizations not described by paragraphs (a)(1)(i) or (ii) of this section, indicative of establishing, financing, maintaining, or controlling may include—

(A) Ownership of a controlling interest in voting shares or securities;

(B) Provisions of by-laws, constitutions, or other documents by which one entity has the authority, power, or ability to direct another entity;

(C) The authority, power, or ability to hire, appoint, discipline, discharge, demote, or remove or otherwise influence the decision of the officers or members of an entity;

(D) Similar patterns of contributions;

(E) The transfer of funds between committees which represent a substantial portion of the funds of either the transferor or transferee committee, other than the transfer of funds between the committees which jointly raised the funds so transferred.

(2) This part shall not limit transfers between—

(i) Political committees of the funds raised through joint fundraising;

(ii) Authorized committees of the same candidate, or between the candidate and his or her authorized committees, if the candidate has not received a waiver from reporting;

(iii) The primary campaign and general election campaign of a candidate, of funds unused for the primary;

(iv) A candidate's previous campaign committee and his or her currently registered principal campaign committee or other authorized committee, as long as none of the funds transferred contain contributions which would be in violation of the Act; or

(v) The principal campaign committees of a candidate seeking nomination or election to more than one Federal office, as long as—

(A) The transfer is made when the candidate is not actively seeking nomination or election to more than one office. For purposes of this paragraph, "not actively seeking" means a principal campaign committee has filed a termination report with the Commission, or has notified the Commission that the candidate and his authorized committees will make no further expenditure, except in connection with the retirement of debts outstanding at the time of the notification;

(B) The limitations on contributions by persons are not exceeded by the transfer. To assure this, the contributions making up the funds transferred shall be reviewed, beginning with the last received and working back until the amount transferred is reached. A person's contribution or any portion thereof, shall be excluded if, when added to contributions already made to the transferee principal campaign committee, it causes the contributor to exceed his or her limitation; and

(C) The candidate has not received funds under 26 U.S.C. 9006 or 9037.

(b)(1) For purposes of the limitations in § 110.1 and § 110.2,

(i) All contributions made by the national committee of a political party, and any political committees established, financed, maintained, or controlled by the same national committee;

(ii) All contributions made by the State committee of a political party, shall be considered to be made by separate political committees.

(2) For purposes of this section,

(i) The House campaign committee of each political party shall be considered separate from the national committee of that party, giving the national committee and the House campaign committees separate limitations;

(ii) All contributions made by the political committees established, financed, maintained, or controlled by a State party committee and by subordinate State party committees shall be presumed to be made by one political committee. This presumption shall not apply if—

(A) The political committee of the party unit in question has not received funds from any other political committee established, financed, maintained, or controlled by any party unit; and
(B) The political committee of the party unit in question does not make its contributions in cooperation, consultation or concert with, or at the request or suggestion of any other party unit or political committee established, financed, maintained, or controlled by another party unit.

(3) For example, as a result of paragraph (b)(1) of this section,

(i) The national committee of a party and that party's House campaign committee may each contribute a total of $1,000 ($5,000 if a multicandidate committee) and the State committee of a party and each of its independent subordinate committees, may each contribute a total of $1,000 ($5,000 if a multicandidate committee) to a candidate for nomination for President of the United States, or to a candidate for the House for each election;

(ii) A State committee and any subordinate committee able to demonstrate independence under the criteria of § 110.3(b)(2)(ii) may each contribute $1,000 ($5,000 if a multicandidate committee) to a candidate for each election.

(4) The national committee of a political party and the Senate campaign committee have special limitations regarding Senate candidates, see § 110.2(c).

(c) Transfers between and among political committees which are national, State, district, or local committees, and subordinate committees thereof, of the same political party are unlimited.

§ 110.4 Prohibited contributions.

(a)(1) A foreign national shall not directly or through any other person make a contribution, or expressly or impliedly promise to make a contribution, in connection with a convention, caucus, primary, general, special, or runoff election in connection with any local, State or Federal public office.

(2) No person shall solicit, accept, or receive a contribution as set out above from a foreign national.

(b)(1) No person shall—

(i) Make a contribution in the name of another;

(ii) Knowingly permit his or her name to be used to effect that contribution; or

(iii) Knowingly accept a contribution made by one person in the name of another.

(2) Examples of “contribution in the name of another” include—

(i) Giving money or anything of value, all or part of which was provided to the contributor by another person (the true contributor) without disclosing the source of money or the thing of value to the recipient candidate or committee at the time the contribution is made, see § 110.6; or

(ii) Making a contribution of money or anything of value and attributing as the source of the money or the thing of value another person when in fact the contributor is the source.

(c)(1) With respect to any campaign for nomination for election, or election, to Federal office, no person shall make contributions to a candidate or political committee of currency of the United States, or of any foreign country, which in the aggregate exceed $100.

(2) A candidate or committee receiving a cash contribution in excess of $100 shall promptly return the amount over $100 to the contributor.

(3) A candidate or committee receiving an anonymous cash contribution in excess of $50 shall promptly dispose of the amount over $50. The amount over $50 may be used for any lawful purpose unrelated to any Federal election, campaign, or candidate.

§ 110.5 Annual contribution limitation.

(a) No individual shall make contributions aggregating more than $25,000 in any calendar year.
§ 110.6 Earmarked contributions (2 U.S.C. 441a(a)(7)(A)).

(a) All contributions by a person made on behalf of or to a candidate, including contributions which are in any way earmarked or otherwise directed to the candidate through an intermediary or conduit, are contributions from the person to the candidate.

(b) For purposes of this section, earmarked means a designation, instruction, or encumbrance (including those which are direct or indirect, express or implied, oral or written) which results in all or any part of a contribution or expenditure being made to, or expended on behalf of, a clearly identified candidate or a candidate's authorized committee.

(c) The intermediary or conduit of the earmarked contribution shall report the original source and intended recipient of the contribution to the Commission, the Clerk of the House of Representatives, or the Secretary of the Senate, as appropriate (see Part 105), and to the intended recipient.

(1) The report to the Commission, Clerk, or Secretary shall be included in the conduit or intermediary's next due quarterly, pre- or post-election, or annual report, or, if the conduit is not a reporting entity, by letter to the Commission, and shall—

(i) If the contribution was passed on in the form of the contributor's check, disclose each contribution on a separate schedule attached to the conduit's next report, or attached to the letter to the Commission.

(ii) If the contribution was passed on in cash, by the contributor's check, disclose each contribution as designated by the contributor.

(2) The report to the intended recipient shall be made when the contribution is passed on to the intended recipient.

(3) The intended recipient shall disclose on his next report each conduit through which the contribution passed.

(4) The reports in (1) and (2) above shall contain the information required in 11 CFR 110.6(c)(4) (i) through (iii).

(i) The name and mailing address of the contributor and if the contribution exceeds $200, the contributor's occupation and the name of his or her employer.

(ii) The amount of the contribution, the date received by the conduit, and the intended recipient as designated by the contributor;

(iii) The date the contribution was passed on to the intended recipient, and whether the contribution was passed on in cash, by the contributor's check, or by the conduit's check.

(5) This section shall not apply to occasional, isolated, or incidental physical transfers of checks or other written instruments payable to a candidate or his or her authorized committees. For purposes of this paragraph, "occasional, isolated, or incidental" means no more than $1,000 is conveyed to any one candidate or committee in a calendar year.

(d)(1) A conduit or intermediary's contribution limits are not affected by passing on earmarked contributions, except where the conduit exercises
§ 110.7 Party committee expenditure limitations (2 U.S.C. 441a(d)).

(a)(1) The national committee of a political party may make expenditures in connection with the general election campaign of any candidate for President of the United States affiliated with the party.

(2) The expenditures shall not exceed an amount equal to 2 cents multiplied by the voting age population of the United States.

(3) Any expenditure under this paragraph (a) shall be in addition to—

(i) Any expenditure by a national committee of a political party serving as the principal campaign committee of a candidate for President of the United States; and

(ii) Any contribution by the national committee to the candidate permissible under § 110.1 or § 110.2.

(4) The national committee of a political party may make expenditures authorized by this section through any designated agent, including State and subordinate party committees.

(5) The national committee of a political party may not make independent expenditures (see Part 109) in connection with the general election campaign of a candidate for President of the United States.

(6) Any expenditures made by the national, state and subordinate committees of a political party pursuant to 11 CFR 110.7(a) on behalf of that party’s Presidential candidate shall not count against the candidate’s expenditure limitations under 11 CFR 110.8.

(b)(1) The national committee of a political party, and a State committee of a political party, including any subordinate committee of a State committee, may each make expenditures in connection with the general election campaign of a candidate for Federal office in that State who is affiliated with the party.

(2) The expenditures shall not exceed—

(i) In the case of a candidate for election to the office of Senator, or of Representative from a State which is entitled to only one Representative, the greater of—

(A) Two cents multiplied by the voting age population of the State; or

(B) Twenty thousand dollars; and

(ii) In the case of a candidate for election to the office of Representative, Delegate, or Resident Commissioner in any other State, $10,000.

(3) Any expenditure under paragraph (b) shall be in addition to any contribution by a committee to the candidate permissible under § 110.1 or § 110.2.

(4) The party committees identified in (b)(1) shall not make independent expenditures in connection with the general election campaign of candidates for Federal office.

(c) For limitation purposes, State committee includes subordinate State committees. State committees and subordinate State committees combined shall not exceed the limits in paragraph (b)(2) of this section. To ensure compliance with the limitations, the State committee shall administer the limitation in one of the following ways:

(1) The State central committee shall be responsible for insuring that the expenditures of the entire party organization are within the limitations, including receiving reports from any subordinate committee making expenditures under paragraph (b) of this section, and filing consolidated reports.
§ 110.8 Presidential candidate expenditure limitations.

(a) No candidate for the office of President of the United States who is eligible under 26 U.S.C. 9003 (relating to conditions for eligibility for payments) or under 26 U.S.C. 9033 (relating to eligibility for payments) to receive payments from the Secretary of the Treasury and has received payments, may make expenditures in excess of—

(1) $10,000,000 in the case of a campaign for nomination for election to the office, except the aggregate of expenditures under this paragraph in any one State shall not exceed the greater of 16 cents multiplied by the voting age population of the State or $200,000; or

(2) $20,000,000 in the case of a campaign for election to the office.

(b) The expenditure limitations shall not be considered violated if, after the date of the primary or general election, convention or caucus, receipt of refunds and rebates causes a candidate's expenditures to be within the limitations.

(c) For the State limitations in paragraph (a)(1) of this section—

(1) Expenditures made in a State after the date of the primary election, convention or caucus relating to the primary election, convention or caucus count toward that State's expenditure limitation;

(2) Expenditures for fundraising activities targeted at a particular State and occurring within 28 days before that state's primary election, convention, or caucus shall be presumed to be attributable to the expenditure limitation for that State, 11 CFR 100.8(b)(21) (relating to the 20% fundraising exemption) notwithstanding.

(d)(1) If an individual is a candidate for more than one Federal office, or for a Federal office and a State office, he or she must designate separate principal campaign committees and establish completely separate campaign organizations.

(2) No funds, goods, or services, including loans and loan guarantees, may be transferred between or used by the separate campaigns, except as provided in §110.3(a)(2)(iv).

(3) Except for Presidential candidates receiving Presidential Primary Matching Funds, see 26 U.S.C. 9032, or General Election Public Financing, see 26 U.S.C. 9002, campaigns may share personnel and facilities, as long as expenditures are allocated between the campaigns, and the payment made from each campaign account reflects the allocation.

(e)(1) A political party may make reimbursement for the expenses of a candidate who is engaging in party-building activities, without the payment being considered a contribution to the candidate, and without the unreimbursed expense being considered an expenditure counting against the limitations in paragraph (a)(1) or (2) of this section, as long as—

(i) The event is a bona fide party event or appearance; and

(ii) No aspect of the solicitation for the event, the setting of the event, and the remarks or activities of the candidate in connection with the event were for the purpose of influencing the candidate's nomination or election.

(2)(i) An event or appearance meeting the requirements of paragraph (e)(1) of this section and occurring prior to January 1 of the year of the election for which the individual is a candidate is presumptively party-related;

(ii) Notwithstanding the requirements of paragraph (e)(1) of this section, an event or appearance occurring on or after January 1 of the year of the election for which the individual is a candidate is presumptively for the purpose of influencing the candidate's election, and any contributions or expenditures are governed by the contribution and expenditure limitations of this Part 110.
Federal Election Commission

§ 110.10 Expenditures by candidates.

(a) Violation of limitations. No candidate or political committee shall accept any contribution or make any expenditure in violation of the provisions of Part 110. No officer or employee of a political committee shall accept a contribution made for the benefit or use of a candidate, or make any expenditure on behalf of a candidate, in violation of any limitation imposed on contributions and expenditures under this Part 110.

(b) Fraudulent misrepresentation. No person who is a candidate for Federal office or an employee or agent of such a candidate shall—

(1) Fraudulently misrepresent himself or any committee or organization under his control as speaking or writing or otherwise acting for or on behalf of any other candidate or political party or employee or agent thereof on a matter which is damaging to such other candidate or political party or employee or agent thereof; or

(2) Willfully and knowingly participate in or conspire to participate in any plan or design to violate paragraph (b)(1) of this section.

(c) Price index increase. (1) Each limitation established by §§ 110.7 and 110.8 shall be increased by the annual percent difference of the price index, as certified to the Commission by the Secretary of Labor. Each amount so increased shall be the amount in effect for that calendar year.

(2) For purposes of paragraph (c)(1) of this section, the term “price index” means the average over a calendar year of the Consumer Price Index (all items—United States city average) published monthly by the Bureau of Labor Statistics.

(d) Voting age population. The Commission shall assure that there is annually published in the FEDERAL REGISTER an estimate of the voting age population based on an estimate of the voting age population of the United States, of each State, and of each congressional district. The term “voting age population” means resident population, 18 years of age or older.

§ 110.19 Expenditures by candidates.

(a) Except as provided in 11 CFR Parts 9001, et seq. and 9031, et seq., candidates for Federal office may make unlimited expenditures from personal funds.

(b) For purposes of this section, “personal funds” means—

(1) Any assets which, under applicable state law, at the time he or she became a candidate, the candidate had legal right of access to or control over, and with respect to which the candidate had either:

(i) Legal and rightful title, or

(ii) An equitable interest.
§ 110.11

(2) Salary and other earned income from bona fide employment; dividends and proceeds from the sale of the candidate's stocks or other investments; bequests to the candidate; income from trusts established before candidacy; income from trusts established by bequest after candidacy of which the candidate is the beneficiary; gifts of a personal nature which had been customarily received prior to candidacy; proceeds from lotteries and similar legal games of chance.

(3) A candidate may use a portion of assets jointly owned with his or her spouse as personal funds. The portion of the jointly owned assets that shall be considered as personal funds of the candidate shall be that portion which is the candidate's share under the instrument(s) of conveyance or ownership. If no specific share is indicated by an instrument of conveyance or ownership, the value of one-half of the property used shall be considered as personal funds of the candidate.

§ 110.11 Communications; advertising (2 U.S.C. 441d).

(a)(1) Except as provided at 11 CFR 110.11(a)(2), whenever any person makes an expenditure for the purpose of financing a communication that expressly advocates the election or defeat of a clearly identified candidate, or that solicits any contribution, through any broadcasting station, newspaper, magazine, outdoor advertising facility, poster, yard sign, direct mailing or any other form of general public political advertising, a disclaimer meeting the requirements of 11 CFR 110.11(a)(1) (i), (ii), (iii) or (iv) shall appear and be presented in a clear and conspicuous manner to give the reader, observer or listener adequate notice of the identity of persons who paid for and, where required, who authorized the communication. Such person is not required to place the disclaimer on the front face or page of any such material, as long as a disclaimer appears within the communication, except on communications, such as billboards, that contain only a front face.

(i) Such communication, including any solicitation, if paid for and authorized by a candidate, an authorized committee of a candidate, or its agent, shall clearly state that the communication has been paid for by the authorized political committee; or

(ii) Such communication, including any solicitation, if authorized by a candidate, an authorized committee of a candidate or an agent thereof, but paid for by any other person, shall clearly state that the communication is paid for by such other person and, is authorized by such candidate, authorized committee or agent; or

(iii) Such communication, including any solicitation, if made on behalf of or in opposition to a candidate, but paid for by any other person and not authorized by a candidate, authorized committee of a candidate or its agent, shall clearly state that the communication has been paid for by such person and is not authorized by any candidate or candidate's committee.

(iv)(A) For solicitations directed to the general public on behalf of a political committee which is not an authorized committee of a candidate, such solicitation shall clearly state the full name of the person who paid for the communication.

(B) For purposes of this section, whenever a separate segregated fund solicits contributions to the fund from those persons it may solicit under the applicable provisions of 11 CFR Part 114, such communication shall not be considered a form of general public advertising and need not contain the disclaimer set forth in 11 CFR 110.11(a)(1)(iv)(A).

(2) The requirements of 11 CFR 110.11(a)(1) do not apply to bumper stickers, pins, buttons, pens and similar small items upon which the disclaimer cannot be conveniently printed. The requirements of 11 CFR 110.11(a)(1) do not apply to skywriting, water towers or other means of displaying an advertisement of such a nature that the inclusion of a disclaimer would be impracticable.

(b)(1) No person who sells space in a newspaper or magazine to a candidate, an authorized committee of a candidate, or an agent of the candidate, for
use in connection with the candidate’s campaign for nomination or for election, shall charge an amount for the space which exceeds the comparable rate for the space for non-campaign purposes.

(2) For purposes of this section, “comparable rate” means the rate charged to a national or general rate advertiser, and shall include discount privileges usually and normally available to a national or general rate advertiser.

§ 110.12 Honoraria (2 U.S.C. 441i).

(a) No individual while an elected or appointed officer or employee of any branch of the Federal government shall accept any honorarium of more than $2,000.

(b) The term “honorarium” means a payment of money or anything of value received by an officer or employee of the Federal government, if it is accepted as consideration for an appearance, speech, or article. An honorarium does not include payment for or provision of actual travel and subsistence, including transportation, accommodations, and meals for the officer or employee and spouse or an aide, and does not include amounts paid or incurred for any agents’ fees or commissions.

(1) Officer or employee. The term “officer or employee of the Federal government,” or “officer or employee” means any person appointed or elected to a position of responsibility or authority in the United States government, regardless of whether the person is compensated for this position; and any other person receiving a salary, compensation, or reimbursement from the United States government, who accepts an honorarium for an appearance, speech, or article. Included within this class is the President; the Vice President; any Member of Congress; any judge of any court of the United States; any Cabinet officer; and any other elected or appointed officer or employee of any branch of the Federal government.

(4) Article. “Article” means a writing other than a book, which has been or is intended to be published.

(5) Accepted. “Accepted” means that there has been actual or constructive receipt of the honorarium and that the federal officeholder or employee exercises dominion or control over it and determines its subsequent use. However, an honorarium is not deemed accepted for the purposes of 11 CFR 110.12 if the federal officeholder or employee pays the honorarium to a charitable organization, or if the honorarium is paid to a charitable organization on behalf of the federal officeholder or employee. Nothing in this paragraph shall be construed as an interpretation of relevant provisions of the Internal Revenue Code (Title 26, United States Code).

(c) The term “honorarium” does not include—

(1) An award. An award is a gift of money or anything of value given—

(i) Primarily in recognition of religious, charitable, scientific, educational, artistic, literary, or civil achievement;

(ii) Based on a selection process with established criteria and which does not require the officer or employee to apply for or take any other action in the way of competition for the award; (iii) Gratuitously under circumstances which do not require the recipient to make an appearance or speech, or write an article as a condition for receiving the award; and

(iv) Which is not made to serve in place of an honorarium or a contribution.

(2) A gift. A gift is a voluntary conveyance of real or personal property which is made gratuitously, and is not
supported by consideration, and is not made to serve in place of an honorarium or a contribution. %

(3) A stipend. A stipend is a payment for services on a continuing basis, including a salary or other compensation paid by news media for commentary on events other than the campaign of the individual compensated. A stipend cannot be paid by a political committee other than a candidate's principal campaign committee or other authorized committee to that candidate.

(c) If the probable cause to believe finding is made within forty-five days prior to any election, such conciliation attempt shall continue for at least fifteen (15) days from the date of such finding. In all other cases such attempts by the Commission shall continue for at least thirty (30) days, not to exceed ninety (90) days.

However, the Commission is not required to enter into any negotiations directed towards reaching a conciliation agreement unless and until it makes a finding of probable cause to believe. Any conciliation agreement reached under this subsection is subject to the provisions of subsection (b) of this section and shall have the same force and effect as a conciliation agreement reached after a

(1) General. A corporation or labor organization may make the communications described in 11 CFR 114.4(b)(2) through (5) to the general public. The corporation or labor organization may include its logo or otherwise identify itself as the sponsor of the communication.

(2) Nonpartisan registration and voting communications. A corporation or labor organization may make nonpartisan registration and get-out-the-vote communications to the general public.

(i) For purposes of 11 CFR 114.4(b)(2), the following are factors that the Commission may consider in determining whether a registration or get-out-the-vote communication is nonpartisan:

(A) It neither names nor depicts any particular candidate(s) or it names or depicts all candidates for a particular Federal office without favoring any candidate(s) over any other(s);

(B) It names no political party(s) except that it may include the political party affiliation of all candidates named or depicted under 11 CFR 114.4(b)(2)(1)(A);

(C) It is limited to urging acts such as voting and registering and to describing the hours and places of registration and voting.

(ii) A corporation or labor organization may distribute official registration-by-mail forms to the general public if registration by mail is permitted by the applicable State law.

(iii) A corporation or labor organization may donate funds to State or local agencies responsible for the administration of elections to help defray the costs of printing or distributing registration or voting information and forms.

(4) Voting records. A corporation or labor organization may prepare and distribute to the general public the voting records of Members of Congress as long as the preparation and distribution is not for the purpose of influencing a Federal election.

(5) Voter guides. (i) A corporation or labor organization may prepare and distribute to the general public nonpartisan voter guides consisting of questions posed to candidates concerning their positions on campaign issues and the candidates' responses to those questions. The following are factors that the Commission may consider in determining whether a voter guide is nonpartisan:

(A) The questions are directed to all of the candidates for a particular seat or office, giving the candidates equal time to respond, except that in the case of Presidential and Vice Presidential candidates the questions may be directed only to those candidates seeking the nomination of a major party or to those appearing on the general election ballot in enough States to win a majority of the electoral votes;
(B) The voter guide reprints verbatim the responses of each candidate to whom questions were sent, without any additional comment, editing, or emphasis, although the sponsoring organization may impose limitations on the number of words per response when the questions are initially sent to the candidates for their comments;
(C) The wording of the questions presented does not suggest or favor any position on the issues covered;
(D) The voter guide expresses no editorial opinion concerning the issues presented nor does it indicate any support for or opposition to any candidate or political party;
(E) The sponsor may ask each candidate to provide biographical information such as education, employment positions, offices held, and community involvement and may impose a limitation on the number of words per submission;
(F) The voter guide is made available to the general public in the geographic area in which the sponsoring organization normally operates.

(i) A corporation or labor organization may distribute voter guides or other types of brochures describing the candidates or their positions which are obtained from a nonprofit organization which is exempt from Federal taxation under 26 U.S.C. 501(c) (3) or (4) and which does not support, endorse or oppose candidates or political parties. Publications obtained from such nonprofit organizations need not comply with the guidelines set forth at 11 CFR 114.4(b)(5)(i), but they may not favor one candidate or political party over another.

(c) Nonpartisan registration and get-out-the-vote drives—(1) Requirements for conducting nonpartisan drives. (i) A corporation or labor organization may support nonpartisan voter registration drives which are not limited to its restricted class if the conditions in paragraphs (c)(1)(i) (A) through (C) of this section are met. A corporation or labor organization may support nonpartisan get-out-the-vote drives, such as by transporting people to the polls, which drives are not limited to its restricted class if the conditions of paragraphs (c)(1)(i) (A) through (C) of this section are met.

(A) The corporation or labor organization shall jointly sponsor the drives with a nonprofit organization which is exempt from federal taxation under 26 U.S.C. 501(c) (3) or (4) and which does not support, endorse or oppose candidates or political parties, or with a State or local agency which is responsible for the administration of elections; and
(B) The activities shall be conducted by the tax-exempt organization or by persons authorized by a State or local agency; and
(C) These services shall be made available without regard to the voter's political preference.

(ii) For the purposes of 11 CFR 114.4(c)(1)(i)(B), a corporation or labor organization which provides space on the corporation's or labor organization's premises for a table, rack or booth from which official registration or voting information is distributed to the general public, and which provides its employees or members to aid in the distribution of such materials, shall not be considered to be "conducting" a registration or voting drive.

(2) Donation of funds. A corporation or labor organization may donate funds to be used for nonpartisan registration drives to State or local agencies responsible for the administration of elections and to nonprofit organizations which are exempt from federal taxation under 26 U.S.C. 501(c) (3) or (4) and which do not support, endorse or oppose candidates or political parties.

(3) Use of personnel and facilities. A nonpartisan tax-exempt organization, or person authorized by the State or local agency, in conducting nonpartisan registration and get-out-the-vote activities, may utilize the employees and facilities of a corporation or the employees or members and facilities of a labor organization.

(4) When co-sponsorship not required. A nonprofit organization which is exempt from federal taxation under 26 U.S.C. 501(c) (3) or (4) and which does not support, endorse or oppose any candidates or political parties may conduct nonpartisan voter registration and get-out-the-vote activities on its own without a cosponsor.
(5) **Identification of drive sponsors.**
All materials prepared for distribution to the general public in connection with the registration or voting drive shall include the full names of all drive sponsors.

(d) **Incorporated membership organizations, incorporated trade associations, incorporated cooperatives and corporations without capital stock.** An incorporated membership organization, incorporated trade association, incorporated cooperative or corporation without capital stock may permit candidates, candidates' representatives or representatives of political parties to address or meet members and employees of the organization, and their families, on the organization's premises or at a meeting, convention or other function of the organization, provided that the conditions set forth in 11 CFR 114.4(a)(2) (i) through (v) are met.

(e) **Nonpartisan candidate debates.**
(1) A nonprofit organization qualified under 11 CFR 110.13(a)(1) may use its own funds and may accept funds donated by corporations or labor organizations under 11 CFR 114.4(e)(3) to defray costs incurred in staging nonpartisan candidate debates held in accordance with 11 CFR 110.13.

(2) A bona fide broadcaster, newspaper, magazine and other periodical publication may use its own funds to defray costs incurred in staging nonpartisan public candidate debates held in accordance with 11 CFR 110.13.

(3) A corporation or labor organization may donate funds to nonprofit organizations qualified under 11 CFR 110.13(a)(1) to stage nonpartisan candidate debates held in accordance with 11 CFR 110.13 and 114.4(e).

(f) **Voluntary contributions to a separate segregated fund.**
(1) A separate segregated fund is prohibited from making a contribution or expenditure by utilizing money or anything of value secured by physical force, job discrimination, financial reprisals, or the threat of force, job discrimination, or financial reprisal; or by dues, fees, or other monies required as a condition of membership in a labor organization or as a condition of employment or by monies obtained in any commercial transaction. For purposes of this section, fees or monies paid as a condition of acquiring or retaining membership or employment are monies required as a condition of membership or employment even though they are refundable upon request of the payor.

(2) A guideline for contributions may be suggested by a corporation or a labor organization, or the separate segregated fund of either, provided that the person soliciting or the solicitation informs the persons being solicited—

(i) That the guidelines are merely suggestions; and

(ii) That an individual is free to contribute more or less than the guidelines suggest and the corporation or labor organization will not favor or disadvantage anyone by reason of the amount of their contribution or their decision not to contribute.

A corporation or labor organization or the separate segregated fund of either may not enforce any guideline for contributions.

(3) Any person soliciting an employee or member for a contribution to a separate segregated fund must inform such employee or member of the political purposes of the fund at the time of the solicitation.

(4) Any persons soliciting an employee or member for a contribution to a separate segregated fund must inform the employee or member at the time of such solicitation of his or her right to refuse to so contribute without any reprisal.

(5) Any written solicitation for a contribution to a separate segregated fund which is addressed to an employee or member at the time of such solicitation of his or her right to refuse to so contribute without any reprisal.

§ 114.5 Separate segregated funds.

(a) **Voluntary contributions to a separate segregated fund.**
(1) A separate segregated fund is prohibited from making a contribution or expenditure by utilizing money or anything of value secured by physical force, job discrimination, financial reprisals, or
(b) Use of treasury monies. Corporations, labor organizations, membership organizations, cooperatives, or corporations without capital stock may use general treasury monies, including monies obtained in commercial transactions and dues monies or membership fees, for the establishment, administration, and solicitation of contributions to its separate segregated fund. A corporation, labor organization, membership organization, cooperative, or corporation without capital stock may not use the establishment, administration, and solicitation process as a means of exchanging treasury monies for voluntary contributions.

(1) A contributor may not be paid for his or her contribution through a bonus, expense account, or other form of direct or indirect compensation.

(2) A corporation, labor organization, membership organization, cooperative, or corporation without capital stock may, subject to the provisions of 39 U.S.C. 3005 and Chapter 61, Title 18, United States Code, utilize a raffle or other fundraising device which involves a prize, so long as State law permits and the prize is not disproportionately valuable. Dances, parties, and other types of entertainment may also be used as fundraising devices. When using raffles or entertainment to raise funds, a reasonable practice to follow is for the separate segregated fund to reimburse the corporation or labor organization for costs which exceed one-third of the money contributed.

(3) If the separate segregated fund pays any solicitation or other administrative expense from its own account, which expense could be paid for as an administrative expense by the collecting agent, the collecting agent may reimburse the separate segregated fund no later than 30 calendar days after the expense was paid by the separate segregated fund.

(c) Membership in separate segregated funds. (1) A separate segregated fund established by a corporation, labor organization, membership organization, cooperative, or corporation without capital stock may provide that persons who contribute a certain amount to its separate segregated fund will become "members" of its separate segregated fund, so long as—

(i) The fund accepts contributions of all amounts, subject to the limitations of Part 110;

(ii) Subject to paragraph (c)(1)(iii) of this section, nothing of value may be given in return for or in the course of membership;

(iii) The fund may use membership status for intangible privileges such as allowing members only to choose the candidates to whom the fund will contribute.

(2) The fact that the separate segregated fund of a corporation, labor organization, membership organization, cooperative, or corporation without capital stock is a "membership group" does not provide the corporation, labor organization, membership organization, cooperative, or corporation without capital stock with any greater right of communication or solicitation than the corporation, labor organization, membership organization, cooperative, or corporation without capital stock is otherwise granted under this part.

(d) Control of funds. A corporation, membership organization, cooperative, corporation without capital stock, or labor organization may exercise control over its separate segregated fund.

(e) Disclosure. Separate segregated funds are subject to the following disclosure requirements:

(1) A corporation or labor organization is not required to report any payment made or obligation incurred which is not a contribution or expenditure, as defined in § 114.1(a), except those reporting requirements specifically set forth in this section.

(2) A membership organization or corporation is not required to report the cost of any communication to its members or stockholders or executive or administrative personnel, if such membership organization or corporation is not organized primarily for the purpose of influencing the nomination for election, or election, of any person to Federal office, except that—

(i) The costs incurred by a membership organization, including a labor organization, or by a corporation, directly attributable to a communication expressly advocating the election or
defeat of a clearly identified candidate
(other than a communication primarily
devoted to subjects other than the
express advocacy of the election or
defeat of a clearly identified candi-
date) shall, if those costs exceed $2,000
per election, be reported in accordance
with 11 CFR 100.8(b)(4); and

(ii) The amounts paid or incurred
for legal or accounting services ren-
dered to or on behalf of a candidate or
political committee solely for the pur-
pose of ensuring compliance with the
provisions of the Act or chapter 95 or
96 of the Internal Revenue Code of
1954 paid by a corporation or labor or-
ganization which is the regular em-
ployer of the individual rendering
such services, shall be reported in ac-
CORDance with the provisions of Part
104.

(3) A separate segregated fund is
subject to all other disclosure require-
ments of political committees as set
forth in Part 104.

(f) Contribution limits. Separate
segregated funds are subject to the
contribution limitations for political
committees set forth in Part 110. (See
particularly § 110.3).

(g) Solicitations. Except as specifi-
cally provided in §§ 114.6, 114.7, and
114.8, a corporation and/or its sepa-
rate segregated fund or a labor organi-
zation and/or its separate segregated
fund is subject to the following limita-
tions on solicitations:

(1) A corporation, or a separate seg-
regated fund established by a corpora-
tion is prohibited from soliciting con-
tributions to such a fund from any
person other than its stockholders and
their families and its executive or ad-
ministrative personnel and their fami-
lies. A corporation may solicit the ex-
ecutive or administrative personnel of
its subsidiaries, branches, divisions,
and affiliates and their families.

(2) A labor organization, or a sepa-
rate segregated fund established by a
labor organization is prohibited from
soliciting contributions to such a fund
from any person other than its mem-
bers and executive or administrative
personnel, and their families.

(h) Accidental or inadvertent solici-
tation. Accidental or inadvertent solici-
tation by a corporation or labor orga-
nization, or the separate segregated
fund of either, of persons apart from
and beyond those whom it is permit-
ted to solicit will not be deemed a vi-o-
lation, provided that such corporation
or labor organization or separate seg-
regated fund has used its best efforts
to comply with the limitations regard-
ing the persons it may solicit and that
the method of solicitation is corrected
forthwith after the discovery of such
erroneous solicitation.

(i) Communications paid for with
voluntary contributions. A separate
segregated fund may, using voluntary
contributions, communicate with the
general public, except that such com-
munications may not solicit contribu-
tions to a separate segregated fund es-
blished by a corporation, labor orga-
nization, membership organization, co-
operative, or corporation without cap-
tal stock, unless such solicitation is
permitted under paragraph (g) of this
section.

(j) Acceptance of contributions. A
separate segregated fund may accept
contributions from persons otherwise
permitted by law to make contribu-
tions.

(k) Availability of methods. Any cor-
poration, including its subsidiaries,
branches, divisions, and affiliates, that
uses a method of soliciting voluntary
contributions or facilitating the
making of voluntary contributions
from its stockholders or executive or
administrative personnel and their
families, shall make that method
available to a labor organization repre-
senting any members working for the
corporation, its subsidiaries, branches,
divisions, and affiliates for soliciting
voluntary contributions or facilitating
the making of voluntary contributions
from its members and their families.
Such method shall be made available
on the written request of the labor or-
ganization and at a cost sufficient only
to reimburse the corporation for the
expenses incurred thereby. For exam-
ple—

(1) If a corporation, including its
subsidiaries, branches, divisions, or af-
filates utilizes a payroll deduction
plan, check-off system, or other plan
which deducts contributions from the
dividend or payroll checks of stock-
holders or executive or administrative
personnel, the corporation shall, upon

141
written request of the labor organization, make that method available to members of the labor organization working for the corporation, its subsidiaries, branches, divisions, or affiliates, who wish to contribute to the separate segregated fund of the labor organization representing any members working for the corporation, or any of its subsidiaries, branches, divisions, or affiliates. The corporation shall make the payroll deduction plan available to the labor organization at a cost sufficient only to reimburse the corporation for the actual expenses incurred thereby.

(2) If a corporation uses a computer for addressing envelopes or labels for a solicitation to its stockholders or executive or administrative personnel, the corporation shall, upon written request, program the computer to enable the labor organization to solicit its members. The corporation shall charge the labor organization a cost sufficient only to reimburse the corporation for the actual expenses incurred in programming the computers and the allocated cost of employee time relating to the work, and the materials used.

(3) If a corporation uses corporate facilities, such as a company dining room or cafeteria, for meetings of stockholders or executive or administrative personnel at which solicitations are made, the corporation shall upon written request of the labor organization allow that labor organization to use existing corporate facilities for meetings to solicit its members. The labor organization shall be required to reimburse the corporation for any actual expenses incurred thereby, such as any increase in the overhead to the corporation and any cost involved in setting up the facilities.

(4) If a corporation uses no method to solicit voluntary contributions or to facilitate the making of voluntary contributions from stockholders or executive or administrative personnel, it is not required by law to make any method available to the labor organization for its members. The corporation and the labor organization may agree upon making any lawful method available even though such agreement is not required by the Act.

(5) The availability of methods of twice yearly solicitations is subject to the provisions of § 114.6(e).

(a) A corporation and/or its separate segregated fund may make a total of two written solicitations for contributions to its separate segregated fund per calendar year of its employees other than stockholders, executive or administrative personnel, and their families. Employees as used in this section does not include former or retired employees who are not stockholders. Nothing in this paragraph shall limit the number of solicitations a corporation may make of its stockholders and executive or administrative personnel under § 114.5(g).

(b) A labor organization and/or its separate segregated fund may make a total of two written solicitations per calendar year of employees who are not members of the labor organization, executive or administrative personnel, or stockholders (and their families) of a corporation in which the labor organization represents members working for the corporation. Nothing in this paragraph shall limit the number of solicitations a labor organization may make of its members under § 114.5(g).

(c) Written solicitation. A solicitation under this section may be made only by mail addressed to stockholders, executive or administrative personnel, or employees at their residences. All written solicitations must inform the recipient—

§ 114.6

(1) Of the existence of the custodial arrangement described hereinafter;

(2) That the corporation, labor organization, or the separate segregated fund of either cannot be informed of persons who do not make contributions; and

(3) That persons who, in a calendar year make a single contribution of $50 or less, or multiple contributions aggregating $200 or less may maintain their anonymity by returning their contributions to the custodian.

(d) The custodial arrangement. In order to maintain the anonymity of persons who do not wish to contribute and of persons who wish to respond with a single contribution of $50 or less, or multiple contributions aggregating $200 or less in a calendar year, and to satisfy the recordkeeping provisions, the corporation, labor organization, or separate segregated fund of either shall establish a custodial arrangement for collecting the contributions under this section.

(1) The custodian for a separate segregated fund established by a corporation shall not be a stockholder, officer, executive or administrative personnel, or employee of the corporation, or an officer, or employee of its separate segregated fund. The custodian for a separate segregated fund established by a labor organization shall not be a member, officer or employee of the labor organization or its separate segregated fund.

(2) The custodian shall keep the records of contributions received in accordance with the requirements of Part 102 and shall also—

(i) Establish a separate account and deposit contributions in accordance with the provisions of Part 103;

(ii) Provide the fund with the identification of any person who makes a single contribution of more than $50 and the identification of any person who makes multiple contributions aggregating more than $200. The custodian must provide this information within a reasonable time prior to the reporting date of the fund under Part 104;

(iii) Periodically forward all funds in the separate account, by check drawn on that account, to the separate segregated fund; and

(iv) Treat all funds which appear to be illegal in accordance with the provisions of § 103.3(b).

(3) The custodian shall not—

(i) Make the records of persons making a single contribution of $50 or less, or multiple contributions aggregating $200 or less, in a calendar year, available to any person other than representatives of the Federal Election Commission, the Clerk of the House or the Secretary of the Senate, as appropriate, and law enforcement officials or judicial bodies.

(ii) Provide the corporation or labor organization or the separate segregated fund of either with any information pertaining to persons who, in a calendar year, make a single contribution of $50 or less or multiple contributions aggregating $200 or less except that the custodian may forward to the corporation, labor organization or separate segregated fund of either the total number of contributions received; or

(iii) Provide the corporation, labor organization, or the separate segregated fund of either with any information pertaining to persons who have not contributed.

(4) The corporation, labor organization, or the separate segregated fund of either shall provide the custodian with a list of all contributions, indicating the contributor's identification and amount contributed, which have been made directly to the separate segregated fund by any person within the group of persons solicited under this section.

(5) Notwithstanding the prohibitions of paragraph (d)(1) of this section, the custodian may be employed by the separate segregated fund as its treasurer and may handle all of its contributions, provided that the custodian preserves the anonymity of the contributors as required by this section. The custodian shall file the required reports with the Federal Election Commission, the Clerk of the House, or the Secretary of the Senate, as appropriate. A custodian who serves as treasurer is subject to all of the duties, responsibilities, and liabilities of a treasurer under the Act, and may not participate in the decision making process whereby the separate segreg-
gated fund makes contributions and expenditures.

(e) Availability of methods. (1) A corporation or labor organization or the separate segregated fund of either may not use a payroll deduction plan, a check-off system, or other plan which deducts contributions from an employee’s paycheck as a method of facilitating the making of contributions under this section.

(2) The twice yearly solicitation may only be used by a corporation or labor organization to solicit contributions to its separate segregated fund and may not be used for any other purpose.

(3) A corporation is required to make available to a labor organization representing any members working for the corporation or its subsidiaries, branches, divisions, or affiliates the method which the corporation uses to solicit employees under this section during any calendar year.

(i) If the corporation uses a method to solicit any employees under this section, the corporation is required to make that method available to the labor organization to solicit the employees of the corporation who are not represented by that labor organization, and the executive or administrative personnel and the stockholders of the corporation and their families.

(ii) If the corporation does not wish to disclose the names and addresses of stockholders or employees, the corporation shall make the names and addresses of stockholders and employees available to an independent mailing service which shall be retained to make the mailing for both the corporation and the labor organization for any mailings under this section.

(iii) If the corporation makes no solicitation of employees under this section during the calendar year, the corporation is not required to make any method or any names and addresses available to any labor organization.

(4) The corporation shall notify the labor organization of its intention to make a solicitation under this section during a calendar year and of the method it will use, within a reasonable time prior to the solicitation, in order to allow the labor organization opportunity to make a similar solicitation.

(5) If there are several labor organizations representing members employed at a single corporation, its subsidiaries, branches, divisions, or affiliates, the labor organizations, either singularly or jointly, may not make a combined total of more than two written solicitations per calendar year. A written solicitation may contain a request for contributions to each separate fund established by the various labor organizations making the combined mailing.

(2 U.S.C. 431(8)(B)(iii), 432(c)(3), 438(8)(a))

§ 114.7 Membership organizations, cooperatives, or corporations without capital stock.

(a) Membership organizations, cooperatives, or corporations without capital stock, or separate segregated funds established by such persons may solicit contributions to the fund from members and executive or administrative personnel, and their families, of the organization, cooperative, or corporation without capital stock.

(b) Nothing in this section waives the prohibition on contributions to the separate segregated fund by corporations, national banks, or labor organizations which are members of a membership organization, cooperative, or corporation without capital stock.

(c) A trade association whose membership is made up in whole or in part of corporations is subject to the provisions of § 114.8 when soliciting any stockholders or executive or administrative personnel of member corporations. A trade association which is a membership organization may solicit its noncorporate members under the provisions of this section.

(d) The question of whether a professional organization is a corporation is determined by the law of the State in which the professional organization exists.

(e) There is no limitation upon the number of times an organization under this section may solicit its members and executive or administrative personnel, and their families.

(f) There is no limitation under this section on the method of solicitation.
or the method of facilitating the making of voluntary contributions which may be used.

(g) A membership organization, cooperative, or corporation without capital stock and the separate segregated funds of the organizations are subject to the provisions in § 114.5(a).

(h) A membership organization, cooperative, or corporation without capital stock may communicate with its members and executive or administrative personnel, and their families, under the provisions of § 114.3.

(i) A mutual life insurance company may solicit its policyholders if the policyholders are members within the organizational structure.

(j) A membership organization, including a trade association, cooperative, or corporation without capital stock or a separate segregated fund established by such organization may not solicit contributions from the separate segregated funds established by its members. The separate segregated fund established by a membership organization, including a trade association, cooperative, or corporation without capital stock may, however, accept unsolicited contributions from the separate segregated funds established by its members.

(2 U.S.C. 441b, 437d(a)(8))

§ 114.8 Trade associations.

(a) Definition. A trade association is generally a membership organization of persons engaging in a similar or related line of commerce, organized to promote and improve business conditions in that line of commerce and not to engage in a regular business of a kind ordinarily carried on for profit, and no part of the net earnings of which inures to the benefit of any member.

(b) Prohibition. Nothing in this section waives the prohibition on contributions by corporations which are members of a trade association.

(c) Limitations. A trade association or a separate segregated fund established by a trade association may solicit contributions from the stockholders and executive or administrative personnel of the member corporations of such trade association and the families of such stockholders and personnel if—

(1) The member corporation involved has separately and specifically approved the solicitations; and

(2) The member corporation has not approved a solicitation by any other trade association for the same calendar year.

(d) Separate and specific approval.

(1) The member corporation must knowingly and specifically approve any solicitation for a trade association, whether the solicitation is done by the trade association, its separate segregated fund, or the corporation or any of its personnel, for contributions to the trade association's separate segregated fund.

(2) A copy of each approved request received by a trade association or its separate segregated fund shall be maintained by the trade association or its fund for three years from the year for which the approval is given.

(3) The request for approval may contain a copy of solicitation materials which will be used if approval is granted. Such a mailing must specifically indicate the requirement of approval and the limitation of paragraph (c)(2) of this section, and approval must be granted to the trade association or its separate segregated fund prior to the time any solicitation is made of the stockholders or executive or administrative personnel by the trade association, its separate segregated fund, or by the corporation for contributions to the separate segregated fund of the trade association. (The request for approval may be sent to the representatives of the corporation with whom the trade association normally conducts the association's activities.)

(4) A separate authorization specifically allowing a trade association to solicit its corporate member's stockholders, and executive or administrative personnel applies through the calendar year for which it is designated. A separate authorization by the corporate member must be designated for each year during which the solicitation is to occur. This authorization may be requested and may also be received prior to the calendar year in which the solicitation is to occur.
§ 114.8 11 CFR Ch. I (1-1-88 Edition)

(5) In its request to a member corporation, a trade association may indicate that it intends to solicit, for example, a limited class of the executive or administrative personnel of the member corporation, or only the executive or administrative personnel but not the stockholders of the member corporation. Moreover, in its approval, a member corporation may similarly limit any solicitation by the trade association or its separate segregated fund. In any event, a member corporation, once it has approved any solicitation—even to a limited extent—of its personnel or stockholders by a trade association or its separate segregated fund, is precluded from approving any such solicitation by another trade association or its separate segregated fund and the corporation and its personnel are precluded from soliciting the corporation's executive or administrative personnel or stockholders on behalf of another trade association or its separate segregated fund.

(e) Solicitation. (1) After a trade association has obtained the approval required in paragraph (c) of this section, there is no limit on the number of times the trade association or its separate segregated fund may solicit the persons approved by the member corporation during the calendar year to which the approval applies. The member corporation may, however, in its approval limit the number of times solicitations may be made.

(2) A member corporation which grants permission to a trade association to solicit is in no way restricted in its rights under § 114.5(g) to solicit its stockholders or executive or administrative personnel and their families for contributions to the corporation's own separate segregated fund.

(3) There is no limitation on the method of soliciting voluntary contributions or the method of facilitating the making of voluntary contributions which a trade association may use. The member corporation may not use a payroll deduction or checkoff system for executive or administrative personnel contributing to the separate segregated fund of the trade association.

(4) A trade association and/or its separate segregated fund is subject to the provisions of § 114.5(a).

(f) Solicitation of a subsidiary corporation. If a parent corporation is a member of the trade association, but its subsidiary is not, the trade association or its separate segregated fund may only solicit the parent's executive or administrative personnel and stockholders and their families; and no personnel of the subsidiary may be solicited. If a subsidiary is a member, but the parent is not, the trade association or its separate segregated fund may solicit the subsidiary's personnel and their families; it may not solicit the parent's shareholders. If both parent and subsidiary are members, executive and administrative personnel and stockholders of each and their families may be solicited.

(g) Federations of trade associations. (1) A federation of trade associations is an organization representing trade associations involved in the same or allied line of commerce. Such a federation may, subject to the following limitations, solicit the members of the federation's regional, State, or local affiliates or members, provided that all of the political committees established, financed, maintained, or controlled by the federation and its regional, State, or local affiliates or members are considered one political committee for the purposes of the limitations in §§ 110.1 and 110.2.

(i) The federation and its member associations may engage in a joint solicitation; or

(ii) The member association may delegate its solicitation rights to the federation.

(2) A federation is subject to the provisions of this section when soliciting the stockholders and executive or administrative personnel of the corporate members of its member associations.

(h) Communications other than solicitations. A trade association may make communications, other than solicitations, to its members and their families under the provisions of § 114.3. When making communications to a member which is a corporation, the trade association may communicate with the representatives of the corporation with whom the trade association normally conducts the association's activities.
(1) *Trade association employees.* (1) A trade association may communicate with its executive or administrative personnel and their families under the provisions of § 114.3; a trade association may communicate with its other employees under the provisions of § 114.4.

(2) A trade association may solicit its executive or administrative personnel and their families under the provisions of § 114.5(g); a trade association may solicit its other employees under the provisions of § 114.6.

(2 U.S.C. 441b, 437d(a)(8))

§ 114.9 Use of corporate or labor organization facilities and means of transportation.

(a) Use of corporate facilities for individual volunteer activity by stockholders and employees. (1) Stockholders and employees of the corporation may, subject to the rules and practices of the corporation, make occasional, isolated, or incidental use of the facilities of a corporation for individual volunteer activity in connection with a Federal election and will be required to reimburse the corporation only to the extent that the overhead or operating costs of the corporation are increased. As used in this paragraph, "occasional, isolated, or incidental use" generally means—

(i) When used by employees during working hours, an amount of activity during any particular work period which does not prevent the employee from completing the normal amount of work which that employee usually carries out during such work period; or

(ii) When used by stockholders other than employees during the working period, such use does not interfere with the corporation in carrying out its normal activities; but

(iii) Any such activity which does not exceed one hour per week or four hours per month, regardless of whether the activity is undertaken during or after normal working hours, shall be considered as occasional, isolated, or incidental use of the corporate facilities.

(2) A stockholder or employee who makes more than occasional, isolated, or incidental use of a corporation's facilities for individual volunteer activities in connection with a Federal election is required to reimburse the corporation within a commercially reasonable time for the normal and usual rental charge, as defined in 11 CFR 100.7(a)(1)(iii)(B), for the use of such facilities.

(b) Use of labor organization facilities for individual volunteer activity by officials, members and employees. (1) The officials, members, and employees of a labor organization may, subject to the rules and practices of the labor organization, make occasional, isolated, or incidental use of the facilities of a labor organization for individual volunteer activity in connection with a Federal election and will be required to reimburse the labor organization only to the extent that the overhead or operating costs of the labor organization are increased. As used in this paragraph, "occasional, isolated, or incidental use" generally means—

(i) When used by employees during working hours, an amount of activity during any particular work period which does not prevent the employee from completing the normal amount of work which that employee usually carries out during such work period; or

(ii) When used by members other than employees during the working period, such use does not interfere with the labor organization in carrying out its normal activities; but

(iii) Any such activity which does not exceed one hour per week or four hours per month, regardless of whether the activity is undertaken during or after normal working hours, shall be considered as occasional, isolated, or incidental use of the labor organization facilities.

(2) The officials, members, and employees who make more than occasional, isolated, or incidental use of a labor organization's facilities for individual volunteer activities in connection with a Federal election are required to reimburse the labor organization within a commercially reasonable time for the normal and usual rental charge, as
§ 114.10 Extension of credit and settlement of corporate debts.

(a) A corporation may extend credit to a candidate, political committee, or other person in connection with a Federal election provided that the credit is extended in the ordinary course of the corporation’s business and the terms are substantially similar to extensions of credit to nonpolitical debtors which are of similar risk and size of obligation. Nothing in this section modifies regulations prescribed by the Civil Aeronautics Board, the Federal Communications Commission or the Interstate Commerce Commission issued pursuant to 2 U.S.C. 451 or any other regulations prescribed by other Federal agencies with regard to credit extended by the regulated corporations.

(b) Except as specifically provided in paragraph (c) of this section, a corporation may not forgive prior debts or settle debts which have been incurred by a candidate or political committee or other person for use in connection with a Federal election for less than the amount owed on the debt.

(c) A corporation may settle or forgive a debt if the creditor has treated the outstanding debt in a commercially reasonable manner. A settlement will be considered commercially reasonable if—

(1) The initial extension of credit was made in accordance with regulations issued pursuant to 2 U.S.C. 451 or paragraph (a) of this section.

(2) The candidate or political committee or person has undertaken all commercially reasonable efforts to satisfy the outstanding debt; and

(3) The corporate creditor has pursued its remedies in a manner similar in intensity to that employed by the corporation in pursuit of a non-political debtor, including lawsuits if filed in similar circumstances.

Nothing in this section modifies regulations prescribed by the Civil Aeronautics Board, the Federal Communications Commission or the Interstate Commerce Commission issued pursuant to 2 U.S.C. 451 or any other regulations prescribed by other Federal agencies with regard to credit extended by the regulated corporations. |
|  | (b) Except as specifically provided in paragraph (c) of this section, a corporation may not forgive prior debts or settle debts which have been incurred by a candidate or political committee or other person for use in connection with a Federal election for less than the amount owed on the debt. |
|  | (c) A corporation may settle or forgive a debt if the creditor has treated the outstanding debt in a commercially reasonable manner. A settlement will be considered commercially reasonable if— |

§ 114.11 Employee participation plans.

(a) A corporation may establish and administer an employee participation plan (i.e. a "trustee plan") which is a political giving program in which a corporation pays the cost of establishing and administering separate bank accounts for any employee who wishes to participate. The cost of administering and establishing includes the payment of costs for a payroll deduction or check-off plan and the cost of maintaining the separate bank accounts.

1. The employees must exercise complete control and discretion over the disbursement of the monies in their accounts.

2. The trustee, bank, or other administrator shall not provide the corporation or its separate segregated fund any report of the source or recipient of any contribution(s) or donation(s) into or out of any account or of the amount any employee has in an account.

3. The trustee, bank, or other administrator may provide the corporation or its separate segregated fund with a periodic report limited to information about the total number of employees in the program, the total number of funds in all the accounts combined, and the total amount of contributions made to all candidates and committees combined.

4. No stockholder, director, or employee of the corporation or its separate segregated fund may exert pressure of any kind to induce participation in the program.

5. No stockholder, director, or employee of the corporation or its separate segregated fund may exercise any direction or control, either oral or written, over contributions by participants in the program to any candidate, group of candidates, political party, or other person.

(b) An employee participation plan must be made available to all employees including members of a labor organization who are employees of the corporation. Communications about participation in the plan may be conducted by either the corporation or the labor organization or both.

(c) A labor organization may establish and administer an employee participation plan subject to the above provisions, except that the cost shall be borne by the labor organization.

(d) The method used to transmit employee or member contributions to the candidate or political committee may not in any manner identify the corporation or labor organization which established the employee participation plan.

§ 114.12 Miscellaneous provisions.

(a) An organization may incorporate and not be subject to the provisions of this Part if the organization incorporates for liability purposes only, and if the organization is a political committee as defined in 11 CFR 100.5. Notwithstanding the corporate status of the political committee, the treasurer of an incorporated political committee remains personally responsible for carrying out their respective duties under the Act.

(b) Notwithstanding any other provision of Part 114, a corporation or a labor organization which customarily makes its meeting rooms available to clubs, civic or community organizations, or other groups may make such facilities available to a political committee or candidate if the meeting rooms are made available on a nonpartisan basis and on the same terms given to other groups using the meeting rooms.

(c)(1) A corporation of labor organization may not pay the employer's share of the cost of fringe benefits, such as health and life insurance and retirement, for employees or members on leave-without-pay to participate in political campaigns of Federal candidates. The separate segregated fund of a corporation or a labor organization may pay the employer's share of fringe benefits, and such payment would be a contribution in-kind to the candidate. An employee or member may, out of unreimbursed personal funds, assure the continuity of his or her fringe benefits during absence from work for political campaigning, and such payment would not be a contribution in-kind.
(2) Service credit for periods of leave-without-pay is not considered compensation for purposes of this section if the employer normally gives identical treatment to employees placed on leave-without-pay for non-political purposes.

(d) A corporation which, prior to May 11, 1976, had solicited employees other than stockholders or executive or administrative personnel for voluntary contributions to its separate segregated fund and had offered such employees the opportunity to enroll in a payroll deduction plan may, until December 31, 1976, unless the employee withdraws before that date, continue to deduct contributions from the checks of employees who signed up prior to May 11, 1976. Any solicitation of such employees after May 11, 1976, is subject to the provisions of 2 U.S.C. 441b(b)(4)(B) and § 114.6 when prescribed.

These costs shall, however, be reported as disbursements in accordance with 11 CFR Part 104 and § 9006.1. For purposes of this section, a candidate may exclude from the expenditure limitation an amount equal to 10% of the payroll (including payroll taxes) and overhead expenditures of his or her national campaign headquarters and state offices as exempt fundraising costs.

(6) Any costs incurred for legal and accounting services which are provided solely to ensure compliance with 2 U.S.C. 431 et seq. and 26 U.S.C. 9001 et seq. shall not count against the candidate's expenditure limitation. For purposes of this section, a candidate may exclude from the expenditure limitation an amount equal to 10% of the payroll (including payroll taxes) and overhead expenditures of his or her national campaign headquarters and state offices. In addition, a candidate may exclude from the expenditure limitation an amount equal to 70% of the costs (other than payroll) associated with computer services.

(i) For purposes of 11 CFR 9003.3(c)(6), overhead costs include, but are not limited to, rent, utilities, office equipment, furniture, supplies and all telephone charges except for telephone charges related to a special use such as voter registration and get out the vote efforts.

(ii) For purposes of 11 CFR 9003.3(c)(6) costs associated with computer services include but are not limited to, rental and maintenance of computer equipment, data entry services not performed by committee personnel, and related supplies.

(7) If the candidate wishes to claim a larger compliance or fundraising exemption under 11 CFR 9003.3(c)(6) for payroll and overhead expenditures, the candidate shall establish allocation percentages for each individual who spends all or a portion of his or her time to perform duties which are considered compliance or fundraising. The candidate shall keep detailed records to support the derivation of each percentage. Such records shall indicate which duties are considered compliance or fundraising and the percentage of time each person spends on such activity.

(8) If the candidate wishes to claim a larger compliance exemption under 11 CFR 9003.3(c)(6) for costs associated with computer services, the candidate shall establish allocation percentages for each computer function that is considered necessary, in whole or in part, to ensure compliance with 2 U.S.C. 431 et seq. and 26 U.S.C. 9001 et seq. The allocation shall be based on a reasonable estimate of the costs associated with each computer function, such as the costs for data entry services performed by other than committee personnel and processing time. The candidate shall keep detailed records to support such calculations. The records shall indicate which computer functions are considered compliance-related and shall reflect which costs are associated with each computer function.

(9) The candidate shall keep and maintain a separate record of disbursements made to defray exempt legal and accounting costs under 11 CFR 9003.3(c)(6) and (7) and shall report such disbursements in accordance with 11 CFR Part 104 and 11 CFR 9006.1.
§ 9003.3

(4) The contributions received under this section shall be subject to the limitations and prohibitions of 11 CFR Parts 110, 114 and 115 and shall be aggregated with all contributions made by the same persons to the candidate’s legal and accounting compliance fund under 11 CFR 9003.3(a) for the purposes of such limitations.

(5) Any costs incurred for soliciting contributions to this account shall not be considered expenditures to the extent that the aggregate of such costs does not exceed 20 percent of the expenditure limitation under 11 CFR 9003.2(a)(1). These costs shall, however, be reported as disbursements in accordance with 11 CFR Part 104 and 11 CFR 9006.1. For purposes of this section, a candidate may exclude from the expenditure limitation an amount equal to 10% of the payroll (including payroll taxes) and overhead expenditures of his or her national campaign headquarters and state offices as exempt fundraising costs.

(6) Any costs incurred for legal and accounting services which are provided solely to ensure compliance with 2 U.S.C 431 et seq. and 26 U.S.C. 9001 et seq. shall not count against the candidate's expenditure limitation. For purposes of this section, a candidate may exclude from the expenditure limitation an amount equal to 10% of the payroll (including payroll taxes) and overhead expenditures of his or her national campaign headquarters and state offices. In addition, a candidate may exclude from the expenditure limitation an amount equal to 70% of the costs (other than payroll) associated with computer services.

(i) For purposes of 11 CFR 9003.3(b)(6), overhead costs include, but are not limited to, rent, utilities, office equipment, furniture, supplies and all telephone charges except for telephone charges related to a special use such as voter registration and get out the vote efforts.

(ii) For purposes of 11 CFR 9003.3(b)(6) costs associated with computer services include, but are not limited to, rental and maintenance of computer equipment, data entry services not performed by committee personnel, and related supplies.

(7) If the candidate wishes to claim a larger compliance or fundraising exemption under 11 CFR 9003.3(b) (5) or (6) for payroll and overhead expenditures, the candidate shall establish allocation percentages for each individual who spends all or a portion of his or her time to perform duties which are considered compliance or fundraising. The candidate shall keep detailed records to support the derivation of each percentage. Such records shall indicate which duties are considered compliance or fundraising and the percentage of time each person spends on such activity.

(8) If the candidate wishes to claim a larger compliance exemption under 11 CFR 9003.3(b)(6) for costs associated with computer services, the candidate shall establish allocation percentages for each computer function that is considered necessary, in whole or in part, to ensure compliance with 2 U.S.C. 431 et seq. and 26 U.S.C. 9001 et seq. The allocation shall be based on a reasonable estimate of the costs associated with each computer function, such as the costs for data entry services performed by other than committee personnel and processing time. The candidate shall keep detailed records to support such calculations. The records shall indicate which computer functions are considered compliance-related and shall reflect which costs are associated with each computer function.

(9) The Commission's Financial Control and Compliance Manual for General Election Candidates Receiving Public Funding contains some accepted alternative allocation methods for determining the amount of salaries and overhead expenditures that may be considered exempt compliance costs or exempt fundraising costs.

(c) Contributions to defray qualified campaign expenses minor and new party candidates. (1) A minor or new party candidate may solicit contributions to defray qualified campaign expenses which exceed the amount received by such candidate from the Fund, subject to the limits of 11 CFR 9003.2(b).

(2) The contributions received under this section shall be subject to the lim-
talled records to support the derivation of each percentage. Such records shall indicate which duties are considered compliance and the percentage of time each person spends on such activity. If the candidate wishes to claim a larger compliance exemption for costs associated with computer services, the candidate shall establish allocation percentages for each computer function that is considered necessary, in whole or in part, to ensure compliance with 2 U.S.C. 431 et seq. and 26 U.S.C. 9001 et seq. The allocation shall be based on a reasonable estimate of the costs associated with each computer function, such as the costs for data entry services performed by persons other than committee personnel and processing time. The candidate shall keep detailed records to support such calculations. The records shall indicate which computer functions are considered compliance-related and shall reflect which costs are associated with each computer function. The Commission's Financial Control and Compliance Manual for General Election Candidates Receiving Public Funding contains some accepted alternative allocation methods for determining the amount of salaries and overhead expenditures that may be considered exempt compliance costs.

(B) Reimbursement from the compliance fund may be made to the separate account maintained for federal funds under 11 CFR 9005.2 for legal and accounting compliance services disbursements that are initially paid from the separate federal funds account. Such reimbursement must be made prior to any final repayment determination by the Commission pursuant to 11 CFR 9007.2. Any amounts so reimbursed to the federal fund account may not subsequently be transferred back to the legal and accounting compliance fund.

(iii) Amounts paid from this account for the purposes permitted by 11 CFR 9003.3(a)(2)(i) (A) through (E) shall not be subject to the expenditure limits of 2 U.S.C. 441a(b) and 11 CFR 110.8. (See also 11 CFR 100.8(b)(15)). When the proceeds of loans made in accordance with 11 CFR 9003.2(a)(2)(i)(F) are expended on qualified campaign expenses, such expenditures shall count against the candidate's expenditure limit.

(iv) Contributions to or funds deposited in the legal and accounting compliance fund may not be used to retire debts remaining from the Presidential primaries, except that, if after payment of all expenses relating to the general election, there are excess campaign funds, such funds may be used for any purpose permitted under 2 U.S.C. 439a and 11 CFR Part 113, including payment of primary election debts.

(c) Deposit and disclosure. (i) Amounts received pursuant to 11 CFR 9003.3(a)(1) shall be deposited and maintained in an account separate from that described in 11 CFR 9005.2 and shall not be commingled with any money paid to the candidate by the Secretary pursuant to 11 CFR 9005.2.

(ii) The receipts to and disbursements from this account shall be reported in a separate report in accordance with 11 CFR 9006.1(b)(2). All contributions made to this account shall be recorded in accordance with 11 CFR 102.9. Disbursements made from this account shall be documented in the same manner provided in 11 CFR 9003.5.

(b) Contributions to defray qualified campaign expenses—major party candidates. (1) A major party candidate or his or her authorized committee(s) may solicit contributions to defray qualified campaign expenses to the extent necessary to make up any deficiency in payments received from the Fund due to the application of 11 CFR 9005.2(b).

(2) Such contributions may be deposited in a separate account or may be deposited with federal funds received under 11 CFR 9005.2. Disbursements from this account shall be made only to defray qualified campaign expenses and to defray the cost of soliciting contributions to such account. All disbursements from this account shall be documented in accordance with 11 CFR 9003.5 and shall be reported in accordance with 11 CFR 9006.1.

(3) A candidate may make transfers to this account from his or her legal and accounting compliance fund.
§ 9003.3

If such contributions are received and disbursed in accordance with this section. A legal and accounting compliance fund may be established by such candidate prior to being nominated or selected as the candidate of a political party for the office of President or Vice President of the United States.

(A) All solicitations for contributions to this fund shall clearly state that such contributions are being solicited for this fund.

(B) Contributions to this fund shall be subject to the limitations and prohibitions of 11 CFR Parts 110, 114, and 115.

(ii) Funds remaining in the primary election account of a candidate, which funds are in excess of any amount required to be reimbursed to the Presidential Primary Matching Payment Account under 11 CFR 9038.2, may be transferred to the legal and accounting compliance fund without regard to the contribution limitations of 11 CFR Part 110 and used for any purpose permitted under this section.

(iii) Contributions that are made after the beginning of the expenditure report period but which are designated for the primary election, and contributions that exceed the contributor's limit for the primary election, may be deposited in the legal and accounting compliance fund if the candidate obtains the contributor's redesignation, or a reattribution to a joint contributor, in accordance with 11 CFR 110.1. The contributions so received and deposited shall be subject to the contribution limitations applicable for the general election, pursuant to 11 CFR 110.1(b)(2)(i).

(2) Uses. (i) Contributions to the legal and accounting compliance fund shall be used only for the following purposes:

(A) To defray the cost of legal and accounting services provided solely to ensure compliance with 2 U.S.C. 431 et seq., and 26 U.S.C. 9001 et seq., in accordance with 11 CFR 9003.3(a)(2)(ii);

(B) To defray in accordance with 11 CFR 9003.3(a)(2)(ii)(A), that portion of expenditures for payroll, overhead, and computer services related to ensuring compliance with 2 U.S.C. 431 et seq. and 26 U.S.C. 9001 et seq.;

(C) To defray any civil or criminal penalties imposed pursuant to 2 U.S.C. 437g or 26 U.S.C. 9012;

(D) To make repayments under 11 CFR 9007.2;

(E) To defray the cost of soliciting contributions to the legal and accounting compliance fund; and

(F) To make a loan to an account established pursuant to 11 CFR 9003.4 to defray qualified campaign expenses incurred prior to the expenditure report period or prior to receipt of federal funds, provided that the amounts so loaned are restored to the legal and accounting compliance fund.

(ii)(A) Expenditures for payroll (including payroll taxes), overhead and computer services, a portion of which are related to ensuring compliance with Title 2 and Chapter 95 of Title 26, shall be initially paid from the candidate's federal fund account under 11 CFR 9005.2 and may be later reimbursed by the compliance fund. For purposes of 11 CFR 9003.3(a)(2)(i)(B), a candidate may use contributions to the compliance fund to reimburse his or her federal fund account an amount equal to 10% of the payroll and overhead expenditures of his or her national campaign headquarters and state offices. Overhead expenditures include, but are not limited to rent, utilities, office equipment, furniture, supplies and all telephone charges except for telephone charges related to a special use such as voter registration and get out the vote efforts. In addition, a candidate may use contributions to the compliance fund to reimburse his or her federal fund account an amount equal to 70% of the costs (other than payroll) associated with computer services. Such costs include but are not limited to rental and maintenance of computer equipment, data entry services not performed by committee personnel, and related supplies. If the candidate wishes to claim a larger compliance exemption for payroll or overhead expenditures, the candidate shall establish allocation percentages for each individual who spends all or a portion of his or her time to perform duties which are considered necessary to ensure compliance with Title 2 or Chapter 95 of Title 26. The candidate shall keep de-
grandparent, brother, half-brother, sister, or half-sister of the candidate, and the spouses of such persons.

(2) Expenditures from personal funds made under this paragraph shall not apply against the expenditure limitations.

(3) For purposes of this section, the terms “personal funds” and “personal funds of his or her immediate family” mean:

(i) Any assets which, under applicable state law, at the time he or she became a candidate, the candidate had legal right of access to or control over, and with respect to which the candidate had either:

(A) Legal and rightful title, or
(B) An equitable interest.

(ii) Salary and other earned income from bona fide employment; dividends and proceeds from the sale of the candidate's stocks or other investments; bequests to the candidate; income from trusts established before candidacy; income from trusts established by bequest after candidacy of which the candidate is a beneficiary; gifts of a personal nature which had been customarily received prior to candidacy; proceeds from lotteries and similar legal games of chance.

(iii) A candidate may use a portion of assets jointly owned with his or her spouse as personal funds. The portion of the jointly owned assets that shall be considered as personal funds of the candidate shall be that portion which is the candidate's share under the instrument(s) of conveyance or ownership. If no specific share is indicated by any instrument of conveyance or ownership, the value of one-half of the property used shall be considered as personal funds of the candidate.

(4) For purposes of this section, expenditures from personal funds made by a candidate of a political party for the office of Vice President shall be considered to be expenditures made by the candidate of such party for the office of President.

(5) Contributions made by members of a candidate’s family from funds which do not meet the definition of personal funds under 11 CFR 9003.2(c)(3) shall not count against such candidate's $50,000 expenditure limitation under 11 CFR 9003.2(c).

(6) Personal funds expended pursuant to this section shall be first deposited in an account established in accordance with 11 CFR 9003.3(b) or (c).

(7) The provisions of this section shall not operate to limit the candidate's liability for, nor the candidate's ability to pay, any repayments required under 11 CFR Part 9007. If the candidate or his or her committee knowingly incurs expenditures in excess of the limitations of 11 CFR 110.8(a), the Commission may seek civil penalties under 11 CFR Part 111 in addition to any repayment determinations made on the basis of such excessive expenditures.

(8) Expenditures made using a credit card for which the candidate is jointly or solely liable will count against the limits of this section to the extent that the full amount due, including any finance charge, is not paid by the committee within 60 days after the closing date of the billing statement on which the charges first appear. For purposes of this section, the “closing date” shall be the date indicated on the billing statement which serves as the cutoff date for determining which charges are included on that billing statement.

(d) Form. Major party candidates shall submit the certifications required under 11 CFR 9003.2 in a letter which shall be signed and submitted within 14 days after receiving the party's nomination for election. Minor and new party candidates shall sign and submit such letter within 14 days after such candidates have qualified to appear on the general election ballot in 10 or more States pursuant to 11 CFR 9002.2(a)(2). The Commission, upon written request by a minor or new party candidate made at any time prior to the date of the general election, may extend the deadline for filing such letter, except that the deadline shall be a date prior to the day of the general election.

§ 9003.1 Candidate and committee agreements.

(a) General. (1) To become eligible to receive payments under 11 CFR Part 9005, the Presidential and Vice Presidential candidates of a political party shall agree in a letter signed by the candidates to the Commission that they and their authorized committee(s) shall comply with the conditions set forth in 11 CFR 9003.1(b).

(2) Major party candidates shall sign and submit such letter to the Commission within 14 days after receiving the party’s nomination for election. Minor and new party candidates shall sign and submit such letter within 14 days after such candidates have qualified to appear on the general election ballot in 10 or more states pursuant to 11 CFR 9002.2(a)(2). The Commission, on written request by a minor or new party candidate, at any time prior to the date of the general election, may extend the deadline for filing such letter except that the deadline shall be a date prior to the date of the general election.

(b) Conditions. The candidates shall:

(1) Agree that they have the burden of proving that disbursements made by them or any authorized committee(s) or agent(s) thereof are qualified campaign expenses as defined in 11 CFR 9002.11.

(2) Agree that they and their authorized committee(s) shall comply with the documentation requirements set forth at 11 CFR 9003.5.

(3) Agree that they and their authorized committee(s) shall provide an explanation, in addition to complying with the documentation requirements, of the connection between any disbursements made by the candidates or the authorized committee(s) of the candidates and the campaign if requested by the Commission.

(4) Agree that they and their authorized committee(s) shall keep and furnish to the Commission all documentation relating to receipts and disbursements including any books, records (including bank records for all accounts), all documentation required by this subchapter including those required to be maintained under 11 CFR
§ 9004.3 Post-election payments.

(a) *Minor and new party candidates.* Eligible candidates of a minor party or of a new party who, as candidates, receive 5 percent or more of the total number of popular votes cast for the office of President in the election shall be entitled to payments under 11 CFR Part 9005 equal, in the aggregate, to a proportionate share of the amount allowed for major party candidates under 11 CFR 9004.1. The amount to which a minor or new party candidate is entitled shall bear the same ratio to the amount received by the major party candidates as the number of popular votes received by the minor or new party candidate in the Presidential election bears to the average number of popular votes received by the major party candidates for President in that election.

(b) *Amount of entitlement.* The aggregate payments to which an eligible candidate shall be entitled shall not exceed an amount equal to:

(1) The amount of qualified campaign expenses incurred by such eligible candidate and his or her authorized committee(s), reduced by the amount of contributions which are received to defray qualified campaign expenses by such eligible candidate and such committee(s); or

(2) The aggregate payments to which the eligible candidates of a major party are entitled under 11 CFR 9004.1, reduced by the amount of contributions received by such eligible candidates and their authorized committees to defray qualified campaign expenses in the case of a deficiency in the Fund.

(c) *Amount of entitlement limited by pre-election payment.* If an eligible candidate is entitled to payment under 11 CFR 9004.2, the amount allowable to that candidate under this section shall also be limited to the amount, if any, by which the entitlement under 11 CFR 9004.3(a) exceeds the amount of the entitlement under 11 CFR 9004.2.

§ 9004.4 Use of payments.

(a) *Qualified campaign expenses.* An eligible candidate shall use payments received under 11 CFR Part 9005 only for the following purposes:

(1) A candidate may use such payments to defray qualified campaign expenses;

(2) A candidate may use such payments to repay loans that meet the requirements of 11 CFR 100.7(a)(1) or 100.7(b)(1) or to otherwise restore funds (other than contributions received pursuant to 11 CFR 9003.3(b) and expended to defray qualified campaign expenses) used to defray qualified campaign expenses;

(3) A candidate may use such payments to restore funds expended in accordance with 11 CFR 9003.4 for qualified campaign expenses incurred by the candidate prior to the beginning of the expenditure report period.

(4) *Winding down costs.* The following costs shall be considered qualified campaign expenses:

(i) Costs associated with the termination of the candidate's general election campaign such as complying with the post-election requirements of the Act and other necessary administrative costs associated with winding down the campaign, including office space rental, staff salaries and office supplies; or

(ii) Costs incurred by the candidate prior to the end of the expenditure report period for which written arrangement or commitment was made on or before the close of the expenditure report period.

(b) *Non-qualified campaign expenses.* (1) *General.* The following are examples of disbursements that are not qualified campaign expenses.

(2) *Excessive expenditures.* An expenditure which is in excess of any of the limitations under 11 CFR 9003.2 shall not be considered a qualified campaign expense. The Commission will calculate the amount of expenditures attributable to these limitations using the full amounts originally charged for goods and services rendered to the committee and not the amounts for which such obligations were later settled and paid, unless the committee can demonstrate that the lower amount paid reflects a reasonable settlement of a bona fide dispute with the creditor.
§ 9004.5 Expenditures incurred after the close of the expenditure report period. Any expenditures incurred after the close of the expenditure report period, as defined in 11 CFR 9002.12, are not qualified campaign expenses except to the extent permitted under 11 CFR § 9004.4(a)(4).

(4) Civil or criminal penalties. Civil or criminal penalties paid pursuant to the Federal Election Campaign Act are not qualified campaign expenses and cannot be defrayed from payments received under 11 CFR Part 9005. Penalties may be paid from contributions in the candidate’s legal and accounting compliance fund, in accordance with 11 CFR § 9003.3(a)(2)(i)(C). Additional amounts may be received and expended to pay such penalties, if necessary. These funds shall not be considered contributions or expenditures but all amounts so received shall be subject to the prohibitions of the Act. Amounts received and expended under this section shall be reported in accordance with 11 CFR Part 104.

(5) Solicitation expenses. Any expenses incurred by a major party candidate to solicit contributions to a legal and accounting compliance fund established pursuant to 11 CFR § 9003.3(a) are not qualified campaign expenses and cannot be defrayed from payments received under 11 CFR Part 9005.

(6) Payments to candidate. Payments made to the candidate by his or her committee, other than to reimburse funds advanced by the candidate for qualified campaign expenses, are not qualified campaign expenses.

(c) Repayments. Repayments may be made only from the following sources: Personal funds of the candidate (without regard to the limitations of 11 CFR § 9003.3(c)), contributions and federal funds in the committee’s account(s), and any additional funds raised subject to the limitations and prohibitions of the Federal Election Campaign Act of 1971, as amended.

§ 9004.6 Reimbursements for transportation and services made available to media personnel.

(a) If an authorized committee incurs expenditures for transportation, ground services and facilities (including air travel, ground transportation, housing, meals, telephone service, typewriters) made available to media personnel, such expenditures will be considered qualified campaign expenses subject to the overall expenditure limitations of 11 CFR § 9003.2(a)(1) and (b)(1).

(b) If reimbursement for such expenditures is received by a committee, the amount of such reimbursement for each individual shall not exceed either: The individual’s pro rata share of the actual cost of the transportation and services made available; or a reasonable estimate of the individual’s pro rata share of the actual cost of the transportation and services made available. An individual’s pro rata share shall be calculated by dividing the total number of individuals to whom such transportation and services are made available into the total cost of the transportation and services. The total amount of reimbursements received from an individual under this section shall not exceed the actual pro rata cost of the transportation and services made available to that person by more than 10%.

(c) The total amount paid by an authorized committee for the cost of transportation or for ground services and facilities shall be reported as an expenditure in accordance with 11 CFR § 104.3(b)(2)(i). Any reimbursement received by such committee for transportation or ground services and facilities shall be reported in accordance with 11 CFR § 104.3(a)(3)(ix).
(d)(1) The committee may deduct from the amount of expenditures subject to the overall expenditure limitation of 11 CFR 9003.2 (a)(1) and (b)(1) the amount of reimbursements received for the actual cost of transportation and services provided under paragraph (a) of this section. The committee may also deduct from the overall expenditure limitation an additional amount of reimbursements received equal to 3% of the actual cost of transportation and services provided under this section as the administrative cost to the committee of providing such services to media personnel and seeking reimbursement for them. If the committee has incurred higher administrative costs in providing these services, the committee must document the total cost incurred for such services in order to deduct a higher amount of reimbursements received from the overall expenditure limitation. Amounts reimbursed that exceed the amount actually paid by the committee for transportation and services provided under paragraph (a) of this section plus the amount of administrative costs permitted by this section shall be repaid to the Treasury. Amounts paid by the committee for transportation, services and administrative costs for which no reimbursement is received will be considered qualified campaign expenses subject to the overall expenditure limitation in accordance with paragraph (a) of this section.

(2) For the purposes of this section, "administrative costs" shall include all costs incurred by the committee for making travel arrangements for media personnel and for seeking reimbursements, whether performed by committee staff or independent contractors.

§ 9004.7 Allocation of travel expenditures.

(a) Notwithstanding the provisions of 11 CFR Part 106, expenditures for travel relating to a Presidential or Vice Presidential candidate’s campaign by any individual, including a candidate, shall, pursuant to the provisions of 11 CFR 9004.7(b), be qualified campaign expenses and be reported by the candidate’s authorized committee(s) as expenditures.

(b)(1) For a trip which is entirely campaign-related, the total cost of the trip shall be a qualified campaign expense and a reportable expenditure.

(2) For a trip which includes campaign-related and non-campaign-related stops, that portion of the cost of the trip allocable to campaign activity shall be a qualified campaign expense and a reportable expenditure. Such portion shall be determined by calculating what the trip would have cost from the point of origin of the trip to the first campaign-related stop and from the stop through each subsequent campaign-related stop to the point of origin. If any campaign activity, other than incidental contacts, is conducted at a stop, that stop shall be considered campaign-related.

(3) For each trip, an itinerary shall be prepared and such itinerary shall be made available for Commission inspection.

(4) For trips by government conveyance or by charter, a list of all passengers on such trip, along with a designation of which passengers are and which are not campaign-related, shall be made available for Commission inspection.

(5) If any individual, including a candidate, uses government conveyance or accommodations paid for by a government entity for campaign-related travel, the candidate’s authorized committee shall pay the appropriate government entity an amount equal to:

(i) The first class commercial airfare plus the cost of other services, in the case of travel to a city served by a regularly scheduled commercial service; or

(ii) The commercial charter rate plus the cost of other services, in the case of travel to a city not served by a regularly scheduled commercial service.

(6) Travel expenses of a candidate’s spouse and family when accompanying the candidate on campaign-related travel may be treated as qualified campaign expenses and reportable expenditures. If the spouse or family members conduct campaign-related activities, their travel expenses shall be qualified campaign expenses and reportable expenditures.

(7) If any individual, including a candidate, incurs expenses for campaign-
related travel, other than by use of government conveyance or accommodations, an amount equal to that portion of the actual cost of the conveyance or accommodations which is allocable to all passengers, including the candidate, travelling for campaign purposes shall be a qualified campaign expense and shall be reported by the committee as an expenditure.

(i) If the trip is by charter, the actual cost for each passenger shall be determined by dividing the total operating cost for the charter by the total number of passengers transported. The amount which is a qualified campaign expense and a reportable expenditure shall be calculated in accordance with the formula set forth at 11 CFR 9004.7(b)(2) on the basis of the actual cost per passenger multiplied by the number of passengers travelling for campaign purposes.

(ii) If the trip is by non-charter commercial transportation, the actual cost shall be calculated in accordance with the formula set forth at 11 CFR 9004.7(b)(2) on the basis of the commercial fare. Such actual cost shall be a qualified campaign expense and a reportable expenditure.

§ 9004.8 Withdrawal by candidate.

(a) Any individual who is not actively conducting campaigns in more than one State for the office of President or Vice President shall cease to be a candidate under 11 CFR 9002.2.

(b) An individual who ceases to be a candidate under this section shall:

(1) No longer be eligible to receive any payments under 11 CFR 9005.2 except to defray qualified campaign expenses as provided in 11 CFR 9004.4.

(2) Submit a statement, within 30 calendar days after he or she ceases to be a candidate, setting forth the information required under 11 CFR 9004.9(c).

§ 9004.9 Net outstanding qualified campaign expenses.

(a) Candidates receiving post-election funding. A candidate who is eligible to receive post-election payments under 11 CFR 9004.3 shall file, no later than 20 calendar days after the date of the election, a preliminary statement of that candidate's net outstanding qualified campaign expenses. The candidate's net outstanding qualified campaign expenses under this section equal the difference between 11 CFR 9004.9(a) (1) and (2).

(1) The total of:

(i) All outstanding obligations for qualified campaign expenses as of the date of the election; plus

(ii) An estimate of the amount of qualified campaign expenses that will be incurred by the end of the expenditure report period; plus

(iii) An estimate of necessary winding down costs as defined under 11 CFR 9004.4(a)(4); less

(2) The total of:

(i) Cash on hand as of the close of business on the day of the election, including: All contributions dated on or before that date; currency; balances on deposit in banks, savings and loan institutions, and other depository institutions; traveller's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value;

(ii) The fair market value of capital assets and other assets on hand; and

(iii) Amounts owed to the campaign in the form of credits, refunds of deposits, returns, receivables, or rebates of qualified campaign expenses; or a commercially reasonable amount based on the collectibility of those credits, returns, receivables or rebates.

(3) The amount submitted as the total of outstanding campaign obligations under paragraph (a)(1) of this section shall not include any accounts payable for nonqualified campaign expenses nor any amounts determined or anticipated to be required as a repayment under 11 CFR Part 9007 or any amounts paid to secure a surety bond under 11 CFR 9007.5(c).

(b) All candidates. Each candidate, except for individuals who have withdrawn pursuant to 11 CFR 9004.8, shall submit a statement of net outstanding qualified campaign expenses no later than 30 calendar days after the end of the expenditure report period. The statement shall contain the information required by 11 CFR 9004.9(a) (1) and (2), except that the amount of outstanding obligations under 11 CFR 9004.9(a)(1)(i) and the amount of cash on hand, assets and re-
ceivables under 11 CFR 9004.9(a)(2) shall be complete as of the last day of the expenditure report period.

(c) Candidates who withdraw. An individual who ceases to be a candidate pursuant to 11 CFR 9004.8 shall file a statement of net outstanding qualified campaign expenses no later than 30 calendar days after he or she ceases to be a candidate. The statement shall contain the information required under 11 CFR 9004.9(a) (1) and (2), except that the amount of outstanding obligations under 11 CFR 9004.9(a)(1)(i) and the amount of cash on hand, assets and receivables under 11 CFR 9004.9(a)(2) shall be complete as of the day on which the individual ceased to be a candidate.

(d)(1) Capital assets. For purposes of this section, the term “capital asset” means any property used in the operation of the campaign whose purchase price exceeded $2000 when acquired by the campaign. Property that must be valued as capital assets under this section includes, but is not limited to, office equipment, furniture, vehicles and fixtures acquired for use in the operation of the candidate’s campaign, but does not include property defined as “other assets” under 11 CFR 9004.9(d)(2). A list of all capital assets shall be maintained by the committee in accordance with 11 CFR 9003.5(d)(1). The fair market value of capital assets may be considered to be the total original cost of such items when acquired less 40%, to account for depreciation, except that items acquired after the date of ineligibility must be valued at their fair market value on the date acquired. If the candidate wishes to claim a higher depreciation percentage for an item, he or she must list that capital asset on the statement separately and demonstrate, through documentation, the fair market value of each such asset.

(2) Other assets. The term “other assets” means any property acquired by the campaign for use in raising funds or as collateral for campaign loans. “Other assets” must be included on the candidate’s statement of net outstanding qualified campaign expenses if the aggregate value of such assets exceeds $5000. The value of “other assets” shall be determined by the fair market value of each item on the last day of the expenditure report period or the day on which the individual ceased to be a candidate, whichever is earlier, unless the item is acquired after these dates, in which case the item shall be valued on the date it is acquired. A list of other assets shall be maintained by the committee in accordance with 11 CFR 9003.5(d)(2).

(e) Collectibility of accounts receivable. If the committee determines that an account receivable of $500 or more, including any credit, refund, return or rebate, is not collectible in whole or in part, the committee shall demonstrate through documentation that the determination was commercially reasonable. The documentation shall include records showing the original amount of the account receivable, copies of correspondence and memoranda of communications with the debtor showing attempts to collect the amount due, and an explanation of how the lesser amount or full writeoff was determined.

(f) Review of candidate statement—
(1) General. The Commission will review the statement filed by each candidate under this section. The Commission may request further information with respect to statements filed pursuant to 11 CFR 9004.9(b) during the audit of that candidate’s authorized committee(s) under 11 CFR Part 9007.

(2) Candidate eligible for post-election funding. (i) If, in reviewing the preliminary statement of a candidate eligible to receive post-election funding, the Commission receives information indicating that substantial assets of that candidate’s authorized committee(s) have been undervalued or not included in the statement or that the amount of outstanding qualified campaign expenses has been otherwise overstated in relation to campaign assets, the Commission may decide to temporarily postpone its certification of funds to that candidate pending a final determination of whether the candidate is entitled to all or a portion of the funds for which he or she is eligible based on the percentage of votes the candidate received in the general election.
§ 9004.10

(ii) Initial determination. In making a determination under 11 CFR 9004.9(f)(2)(i), the Commission will notify the candidate within 10 business days after its receipt of the statement of its initial determination that the candidate is not entitled to receive the full amount for which the candidate may be eligible. The notice will give the legal and factual reasons for the initial determination and advise the candidate of the evidence on which the Commission's initial determination is based. The candidate will be given the opportunity to revise the statement or to submit, within 10 business days, written legal or factual materials to demonstrate that the candidate has net outstanding qualified campaign expenses that entitle the candidate to post-election funds. Such materials may be submitted by counsel if the candidate so desires.

(iii) Final determination. The Commission will consider any written legal or factual materials submitted by the candidate before making its final determination. A final determination that the candidate is entitled to receive only a portion or no post-election funding will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the legal and factual reasons underlying the Commission's determination and will summarize the results of any investigation on which the determination is based.

(iv) If the candidate demonstrates that the amount of outstanding qualified campaign expenses still exceeds campaign assets, the Commission will certify the payment of post-election funds to which the candidate is entitled.

(v) Petitions for rehearing. The candidate may file a petition for rehearing of a final determination under this section in accordance with 11 CFR 9007.5(a).

§ 9004.10 Sale of assets acquired for fundraising purposes.

(a) General. A minor or new party candidate may sell assets donated to the campaign or otherwise acquired for fundraising purposes subject to the limitations and prohibitions of 11 CFR 9003.2, Title 2, United States Code, and 11 CFR Parts 110 and 114. This section will only apply to major party candidates to the extent that they sell assets acquired either for fundraising purposes in connection with his or her legal and accounting compliance fund or when it is necessary to make up any deficiency in payments received from the Fund due to the application of 11 CFR 9005.2(b).

(b) Sale after end of expenditure report period. A minor or new party candidate, or a major party candidate in the event of a deficiency in the payments received from the Fund due to the application of 11 CFR 9005.2(b), whose outstanding debts exceed the cash on hand after the end of the expenditure report period as determined under 11 CFR 9002.12, may dispose of assets acquired for fundraising purposes in a sale to a wholesaler or other intermediary who will in turn sell such assets to the public provided that the sale to the wholesaler or intermediary is an arms-length transaction. Sales made under this subsection will not be subject to the limitations and prohibitions of Title 2, United States Code and 11 CFR Parts 110 and 114.

§ 9005.1 Certification of payments for candidates.

(a) Certification of payments for major party candidates. Not later than 10 days after the Commission determines that the Presidential and Vice Presidential candidates of a major party have met all applicable conditions for eligibility to receive payments under 11 CFR 9003.1 and 9003.2, the Commission shall certify to the Secretary that payment in full of the amounts to which such candidates are entitled under 11 CFR Part 9004.
should be made pursuant to 11 CFR 9005.2.

(b) Certification of pre-election payments for minor and new party candidates. (1) Not later than 10 days after a minor or new party candidate has met all applicable conditions for eligibility to receive payments under 11 CFR 9003.1, 9003.2 and 9004.2, the Commission will make an initial determination of the amount, if any, to which the candidate is entitled. The Commission will base its determination on the percentage of votes received in the official vote count certified in each State. In notifying the candidate, the Commission will give the legal and factual reasons for its determination and advise the candidate of the evidence on which the determination is based.

(2) The candidate may submit, within 15 days after the Commission's initial determination, written legal or factual materials to demonstrate that a redetermination is appropriate. Such materials may be submitted by counsel if the candidate so desires.

(3) The Commission will consider any written legal or factual materials timely submitted by the candidate in making its final determination. A final determination of certification by the Commission will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the reasons underlying the Commission's determination and will summarize the results of any investigation on which the determination is based.

(c) Certification of minor and new party candidates for post-election payments. (1) Not later than 30 days after the general election, the Commission will determine whether a minor or new party candidate is eligible for post-election payments.

(2) The Commission's determination of eligibility will be based on the following factors:

(i) The candidate has received at least 5% or more of the total popular vote based on unofficial vote results in each State;

(ii) The candidate has filed a preliminary statement of his or her net outstanding qualified campaign expenses pursuant to 11 CFR 9004.9(a); and

(iii) The candidate has met all applicable conditions for eligibility under 11 CFR 9003.1 and 9003.2.

(3) The Commission will notify the candidate of its initial determination of the amount, if any, to which the candidate is entitled, give the legal and factual reasons for its determination and advise the candidate of the evidence on which the determination is based. The Commission will also notify the candidate that it will deduct a percentage of the amount to which the candidate is entitled based on the unofficial vote results when the Commission certifies an amount for payment to the Secretary. This deduction will be based on the average percentage differential between the unofficial and official vote results for all candidates who received public funds in the preceding Presidential general election.

(4) The candidate may submit within 15 days after the Commission's initial determination written legal or factual materials to demonstrate that a redetermination is appropriate. Such materials may be submitted by counsel if the candidate so desires.

(5) The Commission will consider any written legal or factual materials timely submitted by the candidate in making its final determination. A final determination of certification by the Commission will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the reasons underlying the Commission's determination and will summarize the results of any investigation on which the determination is based.

(d) All certifications made by the Commission pursuant to this section shall be final and conclusive, except to the extent that they are subject to examination and audit by the Commission under 11 CFR Part 9007 and judicial review under 26 U.S.C. 9011.

§ 9007.1 Audits.

(a) General. (1) After each President-
ial election, the Commission will con-
duct a thorough examination and
audit of the receipts, disbursements,
debts and obligations of each candi-
date, his or her authorized
committee(s), and agents of such can-
didates or committees. Such examina-
tion and audit will include, but will
not be limited to, expenditures pursu-
ant to 11 CFR 9003.4 prior to the be-
inning of the expenditure report
period, contributions to and expendi-
tures made from the legal and ac-
counting compliance fund established
under 11 CFR 9003.3(a), contributions
received to supplement any payments
received from the Fund, and qualified
campaign expenses.

(2) In addition, the Commission may
conduct other examinations and
audits from time to time as it deems
necessary to carry out the provisions
of this subchapter.

(3) Information obtained pursuant
to any audit and examination con-
ducted under 11 CFR 9007.1(a) (1) and (2)
may be used by the Commission as the
basis, or partial basis, for its repay-
m ent determinations under 11 CFR
9007.2.

(b) Conduct of fieldwork. (1) The
Commission will give the candidate’s
authorized committee at least two
weeks’ notice of the Commission’s in-
tention to commence fieldwork on the
audit and examination. The fieldwork
will be conducted at a site provided by
the committee.

(i) Office space and records. On the
date scheduled for the commencement
of fieldwork, the candidate or his or
her authorized committee(s) shall pro-
vide Commission staff with office
space and committee records in ac-
cordance with the candidate and com-
mittee agreement under 11 CFR
9003.1(b)(6).

(ii) Availability of committee person-

commencement of fieldwork, the can-

committee(s) shall have committee
personnel present at the site of the
fieldwork. Such personnel shall be fa-
miliar with the committee’s records
and operation and shall be available to
Commission staff to answer questions
and to aid in locating records.

(iii) Failure to provide staff, records
or office space. If the candidate or his
or her authorized committee(s) fail to
provide adequate office space, person-
nel or committee records, the Commis-
sion may seek judicial intervention
under 2 U.S.C. 437d or 26 U.S.C.
9010(c) to enforce the candidate and
committee agreement made under 11
CFR 9003.1(b). Before seeking judicial
intervention, the Commission will
notify the candidate of his or her fail-

under 2 U.S.C. 437d or 26 U.S.C.
9010(c) to enforce the candidate and
committee agreement made under 11
CFR 9003.1(b). Before seeking judicial
intervention, the Commission will
notify the candidate of his or her fail-
ure to comply with the agreement and
will recommend corrective action to
bring the candidate into compliance.

Upon receipt of the Commission’s no-
tification, the candidate will have ten
(10) calendar days in which to take
the corrective action indicated or to
otherwise demonstrate to the Commis-
sion in writing that he or she is com-
plying with the candidate and commit-
tee agreements.

(iv) If, in the course of the audit
process, a dispute arises over the docu-
mentation sought or other require-
ments of the candidate agreement, the
candidate may seek review by the
Commission of the issues raised. To
seek review, the candidate shall
submit a written statement within 10
days after the disputed Commission
staff request is made, describing the
dispute and indicating the candidate’s
proposed alternative(s).

(2) Fieldwork will include the follow-
ing steps designed to keep the candi-
date and committee informed as to the
progress of the audit and to expedite the process:

(i) Entrance conference. At the outset of the fieldwork, Commission staff will hold an entrance conference, at which the candidate's representatives will be advised of the purpose of the audit and the general procedures to be followed. Future requirements of the candidate and his or her authorized committee, such as possible repayments to the United States Treasury, will also be discussed. Committee representatives shall provide information and records necessary to conduct the audit, and Commission staff will be available to answer committee questions.

(ii) Review of records. During the fieldwork, Commission staff will review committee records and may conduct interviews of committee personnel. Commission staff will be available to explain aspects of the audit and examination as it progresses. Additional meetings between Commission staff and committee personnel may be held from time to time during the fieldwork to discuss possible audit findings and to resolve issues arising during the course of the audit.

(iii) Exit conference. At the conclusion of the fieldwork, Commission staff will hold an exit conference to discuss with committee representatives the staff’s preliminary findings and recommendations which the Commission staff anticipates that it may present to the Commission for approval. Commission staff will advise committee representatives at this conference of the projected timetable regarding the issuance of an audit report, the committee's opportunity to respond thereto, and the Commission's initial and final repayment determinations under 11 CFR 9007.2.

(3) Commission staff may conduct additional fieldwork after the completion of the fieldwork conducted pursuant to 11 CFR 9007.1(b)(1) and (2). Factors that may necessitate such follow-up fieldwork include, but are not limited to, the following:

(i) Committee response to audit findings;

(ii) Financial activity of the committee subsequent to the fieldwork conducted pursuant to 11 CFR 9007.1(b)(1);

(iii) Committee responses to Commission repayment determinations made under 11 CFR 9007.2.

(4) The Commission will notify the candidate and his or her authorized committee if follow-up fieldwork is necessary. The provisions of 11 CFR 9007.1(b)(1) and (2) will apply to any additional fieldwork conducted.

(c) Preparation of interim audit report. (1) After the completion of the fieldwork conducted pursuant to 11 CFR 9007.1(b)(1), the Commission will issue an interim audit report to the candidate and his or her authorized committee. The interim audit report may contain Commission findings and recommendations regarding one or more of the following areas:

(i) An evaluation of procedures and systems employed by the candidate and committee to comply with applicable provisions of the Federal Election Campaign Act, Presidential Election Campaign Fund Act and Commission regulations;

(ii) Accuracy of statements and reports filed with the Commission by the candidate and committee;

(iii) Compliance of the candidate and committee with applicable statutory and regulatory provisions in those instances where the Commission has not instituted any enforcement action on the matter(s) under the provisions of 2 U.S.C. 437g and 11 CFR Part 111; and

(iv) Preliminary calculations regarding future repayments to the United States Treasury.

(2) The candidate and his or her authorized committee will have an opportunity to submit in writing within 30 calendar days of service of the interim report, legal and factual materials disputing or commenting on the contents of the interim report. Such materials may be submitted by counsel if the candidate so desires.

(3) The Commission will consider any written legal and factual materials submitted by the candidate or his or her authorized committee in accordance with 11 CFR 9007.1(c)(2) before approving and issuing an audit report to be released to the public. The con-
tent of the publicly-released audit report may differ from that of the interim report since the Commission will consider timely submissions of legal and factual materials by the candidate or committee in response to the interim report.

(d) Preparation of publicly-released audit report. An audit report prepared subsequent to an interim report will be publicly released pursuant to 11 CFR 9007.1(e). This report will contain Commission findings and recommendations addressed in the interim audit report but may contain adjustments based on the candidate's response to the interim report. In addition, this report will contain an initial repayment determination made by the Commission pursuant to 11 CFR 9007.2(e)(1) in lieu of the preliminary calculations set forth in the interim report.

(e) Public release of audit report. (1) After the candidate and committee have had an opportunity to respond to a written interim report of the Commission, the Commission will make public the audit report prepared subsequent to the interim report, as provided in 11 CFR 9007.1(d).

(2) If the Commission determines, on the basis of information obtained under the audit and examination process, that certain matters warrant enforcement under 2 U.S.C. 437g and 11 CFR Part 111, those matters will not be contained in the publicly-released report. In such cases, the audit report will indicate that certain other matters have been referred to the Commission's Office of General Counsel.

(3) The Commission will provide the candidate and the committee with copies of the agenda document containing those portions of the final audit report to be considered in open session 24 hours prior to releasing the agenda document to the public. The Commission will also provide the candidate and committee with copies of the final audit report 24 hours before releasing the report to the public.

(4) Addenda to the audit report may be issued from time to time as circumstances warrant and as additional information becomes available. Such addenda may be based in part on follow-up fieldwork conducted under 11 CFR 9007.1(b)(3) and will be placed on the public record.

§ 9007.2 Repayments.

(a) General. (1) A candidate who has received payments from the Fund under 11 CFR Part 9005 shall pay the United States Treasury any amounts which the Commission determines to be repayable under this section. In making repayment determinations under this section, the Commission may utilize information obtained from audits and examinations conducted pursuant to 11 CFR 9007.1 or otherwise obtained by the Commission in carrying out its responsibilities under this subchapter.

(2) The Commission will notify the candidate of any repayment determinations made under this section as soon as possible, but not later than 3 years after the close of the expenditure report period.

(3) Once the candidate receives notice of the Commission's final repayment determination under this section, the candidate should give preference to the repayment over all other outstanding obligations of his or her committee, except for any federal taxes owed by the committee.

(b) Bases for repayment. The Commission may determine that an eligible candidate of a political party who has received payments from the Fund must repay the United States Treasury under any of the circumstances described below.

(1) Payments in excess of candidate's entitlement. If the Commission determines that any portion of the payments made to the candidate was in excess of the aggregate payments to which such candidate was entitled, it will so notify the candidate, and such candidate shall pay to the United States Treasury an amount equal to such portion.

(2) Use of funds for non-qualified campaign expenses. (i) If the Commission determines that any amount of any payment to an eligible candidate from the Fund was used for purposes other than those described in paragraphs (b)(2)(1)(A) through (C) of this section, it will notify the candidate of the amount so used, and such candi-
date shall pay to the United States Treasury an amount equal to such amount.

(A) To defray qualified campaign expenses;

(B) To repay loans, the proceeds of which were used to defray qualified campaign expenses; and

(C) To restore funds (other than contributions which were received and expended by minor or new party candidates to defray qualified campaign expenses) which were used to defray qualified campaign expenses.

(ii) Examples of Commission repayment determinations under 11 CFR 9007.2(b)(2) include, but are not limited to the following:

(A) Determinations that a candidate, a candidate's authorized committee(s) or agent(s) have incurred expenses in excess of the aggregate payments to which an eligible major party candidate is entitled;

(B) Determinations that amounts spent by a candidate, a candidate's authorized committee(s) or agent(s) from the Fund were not documented in accordance with 11 CFR 9003.5;

(C) Determinations that any portion of the payments made to a candidate from the Fund was expended in violation of State or Federal law; and

(D) Determinations that any portion of the payments made to a candidate from the Fund was used to defray expenses resulting from a violation of State or Federal law, such as the payment of fines or penalties.

(iii) In the case of a candidate who has received contributions pursuant to 11 CFR 9003.3 (b) or (c), the amount of any repayment sought under this section shall bear the same ratio to the total amount determined to have been used for nonqualified campaign expenses as the amount of payments certified to the candidate from the Fund bears to the total amount of deposits of contributions and federal funds, as of December 31 of the Presidential election year.

(3) Surplus. If the Commission determines that a portion of payments from the Fund remains unspent after all qualified campaign expenses have been paid, it shall so notify the candidate, and such candidate shall pay the United States Treasury that portion of surplus funds.

(4) Income on investment of payments from the fund. If the Commission determines that a candidate received any income as a result of investment or other use of payments from the Fund pursuant to 11 CFR 9004.5, it shall so notify the candidate and such candidate shall pay to the United States Treasury an amount equal to the amount determined to be income, less any Federal, State or local taxes on such income.

(5) Unlawful acceptance of contributions by an eligible candidate of a major party. If the Commission determines that an eligible candidate of a major party, the candidate's authorized committee(s) or agent(s) accepted contributions to defray qualified campaign expenses (other than contributions to make up deficiencies in payments from the Fund, or to defray expenses incurred for legal and accounting services in accordance with 11 CFR 9003.3(a)), it shall notify the candidate of the amount of contributions so accepted, and the candidate shall pay to the United States Treasury an amount equal to such amount.

(c) Repayment determination procedures. The Commission repayment determination will be made in accordance with the procedures set forth at 11 CFR 9007.2 (c)(1) through (c)(4).

(1) Initial determination. The Commission will provide the candidate with a written notice of its initial repayment determination(s). This notice will be included in the Commission's publicly-released audit report pursuant to 11 CFR 9007.1(d) and will set forth the legal and factual reasons for such determination(s). Such notice will also advise the candidate of the evidence upon which any such determination is based. If the candidate does not dispute an initial repayment determination of the Commission within 30 calendar days after service of the notice, such initial determination will be considered a final determination of the Commission.

(2) Submission of written materials. If the candidate disputes the Commission's initial repayment determination(s), he or she shall have an opportunity to submit in writing,
within 30 calendar days after service of the Commission's notice, legal and factual materials to demonstrate that no repayment, or a lesser repayment, is required. The Commission will consider any written legal and factual materials submitted by the candidate within this 30 day period in making its final repayment determination(s). Such materials may be submitted by counsel if the candidate so desires.

(3) Oral presentation. A candidate who has submitted written materials under 11 CFR 9007.2(c)(2) may request that the Commission provide such candidate with an opportunity to address the Commission in open session. If the Commission decides by an affirmative vote of four (4) of its members to grant the candidate's request, it will inform the candidate of the date and time set for the oral presentation. At the date and time set by the Commission, the candidate or candidate's designated representative will be allotted an amount of time in which to make an oral presentation to the Commission based upon the legal and factual materials submitted under 11 CFR 9007.2(c)(2). The candidate or representative will also have the opportunity to answer any questions from individual members of the Commission.

(4) Final determination. In making its final repayment determination(s), the Commission will consider any submission made under 11 CFR 9007.2(c)(2) and any oral presentation made under 11 CFR 9007.2(c)(3). A final determination that a candidate must repay a certain amount will be accompanied by a written statement of reasons for the Commission's actions. This statement will explain the reasons underlying the Commission's determination and will summarize the results of any investigation upon which the determination is based.

(d) Repayment period. (1) Within 90 calendar days of service of the notice of the Commission's initial repayment determination(s), the candidate shall repay to the United States Treasury amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90 calendar days in which to make repayment.

(2) If the candidate submits written materials under 11 CFR 9007.2(c)(2) disputing the Commission's initial repayment determination(s), the time for repayment will be suspended until the Commission makes its final repayment determination(s). Within 30 calendar days after service of the notice of the Commission's final repayment determination(s), the candidate shall repay to the United States Treasury amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90 calendar days in which to make repayment.

(e) Computation of time. The time periods established by this section shall be computed in accordance with 11 CFR 111.2.

(f) Additional repayments. Nothing in this section will prevent the Commission from making additional repayment determinations on one or more of the bases set forth at 11 CFR 9007.2(b) after it has made a final determination on any such basis. The Commission may make additional repayment determinations where there exist facts not used as the basis for a previous final determination. Any such additional repayment determination will be made in accordance with the provisions of this section.

(g) Newly-discovered assets. If, after any initial or final repayment determination made under this section, a candidate or his or her authorized committee(s) receives or becomes aware of assets not previously included in any statement of net outstanding qualified campaign expenses submitted pursuant to 11 CFR 9004.9, the candidate or his or her authorized committee(s) shall promptly notify the Commission of such newly-discovered assets. Newly-discovered assets may include refunds, rebates, late-arriving receivables, and actual receipts for capital assets to excess of the value specified in any previously-submitted statement of net outstanding qualified campaign expenses. Newly-discovered assets may serve as a basis for additional repayment determinations under 11 CFR 9007.2(f).
§ 9007.3

(h) Limit on repayment. No repayment shall be required from the eligible candidates of a political party under 11 CFR 9007.2 to the extent that such repayment, when added to other repayments required from such candidates under 11 CFR 9007.2, exceeds the amount of payments received by such candidates under 11 CFR 9005.3.

(i) Petitions for rehearing; stays pending appeal. The candidate may file a petition for rehearing of a final repayment determination in accordance with 11 CFR 9007.5(a). The candidate may request a stay of a final repayment determination in accordance with 11 CFR 9007.5(c) pending the candidate’s appeal of that repayment determination.

§ 9007.3 Extensions of time.

(a) It is the policy of the Commission that extensions of time under 11 CFR Part 9007 will not be routinely granted.

(b) Whenever a candidate has a right or is required to take action within a period of time prescribed by 11 CFR Part 9007 or by notice given thereunder, the candidate may apply in writing to the Commission for an extension of time in which to exercise such right or take such action. The candidate shall demonstrate in the application for extension that good cause exists for his or her request.

(c) An application for extension of time shall be made at least 7 calendar days prior to the expiration of the time period for which the extension is sought. The Commission may, upon a showing of good cause, grant an extension of time to a candidate who has applied for such extension in a timely manner. The length of time of any extension granted hereunder shall be decided by the Commission and may be less than the amount of time sought by the candidate in his or her application.

(d) If a candidate fails to seek an extension of time, exercise a right or take a required action prior to the expiration of a time period prescribed by 11 CFR Part 9007, the Commission may, on the candidate’s showing of excusable neglect:

(1) Permit such candidate to exercise his or her right(s), or take such required action(s) after the expiration of the prescribed time period; and

(2) Take into consideration any information obtained in connection with the exercise of any such right or taking of any such action before making decisions or determinations under 11 CFR Part 9007.

§ 9007.4 Additional audits.

In accordance with 11 CFR 104.16(c), the Commission, pursuant to 11 CFR 111.10, may upon affirmative vote of four members conduct an audit and field investigation of any committee in any case in which the Commission finds reason to believe that a violation of a statute or regulation over which the Commission has jurisdiction has occurred or is about to occur.

§ 9007.5 Petitions for rehearing; stays of repayment determinations.

(a) Petitions for rehearing. (1) Following the Commission’s final repayment determination or a final determination that a candidate is not entitled to all or a portion of post-election funding under 11 CFR 9004.9(f), the candidate may file a petition for rehearing setting forth the relief desired and the legal and factual basis in support. To be considered by the Commission, petitions for rehearing must:

(i) Be filed within 20 calendar days following service of the Commission’s final determination;

(ii) Raise new questions of law or fact that would materially alter the Commission’s final determination; and

(iii) Set forth clear and convincing grounds why such questions were not and could not have been presented during the earlier determination process.

(2) If a candidate files a timely petition under this section challenging a Commission final repayment determination, the time for repayment will be suspended until the Commission serves notice on the candidate of its determination on the petition. The time periods for making repayment under 11 CFR 9007.2(d)(2) shall apply to any amounts determined to be repayable following the Commission’s
consideration of a petition for rehearing under this section.

(b) Effect of failure to raise issues. The candidate's failure to raise an argument in a timely fashion during the initial determination process or in a petition for rehearing under this section, as appropriate, shall be deemed a waiver of the candidate's right to present such arguments in any future stage of proceedings including any petition for review filed under 26 U.S.C. 9011(a). An issue is not timely raised in a petition for rehearing if it could have been raised earlier in response to the Commission's initial determination.

(c) Stay of repayment determination pending appeal. (1)(i) The candidate may apply to the Commission for a stay of all or a portion of the amount determined to be repayable under this section or under 11 CFR 9007.2 pending the candidate's appeal of that repayment determination pursuant to 26 U.S.C. 9011(a). The repayment amount requested to be stayed shall not exceed the amount at issue on appeal.

(ii) A request for a stay shall be made in writing and shall be filed within 30 calendar days after service of the Commission's decision on a petition for rehearing under paragraph (a) or, if no petition for rehearing is filed, within 30 calendar days after service of the Commission's final repayment determination under 11 CFR 9007.2(c)(4).

(2) The Commission's approval of a stay request will be conditioned upon the candidate's presentation of evidence in the stay request that he or she:

(i) Has placed the entire amount at issue in a separate interest-bearing account pending the outcome of the appeal and that withdrawals from the account may only be made with the joint signatures of the candidate or his or her agent and a Commission representative; or

(ii) Has posted a surety bond guaranteeing payment of the entire amount at issue plus interest; or

(iii) Has met the following criteria:

(A) He or she will suffer irreparable injury in the absence of a stay; and, if so, that

(B) He or she has made a strong showing of the likelihood of success on the merits of the judicial action.

(C) Such relief is consistent with the public interest; and

(D) No other party interested in the proceedings would be substantially harmed by the stay.

(3) In determining whether the candidate has made a strong showing of the likelihood of success on the merits under paragraph (c)(2)(iii)(B) of this section, the Commission may consider whether the issue on appeal presents a novel or admittedly difficult legal question and whether the equities of the case suggest that the status quo should be maintained.

(4) All stays shall require the payment of interest on the amount at issue. The amount of interest due shall be calculated from the date 30 days after service of the Commission's final repayment determination under 11 CFR 9007.2(c)(4) and shall be the greater of:

(i) An amount calculated in accordance with 28 U.S.C. 1961(a) and (b); or

(ii) The amount actually earned on the funds set aside under this section.

§ 9007.6 Stale-dated committee checks.

If the committee has checks outstanding to creditors or contributors that have not been cashed, the committee shall notify the Commission. The committee shall inform the Commission of its efforts to locate the payees, if such efforts have been necessary, and its efforts to encourage the payees to cash the outstanding checks. The committee shall also submit a check for the total amount of such outstanding checks, payable to the United States Treasury.

PART 9008—FEDERAL FINANCING OF PRESIDENTIAL NOMINATING CONVENTIONS

Sec.
9008.1 Scope.
9008.2 Definitions.
9008.3 Entitlement to payment from the fund.
9008.4 Adjustment of entitlement.
9008.5 Limitation on payments.
9008.6 Use of funds.
9008.7 Limitation of expenditures.
§ 9008.1 Scope.

(a) This Part interprets 2 U.S.C. 437 and 26 U.S.C. 9008. Under 26 U.S.C. 9008(b), the national committees of both major and minor parties are entitled to public funds to defray expenses incurred with respect to a Presidential Nominating Convention. Under 26 U.S.C. 9008(c), expenditures with regard to such a convention by a national committee receiving public funds are limited to $4,000,000, as adjusted by the Consumer Price Index. New parties are not entitled to receive any public funds to defray convention expenses.

(b) Under 2 U.S.C. 437, each committee or organization which represents a national party in making arrangements for that party's presidential nominating convention is required to file disclosure reports. This reporting obligation extends to all such committees or organizations, regardless of whether or not public funds were used or available to defray convention expenses. In addition, 2 U.S.C. 437 requires reports from each committee or organization which represents a State, a political subdivision or any other group of persons in dealing with national political party officials with respect to matters involving a presidential nominating convention held in the State or subdivision. Under this provision, the host committee in the convention city is required to report contributions or expenditures with respect to a presidential nominating convention. However, unsuccessful efforts to attract a convention need not be reported by any city, committee or other organization.

gate, shall not exceed $4 million, as adjusted by the Consumer Price Index under 11 CFR 9008.4(a).

(b) Minor parties. Subject to the provisions of 11 CFR Part 9008, the national committee of a minor party shall be entitled to payments under 11 CFR 9008.8 with respect to any presidential nominating convention in amounts which, in the aggregate, shall not exceed an amount which bears the same ratio to the amount which the national committee of a major party is entitled to receive under 11 CFR 9008.4 as the number of popular votes received in the preceding presidential election by that minor party's presidential candidate bears to the average number of popular votes received in the preceding presidential election by all of the major party presidential candidates.

[44 FR 63039, Nov. 1, 1979, as amended at 49 FR 30461, July 31, 1984]

§ 9008.4 Adjustment of entitlement.

(a) The entitlements established by 11 CFR 9008.3 shall be adjusted on the basis of the Consumer Price Index pursuant to the provisions of 2 U.S.C. 441a(c).

(b) The entitlements established by 11 CFR 9008.3 shall be decreased by the amount of income generated by the investment of public funds under 11 CFR 9008.6(a)(5), less any tax paid on such income.

(c) The entitlements established by 11 CFR 9008.3 shall be adjusted so as not to exceed the difference between the expenditure limitations of 11 CFR 9008.7(a) and the amount of private contributions received under §9008.8(a) by the national committee of a political party. In calculating these adjustments, amounts expended by Government agencies and municipal corporations in accordance with 11 CFR 9008.7(b); in kind contributions by businesses to the national committee or convention committee in accordance with 11 CFR 9008.7(c); expenditures by host committees in accordance with 11 CFR 9008.7(d); expenditures to participate in or attend the convention under 11 CFR 9008.7(e); and legal and accounting services rendered in accordance with 11 CFR 9008.7(f) will not be considered private contributions or expenditures counting against the limitation.

§ 9008.5 Limitation on payments.

Payments to the national committee of a major party or a minor party under 11 CFR 9008.8 from the account designated for such committee shall be limited to the amounts in such account at the time of payment.

§ 9008.6 Use of funds.

(a) Permissible uses. Any payment made under 11 CFR 9008.8 shall be used only for the following purposes:

(1) Such payment may be used to defray convention expenses (including the payment of deposits) incurred by or on behalf of the national committee receiving such payments; or

(2) Such payment may be used to repay the principal and interest, at a commercially reasonable rate, on loans the proceeds of which were used to defray convention expenses; or

(3) Such payment may be used to restore funds (including advances from the national committee to the convention committee), other than contributions to the committee for the purpose of defraying convention expenses, where such funds were used to defray convention expenses.

(4) Convention expenses includes all expenses incurred by or on behalf of a political party national committee or convention committee with respect to and for the purpose of conducting a presidential nominating convention or convention-related activities. Such expenses include, but are not limited to:

(v) Expenses for conducting meetings of or related to committees dealing with the conduct and operation of the convention, such as rules, credentials, platform, site, contests, call, arrangements and permanent organization committees, with such expenses including printing materials and rental costs for meeting space.

(vi) Expenses incurred in securing a convention city and facility;

(vii) Expenses incurred in providing a transportation system in the convention city for use by delegates and other persons attending or otherwise connected with the convention;

(viii) Expenses for entertainment activities which are part of official convention activity sponsored by the national committee, such expenses to include (but not limited to) dinners, concerts, and receptions; except that expenses for the following activities are excluded:

(A) Entertainment activities sponsored by or on behalf of candidates for nomination to the office of President or Vice President, or State delegations;

(B) Entertainment activities sponsored by the national committee if the purpose of the activity is solely for national committee business, such as fundraising events, or selection of new national committee officers;

(C) Entertainment activities sponsored by persons other than the national committee; and

(D) Entertainment activities prohibited by law;

(ix) Expenses for printing convention programs, a journal of proceedings, agendas, tickets, badges, passes, and other similar publications;

(x) Administrative and office expenses for conducting the convention, such expenses to include stationery, office supplies, office machines, and telephone charges; but excluded from these expenses are the cost of any services supplied by the national committee at its headquarters or principal office if such services are incidental to the convention and not utilized primarily for the convention; and

(xi) Payment of the principal and interest, at a commercially reasonable rate, on loans the proceeds of which were used to defray convention expenses.

5. Any investment of public funds or any other use of public funds to generate income is permissible only if the income so generated is used to defray convention expenses. Such income, less any tax paid on it, will be applied against the national committee’s payments under 11 CFR 9008.2, or where appropriate, the Commission may determine that a repayment is required on the basis of such income.

(b) Prohibited uses. (1) No part of any payment made under 11 CFR 9008.8 shall be used to defray the expenses of any candidate, delegate, or alternate delegate who is participating in any presidential nominating convention except that the expenses of a person participating in the convention as official personnel of the national party may be defrayed with public funds even though that person is simultaneously participating as delegate or candidate to the convention. This part shall not prohibit candidates, delegates or alternate delegates who are participating in a presidential nominating convention from attending official party convention activities including but not limited to dinners, concerts and receptions, where such activities are paid for with public funds.

(2) Public funds shall not be used to defray any expense the incurring or payment of which violates any law of the United States or any law of the State in which such expense is incurred or paid, or any regulation prescribed under federal or State laws.

(3) Public funds shall not be used to pay civil or criminal penalties required to be paid pursuant to the Act (as defined at 2 U.S.C. 431(19)). Any amounts received or expended by the national committee or convention committee of a political party to pay such penalties shall not be considered contributions or expenditures, except that such amounts shall be reported in accordance with 11 CFR Part 104 and
shall be subject to the prohibitions of 11 CFR 110.4 and Parts 114 and 115.

[44 FR 63039, Nov. 1, 1979, as amended at 45 FR 21210, Apr. 1, 1980]

§ 9008.7 Limitation of expenditures.

(a) National party limitations—(1) Major parties. Except as provided by 11 CFR 9008.7(a)(3), the national committee of a major party may not incur convention expenses with respect to a Presidential nominating convention which, in the aggregate, exceed the amount to which such committee is entitled under 11 CFR 9008.3 and 9008.4.

(2) Minor parties. Except as provided by 11 CFR 9008.7(a)(3), the national committee of a minor party may not incur convention expenses with respect to a Presidential nominating convention which, in the aggregate, exceed the amount to which the national committee of a major party is entitled under 11 CFR 9008.3 and 9008.4.

(3) Authorization to exceed limitation. The Commission may authorize the national committee of a major party or minor party to make expenditures for convention expenses, which expenditures exceed the limitation established by 11 CFR 9008.7(a)(1) or (2). This authorization shall be based upon a determination by the Commission that, due to extraordinary and unforeseen circumstances, the expenditures are necessary to assure the effective operation of the Presidential nominating convention by the committee. Examples of “extraordinary and unforeseen circumstances” include, but are not limited to, a natural disaster or a catastrophic occurrence at the convention site. In no case, however, will such authorization entitle a national committee to receive public funds greater than the entitlement specified under 11 CFR 9008.3 and 9008.4. All private contributions received to defray expenditures under 11 CFR 9008.7(a)(3) shall be subject to all reporting requirements, limitations (except for limitations imposed by 11 CFR 9008.7(a)(1) and (2)) and prohibitions of the Act (as defined at 2 U.S.C. 431(19)).

(b) Expenditures by government agencies and municipal corporations.

(1) Federal, State or local government agencies and municipal corporations may make expenditures for facilities or services with respect to a presidential nominating convention. Such expenditures will not be considered contributions to the national committee, expenditures counting against the national committee’s limitation, or illegal corporate contributions by the agency or municipal corporation. In providing facilities or services to the national committee, the agency or municipal corporation may not obtain facilities, services or goods from other persons at less than fair market value, except that the agency or municipal corporation may accept reduced or discounted rates, provided that such reductions were made in the ordinary course of business.

(2) Examples of expenditures which government agencies and municipal corporations may make under 11 CFR 9008.7(b) include but are not limited to:

(i) Granting the national committee use of an auditorium or convention center; construction and convention related services therein such as: Construction of podiums; press tables; false floors; camera platforms; additional seating; lighting, electrical, air conditioning and loudspeaker systems; offices; office equipment; and decorations;

(ii) Various local transportation services, including the provision of buses and automobiles;

(iii) Law enforcement services necessary to assure orderly conventions;

(iv) Use of convention bureau personnel to provide central housing and reservation services;

(v) Hotel rooms at no charge or a reduced rate on the basis of the number of rooms actually booked for the convention;

(vi) Accommodations and hospitality for committees of the parties responsible for choosing the sites of the conventions, and

(vii) Other similar convention related facilities and services.

(c) In-kind contributions by businesses—(1) Discounts by retail businesses. (i) Retail businesses may sell, lease or rent their products, materials, services or space to the national com-
committee with respect to a presidential nominating convention at reduced or discounted rates: Provided, That such reductions or discounts are in the ordinary course of business. For purposes of this section, a bank shall not be considered a retail business.

(ii) Discounts or reductions in accordance with 11 CFR 9008.7(c)(i) will not count toward the national party expenditure limitation under 11 CFR 9008.7(a).

(2) Samples and promotional material. (i) Local businesses may sell, at nominal cost, or provide at no charge, any of their products or services in the form of samples, discount coupons, promotional items, such as maps, pens, or pencils, with the business' name imprinted on the item, to those attending the convention functions. Such samples, coupons and promotional items shall be: Of nominal value; provided solely for bona fide advertising or promotional purposes; and provided in the ordinary course of business.

(ii) The samples and promotional material may be distributed by or with the help of persons employed by the business, or employed by or volunteering for the national party or a citizen host committee.

(iii) For purposes of 11 CFR 9008.7(c)(2), a local bank shall be considered a local business.

(iv) For purposes of 11 CFR 9008.7(c)(2), any business within the Metropolitan Statistical Area (MSA) of the convention city shall be considered a local business. There shall be a rebuttable presumption that any business located outside the MSA is not a local business. This presumption may be rebutted by a showing that the volume of business in an area outside the MSA would be directly affected by the presence of the convention.

(v) The value of the benefits provided under 11 CFR 9008.7(c)(2) will not count toward the national party's expenditure limitation under 11 CFR 9008.7(a).

(d) Contributions and expenditures by host committees—(1) Host committee organization. A host committee includes any local organization, such as a local civic association, business league, chamber of commerce, real estate board, board of trade, or convention bureau: Which is not organized for profit; whose net earnings do not inure to the benefit of any private shareholder or individual; and whose principal objective is the encouragement of commerce in the convention city, as well as the projection of favorable image of the city to convention attendees. A host committee must register in accordance with 11 CFR 9008.12(a)(1)(i).

(2) Contributions and expenditures to promote convention city and its commerce. (i) Local businesses, excluding banks, local municipal corporations and government agencies, local labor organizations, and individuals may donate funds or make kind contributions to a host committee for the purposes set forth at 11 CFR 9008.7(d)(2)(ii).

(ii) The donor may restrict the use of funds by earmarking them for a particular project, by having the donation acknowledged (e.g. courtesy of XYZ Company) or by placing any other similar restriction on the use of the funds.

(iii) A host committee shall use funds donated under 11 CFR 9008.7(d)(2)(i) for only the following purposes:

(A) To defray those expenses incurred for the purpose of promoting the suitability of the city as a convention site;

(B) To defray those expenses incurred for welcoming the convention attendees to the city, such as expenses for information booths, receptions, and tours;

(C) To defray those expenses incurred in facilitating commerce, such as providing the convention and attendees with shopping and entertainment guides and distributing the samples and promotional material specified in § 9008.7(c)(2);

(D) To defray the administrative expenses incurred by the host committee, such as salaries, rent, travel, and liability insurance;

(iv) For purposes of 11 CFR 9008.7(d)(2), any business, municipal corporation, agency or labor organization within the Metropolitan Statistical Area (MSA) of the convention city shall be considered local. There shall be a rebuttable presumption that any...
such entity located outside the MSA is not local. This presumption may be rebutted by a showing that the volume of business in an area lying outside the MSA would be directly affected by the presence of the convention. 

(3) Contributions and expenditures to defray convention expenses. (i) Local retail businesses, excluding banks, as well as local municipal corporations and government agencies may donate funds to a host committee for use by that committee in defraying convention expenses. Examples of expenditures which the host committee may make for convention expenses include but are not limited to those set forth at 11 CFR 9008.7(b)(2). No other corporate funds may be used to pay such expenses.

(ii) The amount of the donation under 11 CFR 9008.7(d)(3)(i) must be proportionate to the commercial return reasonably expected by the business, corporation or agency during the life of the convention.

(iii) The host committee must maintain funds donated under 11 CFR 9008.7(d)(3)(i) in a separate account.

(iv) For purposes of 11 CFR 9008.7(d)(3), any determination as to whether or not a business, labor organization, municipal corporation or agency is local shall be made in accordance with 11 CFR 9008.7(d)(2)(iv).

(v) For purposes of 11 CFR 9008.7(d)(3)(ii), the life of the convention shall begin seven days before the opening of the convention and end three days after the close of the convention.

(4) Expenditure limitation. Funds used by the host committee in accordance with § 9008.7(d) (2) and (3) shall not be considered expenditures and shall not count against the expenditure limitation under 11 CFR 9008.7(a).

(e) Expenditures to participate in or attend convention. Expenditures made by presidential candidates from campaign accounts, by delegates, or by any other individual from his or her personal funds for the purpose of attending or participating in the convention or convention related activities, or by State or local committees of a political party on behalf of such delegates of individuals shall not be considered expenditures made by or on behalf of the national party, and shall therefore not be subject to the overall expenditure limitations of 11 CFR 9008.7.

(f) Legal and accounting services. (1) The payment of compensation to an individual by his or her regular employer for legal and accounting services rendered to or on behalf of the national committee shall not be considered an expenditure and shall not count against the expenditure limitation under 11 CFR 9008.7.

(2) The payment by the national committee of compensation to any individual for legal and accounting services rendered to or on behalf of the national committee shall be considered an expenditure and shall count against the expenditure limitation under 11 CFR 9008.7, whether paid from public funds or from private contributions.

§ 9008.8 Payment and certification procedures.

(a) Optional payments; private contributions. (1) The national committee of a major or minor party may elect to receive all, part, or none of the amounts to which it is entitled under 11 CFR 9008.3 and 9008.4.

(2) The national committee of a major party electing to receive all or part of the amounts to which it is entitled under 11 CFR 9008.3 and 9008.4 may receive and use private contributions, so long as the sum of the contributions which are used to defray convention expenses and the amount of entitlements elected to be received does not exceed the total expenditure limitation under 11 CFR 9008.7.

(3) A minor party electing to receive all or part of the amounts to which it is entitled under 11 CFR 9008.3 and 9008.4 may receive and use private contributions for the nominating convention, so long as the sum of the contributions which are used to defray convention expenses and the amount of entitlements elected to be received does not exceed the total expenditure limitation under 11 CFR 9008.7.

(d) Improper usage or documentation. (3) All unspent funds shall be repaid to the U.S. Treasury no later than 24 months after the last day of the convention, unless the national committee has been granted an extension of time. The Commission may grant any extension of time it deems appropriate upon request of the national committee.

(b) The Commission will consider any written legal or factual material submitted by either committee in making its final determination. Such materials may be submitted by counsel if the committee so desires.

Changes in the information required by this paragraph shall not be effective until submitted to the Commission in a letter signed by the candidate or the Committee treasurer.

(8) The candidate and the candidate’s authorized committee(s) will prepare matching fund submissions in accordance with the Federal Election Commission’s Guideline for Presentation in Good Order.

(9) The candidate and the candidate’s authorized committee(s) will comply with the applicable requirements of 2 U.S.C. 431 et seq.; 26 U.S.C. 9031 et seq. and the Commission’s regulations at 11 CFR Parts 100-115, and 9031-9039.

(10) The candidate and the candidate’s authorized committee(s) will pay any civil penalties included in a conciliation agreement imposed under 2 U.S.C. 437g against the candidate, any authorized committee of the candidate or any agent thereof.

§ 9033.2 Candidate and committee certifications; threshold submission.

(a) General. (1) A candidate seeking to become eligible to receive Presidential primary matching fund payments shall make the certifications set forth in 11 CFR 9033.2(b) to the Commission in a written statement signed by the candidate. The candidate may submit the letter containing the required certifications at any time after January 1 of the year immediately preceding the Presidential election year.

(2) The Commission will not consider a candidate’s threshold submission until the candidate has submitted candidate certifications that meet the requirements of this section.

(b) Certifications. (1) The candidate shall certify that he or she is seeking nomination by a political party to the Office of President in more than one State. For purposes of this section, in order for a candidate to be deemed to be seeking nomination by a political party to the office of President, the party whose nomination the candidate seeks must have a procedure for holding a primary election, as defined in 11 CFR 9032.7, for nomination to that office. For purposes of this section, the term “political party” means an association, committee or organization which nominates an individual for election to the office of President. The fact that an association, committee or organization qualifies as a political party under this section does not affect the party’s status as a national political party for purposes of 2 U.S.C. 441a(a)(1)(B) and 441a(a)(2)(B).

(2) The candidate and the candidate’s authorized committee(s) shall certify that they have not incurred
§ 9033.3 Expenditure limitation certification.

(a) If the Commission makes an initial determination that a candidate or the candidate's authorized committee(s) have knowingly and substantially exceeded the expenditure limitations at 11 CFR Part 9035 prior to that candidate's application for certification, the Commission may make an initial determination that the candidate is ineligible to receive matching funds.

(b) The Commission will notify the candidate of its initial determination, in accordance with the procedures outlined in 11 CFR 9033.10(b). The candidate may submit, within 20 calendar days after service of the Commission's notice, written legal or factual materials, in accordance with 11 CFR 9033.10(b), demonstrating that he or she has not knowingly and substantially exceeded the expenditure limitations at 11 CFR Part 9035.

(c) A final determination of the candidate's ineligibility will be made by the Commission in accordance with the procedures outlined in 11 CFR 9033.10(c).

(d) A candidate who receives a final determination of ineligibility under 11 CFR 9033.3(c) shall be ineligible to receive matching fund payments under 11 CFR 9034.1.

§ 9033.4 Matching payment eligibility threshold requirements.

(a) The Commission will examine the submission made under 11 CFR 9033.1 and 9033.2 and either—

(1) Make a determination that the candidate has satisfied the minimum contribution threshold requirements under 11 CFR 9033.2(c); or

(2) Make an initial determination that the candidate has failed to satisfy the matching payment threshold requirements. The Commission will notify the candidate of its initial determination in accordance with the procedures outlined in 11 CFR 9033.10(b). The candidate may, within 30 calendar days after service of the Commission's notice, satisfy the threshold requirements or submit written legal or factual materials to demonstrate that he or she has satisfied those requirements. A final determination by the Commission that the candidate has failed to satisfy threshold requirements will be made in accordance with the procedures outlined in 11 CFR 9033.10(c).

(b) In evaluating the candidate's submission under 11 CFR 9033.1 and 9033.2, the Commission may consider other information in its possession, including but not limited to past actions of the candidate in an earlier publicly-financed campaign, that is relevant to a determination regarding the candidate's eligibility for matching funds.

(c) The Commission will make its examination and determination under this section as soon as practicable. During the Presidential election year, the Commission will generally com-
complete its review and make its determination within 15 business days.

§ 9033.5 Determination of ineligibility date.

The candidate's date of ineligibility shall be whichever date by operation of 11 CFR 9033.5 (a), (b) or (c) occurs first. After the candidate's date of ineligibility, he or she may only receive matching payments to the extent that he or she has met outstanding campaign obligations as defined in 11 CFR 9034.5.

(a) Inactive candidate. The ineligibility date shall be the day on which an individual ceases to be a candidate because he or she is not actively conducting campaigns in more than one State in connection with seeking the Presidential nomination. This date shall be the earliest of—

1. The date the candidate publicly announces that he or she will not be actively conducting campaigns in more than one State; or
2. The date the candidate notifies the Commission by letter that he or she is not actively conducting campaigns in more than one State; or
3. The date which the Commission determines under 11 CFR 9033.6 to be the date that the candidate is not actively seeking election in more than one State.

(b) Insufficient votes. The ineligibility date shall be the 30th day following the date of the second consecutive primary election in which such individual receives less than 10 percent of the number of popular votes cast for all candidates of the same party for the same office in that primary election, if the candidate permitted or authorized his or her name to appear on the ballot, unless the candidate certifies to the Commission at least 25 business days prior to the primary that he or she will not be an active candidate in the primary involved.

1. The Commission may refuse to accept the candidate's certification if it determines under 11 CFR 9033.7 that the candidate is an active candidate in the primary involved.
2. For purposes of this paragraph, if the candidate is running in two primary elections in different States on the same date, the highest percentage of votes the candidate receives in any one State will govern. Separate primary elections held in more than one State on the same date are not deemed to be consecutive primaries. If two primary elections are held on the same date in the same State (e.g., a primary to select delegates to a national nominating convention and a primary for the expression of preference for the nomination of candidates for election to the office of President), the highest percentage of votes a candidate receives in either election will govern. If two or more primaries are held in the same State on different dates, the earliest primary will govern.

(c) End of matching payment period. The ineligibility date shall be the last day of the matching payment period for the candidate as specified in 11 CFR 9032.6.

(d) Reestablishment of eligibility. If the Commission has determined that a candidate is ineligible under 11 CFR 9033.5 (a) or (b), the candidate may reestablish eligibility to receive matching funds under 11 CFR 9033.8.

§ 9033.6 Determination of inactive candidacy.

(a) General. The Commission may, on the basis of the factors listed in 11 CFR 9033.6(b) below, make a determination that a candidate is no longer actively seeking nomination for election in more than one State. Upon a final determination by the Commission that a candidate is inactive, that candidate will become eligible as provided in 11 CFR 9033.5.

(b) Factors considered. In making its determination of inactive candidacy, the Commission may consider, but is not limited to considering, the following factors:

1. The frequency and type of public appearances, speeches, and advertisements;
2. Campaign activity with respect to soliciting contributions or making expenditures for campaign purposes;
3. Continued employment of campaign personnel or the use of volunteers;
4. The release of committed delegates;
(5) The candidate urges his or her delegates to support another candidate while not actually releasing committed delegates;

(6) The candidate urges supporters to support another candidate.

(c) Initial determination. The Commission will notify the candidate of its initial determination in accordance with the procedures outlined in 11 CFR 9033.10(b) and will advise the candidate of the date on which active campaigning in more than one State ceased. The candidate may, within 15 business days after service of the Commission's notice, submit in accordance with 11 CFR 9033.10(b) written legal or factual materials to demonstrate that he or she is actively campaigning in more than one State.

(d) Final determination. A final determination of inactive candidacy will be made by the Commission in accordance with the procedures outlined in 11 CFR 9033.10(c).

§ 9033.7 Determination of active candidacy.

(a) Where a candidate certifies to the Commission under 11 CFR 9033.5(b) that he or she will not be an active candidate in an upcoming primary, the Commission may, nevertheless, on the basis of factors listed in 11 CFR 9033.6(b), make an initial determination that the candidate is an active candidate in the primary involved.

(b) The Commission will notify the candidate of its initial determination within 10 business days of receiving the candidate's certification under 11 CFR 9033.5(b) or, if the timing of the activity does not permit notice during the 10 day period, as soon as practicable following campaign activity by the candidate in the primary state. The Commission's initial determination will be made in accordance with the procedures outlined in 11 CFR 9033.10(b). Within 10 business days after service of the Commission's notice the candidate may submit, in accordance with 11 CFR 9033.10(b), written legal or factual materials to demonstrate that he or she is not an active candidate in the primary involved.

(c) A final determination by the Commission that the candidate is active will be made in accordance with the procedures outlined in 11 CFR 9033.10(c).

§ 9033.8 Reestablishment of eligibility.

(a) Candidates found to be inactive. A candidate who has become ineligible under 11 CFR 9033.5(a) on the basis that he or she is not actively campaigning in more than one State may reestablish eligibility for matching payments by submitting to the Commission evidence of active campaigning in more than one State. In determining whether the candidate has reestablished eligibility, the Commission will consider, but is not limited to considering, the factors listed in 11 CFR 9033.6(b). The day the Commission determines to be the day the candidate becomes active again will be the date on which eligibility is reestablished.

(b) Candidates receiving insufficient votes. A candidate determined to be ineligible under 11 CFR 9033.5(b) by failing to obtain the required percentage of votes in two consecutive primaries may have his or her eligibility reestablished if the candidate receives at least 20 percent of the total number of votes cast for candidates of the same party for the same office in a primary election held subsequent to the date of the election which rendered the candidate ineligible.

(c) The Commission will make its determination under 11 CFR 9033.8 (a) or (b) without requiring the individual to reestablish eligibility under 11 CFR 9033.1 and 2. A candidate whose eligibility is reestablished under this section may submit, for matching payment, contributions received during ineligibility. Any expenses incurred during the period of ineligibility that would have been considered qualified campaign expenses if the candidate had been eligible during that time may be defrayed with matching payments.

§ 9033.9 Failure to comply with disclosure requirements or expenditure limitations.

(a) If the Commission receives information indicating that a candidate or
his or her authorized committee(s) has knowingly and substantially failed to comply with the disclosure requirements of 2 U.S.C. 434 and 11 CFR Part 104, or that a candidate has knowingly and substantially exceeded the expenditure limitations at 11 CFR Part 9035, the Commission may make an initial determination to suspend payments to that candidate.

(b) The Commission will notify the candidate of its initial determination in accordance with the procedures outlined in 11 CFR 9033.10(b). The candidate will be given an opportunity, within 20 calendar days after service of the Commission's notice, to comply with the above cited provisions or to submit in accordance with 11 CFR 9033.10(b) written legal or factual materials to demonstrate that he or she is not in violation of those provisions.

(c) Suspension of payments to a candidate will occur upon a final determination by the Commission to suspend payments. Such final determination will be made in accordance with the procedures outlined in 11 CFR 9033.10(c).

(d)(1) A candidate whose payments have been suspended for failure to comply with reporting requirements may become entitled to receive payments if he or she subsequently files the required reports and pays or agrees to pay any civil or criminal penalties resulting from failure to comply.

(2) A candidate whose payments are suspended for exceeding the expenditure limitations shall not be entitled to receive further matching payments under 11 CFR 9034.1.

§ 9033.10 Procedures for initial and final determinations.

(a) General. The Commission will follow the procedures set forth in this section when making an initial or final determination based on any of the following reasons.

(1) The candidate has knowingly and substantially exceeded the expenditure limitations of 11 CFR Part 9035 prior to the candidate's application for certification, as provided in 11 CFR 9033.3;

(2) The candidate has failed to satisfy the matching payment threshold requirements, as provided in 11 CFR 9033.4;

(3) The candidate is no longer actively seeking nomination in more than one state, as provided in 11 CFR 9033.6;

(4) The candidate is an active candidate in an upcoming primary despite the candidate's assertion to the contrary, as provided in 11 CFR 9033.7;

(5) The Commission receives information indicating that the candidate has knowingly and substantially failed to comply with the disclosure requirements or exceeded the expenditure limits, as provided in 11 CFR 9033.9; or

(6) The Commission receives information indicating that substantial assets of the candidate's authorized committee have been undervalued or not included in the candidate's statement of net outstanding campaign obligations or that the amount of outstanding campaign obligations has been otherwise overstated in relation to campaign assets, as provided in 11 CFR 9034.5(g).

(b) Initial determination. If the Commission makes an initial determination that a candidate may not receive matching funds for one or more of the reasons indicated in 11 CFR 9033.10(a), the Commission will notify the candidate of its initial determination. The notification will give the legal and factual reasons for the determination and advise the candidate of the evidence on which the Commission's initial determination is based. The candidate will be given an opportunity to comply with the requirements at issue or to submit, within the time provided by the relevant section as referred to in 11 CFR 9033.10(a), written legal or factual materials to demonstrate that the candidate has satisfied those requirements. Such materials may be submitted by counsel if the candidate so desires.

(c) Final determination. The Commission will consider any written legal or factual materials timely submitted by the candidate before making its final determination. A final determination that the candidate has failed to satisfy the requirements at issue will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the
§ 9033.11 Documentation of disbursements.

(a) Burden of proof. Each candidate shall have the burden of proving that disbursements made by the candidate or his or her authorized committee(s) or persons authorized to make expenditures on behalf of the candidate or committee(s) are qualified campaign expenses as defined in 11 CFR 9032.9. The candidate and his or her authorized committee(s) shall obtain and furnish to the Commission on request any evidence regarding qualified campaign expenses made by the candidate, his or her authorized committees and agents or persons authorized to make expenditures on behalf of the candidate or committee(s) as provided in 11 CFR 9033.11(b).

(b) Documentation required. (1) For disbursements in excess of $200 to a payee, the candidate shall present either:

(i) A receipted bill from the payee that states the purpose of the disbursement, or

(ii) If such a receipt is not available, a cancelled check negotiated by the payee, and

(A) One of the following documents generated by the payee: A bill, invoice, or voucher that states the purpose of the disbursement; or

(B) Where the documents specified in 11 CFR 9033.11(b)(1)(ii)(A) are not available, a voucher or contemporaneous memorandum from the candidate or the committee that states the purpose of the disbursement; or

(iii) If neither a receipted bill as specified in 11 CFR 9033.11(b)(1)(i) nor the supporting documentation specified in 11 CFR 9033.11(b)(1)(ii) is available, a cancelled check negotiated by the payee that states the purpose of the disbursement.

(iv) Where the supporting documentation required in 11 CFR 9033.11(b)(1)(i), (ii) or (iii) is not available, the candidate or committee may present a cancelled check and collateral evidence to document the qualified campaign expense. Such collateral evidence may include but is not limited to:

(A) Evidence demonstrating that the expenditure is part of an identifiable program or project which is otherwise sufficiently documented such as a disbursement which is one of a number of documented disbursements relating to a campaign mailing or to the operation of a campaign office;

(B) Evidence that the disbursement is covered by a preestablished written campaign committee policy, such as a per diem policy.

(2) For all other disbursements the candidate shall present:

(i) A record disclosing the identification of the payee, the amount, date and purpose of the disbursement, if made from a petty cash fund; or

(ii) A cancelled check negotiated by the payee that states the identification of the payee, and the amount, date and purpose of the disbursement.

(3) For purposes of this section,

(i) “Payee” means the person who provides the goods or services to the candidate or committee in return for the disbursement; except that an individual will be considered a payee under this section if he or she receives $500 or less advanced for travel and/or subsistence and if he or she is the recipient of the goods or services purchased.

(ii) “Purpose” means the identification of the payee, the date and amount of the disbursement, and a de-
scription of the goods or services purchased.

(c) **Retention of records.** The candidate shall retain records, with respect to each disbursement and receipt, including bank records, vouchers, worksheets, receipts, bills and accounts, journals, ledgers, fundraising solicitation material, accounting systems documentation, matching fund submissions, and any related materials documenting campaign receipts and disbursements, for a period of three years pursuant to 11 CFR 102.9(c), and shall present these records to the Commission on request.

(d) **List of capital and other assets—**

(1) **Capital assets.** The candidate or committee shall maintain a list of all capital assets whose purchase price exceeded $2,000 when acquired by the campaign. The list shall include a brief description of each capital asset, the purchase price, the date it was acquired, the method of disposition and the amount received in disposition. For purposes of this section, “capital asset” shall be defined in accordance with 11 CFR 9034.5(c)(1).

(2) **Other assets.** The candidate or committee shall maintain a list of other assets acquired for use in fundraising or as collateral for campaign loans, if the aggregate value of such assets exceeds $5,000. The list shall include a brief description of each such asset, the fair market value of each asset, the method of disposition and the amount received in disposition. (a) A candidate who has been notified by the Commission under 11 CFR 9036.1 that he or she has successfully satisfied eligibility and certification requirements is entitled to receive payments in an amount equal to the amount of each matchable campaign contribution received by the candidate, except that a candidate who has become ineligible under 11 CFR 9033.5 may not receive further matching payments regardless of the date of deposit of the underlying contributions if he or she has no net outstanding campaign obligations as defined in 11 CFR 9034.5.

(b) If on the date of ineligibility a candidate has net outstanding campaign obligations as defined under 11 CFR 9034.5, that candidate may continue to receive matching payments for matchable contributions received and deposited on or before December 31 of the Presidential election year provided that on the date of payment there are remaining net outstanding campaign obligations, i.e., the sum of the contributions received on or after the date of ineligibility plus matching funds received on or after the date of ineligibility is less than the candidate’s net outstanding campaign obligations. This entitlement will be equal to the lesser of:

(1) The amount of contributions submitted for matching; or

(2) The remaining net outstanding campaign obligations.

(c) A candidate whose eligibility has been reestablished under 11 CFR 9033.8 or who after suspension of payments has met the conditions set forth at 11 CFR 9033.9(d) is entitled to receive payments for matchable contributions for which payments were not received during the ineligibility or suspension period.

(d) The total amount of payments to a candidate under this section shall not exceed 50% of the total expenditure limitation applicable under 11 CFR Part 9035.
§ 9034.2 Matchable contributions.

(a) Contributions meeting the following requirements will be considered matchable campaign contributions.

(1) The contribution shall be a gift of money made: By an individual; by a written instrument and for the purpose of influencing the result of a primary election.

(2) Only a maximum of $250 of the aggregate amount contributed by an individual may be matched.

(3) Before a contribution may be submitted for matching, it must actually be received by the candidate or any of the candidate's authorized committees and deposited in a designated campaign depository maintained by the candidate's authorized committee.

(4) The written instrument used in making the contribution must be dated, physically received and deposited by the candidate or authorized committee on or after January 1 of the year immediately preceding the calendar year of the Presidential election, but no later than December 31 following the matching payment period as defined under 11 CFR 9032.6. Donations received by an individual who is testing the waters pursuant to 11 CFR 100.7(b)(1) and 100.8(b)(1) may be matched when the individual becomes a candidate if such donations meet the requirements of this section.

(b) For purposes of this section, the term "written instrument" means a check written on a personal, escrow or trust account representing or containing the contributor's personal funds; a money order; or any similar negotiable instrument.

(c) The written instrument shall be: Payable on demand; and to the order of, or specifically endorsed without qualification to, the Presidential candidate, or his or her authorized committee. The written instrument shall contain: The full name and signature of the contributor(s); the amount and date of the contribution; and the mailing address of the contributor(s).

(1) In cases of a check drawn on a joint checking account, the contributor is considered to be the owner whose signature appears on the check.

(i) To be attributed equally to other joint tenants of the account, the check or other accompanying written document shall contain the signature(s) of the joint tenant(s). If a contribution on a joint account is to be attributed other than equally to the joint tenants, the check or other written documentation shall also indicate the amount to be attributed to each joint tenant.

(ii) In the case of a check for a contribution attributed to more than one person, where it is not apparent from the face of the check that each contributor is a joint tenant of the account, a written statement shall accompany the check stating that the contribution was made from each individual's personal funds in the amount so attributed and shall be signed by each contributor.

(2) Contributions in the form of checks drawn on an escrow or trust account are matchable contributions, provided that:

(i) The contributor has equitable ownership of the account; and

(ii) The check is accompanied by a statement, signed by each contributor to whom all or a portion of the contribution is being attributed, together with the check number, amount and date of contribution. This statement shall specify that the contributor has equitable ownership of the account and the account represents the personal funds of the contributor.

(3) Contributions in the form of checks written on partnership accounts or accounts of unincorporated associations or businesses are matchable contributions, so long as:

(i) The check is accompanied by a statement, signed by each contributor to whom all or a portion of the contribution is being attributed, together with the check number, amount and date of contribution. This statement shall specify that the contribution is made with the contributor's personal funds and that the account on which the contribution is drawn is not maintained or controlled by an incorporated entity; and

(ii) The aggregate amount of the contributions drawn on a partnership or unincorporated association or business does not exceed $1,000 to any one Presidential candidate seeking nomination.
(4) Contributions in the form of money orders, cashier's checks, or other similar negotiable instruments are matchable contributions, provided that:

(i) At the time it is initially submitted for matching, such instrument is signed by each contributor and is accompanied by a statement which specifies that the contribution was made in the form of a money order, cashier’s check, traveller’s check, or other similar negotiable instrument, with the contributor’s personal funds;

(ii) Such statement identifies the date and amount of the contribution made by money order, cashier’s check, traveller’s check, or other similar negotiable instrument, the check or serial number, and the name of the issuer of the negotiable instrument; and

(iii) Such statement is signed by each contributor.

(5) Contributions in the form of the purchase price paid for the admission to any activity that primarily confers private benefits in the form of entertainment to the contributor (i.e., concerts, motion pictures) are matchable. The promotional material and tickets for the event shall clearly indicate that the ticket purchase price represents a contribution to the Presidential candidate.

(6) Contributions in the form of a purchase price paid for admission to an activity that is essentially political are matchable. An “essentially political” activity is one the principal purpose of which is political speech or discussion, such as the traditional political dinner or reception.

(7) Contributions received from a joint fundraising activity conducted in accordance with 11 CFR 9034.8 are matchable, provided that such contributions are accompanied by a copy of the joint fundraising agreement when they are submitted for matching.

§ 9034.3 Non-matchable contributions. A contribution to a candidate other than one which meets the requirements of 11 CFR 9034.2 is not matchable. Contributions which are not matchable include, for example:

(a) In-kind contributions of real or personal property;

(b) A subscription, loan, advance, or deposit of money, or anything of value;

(c) A contract, promise, or agreement, whether or not legally enforceable, such as a pledge card or credit card transaction, to make a contribution for any such purposes (but a gift of money by written instrument is not rendered unmatchable solely because the contribution was preceded by a promise or pledge);

(d) Funds from a corporation, labor organization, government contractor, political committee as defined in 11 CFR 100.5 or any group of persons other than those under 11 CFR 9034.2(c)(3);

(e) Contributions which are made or accepted in violation of 2 U.S.C. 441a, 441b, 441c, 441e, 441f, or 441g;

(f) Contributions in the form of a check drawn on the account of a committee, corporation, union or government contractor even though the funds represent personal funds earmarked by a contributing individual to a Presidential candidate;

(g) Contributions in the form of the purchase price paid for an item with significant intrinsic and enduring value, such as a watch;

(h) Contributions in the form of the purchase price paid for or otherwise induced by a chance to participate in a raffle, lottery, or a similar drawing for valuable prizes;

(i) Contributions which are made by persons without the necessary donative intent to make a gift or made for any purpose other than to influence the result of a primary election; and

(j) Contributions of currency of the United States or currency of any foreign country.

§ 9034.4 Use of contributions and matching payments.

(a) Qualified campaign expenses—

(1) General. Except as provided in 11 CFR 9034.4(b)(3), all contributions received by an individual from the date he or she becomes a candidate and all matching payments received by the candidate shall be used only to defray qualified campaign expenses or to repay loans or otherwise restore funds (other than contributions which were
received and expended to defray qualified campaign expenses, which were used to defray qualified campaign expenses.

(2) Testing the waters. Even though incurred prior to the date an individual becomes a candidate, payments made for the purpose of determining whether an individual should become a candidate, such as those incurred in conducting a poll, shall be considered qualified campaign expenses if the individual subsequently becomes a candidate and shall count against that candidate's limits under 2 U.S.C. 441a(b). See 11 CFR 100.8(b)(1).

(3) Winding down costs. (i) Costs associated with the termination of political activity, such as the costs of complying with the post election requirements of the Act and other necessary administrative costs associated with winding down the campaign, including office space rental, staff salaries and office supplies, shall be considered qualified campaign expenses. A candidate may receive and use matching funds for these purposes either after he or she has notified the Commission in writing of his or her withdrawal from the campaign for nomination or after the date of the party's nominating convention, if he or she has not withdrawn before the convention.

(ii) If the candidate has become ineligible due to the operation of 11 CFR 9033.5(b), he or she may only receive matching funds to defray costs incurred before the candidate's date of ineligibility, for goods and services to be received before the date of ineligibility and for which written arrangement or commitment was made on or before the date of the party's nominating convention, if he or she has not withdrawn before the convention.

(4) Taxes. Federal income taxes paid by the committee on non-exempt function income, such as interest, dividends and sale of property, shall be considered qualified campaign expenses. These expenses shall not, however, count against the state or overall expenditure limits of 11 CFR 9035.1(a).

(b) Non-qualified campaign expenses—(1) General. The following are examples of disbursements that are not qualified campaign expenses.

(2) Excessive expenditures. An expenditure which is in excess of any of the limitations under 11 CFR Part 9035 shall not be considered a qualified campaign expense. The Commission will calculate the amount of expenditures attributable to the limitations in accordance with 11 CFR 9035.1(a)(2).

(3) Post-ineligibility expenditures. Any expenses incurred after a candidate's date of ineligibility, as determined under 11 CFR 9033.5, are not qualified campaign expenses except to the extent permitted under 11 CFR 9034.4(a)(3). Any expenses incurred before the candidate's date of ineligibility for goods and services to be received after the candidate's date of ineligibility are not qualified campaign expenses.

(4) Civil or criminal penalties. Civil or criminal penalties paid pursuant to the Federal Election Campaign Act are not qualified campaign expenses and cannot be defrayed from contributions or matching payments. Any amounts received or expended to pay such penalties shall not be considered contributions or expenditures but all amounts received and expended under this section shall be subject to the prohibitions of the Act. Amounts received and expended under this section shall be reported in accordance with 11 CFR Part 104.

(5) Payments to candidate. Payments made to the candidate by his or her committee, other than to reimburse funds advanced by the candidate for qualified campaign expenses, are not qualified campaign expenses.

(c) Repayments. Repayments may be made only from the following sources: Personal funds of the candidate (without regard to the limitations of 11 CFR 9035.2(a)), contributions and matching payments in the committee's account(s), and any additional funds raised subject to the limitations and prohibitions of the Federal Election Campaign Act of 1971, as amended.

(d) Transfers to other campaigns. If a candidate has received matching funds and is simultaneously seeking nomination or election to another Federal office, no transfer of funds between his or her principal campaign...
committees or authorized committees may be made. See 2 U.S.C. 441a(5)(C) and 11 CFR 110.3(a)(2)(v).

§ 9034.5 Net outstanding campaign obligations.

(a) Within 15 calendar days after the candidate's date of ineligibility, as determined under 11 CFR 9033.5, the candidate shall submit a statement of net outstanding campaign obligations. The candidate's net outstanding campaign obligations under this section equal the difference between paragraphs (a)(1) and (2) of this section:

(1) The total of all outstanding obligations for qualified campaign expenses as of the candidate's date of ineligibility as determined under 11 CFR 9033.5, plus estimated necessary winding down costs as defined under 11 CFR 9034.4(a)(3), less

(2) The total of:

(i) Cash on hand as of the close of business on the last day of eligibility (including all contributions dated on or before that date whether or not submitted for matching; currency; balances on deposit in banks, savings and loan institutions, and other depository institutions; traveller's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value);

(ii) The fair market value of capital assets and other assets on hand; and

(iii) Amounts owed to the campaign in the form of credits, refunds of deposits, returns, receivables, or rebates of qualified campaign expenses; or a commercially reasonable amount based on the collectibility of those credits, returns, receivables or rebates.

(b) The amount submitted as the total of outstanding campaign obligations under paragraph (a)(1) of this section shall not include any accounts payable for nonqualified campaign expenses nor any amounts determined or anticipated to be required as a repayment under 11 CFR Part 9038 or any amounts paid to secure a surety bond under 11 CFR 9038.5(c).

(c)(1) Capital assets. For purposes of this section, the term "capital asset" means any property used in the operation of the campaign whose purchase price exceeded $2000 when acquired by the campaign. Property that must be valued as capital assets under this section includes, but is not limited to, office equipment, furniture, vehicles and fixtures acquired for use in the operation of the candidate's campaign, but does not include property defined as "other assets" under 11 CFR 9034.5(c)(2). A list of all capital assets shall be maintained by the Committee in accordance with 11 CFR 9033.11(d). The fair market value of capital assets may be considered to be the total original cost of such items when acquired less 40%, to account for depreciation, except that items acquired after the date of ineligibility must be valued at their fair market value on the date acquired. If the candidate wishes to claim a higher depreciation percentage for an item, he or she must list that capital asset on the statement separately and demonstrate, through documentation, the fair market value of each such asset.

(2) Other assets. The term "other assets" means any property acquired by the campaign for use in raising funds or as collateral for campaign loans. "Other assets" must be included on the candidate's statement of net outstanding campaign obligations if the aggregate value of such assets exceeds $5,000. The value of "other assets" shall be determined by the fair market value of each item on the candidate's date of ineligibility or on the date the item is acquired if acquired after the date of ineligibility. A list of other assets shall be maintained by the committee in accordance with 11 CFR 9033.11(d)(2).

(d) Collectibility of accounts receivable. If the committee determines that an account receivable of $500 or more, including any credit, refund, return or rebate, is not collectible in whole or in part, the committee shall demonstrate through documentation that the determination was commercially reasonable. The documentation shall include records showing the original amount of the account receivable, copies of correspondence and memoranda of communications with the debtor showing attempts to collect the amount due, and an explanation of how the lesser amount or full writeoff was determined.

205
(e) Contributions received from joint fundraising activities conducted under 11 CFR 9034.8 may be used to pay a candidate's outstanding campaign obligations.

(1) Such contributions shall be deemed monies available to pay outstanding campaign obligations as of the date these funds are received by the fundraising representative committee and shall be included in the candidate's statement of net outstanding campaign obligations.

(2) The amount of money deemed available to pay a candidate's net outstanding campaign obligations will equal either—

(i) An amount calculated on the basis of the predetermined allocation formula, as adjusted for 2 U.S.C. 441a limitations; or

(ii) If a candidate receives an amount greater than that calculated under 11 CFR 9034.5(e)(2)(i), the amount actually received.

(f) The candidate shall submit a revised statement of net outstanding campaign obligations with each submission for matching funds payments filed after the candidate's date of ineligibility. The revised statement shall reflect the financial status of the campaign as of the close of business on the last business day preceding the date of submission for matching funds. The revised statement shall also contain a brief explanation of each change in the committee's assets and obligations from the previous statement.

(g)(1) If the Commission receives information indicating that substantial assets of the candidate's authorized committee(s) have been undervalued or not included in the statement or that the amount of outstanding campaign obligations has been otherwise overstated in relation to campaign assets, the Commission may decide to temporarily suspend further matching payments pending a final determination whether the candidate is entitled to receive all or a portion of the matching funds requested.

(2) In making a determination under 11 CFR 9034.5(g)(1), the Commission will follow the procedures for initial and final determinations under 11 CFR 9033.10 (b) and (c). The Commission will notify the candidate of its initial determination within 15 business days after receipt of the candidate's statement of net outstanding campaign obligations. Within 15 business days after service of the Commission's notice, the candidate may submit written legal or factual materials to demonstrate that he or she has net outstanding campaign obligations that entitle the campaign to further matching payments.

(3) If the candidate demonstrates that the amount of outstanding campaign obligations still exceeds campaign assets, he or she may continue to receive matching payments.

(4) Following a final determination under this section, the candidate may file a petition for rehearing in accordance with 11 CFR 9038.5(a).

§ 9034.6 Reimbursements for transportation and services made available to media personnel.

(a) If an authorized committee incurs expenditures for transportation, ground services and facilities (including air travel, ground transportation, housing, meals, telephone service, and typewriters) made available to media personnel, such expenditures will be considered qualified campaign expenses subject to the overall expenditure limitations of 11 CFR 9035.1(a).

(b) If reimbursement for such expenditures is received by a committee, the amount of such reimbursement for each individual shall not exceed either: The individual's pro rata share of the actual cost of the transportation and services made available; or a reasonable estimate of the individual's pro rata share of the actual cost of the transportation and services made available. An individual's pro rata share shall be calculated by dividing the total number of individuals to whom such transportation and services are made available into the total cost of the transportation and services. The total amount of reimbursements received from an individual under this section shall not exceed the actual pro rata cost of the transportation and services made available to that person by more than 10%.
(c) The total amount paid by an authorized committee for the cost of transportation or for ground services and facilities shall be reported as an expenditure in accordance with 11 CFR 104.3(b)(2)(i). Any reimbursement received by such committee for transportation or ground services and facilities shall be reported in accordance with 11 CFR 104.3(a)(3)(ix).

(d)(1) The committee may deduct from the amount of expenditures subject to the overall expenditure limitation of 11 CFR 9035.1(a) the amount of reimbursements received for the actual cost of transportation and services provided under paragraph (a) of this section. The committee may also deduct from the overall expenditure limitation an additional amount of reimbursements received equal to 3% of the actual cost of transportation and services provided under this section as the administrative cost to the committee of providing such services to media personnel and seeking reimbursement for them. If the committee has incurred higher administrative costs in providing these services, the committee must document the total cost incurred for such services in order to deduct a higher amount of reimbursements received from the overall expenditure limitation. Amounts paid by the committee for transportation, services and administrative costs for which no reimbursement is received will be considered qualified campaign expenses subject to the overall expenditure limitation in accordance with paragraph (a) of this section.

(2) For the purposes of this section, "administrative costs" shall include all costs incurred by the committee for making travel arrangements for media personnel and for seeking reimbursements, whether performed by committee staff or independent contractors.

§ 9034.7 Allocation of travel expenditures.

(a) Notwithstanding the provisions of 11 CFR Part 106, expenditures for travel relating to the campaign of a candidate seeking nomination for election to the office of President by any individual, including a candidate, shall, pursuant to the provisions of 11 CFR 9034.7(b), be qualified campaign expenses and be reported by the candidate's authorized committee(s) as expenditures.

(b)(1) For a trip which is entirely campaign-related, the total cost of the trip shall be a qualified campaign expense and a reportable expenditure.

(2) For a trip which includes campaign-related and non-campaign related stops, that portion of the cost of the trip allocable to campaign activity shall be a qualified campaign expense and a reportable expenditure. Such portion shall be determined by calculating what the trip would have cost from the point of origin of the trip to the first campaign-related stop and from that stop through each subsequent campaign-related stop, back to the point of origin. If any campaign activity, other than incidental contacts, is conducted at a stop, that stop shall be considered campaign-related.

(3) For each trip, an itinerary shall be prepared and such itinerary shall be made available for Commission inspection.

(4) For trips by government conveyance or by charter, a list of all passengers on such trip, along with a designation of which passengers are and which are not campaign-related, shall be made available for Commission inspection.

(5) If any individual, including a candidate, uses government conveyance or accommodations paid for by a government entity for campaign-related travel, the candidate's authorized committee shall pay the appropriate government entity an amount equal to:

(i) The first class commercial air fare plus the cost of other services, in the case of travel to a city served by a regularly scheduled commercial service; or

(ii) The commercial charter rate plus the cost of other services, in the case of travel to a city not served by a regularly scheduled commercial service.

(6) Travel expenses of a candidate's spouse and family when accompanying the candidate on campaign-related travel may be treated as qualified campaign expenses and reportable expenditures. If the spouse or family members conduct campaign-related activities, their travel expenses will be treated as qualified campaign expenses and reportable expenditures.
§ 9034.8 Joint Fundraising.

(a) General—(1) Permissible participants. Presidential primary candidates who receive matching funds under this subchapter may engage in joint fundraising with other candidates, political committees or unregistered committees or organizations.

(2) Use of funds. Contributions received as a result of a candidate's participation in a joint fundraising activity under this section may be—

(i) Submitted for matching purposes in accordance with the requirements of 11 CFR 9034.2 and the Federal Election Commission's Guideline for Presentation in Good Order;

(ii) Used to pay a candidate's net outstanding campaign obligations as provided in 11 CFR 9034.5;

(iii) Used to defray qualified campaign expenses;

(iv) Used to defray exempt legal and accounting costs; or

(v) If in excess of a candidate's net outstanding campaign obligations or expenditure limit, used in any manner consistent with 11 CFR 113.2, including repayment of funds under 11 CFR Part 9038.

(b) Fundraising representatives—(1) Establishment or selection of fundraising representative. The participants in a joint fundraising effort under this section shall either establish a separate committee or select a participating committee, to act as fundraising representative for all participants. The fundraising representative shall be a reporting political committee and an authorized committee of each candidate.

(2) Separate fundraising committee as fundraising representative. A separate fundraising committee established by the participants to act as fundraising representative for all participants shall—

(i) Be established as a reporting political committee under 11 CFR 100.5;

(ii) Collect contributions;

(iii) Pay fundraising costs from gross proceeds and funds advanced by participants; and

(iv) Disburse net proceeds to each participant.

(3) Participating committee as fundraising representative. A participant selected to act as fundraising representative for all participants shall—

(i) Be a political committee as defined in 11 CFR 100.5;

(ii) Collect contributions; however, other participants may also collect contributions and then forward them to the fundraising representative as required by 11 CFR 102.8;

(iii) Pay fundraising costs from gross proceeds and funds advanced by participants; and

(iv) Disburse net proceeds to each participant.

(4) Independent fundraising agent. The participants or the fundraising representative may hire a commercial fundraising firm or other agent to assist in conducting the joint fundraising activity. In that case, however, the fundraising representative shall still be responsible for ensuring that the recordkeeping, reporting and documentation requirements set forth in this subchapter are met.
§ 9034.8

(c) Joint fundraising procedures. Any joint fundraising activity under this section shall be conducted in accordance with the following requirements:

(1) Written agreement. The participants in a joint fundraising activity shall enter into a written agreement, whether or not all participants are political committees under 11 CFR 100.5. The written agreement shall identify the fundraising representative and shall state a formula for the allocation of fundraising proceeds. The participants shall also use the formula to allocate the expenses incurred for the fundraising activity. The fundraising representative shall retain the written agreement for a period of three years and shall make it available to the Commission on request.

(2) Funds advanced for fundraising costs. (i) Except as provided in 11 CFR 9034.8(c)(2)(I), the amount of funds advanced by each participant for fundraising costs shall be in proportion to the allocation formula agreed upon under 11 CFR 9034.8(c)(1).

(ii) A participant may advance more than its proportionate share of the fundraising costs; however, the amount advanced which is in excess of the participant’s proportionate share shall not exceed the amount that participant could legally contribute to the remaining participants. See 11 CFR 102.12(c)(2) and Part 110.

(3) Fundraising notice. In addition to any notice required under 11 CFR 110.11, a joint fundraising notice shall be included with every solicitation for contributions.

(i) This notice shall include the following information:

(A) The names of all committees participating in the joint fundraising activity whether or not such committees are political committees under 11 CFR 100.5;

(B) The allocation formula to be used for distributing joint fundraising proceeds;

(C) A statement informing contributors that, notwithstanding the stated allocation formula, they may designate their contributions for a particular participant or participants; and

(D) A statement informing contributors that the allocation formula may change if a contributor makes a contribution which would exceed the amount that contributor may give to any participant.

(ii) If one or more participants engage in the joint fundraising activity solely to satisfy outstanding debts, the notice shall also contain a statement informing contributors that the allocation formula may change if a participant receives sufficient funds to pay its outstanding debts.

(4) Separate depository account. (i) The participants or the fundraising representative shall establish a separate depository account to be used solely for the receipt and disbursement of the joint fundraising proceeds. All contributions deposited into the separate depository account must be permissible under Title 2, United States Code. Each political committee shall amend its Statement of Organization to reflect the account as an additional depository.

(ii) The fundraising representative shall deposit all joint fundraising proceeds in the separate depository account within ten days of receipt as required by 11 CFR 103.3. The fundraising representative may delay distribution of the fundraising proceeds to the participants until all contributions are received and all expenses are paid.

(iii) For contribution reporting and limitation purposes, the date of receipt of a contribution by a participating political committee is the date that the contribution is received by the fundraising representative. The fundraising representative shall report contributions in the reporting period in which they are received. Participating political committees shall report joint fundraising proceeds in accordance with 11 CFR 9034.8(c)(9) when such funds are received from the fundraising representative.

(5) Recordkeeping requirements. (i) The fundraising representative and participating committees shall screen all contributions received to insure that the prohibitions and limitations of 11 CFR Parts 110 and 114 are observed. Participating political committees shall make their contributor records available to the fundraising representative to enable the fundrais-
(ii) The fundraising representative shall collect and retain contributor information with regard to gross proceeds as required under 11 CFR 102.8 and shall also forward such information to participating political committees.

(iii) The fundraising representative shall retain the records required under 11 CFR 9033.11 regarding fundraising disbursements for a period of three years. Commercial fundraising firms or agents shall forward such information to the fundraising representative.

(6) Contribution limitations. Except to the extent that the contributor has previously contributed to any of the participants, a contributor may make a contribution to the joint fundraising effort which contribution represents the total amount that the contributor could contribute to all of the participants under the applicable limits of 11 CFR 110.1 and 110.2.

(7) Allocation of gross proceeds. (i) The fundraising representative shall allocate proceeds according to the formula stated in the fundraising agreement. Each contribution received shall be allocated among the participants in accordance with the allocation formula, unless the circumstances described in paragraphs (c)(7)(i), (iii) or (iv) of this section apply. Funds may not be distributed or reallocated so as to maximize the matchability of the contributions.

(ii) If distribution according to the allocation formula extinguishes the debts of one or more participants or if distribution under the formula results in a violation of the contribution limits of 11 CFR 110.1(b), the fundraising representative may reallocate the surplus funds. Candidates seeking to extinguish outstanding debts shall not reallocate in reliance on the receipt of matching funds to pay the remainder of their debts; rather, all funds to which a participant is entitled under the allocation formula shall be deemed funds available to pay the candidate's outstanding campaign obligations as provided in 11 CFR 9034.5(c).

(iii) Reallocation shall be based upon the remaining participants' proportionate shares under the allocation formula. If reallocation results in a violation of a contributor's limit under 11 CFR 110.1, the fundraising representative shall return to the contributor the amount of the contribution that exceeds the limit.

(iv) Earmarked contributions which exceed the contributor's limit to the designated participant under 11 CFR Part 110 may not be reallocated by the fundraising representative without the written permission of the contributor. A written instrument made payable to one of the participants shall be considered an earmarked contribution unless a written statement by the contributor indicates that it is intended for inclusion in the general proceeds of the fundraising activity.

(8) Allocation of expenses and distribution of net proceeds. (i) If participating committees are not affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity and are not committees of the same political party:

(A) After gross contributions are allocated among the participants under 11 CFR 9034.8(c)(7), the fundraising representative shall calculate each participant's share of expenses based on the percentage of the total receipts each participant had been allocated. To calculate each participant's net proceeds, the fundraising representative shall subtract the participant's share of expenses from the amount that participant has been allocated from gross proceeds.

(B) A participant may only pay expenses on behalf of another participant subject to the contribution limits of 11 CFR Part 110.

(C) The expenses from a series of fundraising events or activities shall be allocated among the participants on a per-event basis regardless of whether the participants change or remain the same throughout the series.

(ii) If participating committees are affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity or if participants are party committees of the same political party, expenses need not be allocated among those participants. Payment of such expenses by an unregistered committee or organization on behalf of an affli-
ated political committee may cause the unregistered organization to become a political committee.

(iii) Payment of expenses may be made from gross proceeds by the fundraising representative.

9 Reporting of receipts and disbursements—(i) Reporting receipts. (A) The fundraising representative shall report all funds received in the reporting period in which they are received. Each Schedule A filed by the fundraising representative under this section shall clearly indicate that the contributions reported on that schedule represent joint fundraising proceeds.

(B) After distribution of net proceeds, each participating political committee shall report its share of net proceeds received as a transfer in from the fundraising representative. Each participating political committee shall also file a memo Schedule A itemizing its share of gross receipts as contributions from original contributors to the extent required under 11 CFR 104.3(a).

(ii) Reporting disbursements. The fundraising representative shall report all disbursements in the reporting period in which they are made. Each participant shall report in a memo schedule B his or her total allocated share of these disbursements in the same reporting period in which net proceeds are distributed and reported and include the amount on page 4 of Form 3-P, under “Expenditures Subject to Limit.”

§ 9034.9 Sale of assets acquired for fundraising purposes.

(a) General. A candidate may sell assets donated to the campaign or otherwise acquired for fundraising purposes (See 11 CFR 9034.5(b)(2)), subject to the limitations and prohibitions of Title 2, United States Code and 11 CFR Parts 110 and 114.

(b) Sale after end of matching payment period. A candidate whose outstanding debts exceed his or her cash on hand after the end of the matching payment period as determined under 11 CFR 9032.6 may dispose of assets acquired for fundraising purposes in a sale to a wholesaler or other intermediary who will in turn sell such assets to the public, provided that the sale to the wholesaler or intermediary is an arms-length transaction. Sales made under this subsection will not be subject to the limitations and prohibitions of Title 2, United States Code and 11 CFR Parts 110 and 114.

PART 9035—EXPENDITURE LIMITATIONS

Sec. 9035.1 Campaign expenditure limitation.

9035.2 Limitation on expenditures from personal or family funds.

AUTHORITY: 26 U.S.C. 9035 and 9039(b).

SOURCE: 52 FR 20903, June 3, 1987, unless otherwise noted.

§ 9035.1 Campaign expenditure limitation.

(a)(1) No candidate or his or her authorized committee(s) shall knowingly incur expenditures in connection with the candidate's campaign for nomination, which expenditures, in the aggregate, exceed $10,000,000 (as adjusted under 2 U.S.C. 441a(c)), except that the aggregate expenditures by a candidate in any one State shall not exceed the greater of: 16 cents (as adjusted under 2 U.S.C. 441a(c)) multiplied by the voting age population of the State (as certified under 2 U.S.C. 441a(e)); or $200,000 (as adjusted under 2 U.S.C. 441a(c)).

(2) The Commission will calculate the amount of expenditures attributable to the overall expenditure limit or to a particular state using the full amounts originally charged for goods and services rendered to the committee and not the amounts for which such obligations were settled and paid, unless the committee can demonstrate that the lower amount paid reflects a reasonable settlement of a bona fide dispute with the creditor.

(b) Each candidate receiving or expecting to receive matching funds under this subchapter shall also allocate his or her expenditures in accordance with the provisions of 11 CFR 106.2.

(c) A candidate may exclude from the overall expenditure limitation of 11 CFR 9035.1 an amount equal to 10% of salaries and overhead expenditures of his or her national campaign headquarters and state offices as an
exempt legal and accounting compliance cost under 11 CFR 100.8(b)(15).

For purposes of this section overhead expenditures include, but are not limited to rent, utilities, office equipment, furniture, supplies, and telephone base service charges. An additional amount of 10% of such salaries and overhead expenditures may be excluded from the overall expenditure limitation of 11 CFR 9035.1 as exempt fundraising expenditures but this exemption shall not apply within 28 days of the primary election as specified in 11 CFR 110.8(c)(2). Any amount excluded for fundraising expenditures shall be applied against the fundraising expenditure limitation under 11 CFR 100.8(b)(21). If the candidate wishes to claim a larger compliance or fundraising exemption for any person, the candidate shall establish allocation percentages for each individual who spends all or a portion of his or her time to perform duties which are considered compliance or fundraising. The candidate shall keep detailed records to support the derivation of each percentage. Such records shall indicate which duties are considered compliance or fundraising and the percentage of time each person spends on such activity. Alternatively, the Commission's Financial Control and Compliance Manual for Presidential Primary Candidates contains some other accepted allocation methods for calculating a compliance or fundraising exemption.

(1) Exempt compliance costs are those legal and accounting costs incurred solely to ensure compliance with 26 U.S.C. 9031 et seq., 2 U.S.C. 431 et seq., and 11 CFR Chapter I, including the costs of preparing matching fund submissions. The costs of preparing matching fund submissions shall be limited to those functions not required for general contribution processing and shall include the costs associated with: Generating the matching fund submission list and the matching fund computer tape for each submission, edits of the contributor data base that are related to preparing a matching fund submission, making photocopies of contributor checks, and seeking additional documentation from contributors for matching purposes.

The costs associated with general contribution processing shall include those normally performed for fundraising purposes, or for compliance with the recordkeeping and reporting requirements of 11 CFR Part 100 et seq., such as data entry, batching contributions for deposit, and preparation of FEC reports.

(2) Exempt fundraising expenses are those expenses associated with the solicitation of contributions. They include printing and postage for solicitations, air time for fundraising advertisements and the cost of meals and beverages for fundraising receptions or dinners.

(d) The expenditure limitations of 11 CFR 9035.1 shall not apply to a candidate who does not receive matching funds at any time during the matching payment period.

§ 9035.2 Limitation on expenditures from personal or family funds.

(a)(1) No candidate who has accepted matching funds shall knowingly make expenditures from his or her personal funds, or funds of his or her immediate family, in connection with his or her campaign for nomination for election to the office of President which exceed $50,000, in the aggregate. This section shall not operate to prohibit any member of the candidate's immediate family from contributing his or her personal funds to the candidate, subject to the limitations of 11 CFR Part 110. The provisions of this section also shall not limit the candidate's liability for, nor the candidate's ability to pay, any repayments required under 11 CFR Part 9038. If the candidate or his or her committee knowingly incurs expenditures in excess of the limitations of 11 CFR 110.8(a), the Commission may seek civil penalties under 11 CFR Part 111 in addition to any repayment determinations made on the basis of such excessive expenditures.

(2) Expenditures made using a credit card for which the candidate is jointly or solely liable will count against the limits of this section to the extent that the full amount due, including any finance charge, is not paid by the committee within 60 days after the
closing date of the billing statement on which the charges first appear. For purposes of this section, the "closing date" shall be the date indicated on the billing statement which serves as the cutoff date for determining which charges are included on that billing statement.

(b) For purposes of this section, the term "immediate family" means a candidate, spouse, and any child, parent, grandparent, brother, half-brother, sister, or half-sister of the candidate, and the spouses of such persons.

(c) For purposes of this section, "personal funds" has the same meaning as specified in 11 CFR 110.10.

At any time after January 1 of the year immediately preceding the Presidential election year, the candidate may submit a threshold submission for matching fund payments in accordance with the format for such submissions set forth in 11 CFR 9036.1(b). The candidate may submit the threshold submission simultaneously with or subsequent to his or her submission of the candidate agreement and certifications required by 11 CFR 9033.1 and 9033.2.

(b) Format for threshold submission.

(1) For each State in which the candidate certifies that he or she has met the requirements of the certifications in 11 CFR 9033.2(b), the candidate shall submit an alphabetical list of contributors showing:

(i) Each contributor’s full name and residential address;

(ii) The occupation and name of employer for individuals whose aggregate contributions exceed $200 in the calendar year;

(iii) The date of deposit of each contribution into the designated campaign depository;

(iv) The full dollar amount of each contribution submitted for matching purposes;

(v) The matchable portion of each contribution submitted for matching purposes;

(vi) The aggregate amount of all matchable contributions from that contributor submitted for matching purposes;

(vii) A notation indicating which contributions were received as a result of joint fundraising activities.

(2) The candidate shall submit a full-size photocopy of each check or written instrument and of supporting documentation in accordance with 11 CFR 9034.2 for each contribution that the candidate submits to establish eligibility for matching funds. For purposes of the threshold submission, the photocopies shall be segregated alphabetically by contributor within each State, and shall be accompanied by and referenced to copies of the relevant deposit slips.

(3) The candidate shall submit bank documentation, such as bank-validated deposit slips or unvalidated deposit slips accompanied by the relevant bank statements, which indicate that the contributions submitted were deposited into a designated campaign depository.

(4) For each State in which the candidate certifies that he or she has met the requirements to establish eligibility, the candidate shall submit a listing, alphabetically by contributor, of all checks returned by the bank to date as unpaid (e.g., stop payments, non-sufficient funds) regardless of whether the contribution was submitted for matching. This listing shall be accompanied by a full-size photocopy of each unpaid check, and copies of the associated debit memo and bank statement.

(5) The candidate shall submit all contributions in accordance with the Federal Election Commission’s Guideline for Presentation In Good Order.
§ 9036.2 Additional submissions for matching fund payments.

(a) Time for submission of additional submissions. The candidate may submit additional submissions for payments to the Commission on dates to be determined and published by the Commission.

(b) Format for additional submissions. The candidate may obtain additional matching fund payments subsequent to the Commission's threshold certification and payment of primary matching funds to the candidate by filing an additional submission for payment. All additional submissions for payments filed by the candidate shall be made in accordance with the Federal Election Commission's Guideline for Presentation in Good Order.

(1) The first submission for matching funds following the candidate's threshold submission shall contain all the matchable contributions included in the threshold submission and any additional contributions to be submitted for matching in that submission. This submission shall contain all the information required for the threshold submission except that:

(i) The candidate is not required to resubmit the candidate agreement and certifications of 11 CFR 9033.1 and 9033.2;

(ii) The candidate is required to submit an alphabetical list of contributors, but not segregated by State as required in the threshold submission;

(iii) The candidate is required to submit a listing, alphabetical by contributor, of all checks returned unpaid, but not segregated by State as required in the threshold submission;

(iv) The occupation and employer's name need not be disclosed on the contributor list for individuals whose aggregate contributions exceed $200 in the calendar year, but such information is subject to the recordkeeping and reporting requirements of 2 U.S.C. 432(c)(3), 434(b)(3)(A) and 11 CFR 102.9(a)(2), 104.3(a)(4)(i); and

(v) The photocopies of each check or written instrument and of supporting documentation shall either be alphabetized and referenced to copies of the relevant deposit slip, but not segregated by State as required in the threshold submission; or such photocopies may be batched in deposits of 50 contributions or less and cross-referenced by deposit number and sequence number within each deposit on the contributor list.

(2) Following the first submission under 11 CFR 9036.2(b)(1), candidates may request additional matching funds on dates prescribed by the Commission by making a letter request in lieu of making a full submission as required under 11 CFR 9036.2(b)(1), however, letter requests may not be submitted after the candidate's date of ineligibility. Letter requests shall state an amount of matchable contributions not previously submitted for matching and shall provide bank documentation, such as bank-validated deposit slips or unvalidated deposit slips accompanied by the relevant bank statement, demonstrating that the committee has received the funds for which matching
payments are requested. The amount requested for matching may include contributions received up to the last business day preceding the date of the request. On the next submission date as designated for that committee after a letter request has been made, the committee shall submit the documentation required under 11 CFR 9036.2(b)(1) for all contributions included in the letter request, as well as any contributions submitted for matching in that full submission. A committee may not submit two consecutive letter requests, but the committee may choose to make a full regular submission on a date designated by the Commission as a letter request date for that committee.

(c) Certification of additional payments by Commission. (1)(i) When a candidate who is eligible under 11 CFR 9033.4 submits an additional submission for payment in the Presidential election year, the Commission may certify to the Secretary within 5 business days after the Commission's receipt of information submitted by the candidate under 11 CFR 9036.2(a), an amount based on the holdback procedure described in the Federal Election Commission's Guideline for Presentation in Good Order. If the candidate makes a letter request, the Commission may certify to the Secretary an amount which is less than that requested based upon the ratio of verified matchable contributions to total deposits for that committee in the committee's last regular submission.

(ii) The Commission will certify to the Secretary any additional amount to which the eligible candidate is entitled, if any, within 20 business days after the Commission's receipt of information submitted by the candidate under 11 CFR 9036.2(a), unless the projected dollar value of the nonmatchable contributions contained in the submission exceeds 10% of the amount requested. In the latter case, the Commission will certify any amount to which the ineligible candidate is entitled within 25 business days.

(d) Additional submissions submitted in non-Presidential election year. The candidate may submit additional contributions for review during the year preceding the Presidential election year; however, the amount of each submission made during this period must exceed $50,000. Additional submissions filed by a candidate in a non-Presidential election year will not result in payment of matching funds to the candidate until after January 1 of the Presidential election year.

§9036.3 Submission errors and insufficient documentation.

Contributions which are otherwise matchable may be rejected for matching purposes because of submission errors or insufficient supporting documentation. Contributions, other than those defined in 11 CFR 9034.3 or in the form of money orders, cashier's checks, or similar negotiable instruments, may become matchable if there is a proper resubmission in accordance with 11 CFR 9036.5 and 9036.6. Insufficient documentation or submission errors include but are not limited to:

(a) Discrepancies in the written instrument, such as:

(1) Instruments drawn on other than personal accounts of contributors and not signed by the contributing individual;

(2) Signature discrepancies; and

(3) Lack of the contributor's signature, the amount or date of the contribution, or the listing of the committee or candidate as payee.

(b) Discrepancies between listed contributions and the written instrument or supporting documentation, such as:

(1) The listed amount requested for matching exceeds the amount contained on the written instrument;
§ 9036.4

(2) A written instrument has not been submitted to support a listed contribution;

(3) The submitted written instrument cannot be associated either by account holder identification or signature with the listed contributor;

(4) A discrepancy between the listed contribution and the supporting bank documentation or the bank documentation is omitted.

(c) Discrepancies within or between contributor lists submitted, such as:

(1) The address of the contributor is omitted or incomplete or the contributor's name is alphabetized incorrectly, or more than one contributor is listed per item;

(2) A discrepancy in aggregation within or between submissions which results in a request that more than $250 be matched for that contributor, or a listing of a contributor more than once within the same submission; or

(3) A written instrument has been previously submitted and matched in full or is listed twice in the same submission.

(d) The omission of information, supporting statements, or documentation required by 11 CFR 9034.2.

§ 9036.4 Commission review of submissions.

(a) Non-acceptance of submission for review of matchability. The Commission will make an initial review of each submission made under 11 CFR Part 9036 to determine if it substantially meets the format requirements of 11 CFR 9036.1(b) and 9036.2(b) and the Federal Election Commission's Guideline for Presentation in Good Order. If the Commission determines that a submission does not substantially meet these requirements, it will not review the matchability of the contributions contained therein. In such a case, the Commission will return the submission to the candidate and request that it be corrected in accordance with the format requirements. If the candidate makes a corrected submission within 3 business days after the Commission's return of the original, the Commission will review the corrected submission prior to the next regularly-scheduled submission date. Corrected submissions made after this three day period will be reviewed subsequent to the next regularly-scheduled submission date.

(b) Acceptance of submission for review of matchability. If the Commission determines that a submission made under 11 CFR Part 9036 satisfies the format requirements of 11 CFR 9036.1(b) and 9036.2(b) and the Federal Election Commission's Guideline for Presentation in Good Order, it will review the matchability of the contributions contained therein. The Commission, in conducting its review, may utilize statistical sampling techniques. Based on the results of its review, the Commission may calculate a matchable amount for the submission which is less than the amount requested by the candidate. If the Commission certifies for payment to the Secretary an amount that is less than the amount requested by the candidate in a particular submission, or reduces the amount of a subsequent certification to the Secretary by adjusting a previous certification made under 11 CFR 9036.2(c)(1), the Commission will notify the candidate in writing of the following:

(1) The amount of the difference between the amount requested and the amount to be certified by the Commission;

(2) The amount of each contribution and the corresponding contributor's name for each contribution that the Commission has rejected as nonmatchable and the reason that it is not matchable; or if statistical sampling is used, the estimated amount of contributions by type and the reason for rejection;

(3) The amount of contributions that have been determined to be matchable and that the Commission will certify to the Secretary for payment; and

(4) A statement that the candidate may supply the Commission with additional documentation or other information in the resubmission of any rejected contribution under 11 CFR 9036.5 in order to show that a rejected contribution is matchable under 11 CFR 9034.2.

(c) Adjustment of amount to be certified by Commission. The candidate shall notify the Commission as soon as
possible if the candidate or the candidate's authorized committee(s) has knowledge that a contribution submitted for matching does not qualify under 11 CFR 9034.2 as a matchable contribution, such as a check returned to the committee for insufficient funds or a contribution that has been refunded, so that the Commission may properly adjust the amount to be certified for payment.

(d) Commission audit of submissions. The Commission may determine, for the reasons stated in 11 CFR Part 9039, that an audit and examination of contributions submitted for matching payment is warranted. The audit and examination shall be conducted in accordance with the procedures of 11 CFR Part 9039.

§ 9036.5 Resubmissions.

(a) Alternative resubmission methods. Upon receipt of the Commission's notice of the results of the submission review pursuant to 11 CFR 9036.4(b), a candidate may choose to:

(1) Resubmit the entire submission; or

(2) Make a written request for the identification of the specific contributions that were rejected for matching, and resubmit those specific contributions.

(b) Time for presentation of resubmissions. If the candidate chooses to resubmit any contributions under 11 CFR 9036.5(a), the contributions shall be resubmitted on dates to be determined and published by the Commission. The candidate may not make any resubmissions later than the first Tuesday in September of the year following the Presidential election year.

(c) Format for resubmissions. All resubmissions filed by the candidate shall be made in accordance with the Federal Election Commission's Guide for Presentation in Good Order. In making a presentation of resubmitted contributions, the candidate shall follow the format requirements as specified in 11 CFR 9036.2(b)(1), except that:

(1) The candidate need not provide photocopies of written instruments, supporting documentation and bank documentation unless it is necessary to supplement the original documentation.

(2) Each resubmitted contribution shall be referenced to the submission in which it was first presented.

(3) Each list of resubmitted contributions shall reflect the aggregate amount of contributions submitted for matching from each contributor as of the date of the original submission.

(4) Each list of resubmitted contributions shall reflect the aggregate amount of contributions submitted for matching from each contributor as of the date of the resubmission.

(5) Each list of resubmitted contributions shall only contain contributions previously submitted for matching and no new or additional contributions.

(6) Each resubmission shall be accompanied by a statement that the candidate has corrected his or her contributor records (including the database for those candidates maintaining their contributor list on computer).

(d) Certification of resubmitted contributions. Contributions that the Commission determines to be matchable will be certified to the Secretary within 15 business days. If the candidate chooses to request the specific contributions rejected for matching pursuant to 11 CFR 9036.5(a)(2), the amount certified shall equal only the matchable amount of the particular contribution that meets the standards on resubmission, rather than the amount projected as being nonmatchable based on that contribution due to the sampling techniques used in reviewing the original submission.

(e) Initial determinations. If the candidate resubmits a contribution for matching and the Commission determines that the rejected contribution is still nonmatchable, the Commission will notify the candidate in writing of its determination. The Commission will advise the candidate of the legal and factual reasons for its determination and of the evidence on which that determination is based. The candidate may submit written legal or factual materials to demonstrate that the contribution is matchable within 30 calendar days after service of the Commission's notice. Such materials may be...
§ 9036.6 submitted by counsel if the candidate so desires.

(f) Final determinations. The Commission will consider any written legal or factual materials timely submitted by the candidate in making its final determination. A final determination by the Commission that a contribution is not matchable will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the reasons underlying the Commission's determination and will summarize the results of any investigation upon which the determination is based.

§ 9036.6 Continuation of certification.

Candidates who have received matchable funds and who are eligible to continue to receive such funds may continue to submit additional submissions for payment to the Commission on dates specified in the Federal Election Commission's Guideline for Presentation in Good Order. The Commission will notify each candidate of the last date on which contributions may be submitted for the first time for matching in the year following the election. The last date for first-time submissions will be either the last Monday in February or the second Monday in March of the year following the election, depending on the submission schedule the Commission has designated for the candidate. No contribution will be matched if it is submitted after the last submission date designated for that candidate, regardless of the date the contribution was deposited.

§ 9038.1 Audit.

(a) General. (1) The Commission will conduct an audit of the qualified campaign expenses of every candidate and his or her authorized committee(s) who received Presidential primary matching funds. The audit may be conducted at any time after the date of the candidate's ineligibility.

(2) In addition, the Commission may conduct other examinations and audits from time to time as it deems
necessary to carry out the provisions of this subchapter.

(3) Information obtained pursuant to any audit and examination conducted under 11 CFR 9038.1(a) (1) and (2) may be used by the Commission as the basis, or partial basis, for its repayment determinations under 11 CFR 9038.2.

(b) Conduct of fieldwork. (1) The Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee.

(i) Office space and records. On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall provide Commission staff with office space and committee records in accordance with the candidate and committee agreement under 11 CFR 9033.1(b)(6).

(ii) Availability of committee personnel. On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall have committee personnel present at the site of the fieldwork. Such personnel shall be familiar with the committee's records and operation and shall be available to Commission staff to answer questions and to aid in locating records.

(iii) Failure to provide staff, records or office space. If the candidate or his or her authorized committee(s) fail to provide adequate office space, personnel or committee records, the Commission may seek judicial intervention under 2 U.S.C. 437d or 26 U.S.C. 9040(c) to enforce the candidate and committee agreement made under 11 CFR 9033.1(b). Before seeking judicial intervention, the Commission will notify the candidate of his or her failure to comply with the agreement and will recommend corrective action to bring the candidate into compliance. Upon receipt of the Commission's notification, the candidate will have 10 calendar days in which to take the corrective action indicated or to otherwise demonstrate to the Commission in writing that he or she is complying with the candidate and committee agreement.

(iv) If, in the course of the audit process, a dispute arises over the documentation sought or other requirements of the candidate agreement, the candidate may seek review by the Commission of the issues raised. To seek review, the candidate shall submit a written statement, within 10 calendar days after the disputed Commission staff request is made, describing the dispute and indicating the candidate's proposed alternative(s).

(2) Fieldwork will include the following steps designed to keep the candidate and committee informed as to the progress of the audit and to expedite the process:

(i) Entrance conference. At the outset of the fieldwork, Commission staff will hold an entrance conference, at which the candidate's representatives will be advised of the purpose of the audit and the general procedures to be followed. Future requirements of the candidate and his or her authorized committee, such as possible repayments to the United States Treasury, will also be discussed. Committee representatives shall provide information and records necessary to conduct the audit, and Commission staff will be available to answer committee questions.

(ii) Review of records. During the fieldwork, Commission staff will review committee records and may conduct interviews of committee personnel. Commission staff will be available to explain aspects of the audit and examination as it progresses. Additional meetings between Commission staff and committee personnel may be held from time to time during the fieldwork to discuss possible audit findings and to resolve issues arising during the course of the audit.

(iii) Exit conference. At the conclusion of the fieldwork, Commission staff will hold an exit conference to discuss with committee representatives the staff's preliminary findings and recommendations which the Commission staff anticipates that it may present to the Commission for approval. Commission staff will advise committee representatives at this conference of the projected timetable re-
§ 9038.1 11 CFR Ch. I (1-1-88 Edition)

The issuance of an audit report, the committee's opportunity to respond thereto, and the Commission's initial and final repayment determinations under 11 CFR 9038.2.

(3) Commission staff may conduct additional fieldwork after the completion of the fieldwork conducted pursuant to 11 CFR 9038.1(b) (1) and (2). Factors that may necessitate such follow-up fieldwork include, but are not limited to, the following:

(i) Committee responses to audit findings;

(ii) Financial activity of the committee subsequent to the fieldwork conducted pursuant to 11 CFR 9038.1(b)(1);

(iii) Committee responses to Commission repayment determinations made under 11 CFR 9038.2.

(4) The Commission will notify the candidate and his or her authorized committee if follow-up fieldwork is necessary. The provisions of 11 CFR 9038.1(b) (1) and (2) shall apply to any additional fieldwork conducted.

(c) Preparation of interim audit report. (1) After the completion of the fieldwork conducted pursuant to 11 CFR 9038.1(b)(1), the Commission will issue an interim audit report to the candidate and his or her authorized committee. The interim audit report may contain Commission findings and recommendations regarding one or more of the following areas:

(i) An evaluation of procedures and systems employed by the candidate and committee to comply with applicable provisions of the Federal Election Campaign Act, Primary Matching Payment Account Act and Commission regulations;

(ii) Eligibility of the candidate to receive primary matching payments;

(iii) Accuracy of statements and reports filed with the Commission by the candidate and committee;

(iv) Compliance of the candidate and committee with applicable statutory and regulatory provisions except for those instances where the Commission has instituted an enforcement action on the matter(s) under the provisions of 2 U.S.C. 437g and 11 CFR Part 111; and

(v) Preliminary calculations regarding future repayments to the United States Treasury.

(2) The candidate and his or her authorized committee will have an opportunity to submit, in writing, within 30 calendar days after service of the interim report, legal and factual materials disputing or commenting on the contents of the interim report. Such materials may be submitted by counsel if the candidate so desires.

(3) The Commission will consider any written legal and factual materials submitted by the candidate or his or her authorized committee in accordance with 11 CFR 9038.1(c)(2) before approving and issuing an audit report to be released to the public. The contents of the publicly-released audit report may differ from that of the interim report since the Commission will consider timely submissions of legal and factual materials by the candidate or committee in response to the interim report.

(d) Preparation of publicly-released audit report. An audit report prepared subsequent to an interim report will be publicly released pursuant to 11 CFR 9038.1(e). This report will contain Commission findings and recommendations addressed in the interim audit report but may contain adjustments based on the candidate's response to the interim report. In addition, this report will contain an initial repayment determination made by the Commission pursuant to 11 CFR 9038.2(c)(1) in lieu of the preliminary calculations set forth in the interim report.

(e) Public release of audit report. (1) After the candidate and committee have had an opportunity to respond to a written interim report of the Commission, the Commission will make public the audit report prepared subsequent to the interim report, as provided in 11 CFR 9038.1(d).

(2) If the Commission determines, on the basis of information obtained under the audit and examination process, that certain matters warrant enforcement under 2 U.S.C. 437g and 11 CFR Part 111, those matters will not be contained in the publicly-released report. In such cases, the audit report will indicate that certain other mat-
ters have been referred to the Commission's Office of General Counsel.

(3) The Commission will provide the candidate and the committee with copies of the agenda document containing those portions of the final audit report to be considered in open session 24 hours prior to releasing the agenda document to the public. The Commission will also provide the candidate and committee with copies of the final audit report 24 hours before releasing the report to the public.

(4) Addenda to the audit report may be issued from time to time as circumstances warrant and as additional information becomes available. Such addenda may be based, in part, on follow-up fieldwork conducted under 11 CFR 9038.1(b)(3), and will be placed on the public record.

§ 9038.2 Repayments.

(a) General. (1) A candidate who has received payments from the matching payment account shall pay the United States Treasury any amounts which the Commission determines to be repayable under this section. In making repayment determinations under this section, the Commission may utilize information obtained from audits and examinations conducted pursuant to 11 CFR 9038.1 and Part 9039 or otherwise obtained by the Commission in carrying out its responsibilities under this subchapter.

(2) The Commission will notify the candidate of any repayment determinations made under this section as soon as possible, but not later than 3 years after the end of the matching payment period.

(3) Once the candidate receives notice of the Commission's final repayment determination under this section, the candidate should give preference to the repayment over all other outstanding obligations of his or her committee, except for any federal taxes owed by the committee.

(b) Bases for repayment—(1) Payments in excess of candidate's entitlement. The Commission may determine that certain portions of the payments made to a candidate from the matching payment account were in excess of the aggregate amount of payments to which such candidate was entitled. Examples of such excessive payments include, but are not limited to, the following:

(i) Payments made to the candidate after the candidate's date of ineligibility where it is later determined that the candidate had no net outstanding campaign obligations as defined in 11 CFR 9034.5;

(ii) Payments or portions of payments made to the candidate which are later determined to have been excessive due to the operation of the Commission's expedited payment procedures as set forth in the Federal Election Commission's Guideline For Presentation In Good Order;

(iii) Payments or portions of payments made on the basis of matched contributions later determined to have been non-matchable;

(iv) Payments or portions of payments made to the candidate which are later determined to have been excessive due to the candidate's failure to include funds received by a fundraising representative committee under 11 CFR 9034.8 on the candidate's statement of net outstanding campaign obligations under 11 CFR 9034.5; and

(v) Payments or portions of payments made to the candidate on the basis of the debts reflected in the candidate's statement of net outstanding campaign obligations, which debts are later settled for an amount less than that stated in the statement of net outstanding campaign obligations.

(2) Use of funds for non-qualified campaign expenses. (i) The Commission may determine that amount(s) of any payments made to a candidate from the matching payment account were used for purposes other than those set forth in paragraphs (b)(2)(i)(A)-(C) of this section:

(A) Defrayal of qualified campaign expenses;

(B) Repayment of loans which were used to defray qualified campaign expenses; and

(C) Restoration of funds (other than contributions which were received and expended to defray qualified campaign expenses) which were used to defray qualified campaign expenses.

(ii) Examples of Commission repayment determinations under 11 CFR
§ 9038.2 11 CFR Ch. I (1-1-88 Edition)

9038.2(b)(2) include, but are not limited to, the following:

(A) Determinations that a candidate, a candidate's authorized committee(s) or agents have made expenditures in excess of the limitations set forth in 11 CFR 9035;

(B) Determinations that funds described in 11 CFR 9038.2(b)(2)(i) were expended in violation of state or federal law; and

(C) Determinations that funds described in 11 CFR 9038.2(b)(2)(i) were expended for expenses resulting from a violation of state or federal law, such as the payment of fines or penalties.

(iii) The amount of any repayment sought under this section shall bear the same ratio to the total amount determined to have been used for non-qualified campaign expenses as the amount of matching funds certified to the candidate bears to the total amount of deposits of contributions and matching funds, as of the candidate's date of ineligibility. To determine at what point committee accounts no longer contain matching funds for the purpose of seeking repayment for non-qualified campaign expenses, the Commission will review committee expenditures from the date of the last matching fund payment to the candidate, using the assumption that the last payment has been expended on a last-in, first-out basis.

(3) Failure to provide adequate documentation. The Commission may determine that amount(s) spent by the candidate, the candidate's authorized committee(s), or agents were not documented in accordance with 11 CFR 9033.11. The amount of any repayment sought under this section shall be determined by using the formula set forth in 11 CFR 9038.2(b)(2)(iii).

(4) Surplus. The Commission may determine that the candidate's net outstanding campaign obligations, as defined in 11 CFR 9034.5, reflect a surplus.

(c) Repayment determination procedures. Commission repayment determinations will be made in accordance with the procedures set forth at 11 CFR 9038.2(c) (1) through (4), of this section.

(1) Initial determination. The Commission will provide the candidate with a written notice of its initial repayment determination(s). This notice will be included in the Commission's publicly-released audit report, pursuant to 11 CFR 9038.1(d), and will set forth the legal and factual reasons for such determination(s). Such notice will also advise the candidate of the evidence upon which any such determination is based. If the candidate does not dispute an initial repayment determination of the Commission within 30 calendar days after service of the notice, such initial determination will be considered a final determination of the Commission.

(2) Submission of written materials. If the candidate disputes the Commission's initial repayment determination(s), he or she shall have an opportunity to submit in writing, within 30 calendar days after service of the Commission's notice, legal and factual materials to demonstrate that no repayment, or a lesser repayment, is required. The Commission will consider any written legal and factual materials submitted by the candidate within this 30 day period in making its final repayment determination(s). Such materials may be submitted by counsel if the candidate so desires.

(3) Oral presentation. A candidate who has submitted written materials under 11 CFR 9038.2(c)(2) may request that the Commission provide such candidate with an opportunity to address the Commission in open session. If the Commission decides by an affirmative vote of four (4) of its members to grant the candidate's request, it will inform the candidate of the date and time set for the oral presentation. At the date and time set by the Commission, the candidate or candidate's designated representative will be allotted an amount of time in which to make an oral presentation to the Commission based upon the legal and factual materials submitted under 11 CFR 9038.2(c)(2). The candidate or representative will also have the opportunity to answer any questions from individual members of the Commission.

(4) Final determination. In making its final repayment determination(s), the Commission will consider any submission made under 11 CFR
9038.2(c)(2) and any oral presentation made under 11 CFR 9038.2(c)(3). A final determination that a candidate must repay a certain amount will be accompanied by a written statement of reasons for the Commission's actions. This statement will explain the reasons underlying the Commission's determination and will summarize the results of any investigation upon which the determination is based.

(d) Repayment period. (1) Within 90 calendar days after service of the notice of the Commission's final repayment determination(s), the candidate shall repay to the Secretary amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90 calendar days in which to make repayment.

(2) If the candidate submits written materials under 11 CFR 9038.2(c)(2) disputing the Commission's initial repayment determination(s), the time for repayment will be suspended until the Commission makes its final repayment determination(s). Within 30 calendar days after service of the notice of the Commission's final repayment determination(s), the candidate shall repay to the Secretary amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90 days in which to make repayment.

(e) Computation of time. The time periods established by this section shall be computed in accordance with 11 CFR 111.2.

(f) Additional repayments. Nothing in this section will prevent the Commission from making additional repayment determinations on one or more of the bases set forth at 11 CFR 9038.2(b) after it has made a final determination on any such basis. The Commission may make additional repayment determinations where there exist facts not used as the basis for a previous final determination. Any such additional repayment determination will be made in accordance with the provisions of this section.

(g) Newly-discovered assets. If, after any initial or final repayment determination made under this section, a candidate or his or her authorized committee(s) receives or becomes aware of assets not previously included in any statement of net outstanding campaign obligations submitted pursuant to 11 CFR 9034.5, the candidate or his or her authorized committee(s) shall promptly notify the Commission of such newly-discovered assets. Newly-discovered assets may include refunds, rebates, late-arriving receivables, and actual receipts for capital assets in excess of the value specified in any previously-submitted statement of net outstanding campaign obligations. Newly-discovered assets may serve as a basis for additional repayment determinations under 11 CFR 9038.2(f).

(h) Petitions for rehearing; stays pending appeal. The candidate may file a petition for rehearing of a final repayment determination in accordance with 11 CFR 9038.5(a). The candidate may request a stay of a final repayment determination in accordance with 11 CFR 9038.5(c) pending the candidate's appeal of that repayment determination.

§ 9038.3 Liquidation of obligations; repayment.

(a) The candidate may retain amounts received from the matching payment account for a period not exceeding 6 months after the matching payment period to pay qualified campaign expenses incurred by the candidate.

(b) After all obligations have been liquidated, the candidate shall so inform the Commission in writing.

(c)(1) If on the last day of candidate eligibility the candidate's net outstanding campaign obligations, as defined in 11 CFR 9034.5, reflect a surplus, the candidate shall within 30 calendar days of the ineligibility date repay to the Secretary an amount which represents the amount of matching funds contained in the candidate's surplus. The amount shall be an amount equal to that portion of the surplus which bears the same ratio to the total surplus that the total amount received by the candidate from the matching payment account.
§ 9038.4 Extensions of time.

(a) It is the policy of the Commission that extensions of time under 11 CFR Part 9038 shall not be routinely granted.

(b) Whenever a candidate has a right or is required to take action within a period of time prescribed by 11 CFR Part 9038 or by notice given thereunder, the candidate may apply in writing to the Commission for an extension of time in which to exercise such right or take such action. The candidate shall demonstrate in the application for extension that good cause exists for his or her request.

(c) An application for extension of time shall be made at least 7 calendar days prior to the expiration of the time period for which the extension is sought. The Commission may, upon a showing of good cause, grant an extension of time to a candidate who has applied for such extension in a timely manner. The length of time of any extension granted hereunder will be decided by the Commission and may be less than the amount of time sought by the candidate in his or her application.

(d) If a candidate fails to seek an extension of time, exercise a right or take a required action prior to the expiration of a time period prescribed by 11 CFR Part 9038 the Commission may, on the candidate's showing of excusable neglect:

(1) Permit such candidate to exercise his or her right(s), or take such required action(s) after the expiration of the prescribed time period; and

(2) Take into consideration any information obtained in connection with the exercise of any such right or taking of any such action before making decisions or determinations under 11 CFR Part 9038.

§ 9038.5 Petitions for rehearing; stays of repayment determinations.

(a) Petitions for rehearing. (1) Following the Commission's final determination under 11 CFR 9033.10 or 9034.5(g) or the Commission's final repayment determination under 11 CFR 9038.2(c)(4), the candidate may file a petition for rehearing setting forth the relief desired and the legal and factual basis in support. To be considered by the Commission, petitions for rehearing must:

(i) Be filed within 20 calendar days after service of the Commission's final determination;

(ii) Raise new questions of law or fact that would materially alter the Commission's final determination; and

(iii) Set forth clear and convincing grounds why such questions were not and could not have been presented during the earlier determination process.

(2) If a candidate files a timely petition under this section challenging a Commission final repayment determination, the time for repayment of the amount at issue will be suspended until the Commission serves notice on the candidate of its determination on the petition. The time periods for making repayment under 11 CFR 9038.2(d)(2) shall apply to any amounts determined to be repayable following the Commission's consideration of a petition for rehearing under this section.

(b) Effect of failure to raise issues. The candidate's failure to raise an argument in a timely fashion during the initial determination process or in a petition for rehearing under this section, as appropriate, shall be deemed a waiver of the candidate's right to present such arguments in any future stage of proceedings including any petition for review filed under 26 U.S.C. 9041(a). An issue is not timely raised in a petition for rehearing if it could have been raised earlier in response to
§ 9039.2

the Commission's initial determination.

(c) Stay of repayment determination pending appeal. (1)(i) The candidate may apply to the Commission for a stay of all or a portion of the amount determined to be repayable under this section or under 11 CFR 9038.2 pending the candidate's appeal of that repayment determination pursuant to 26 U.S.C. 9041(a). The repayment amount requested to be stayed shall not exceed the amount at issue on appeal.

(ii) A request for a stay shall be made in writing and shall be filed within 30 calendar days after service of the Commission's decision on a petition for rehearing under paragraph (a), or, if no petition for rehearing is filed, within 30 calendar days after service of the Commission's final repayment determination under 11 CFR 9038.2(c)(4).

(2) The Commission's approval of a stay request will be conditioned upon the candidate's presentation of evidence in the stay request that he or she:

(i) Has placed the entire amount at issue in a separate interest-bearing account pending the outcome of the appeal and that withdrawals from the account may only be made with the joint signatures of the candidate or his or her agent and a Commission representative; or

(ii) Has posted a surety bond guaranteeing payment of the entire amount at issue plus interest; or

(iii) Has met the following criteria:

(A) He or she will suffer irreparable injury in the absence of a stay; and, if so, that

(B) He or she has made a strong showing of the likelihood of success on the merits of the judicial action.

(C) Such relief is consistent with the public interest; and

(D) No other party interested in the proceedings would be substantially harmed by the stay.

(3) In determining whether the candidate has made a strong showing of the likelihood of success on the merits under paragraph (c)(2)(iii)(B) of this section, the Commission may consider whether the issue on appeal presents a novel or admittedly difficult legal question and whether the equities of the case suggest that the status quo should be maintained.

(4) All stays shall require the payment of interest on the amount at issue. The amount of interest due shall be calculated from the date 30 days after service of the Commission's final repayment determination under 11 CFR 9038.2(c)(4) and shall be the greater of:

(i) An amount calculated in accordance with 28 U.S.C. 1961 (a) and (b); or

(ii) The amount actually earned on the funds set aside under this section.

§ 9038.6 Stale-dated committee checks.

If the committee has checks outstanding to creditors or contributors that have not been cashed, the committee shall notify the Commission. The committee shall inform the Commission of its efforts to locate the payees, if such efforts have been necessary, and its efforts to encourage the payees to cash the outstanding checks. The committee shall also submit a check for the total amount of such outstanding checks, payable to the United States Treasury.

If the Commission decides by an affirmative vote of four of its members that additional information must be obtained in connection with any such certification, determination or finding, it will conduct a further inquiry. A decision to conduct an inquiry under this section may be based on information that is obtained under 11 CFR 9039.2, received by the Commission from outside sources, or otherwise ascertained by the Commission in carrying out its supervisory responsibilities under the Presidential Primary Matching Payment Account Act and the Federal Election Campaign Act.

(2) An inquiry conducted under this section may be used to obtain information relevant to candidate eligibility, matchability of contributions and repayments to the United States Treasury. Information obtained during such an inquiry may be used as the basis, or partial basis, for Commission certifications, determinations and findings under 11 CFR Parts 9033, 9034, 9036 and 9038. Information thus obtained may also be the basis of, or be considered in connection with, an investigation under 2 U.S.C. 437g and 11 CFR Part 111.

(b) Procedures. (1) The Commission will notify the candidate of its decision to conduct an inquiry under this section. The notice will summarize the legal and factual basis for the Commission's decision.

(2) The Commission’s inquiry may include, but is not limited to, the following:

(i) A field audit of the candidate’s books and records;
(ii) Field interviews of agents and representatives of the candidate and his or her authorized committee(s);

(iv) Verification of disbursement information by contacting reported vendors;
(v) Written questions under order;
(vi) Production of documents under subpoena;
(vii) Depositions.

(3) The provisions of 2 U.S.C. 437g and 11 CFR Part 111 will not apply to inquiries conducted under this section except that the provisions of 11 CFR 111.12 through 111.15 shall apply to any orders or subpoenas issued by the Commission.

(b)(1) A separate report shall be filed for each candidate with an aggregate indebtedness balance of over $5,000 on the last day of the month to which the report pertains. The report shall cover all debts incurred by the candidate, whether or not incurred in connection with his campaign, and all debts incurred by persons acting on his behalf in connection with such campaign. sions of this part will be applicable,
however, to all credit transactions
which occur subsequent to the effec­

credit account in which the transac­
tion takes place was opened prior to
the effective date of the part.

(a) There is no obligation upon a carrier to extend unsecured credit for interstate and foreign communication services to a candidate or person on behalf of such candidate for Federal office. However, if the carrier chooses to extend such unsecured credit, it shall comply with the requirements set forth in paragraphs (b) through (g) of this section.

(b) If a carrier decides to extend unsecured credit to any candidate for Federal office or any person on behalf of such candidate, then unsecured credit shall be extended on substantially equal terms and conditions to all candidates and all persons on behalf of all candidates for the same office.
with due regard for differences in the estimated quantity of service to be furnished each such candidate or person.

(c) Before extending unsecured credit, a carrier shall obtain a signed written application for service which shall identify the applicant and the candidate and state whether or not the candidate assumes responsibility for the charges, and which shall also expressly state as follows:

(1) That service is being requested by the applicant or applicants and that the person or persons making the application will be individually, jointly and severally liable for the payment of all charges; and

(2) That the applicant(s) understands that the carrier will (under the provisions of paragraph (d) of this section) discontinue service upon written notice if any amount due is not paid upon demand.

(e) Each carrier shall take appropriate action at law to collect any unpaid balance on an account for interstate and foreign communication services rendered to a candidate or person on behalf of such candidate prior to the expiration of the statute of limitations under section 415(a) of the Communications Act of 1934, as amended.

(f) The records of each account, involving the extension by a carrier of unsecured credit to a candidate or person on behalf of such candidate for common carrier communications services shall be maintained by the carrier so as to show separately, for interstate and foreign communication services all charges, credits, adjustments, and security, if any, and balance receivable.

(g) On or before January 31 and July 31, 1973, and corresponding dates of each year thereafter, each carrier which had operating revenues in the preceding year in excess of $1 million shall file with the Commission a report by account of any amount due and unpaid, as of the end of the month prior to the reporting date, for interstate and foreign communication services rendered to a candidate or person on behalf of such candidate when such amount results from the extension of unsecured credit. Each report shall include the following information:

the means set forth in this paragraph
prior to 90 days before the beginning
of the convention, caucus or similar
procedure in which he or she seeks
nomination.

(4) A person seeking nomination for
the office of President or Vice Presi-
dent of the United States shall, for
the purposes of the Communications
Act and the rules thereunder, be con-
sidered a legally qualified candidate
only in those States or territories (or
the District of Columbia) in which, in
addition to meeting the requirements
set forth in paragraph (a)(1) of this
section.

(i) He or she, or proposed delegates
on his or her behalf, have qualified for
the primary or Presidential preference
ballot in that State, territory or the
District of Columbia, or

(ii) He or she has made a substantial
showing of bona fide candidacy for
such nomination in that State, terri-
tory or the District of Columbia; Ex-
cept, that any such person meeting
the requirements set forth in para-
graph (a) (1) and (4) in at least 10
States (or nine and the District of Co-
lumbia) shall be considered a legally
qualified candidate for nomination in
all States, territories and the District
of Columbia for purposes of this act.

(5) The term “substantial showing”
of bona fide candidacy as used in para-
graphs (a) (2), (3), and (4) of this sec-
tion means evidence that the person
claiming to be a candidate has en-
gaged to a substantial degree in activi-
ties commonly associated with politi-
cal campaigning. Such activities nor-
mally would include making campaign
speeches, distributing campaign litera-
ture, issuing press releases, main-
taining a campaign committee, and estab-
lishing campaign headquarters (even
though the headquarters in some in-
stances might be the residence of the
candidate or his campaign manager).
Not all of the listed activities are nec-
essarily required in each case to dem-
strate a substantial showing, and
there may be activities not listed
herein which would contribute to such
a showing.

(b) Charges for use of stations. The
charges, if any, made for the use of
any broadcasting station by any
person who is a legally qualified can-
didate for any public office in con-
nection with his campaign for nomina-
tion for election, or election, to such
office shall not exceed

(1) During the 45 days preceding the
date of a primary or primary runoff
election and during the 60 days pre-
ceding the date of a general or special
election in which such person is a can-
didate, the lowest unit charge of the
station for the same class and amount
of time for the same period, and

(2) At any other time the charges
made for comparable use of such sta-
tion by other users thereof. The rates,
if any, charged all such candidates for
the same office shall be uniform and
shall not be rebated by any means
direct or indirect. A candidate shall be

235
§ 73.1940 11 CFR Ch. I (1-1-88 Edition)

charged no more than the rate the station would charge if the candidate were a commercial advertiser whose advertising was directed to promoting its business within the same area as that encompassed by the particular office for which such person is a candidate. All discount privileges otherwise offered by a station to commercial advertisers shall be available upon equal terms to all candidates for public office.

(3) This paragraph shall not apply to any station which is not licensed for commercial operation.

(c) Discrimination between candidates. In making time available to candidates for public office, no licensee shall make any discrimination between candidates in practices, regulations, facilities, or services for or in connection with the service rendered pursuant to this part, or make or give any preference to any candidate for public office or subject any such candidate to any prejudice or disadvantage; nor shall any licensee make any contract or other agreement which shall have the effect of permitting any legally qualified candidate for any public office to broadcast to the exclusion of other legally qualified candidates for the same public office.

(d) Records, inspection. Every licensee shall keep and permit public inspection of a complete record (political file) of all requests for broadcast time made by or on behalf of candidates for public office, together with an appropriate notation showing the disposition made by the licensee of such requests, and the charges made, if any, if the request is granted. When free time is provided for use by or on behalf of such candidates, a record of the free time provided shall be placed in the political file. All records required by this paragraph shall be placed in the political file as soon as possible and shall be retained for a period of two years. See §§ 73.3526 and 73.3527.

(e) Time of request. A request for equal opportunities must be submitted to the licensee within 1 week of the day on which the first prior use, giving rise to the right of equal opportunities, occurred: Provided, however, that where the person was not a candidate at the time of such first prior use, he shall submit his request within 1 week of the first subsequent use after he has become a legally qualified candidate for the office in question.

(f) Burden of proof. A candidate requesting equal opportunities of the licensee, or complaining of noncompliance to the Commission shall have the burden of proving that he and his opponent are legally qualified candidates for the same public office.

(g) General requirements. (1) Except as otherwise indicated in paragraph (g)(2) of this section, no station licensee is required to permit the use of its facilities by any legally qualified candidate for public office, but if any licensee shall permit any such candidate to use its facilities, it shall afford equal opportunities to all other candidates for that office to use such facilities. Such licensee shall have no power of censorship over the material broadcast by any such candidate. Appearance by a legally qualified candidate on any: (i) Bona fide newscast, (ii) bona fide news interview, (iii) bona fide news documentary (if the appearance of the candidate is incidental to the presentation of the subjects covered by the news documentary), or (iv) on-the-spot coverage of bona fide news events (including, but not limited to political conventions and activities incidental thereto) shall not be deemed to be use of a broadcasting station. (Section 315(a) of the Communications Act.)

(2) Section 312(a)(7) of the Communications Act provides that the Commission may revoke any station license or construction permit for willful or repeated failure to allow reasonable access to, or to permit purchase of, reasonable amounts of time for the use of a broadcasting station by a legally qualified candidate for Federal elective office on behalf of his candidacy.

(h) Political broadcasting primer. A detailed study of these rules regarding broadcasts by candidates for Federal and non-Federal public office is available in the FCC public notice of July 20, 1978, "The Law of Political Broadcasting and Cablecasting." Copies may be obtained from the FCC upon request.
§ 76.209 Fairness doctrine; personal attacks; political editorials.

(a) A cable television system engaging in origination cablecasting shall afford reasonable opportunity for the discussion of conflicting views on issues of public importance.

(b) When, during such origination cablecasting, an attack is made upon the honesty, character, integrity, or like personal qualities of an identified person or group, the cable television system operator shall, within a reasonable time and in no event later than one (1) week after the attack, transmit to the person or group attacked: (1) Notification of the date, time, and identification of the cablecast; (2) a script or tape (or an accurate summary if a script or tape is not available) of the attack; and (3) an offer of a reasonable opportunity to respond over the system's facilities.

(c) The provisions of paragraph (b) of this section shall not apply to cablecast material which falls within one or more of the following categories:

(1) Personal attacks on foreign groups or foreign public figures;
(2) Personal attacks occurring during uses by legally qualified candidates;
(3) Personal attacks made during cablecasts not included in paragraph (b)(2) of this section and made by legally qualified candidates, their authorized spokespersons or those associated with them in the campaign, on other such candidates, their authorized spokespersons or persons associated with the candidates in the campaign; and

(4) Bona fide newscasts, bona fide news interviews, and on-the-spot coverage of bona fide news events (including commentary or analysis contained in the foregoing programs, but, the provisions of paragraph (b) of this section shall be applicable to editorials of the cable television system operator).

(d) Where a cable television system operator, in an editorial, (1) endorses or (2) opposes a legally qualified candidate or candidates, the system operator shall, within 24 hours of the editorial, transmit to respectively (i) the other qualified candidate or candidates for the same office, or (ii) the candidate opposed to the editorial, (a) notification of the date, time, and channel of the editorial; (b) a script or tape of the editorial; and (c) an offer of a reasonable opportunity for a candidate or spokesman of the candidate to respond over the system's facilities: Provided, however, That where such editorials are cablecast within 72 hours prior to the day of the election, the system operator shall comply with the provisions of this paragraph sufficiently far in advance of the broadcast to enable the candidate or candidates to have a reasonable opportunity to prepare a response and to present it in a timely fashion.

EDITORIAL NOTE: This section is also codified in 47 CFR Part 76.
§ 1325.1 EXTENSION OF CREDIT TO CANDIDATES FOR FEDERAL OFFICE OR THEIR REPRESENTATIVES

The extension of credit to such persons shall not exceed the amount of the security posted.

(a) All agreements to extend credit to candidates for Federal office or their representatives by person subject to regulation by the Interstate Commerce Commission, (1) must be in writing, (2) must contain a detailed description of the deposit, bond, collateral, or other means of security, used to secure payment of the debt, and (3) must be signed by all parties to the agreement. A copy of each such agreement must be filed with this Commission's Bureau of Operations in Washington, D.C., within 20 days of the date of its execution.

§ 1325.3 Federal office.

For the purposes of this section, "Federal office" means the office of the President or Vice President of the United States; or of a Senator or Representative in, or Delegate or Resident Commissioner to, the Congress of the United States.
