To cite the regulations in this volume use title, part and section number. Thus, 11 CFR 1.1 refers to title 11, part 1, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 as of January 1
- Title 17 through Title 27 as of April 1
- Title 28 through Title 41 as of July 1
- Title 42 through Title 50 as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 1996), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request. Many agencies have begun publishing numerous OMB control numbers as amend-
ments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949-1963, 1964-1972, or 1973-1985, published in seven separate volumes. For the period beginning January 1, 1986, a "List of CFR Sections Affected" is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I), and Acts Requiring Publication in the Federal Register (Table II). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of "Title 3—The President" is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the "Contents" entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

§ 1.1 Purpose and scope.
(a) The purpose of this part is to set forth rules informing the public as to what information is maintained by the Federal Election Commission about identifiable individuals and to inform those individuals how they may gain access to and correct or amend information about themselves.
(b) The regulations in this part carry out the requirements of the Privacy Act of 1974 (Pub. L. 93-579) and in particular 5 U.S.C. 552a as added by that Act.
(c) The regulations in this part apply only to records disclosed or requested under the Privacy Act of 1974, and not to requests for information made pursuant to 5 U.S.C. 553, the Freedom of Information Act, or requests for reports and statements filed with the Federal Election Commission which are public records and available for inspection and copying pursuant to 2 U.S.C. 437g(a)(4)(C) and 438(a)(4).

§ 1.2 Definitions.
As defined in the Privacy Act of 1974 and for the purposes of this part, unless otherwise required by the context, the following terms shall have these meanings:
Individual means a citizen of the United States or an alien lawfully admitted for permanent residence.
Maintain includes maintain, collect, use or disseminate.
Record means any item, collection, or grouping of information about an individual that is maintained by an agency, including but not limited to his or her education, financial transactions, medical history, and criminal or employment history and that contains his or her name, or the identifying number, symbol or other identifying particular assigned to the individual, such as finger or voice print or a photograph.
Systems of Records means a group of any records under the control of the Federal Election Commission from which information is retrieved by the name of the individual or by some identifying number, symbol, or other identifying particular assigned to the individual.
Routine use means the use of such record for a purpose compatible with the purpose for which the information was collected.
Commission means the Federal Election Commission, its Commissioners and employees.
Commissioners means the six appointees confirmed by the Senate who are voting members of the Commission.

§ 1.3 Procedures for requests pertaining to individual records in a record system.
(a) Any individual may request the Commission to inform him or her whether a particular record system named by the individual contains a record pertaining to him or her. The request may be made in person or in writing at the location and to the person specified in the notice describing that record system.
(b) An individual who believes that the Commission maintains records pertaining to him or her but who cannot
§ 1.4 11 CFR Ch. I (1-1-96 Edition)

determine which record system contains those records, may request assistance by mail or in person from the Staff Director, Federal Election Commission, 999 E Street, NW., Washington, DC 20463 during the hours of 9 a.m. to 5:30 p.m.
(c) Requests under paragraphs (a) or (b) of this section shall be acknowledged by the Commission within 15 days from the date of receipt of the request. If the Commission is unable to locate the information requested under paragraphs (a) or (b) of this section, it shall so notify the individual within 15 days after receipt of the request. Such acknowledgement may request additional information to assist the Commission in locating the record or it may advise the individual that no record or document exists about that individual.

§ 1.5 Disclosure of requested information to individuals.
(a) After being informed by the Commission that a record system contains a record pertaining to him or her, an individual may request the Commission to disclose that record in the manner described in this section. Each request for the disclosure of a record or a copy of it shall be made at the Federal Election Commission, 999 E Street, NW., Washington, DC 20463 and to the system manager identified in the notice describing the systems of records, either in writing or in person. Requests may be made by specifically authorized agents or by parents or guardians of individuals.

(b) Each individual requesting the disclosure of a record or copy of a record shall furnish the following information with his or her request:
(1) The name of the record system containing the record;
(2) Proof as described in paragraph (c) of this section that he or she is the individual to whom the requested record relates;
(3) Any other information required by the notice describing the record system.

(c) Proof of identity as required by paragraph (b)(2) of this section shall be provided as described in paragraphs (c)(1) and (2) of this section. Requests made by an agent, parent, or guardian, shall be in accordance with the procedures described in §1.10.

(1) Requests made in writing shall include a statement, signed by the individual and either notarized or witnessed by two persons (including witnesses’ addresses). If the individual appears before a notary, he or she shall submit adequate proof of identification in the form of a driver’s license, birth certificate, passport or other identification acceptable to the notary. If the statement is witnessed, it shall include a sentence above the witnesses’ signatures that they personally know the individual or that the individual has submitted proof of his or her identification to their satisfaction. In any case in which, because of the extreme sensitivity of the record sought to be seen or copied, the Commission determines that the identification is not adequate, it may request the individual to submit additional proof of identification.

(2) If the request is made in person, the requestor shall submit proof of identification similar to that described in paragraph (c)(1) of this section, acceptable to the Commission. The individual may have a person of his or her own choosing accompany him or her when the record is disclosed.

§ 1.5 Disclosure of requested information to individuals.

(a) Upon submission of proof of identification as required by §1.4, the Commission shall allow the individual to see and/or obtain a copy of the requested record or shall send a copy of the record to the individual by registered mail. If the individual requests to see the record, the Commission may make the record available either at the location where the record is maintained or at a place more suitable to the requestor, if possible. The record shall be made available as soon as possible but in no event later than 15 days after proof of identification.

(b) The Commission must furnish each record requested by an individual
Federal Election Commission

under this part in a form intelligible to that individual.

(c) If the Commission denies access to a record to an individual, he or she shall be advised of the reason for the denial and advised of the right to judicial review.

(d) Upon request, an individual will be provided access to the accounting of disclosures from his or her record under the same procedures as provided above and in §1.4.

§ 1.6 Special procedure: Medical records. [Reserved]

(b) Each individual requesting a correction or amendment shall send the request to the Commission through the person who furnished the record.

(c) Each request for a correction or amendment of a record shall contain the following information:

2. The name of the system of records in which the record sought to be amended is maintained;

3. The location of the system of records from which the individual record was obtained;

5. A statement of the material in the record that the individual desires to correct or amend;

6. A statement of the basis for the requested correction or amendment including any material that the individual can furnish to substantiate the reasons for the correction or amendment sought.

§ 1.8 Agency review of request for correction or amendment of record.

(a) The Commission shall, not later than ten (10) days (excluding Saturdays, Sundays and legal holidays) after the receipt of the request for a correction or amendment of a record under §1.7, acknowledge receipt of the request and inform the individual whether information is required before the correction or amendment can be considered.

(b) If no additional information is required, within ten (10) days from receipt of the request, the Commission shall either make the requested correction or amendment or notify the individual of its refusal to do so, including in the notification the reasons for the refusal, and the appeal procedures provided in §1.9.

(c) The Commission shall make each requested correction or amendment to a record if that correction or amendment will tend to negate inaccurate, irrelevant, untimely, or incomplete matter in the record.

(d) The Commission shall inform prior recipients of any amendment or correction or notation of dispute of such individual's record if an accounting of the disclosure was made. The individual may request a list of prior recipients if an accounting of the disclosure was made.

§ 1.9 Appeal of initial adverse agency determination on amendment or correction.

(a) Any individual whose request for a correction or amendment has been denied in whole or in part, may appeal that decision to the Commissioners no later than one hundred eighty (180) days after the adverse decision is rendered.

(b) The appeal shall be in writing and shall contain the following information:

1. The name of the individual making the appeal;

2. Identification of the record sought to be amended;

3. The record system in which that record is contained;

4. A short statement describing the amendment sought; and

5. The name and location of the agency official who initially denied the correction or amendment.

(c) Not later than thirty (30) days (excluding Saturdays, Sundays and legal holidays) after the date on which the Commission receives the appeal, the Commissioners shall complete their review of the appeal and make a final decision thereon. However, for good cause shown, the Commissioners

The authorization shall be in writing, signed by the individual and notarized or witnessed as provided in §1.4(c).

(b) The parent of any minor individual or the legal guardian of any individual who has been declared by a court of competent jurisdiction to be incompetent, due to physical or mental incapacity or age, may act on behalf of that individual in any matter covered by this part. A parent or guardian who desires to act on behalf of such an individual shall present suitable evidence of parentage or guardianship, by birth certificate, certified copy of a court order, or similar documents, and proof of the individual's identity in a form that complies with §1.4(c) of this part.

(c) An individual to whom a record is to be disclosed in person, pursuant to this part may have a person of his or her own choosing accompany him or her when the record is disclosed.

§ 1.11 Fees.

(a) The Commission shall not charge an individual for the costs of making a search for a record or the costs of reviewing the record. When the Commission makes a copy of a record as a necessary part of the process of disclosing the record to an individual, the Commission shall not charge the individual for the cost of making that copy.

(b) If an individual requests the Commission to furnish a copy of the record, the Commission shall charge the individual for the costs of making the copy. The fee that the Commission has established for making a copy is ten cents ($0.10) per page.

§ 1.12 Penalties.

Any person who makes a false statement in connection with any request for a record, or an amendment or correction thereto, under this part, is subject to the penalties prescribed in 18 U.S.C. 494 and 495.

§ 1.13 General exemptions. [Reserved]

§ 1.14 Specific exemptions.

§ 2.2 Definitions.

(b) Commissioner or Member. Commissioner or Member means an individual appointed to the Federal Election Commission pursuant to 2 U.S.C. 437c and section 101(e) of Public Law 94-283 and shall also include ex-officio non-voting Commissioners or Members, the Secretary of the Senate and the Clerk of the House, but does not include a proxy or other designated representative of a Commissioner.

(c) Person. Person means an individual, including employees of the Commission, partnership, corporation, association, or public or private organization, other than an agency of the United States Government.

Meeting. (1) Meeting means the deliberation of at least four voting members of the Commission in collegia where such deliberations determine or result in the joint conduct or disposition of official Commission business. For the purpose of this section, joint conduct does not include, for example, situations where the requisite number of members is physically present in one place but not conducting agency business as a body (e.g., at a meeting at which one member is giving a speech while a number of other members are present in the audience). A deliberation conducted through telephone or similar communications equipment by means of which all persons participating can hear each other will be considered a meeting under this section.

(2) The term meeting does not include the process of notation voting by circulated memorandum for the purpose of expediting consideration of routine matters. It also does not include deliberations to schedule a meeting, to take action to open or close a meeting, or to release or withhold information, or to
§ 2.3 General rules.

(a) Commissioners shall not jointly conduct, determine or dispose of Commission business other than in accordance with this part.

(b) Except as provided in 11 CFR 2.4, every portion of every Commission meeting shall be open to public observation.

(c) No additional right to participate in Commission meetings is granted to any person by this part. A meeting is not part of the formal or informal record of decision of the matters discussed therein except as otherwise required by law. Statements of views or expressions of opinions made by Commissioners or FEC employees at meetings are not intended to represent final determinations or beliefs.

(d) Members of the public attending open Commission meetings may use small electronic sound recorders to record the meeting, but the use of other electronic recording equipment and cameras requires advance notice to and coordination with the Commission's Press Officer.

§ 2.4 Exempted meetings.

(a) Meetings required by statute to be closed. Meetings concerning matters specifically exempted from disclosure by statutes which require public withholding in such a manner as to leave no discretion for the Commission on the issue, or which establish particular types of matters to be withheld, shall be closed to public observation in accordance with the procedures of 11 CFR 2.5.

(1) As required by 2 U.S.C. 437g(a)(12), all Commission meetings, or portions of meetings, pertaining to any notification or investigation that a violation of the Act has occurred, shall be closed to the public.

(2) For the purpose of this section, any notification or investigation that a violation of the Act has occurred includes, but is not limited to, determinations pursuant to 2 U.S.C. 437g, the issuance of subpoenas, discussion of referrals to the Department of Justice, or consideration of any other matter related to the Commission's enforcement activity, as set forth in 11 CFR part 111.

(b) Meetings closed by Commission determination. Except as provided in 11 CFR 2.4(c), the requirement of open meetings will not apply where the Commission finds, in accordance with 11 CFR 2.5, that an open meeting or the release of information is likely to result in the disclosure of:

(i) Matters that relate solely to the Commission's internal personnel decisions, or internal rules and practices.

(ii) This provision includes, but is not limited to, matters relating to Commission policies on working conditions, or materials prepared predominantly for internal use, the disclosure of which would risk circumvention of Commission regulations; but

(iii) This provision does not include discussions or materials regarding employees' dealings with the public, such as personnel manuals or Commission directives setting forth job functions or procedures;

(2) Financial or commercial information obtained from any person which is privileged or confidential;

(3) Matters which involve the consideration of a proceeding of a formal nature by the Commission against a specific person or the formal censure of any person;

(4) Information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(5) Investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would:

(i) Interfere with enforcement proceedings,

(ii) Deprive a person of a right to a fair trial or an impartial adjudication,

(iii) Constitute an unwarranted invasion of personal privacy,

(iv) Disclose the identity of a confidential source,

(v) Disclose investigative techniques and procedures, or

(vi) Endanger the life or physical safety of law enforcement personnel;
§ 2.5 Procedures for closing meetings.

(a) General. No meeting or portion of a meeting may be closed to the public observation under this section unless a majority of the Commissioners (not including ex officio non-voting Commissioners) votes to take such action. The closing of one portion of a meeting shall not justify closing any other portion of a meeting.

(b) Certification. Each time the Commission votes to close a meeting, the General Counsel shall publicly certify that, in his or her opinion, each item on the agenda may properly be closed to public observation. The certification shall state each relevant exemption provision. The original copy of the certification shall be attached to, and preserved with, the statement required by 11 CFR 2.5(d).

(c) Voting procedures. (1) No meeting need be held to consider closing a meeting. The Commission may vote to close a meeting or any portion thereof by using its notation vote procedures.

   (i) A separate vote shall be taken with respect to each item on an agenda proposed to be closed in whole or in part pursuant to 11 CFR 2.4, or with respect to any information proposed to be withheld under 11 CFR 2.4.

   (ii) A single vote may be taken with respect to a particular matter to be discussed in a series of closed meetings, or with respect to any information concerning such series of meetings, so long as each meeting in the series is scheduled to be held no more than 30 days after the initial meeting.

   (iii) This section shall not affect the Commission's practice of setting dates for closed meetings more than 30 days in advance of such meetings.

   (2) The Commission Secretary shall record the vote of each Commissioner participating in the vote. No proxies, written or otherwise, shall be counted.

   (3)(i) A Commissioner may object to a recommendation to close the discussion of a particular matter or may assert a claim of exemption for a matter scheduled to be discussed in an open meeting. Such objection or assertion will be discussed by the Commission at the next scheduled closed meeting, to determine whether the matter in question should be discussed in a closed meeting.

   (ii) An objection for the record only will not cause the objection to be placed on any agenda.

(d) Public statement of vote. (1) If the Commission votes to close a meeting, or any portion thereof, under this section, it shall make publicly available within 24 hours a written statement of the vote. The written statement shall contain:

   (i) A citation to the provision(s) of 11 CFR 2.4 under which the meeting was closed to public observation and an explanation of why the specific discussion comes within the cited exemption(s);

   (ii) The vote of each Commissioner participating in the vote;

   (iii) A list of the names of all persons expected to attend the closed meeting and their affiliation. For purposes of this section, affiliation means title or position, and name of employer, and in the case of a representative, the name of the person represented. In the case of Commission employees, the statement will reflect, through the use of titles rather than individual names, that the Commissioners, specified division heads and their staff will attend; and

   (iv) The signature of the Commission Secretary.

(2) The original copy of the statement shall be maintained by the Commission Secretary. A copy shall be posted on a public bulletin board located in the Commission's Public Records Office.
§ 2.6

(e) Public request to close a meeting. A person whose interests may be directly affected by a portion of a meeting may request that the Commission close that portion to the public for any of the reasons referred to in 11 CFR 2.4. The following procedures shall apply to such requests:

1. The request must be made in writing and shall be directed to the Chairman of the Commission.

2. The request shall identify the provisions of 11 CFR 2.4 under which the requestor seeks to close all or a portion of the meeting.

3. A recorded vote to close the meeting or a portion thereof shall be taken.

4. Requests made under this section shall become part of the official record of the underlying matter and shall be disclosed in accordance with 11 CFR 2.6 on completion of the matter.

5. If the Commission decides to approve a request to close, the Commission will then follow the procedures for closing a meeting set forth in 11 CFR 2.5 (a) through (d).

§ 2.6 Transcripts and recordings.

(a) The Commission Secretary shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting, or portion of a meeting, closed to public observation. An electronic recording of a meeting shall be coded, or other records shall be kept in a manner adequate to identify each speaker.

(b)(1) In the case of any meeting closed pursuant to 11 CFR 2.4(b), as the last item of business, the Commission will determine which, if any, portions of the electronic recording or transcript and which if any, items of information withheld under 11 CFR 2.5 contain information which should be withheld pursuant to 11 CFR 2.4.

2. Portions of transcripts or recordings determined to be outside the scope of any exemptions under 11 CFR 2.6(b)(1) shall be promptly made available to the public through the Commission’s Public Records Office at a cost sufficient to cover the Commission’s actual cost of duplication or transcription. Requests for such copies shall be made and processed in accordance with the provisions of 11 CFR part 5.

(3) Portions of transcripts or electronic recordings not made available immediately pursuant to 11 CFR 2.6(b)(1), and portions of transcripts or recordings withheld pursuant to 11 CFR 2.4(a), will be made available on request when the relevant exemptions no longer apply. Such materials shall be requested and processed under the provisions of 11 CFR 2.6(b)(2).

(c) A complete verbatim copy of the transcript or a complete electronic recording of each meeting, or portion of a meeting, closed to the public, shall be maintained by the Commission Secretary in confidential files of the Commission, for a minimum of two years subsequent to such meeting, or a minimum of one year after the conclusion of any agency proceeding with respect to which the meeting, or portion of the meeting was held, whichever occurs later.

§ 2.7 Announcement of meetings and schedule changes.

(a)(1) In the case of each meeting, the Commission shall publicly announce and shall submit such announcement for publication in the FEDERAL REGISTER at least seven days prior to the day on which the meeting is to be called to order. The Commission Secretary shall also forward a copy of such announcement for posting in the Commission’s Public Records Office.

2. Announcements made under this section shall contain the following information:

(i) The date of the meeting;

(ii) The place of the meeting;

(iii) The subject matter of the meeting;

(iv) Whether the meeting is to be open or closed to the public; and

(v) The name and telephone number of the official designated by the agency to respond to requests for information about the meeting.

(b) The public announcement and submission for publication shall be made when required by 11 CFR 2.7(a) in the case of every Commission meeting unless a majority of the Commissioners decide by recorded vote that Commission business requires that the meeting be called at an earlier date, in which case the Commission shall make at the earliest practicable time, the an-
nouncement required by this section and a concurrent submission for publication of that announcement in the Federal Register.

(c) The time or place of a meeting may be changed following the public announcement required by 11 CFR 2.7 (a) or (b) only if the Commission announces the change at the earliest practicable time.

(d) The subject matter of a meeting, or the determination of the Commission to open or close a meeting, or portions of a meeting, to the public may be changed following the public announcement required by 11 CFR 2.7 (a) or (b) only if:

(1) A majority of the entire membership of the Commission determines by recorded vote that Commission business so requires and that no earlier announcement of the change was possible; and

(2) The Commission publicly announces the change and the vote of each member upon the change at the earliest practicable time. Immediately following this announcement, the Commission shall submit for publication in the Federal Register a notice containing the information required by 11 CFR 2.7(a)(2), including a description of any change from the earlier published notice.

§ 2.8 Annual report.

The Commission shall report annually to Congress regarding its compliance with the requirements of the Government in the Sunshine Act and of this part, including:

(a) A tabulation of the total number of Commission meetings open to the public;

(b) The total number of such meetings closed to the public;

(c) The reasons for closing such meetings; and

(d) A description of any litigation brought against the Commission under the Sunshine Act, including any costs assessed against the Commission in such litigation (whether or not paid by the Commission).

AUTHORITY: 5 U.S.C. 552, as amended.

SOURCE: 44 FR 33368, June 8, 1979, unless otherwise noted.

§ 4.1 Definitions.

As used in this part:

(a) Commission means the Federal Election Commission, established by the Federal Election Campaign Act of 1971, as amended.

(b) Commissioner means the Secretary of the Senate, the Clerk of the House, or their designees ex officio, or an individual appointed to the Federal Election Commission pursuant to 2 U.S.C. 437c(a).

(c) Request means to seek the release of records under 5 U.S.C. 552.

(d) Requestor is any person who submits a request to the Commission.

(f) Public Disclosure Division of the Commission is that division which is responsible for, among other things, the processing of requests for public access to records which are submitted to the Commission pursuant to 2 U.S.C. 437f(d), 437g(a)(4)(B)(I), and 438(a).

(g) Direct costs means those expenditures which the Commission actually incurs in searching for and duplicating (and, in the case of commercial use requestors, reviewing) documents to respond to a FOIA request. Direct costs include the salary of the employee performing the work (the basic rate of pay for the employee plus 16 percent of that
rate to cover benefits) and the cost of operating duplicating equipment. Direct costs do not include overhead expenses such as the cost of space and heating or lighting the facility in which the records are stored.

(h) Search means all time spent looking for material that is responsive to a FOIA request, including page-by-page or line-by-line identification of material within documents. This includes both manual searches and searches conducted with a computer using existing programming. Search time does not include review of material in order to determine whether the material is exempt from disclosure.

(i) Review means the process of examining a document located in response to a commercial use request to determine whether any portion of the document located is exempt from disclosure. Review also refers to processing any document for disclosure, i.e., doing all that is necessary to excise exempt portions of the document and otherwise prepare the document for release. Review does not include time spent by the Commission resolving general legal or policy issues regarding the application of exemptions.

(j) Duplication means the process of making a copy of a document necessary to respond to a FOIA request. Examples of the form such copies can take include, but are not limited to, paper copy, microform, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk).

(k) Commercial use means a purpose that furthers the commercial, trade, or profit interests of the requestor or the person on whose behalf the request is made. The Commission’s determination as to whether documents are being requested for a commercial use will be based on the purpose for which the documents are being requested. Where the Commission has reasonable cause to doubt the use for which the requestor claims to have made the request or where that use is not clear from the request itself, the Commission will seek additional clarification before assigning the request to a specific category.

(l) Educational institution means a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programme of scholarly research.

(m) Non-commercial scientific institution means an organization that is not operated on a commercial basis, as that term is defined in paragraph (k) of this section, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(n) Representative of the news media means a person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of news media entities include, but are not limited to, television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news, as defined in this paragraph) who make their products available for purchase or subscription by the general public. A freelance journalist may be regarded as working for a news organization and therefore considered a representative of the news media if that person can demonstrate a solid basis for expecting publication by that news organization, even though that person is not actually employed by that organization. The best means by which a freelance journalist can demonstrate a solid basis for expecting publication by that news organization is by having a publication contract with that news organization. When no such contract is present, the Commission will look to the freelance journalist’s past publication record in making this determination.

§ 4.2 Policy on disclosure of records.

(a) The Commission will make the fullest possible disclosure of records to the public, consistent with the rights of individuals to privacy, the rights of
§4.4 Availability of records.

(a) In accordance with 5 U.S.C. 552 (a)(2) and (a)(3) the Commission shall make the following materials available for public inspection and copying:

1. Statements of policy and interpretation which have been adopted by the Commission;
2. Administrative staff manuals and instructions to staff that affect a member of the public;
3. Opinions of Commissioners rendered in enforcement cases and General Counsel's reports and non-exempt 2 U.S.C. 437g investigatory materials in enforcement files will be made available no later than 30 days from the date on which a respondent is notified that the Commission has voted to take no further action and to close such an enforcement file.
4. Letter requests for guidance and responses thereto;
5. The minutes of Commission meetings and transcripts made from tapes of Commission meetings;
6. Material routinely prepared for public distribution, e.g., campaign guidelines, FEC Record, press releases, speeches, notices to candidates and committees.
7. Proposals submitted in response to a request for proposals formulated pursuant to the Federal Procurement Regulations, 41 CFR 1-1.301 et seq.
8. Contracts for services and supplies entered into by the Commission.
9. Statements and certifications (with respect to closing meetings) as required by the Government in the Sunshine Act, 5 U.S.C. 552b.
10. Reports of receipts and expenditures, designations of campaign deposits, statements of organization, candidate designations of committees, and the indices compiled from the filings therein.
11. Requests for advisory opinions, written comments submitted in connection therewith, and responses approved by the Commission.
12. With respect to enforcement matters, any conciliation agreement entered into between the Commission and any respondent.
13. Copies of studies published pursuant to the Commission's duty to serve as a national clearinghouse on election law administration.
14. Audit reports (if discussed in open session).
15. Agendas for Commission meetings.

(b) Public access to the materials described in subparagraphs (a)(3) and (a)(10) through (a)(15) of this section is also available pursuant to the Federal Election Campaign Act of 1971, as amended, in accordance with the provisions of part 5 of this chapter.

(c) The Commission shall maintain and make available current indexes and supplements providing identifying information regarding any matter issued, adopted or promulgated after April 15, 1975 as required by 5 U.S.C. 552(a)(2)(c). These indexes and supplements shall be published and made available on at least a quarterly basis for public distribution unless the Commission determines by Notice in the Federal Register that publication would be unnecessary, impracticable, or not feasible due to budgetary considerations. Nevertheless, copies of any index or supplement shall be made available upon request at a cost not to exceed the direct cost of duplication.

(d) The Freedom of Information Act and the provisions of this part apply only to existing records; they do not require the creation of new records.

(e) If documents or files contain both disclosable and nondisclosable informa-
§ 4.5

Categories of exemptions.

(a) No requests under 5 U.S.C. 552 shall be denied release unless the record contains, or its disclosure would reveal, matters that are:

(1) Specifically authorized under criteria established by an executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive order;

(2) Related solely to the internal personnel rules and practices of the Commission;

(3) Specifically exempted from disclosure by statute, provided that such statute (A) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or (B) establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Trade secrets and commercial or financial information obtained from a person which are privileged or confidential. Such information includes confidential business information which concerns or relates to the trade secrets, processes, operations, style of works, or apparatus, or to the production, sales, shipments, purchases, transfers, identification of customers, inventories, or amount of source of income, profits, losses, or expenditures of any person, firm, partnership, corporation, or other organization, if the disclosure is likely to have the effect of impairing the Commission's ability to obtain such information as is necessary to perform its statutory functions, or causing substantial harm to the competitive position of the person, firm, partnership, corporation, or other organization from which the information was obtained, unless the Commission is required by law to disclose such information. These procedures shall be used for submitting business information in confidence:

(i) A request for confidential treatment shall be addressed to the FOIA officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463, and shall clearly indicate on the envelope that it is a request for confidential treatment.

(ii) With each submission of, or offer to submit, business information which a submitter desires to be treated as confidential under paragraph (a)(4) of this section, the submitter shall provide the following, which may be disclosed to the public: (A) A written description of the nature of the subject information, and a justification for the request for its confidential treatment, and (B) a certification in writing under oath that substantially identical information is not available to the public.

(iii) Approval or denial of requests shall be made only by the FOIA officer or his or her designee. A denial shall be in writing, shall specify the reason therefore, and shall advise the submitter of the right to appeal to the Commission.

(iv) For good cause shown, the Commission may grant an appeal from a denial by the FOIA Officer or his or her designee if the appeal is filed within fifteen (15) days after receipt of the denial. An appeal shall be addressed to the FOIA Officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463 and shall clearly indicate that it is a confidential submission appeal. An appeal will be decided within twenty (20) days after its receipt (excluding Saturdays, Sundays and legal holidays) unless an extension, stated in writing with the reasons therefore, has been provided the person making the appeal.

(v) Any business information submitted in confidence and determined to be entitled to confidential treatment shall be maintained in confidence by the Commission and not disclosed except as required by law. In the event...
that any business information submitted to the Commission is not entitled to confidential treatment, the submitter will be permitted to withdraw the tender unless it is the subject of a request under the Freedom of Information Act or of judicial discovery proceedings.

(vi) Since enforcement actions under 2 U.S.C. 437g are confidential by statute, the procedures outlined in §4.5(a)(4) (i) thru (v) are not applicable.

(5) Inter-agency or intra-agency memoranda or letters which would not be available by law to a party in litigation with the Commission.

(6) Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(b) Whenever a request is made which involves access to records described in 11 CFR 4.5(a)(7): and

(1) The investigation or proceeding involves a possible violation of criminal law; and

(2) There is reason to believe that—

(i) The subject of the investigation or proceeding is not aware of its pendency, and

(ii) Disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings;

The agency may, during only such time as that circumstance continues, treat the records as not subject to the requirements of the Freedom of Information Act.

(c) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt.

(d) If a requested record is one of another government agency or deals with subject matter to which a government agency other than the Commission has exclusive or primary responsibility, the request for such a record shall be promptly referred by the Commission to that agency for disposition or guidance as to disposition.

(e) Nothing in this part authorizes withholding of information or limiting the availability of records to the public, except as specifically provided in this part; nor is this part authority to withhold information from Congress.

§4.7 Requests for records.

(a) A request to inspect or copy Commission public records of the type referred to in 11 CFR 4.4(b) may be made in person or by mail. The Public Records Office is open Monday through Friday between the hours of 9 a.m. and
5 p.m. and is located on the first floor, 999 E Street, NW., Washington, DC 20463.

(b) Requests for copies of records pursuant to the Freedom of Information Act shall be addressed to FOIA officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463. The request shall reasonably describe the records sought with sufficient specificity with respect to names, dates, and subject matter, to permit the records to be located. A requester will be promptly advised if the records cannot be located on the basis of the description given and that further identifying information must be provided before the request can be satisfied.

(c) Records or copies thereof will normally be made available either immediately upon receipt of a request or within ten working days thereafter, or twenty working days in the case of an appeal, unless in unusual circumstances the time is extended or subject to 11 CFR 4.9(c)(3), which governs advance payments. In the event the time is extended, the requester shall be notified of the reasons for the extension and the date on which a determination is expected to be made, but in no case shall the extended time exceed ten working days. An extension may be made if it is—

(1) Necessary to locate records or transfer them from physically separate facilities; or

(2) Necessary to search for, collect, and appropriately examine a large quantity of separate and distinct records which are the subject of a single request; or

(3) Necessary for consultation with another agency which has a substantial interest in the determination of the request, or with two or more components of the Commission which have a substantial subject matter interest therein.

(d) Any person denied access to records by the Commission shall be notified immediately giving reasons therefore, and notified of the right of such person to appeal such adverse determination to the Commission.

(e) The date of receipt of a request under this part shall be the date on which the FOIA Officer actually receives the request.

§ 4.8 Appeal of denial.

(a) Any person who has been notified pursuant to §4.6(d) of this part that his/her request for inspection of a record or for a copy has been denied, or who has received no response within ten working days (or within such extended period as is permitted under §4.7(c) of this part) after the request has been received by the Commission, may appeal the adverse determination or the failure to respond by requesting the Commission to direct that the record be made available.

(b) The appeal request shall be in writing, shall clearly and prominently state on the envelope or other cover and at the top of the first page "FOIA Appeal", and shall identify the record in the form in which it was originally requested.

(c) The appeal request should be delivered or addressed to the FOIA Officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463.

(d) The requestor may state facts and cite legal or other authorities as he/she deems appropriate in support of the appeal request.

(e) For good cause shown, the Commission may disclose a record which is subject to one of the exemptions listed in §4.5 of this part.

(f) The Commission will make a determination with respect to any appeal within twenty days (excluding Saturdays, Sundays and legal holidays) after receipt of the appeal (or within such extended period as is permitted under §4.7(c) of this part). If on appeal, the denial of the request for a record or a copy is in whole or in part upheld, the Commission shall advise the requestor of the denial and shall notify him/her of the provisions for judicial review of that determination as set forth in 5 U.S.C. 552(a)(4).

(g) Because of the risk of misunderstanding inherent in oral communications, the Commission will not entertain any appeal from an alleged denial or failure to comply with an oral request. Any person who has orally re-
§ 4.9 Fees.

(a) Exception to fee charges—(1) General. Except for a commercial use requester, the Commission will not charge a fee to any requester for the first two hours of search time and the first 100 pages of duplication in response to any FOIA request.

(2) Free computer search time. For purposes of this paragraph, the term search time is based on the concept of a manual search. To apply this to a search conducted by a computer, the Commission will provide the equivalent dollar value of two hours of professional staff time, calculated according to paragraph (c)(4) of this section, in computer search time. Computer search time is determined by adding the cost of the computer connect time actually used for the search, calculated at the rate of $25.00 per hour, to the cost of the operator's salary for the time spent conducting the computer search, calculated at the professional staff time rate set forth at paragraph (c)(4) of this section.

(3) Definition of pages. For purposes of this paragraph, the word pages refers to paper copies of a standard agency size which will normally be 8½" x 11" or 8½" x 14". Thus, while a requester would not be entitled to 100 free computer disks, for example, a requester would be entitled to 100 free pages of a computer printout.

(4) Minimum charge. The Commission will not charge a fee to any requester when the allowable direct cost of that FOIA request is equal to or less than the Commission's cost of routinely collecting and processing a FOIA request fee.

(b) Fee reduction or waiver—(1) The Commission will consider requests for the reduction or waiver of any fees assessed pursuant to paragraph (c)(1) of this section if it determines, either as a result of its own motion or in response to a written submission by the requester, that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and that disclosure of the information is not primarily in the commercial interest of the requester.

(2) A request for a reduction or waiver of fees shall be made in writing by the FOIA requester; shall accompany the relevant FOIA request so as to be considered timely; and shall include a specific explanation as to why the fee for that FOIA request should be reduced or waived, applying the standard stated in paragraph (b)(1) of this section to the facts of that particular request. In addition, the explanation shall include: the requester's (and user's, if the requester and the user are different persons or entities) identity, qualifications and expertise in the subject area, and ability and intention to disseminate the information to the public; and a discussion of any commercial or personal benefit that the requester (and user, if the requester and user are different persons or entities) expects as a result of disclosure, including whether the information disclosed would be resold in any form at a fee above actual cost.

(c) Fees to be charged. (1) The FOIA services provided by the Commission in response to a FOIA request for which the requester will be charged will depend upon the category of the requester. The categories of FOIA requestors are as follows:

(i) Commercial use requestors. A requester of documents for commercial use will be assessed reasonable standard charges for the full allowable direct costs of searching for, reviewing for release and duplicating the records sought, according to the Commission's schedule of fees as set forth at paragraph (c)(4) of this section. A commercial use requester is not entitled to two hours of free search time nor 100 free pages of duplication of documents.

(ii) Educational and non-commercial scientific institution requestors. The Commission will provide documents to requestors in this category for the cost of duplication of the records provided by the Commission in response to the request, according to the Commission's schedule of fees as set forth at para-
§4.9

[Image 130x124 to 488x752]

graph (c)(4) of this section, excluding charges for the first 100 pages of duplication. Requestors in this category will not be charged for search time. To be eligible for inclusion in this category, requestors must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

(iii) Requestors who are representatives of the news media. The Commission will provide documents to requestors in this category for the cost of duplication of the records provided by the Commission in response to the request, according to the Commission's schedule of fees as set forth at paragraph (c)(4) of this section, excluding charges for the first 100 pages of duplication. Requestors in this category will not be charged for search time. To be eligible for inclusion in this category, the requestor must meet the criteria listed at 11 CFR 4.1(n) and his or her request must not be made for a commercial use. A request for records supporting the news dissemination function of the requestor shall not be considered to be a request that is for a commercial use.

(iv) All other requestors. The Commission will charge requestors who do not fit into any of the categories listed in paragraph (c)(1)(i), (1) or (iii) of this section the full direct costs of searching for and duplicating records in response to the request, according to the Commission's schedule of fees as set forth at paragraph (c)(4) of this section, excluding charges for the first two hours of search time and the first 100 pages of duplication. Requests from record subjects for records about themselves will continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for duplication.

(2) The Commission may assess fees for the full allowable direct costs of searching for documents in response to a request even if the Commission fails to locate any documents which are responsive to that request and, in the case of commercial use requestors, of reviewing documents located in response to a request which the Commission determines are exempt from disclosure.

(3) If the Commission estimates that search or duplication charges are likely to exceed $25.00, it will notify the requestor of the estimated amount of the fee unless the requestor has indicated in advance a willingness to pay a fee as high as that estimated by the Commission. Through this notification, the Commission will offer the requestor the opportunity to confer with Commission staff to reformulate the original request in order to meet the requestor's needs at a lower cost.

(4) The following is the schedule of the Commission's standard fees. The cost of staff time will be added to all of the following fees, generally at the Professional rate listed below, except for the cost of Photocopying from photocopying machines which has been calculated to include staff time.

Photocopying

Photocopying from photocopying machines—$0.07 per page
Photocopying from microfilm reader-printer—$0.15 per page
Paper copies from microfilm-paper print machine—$0.05 per frame

Reels of Microfilm
Daily film (partial or complete roll)—$2.85 per roll
Other film (partial or complete roll)—$5.00 per roll

Publications: (new or not from available stocks)
Cost of photocopying document—$0.07 per page
Cost of binding document—$0.30 per inch

Publications: (available stock)

If available from stock on hand, cost is based on previously calculated cost as stated in the publication (based on actual cost per copy, including reproduction and binding). Commission publications for which fees will be charged include, but are not limited to, the following: Advisory Opinion Index, Report on Financial Activity, Financial Control and Compliance Manual, MUR Index, and Guideline for Presentation in Good Order.

Computer Tapes

Cost to process the request at the rate of $25.00 per hour connect time plus the cost of
§4.9

the computer tape ($25.00) and professional staff time (see Staff Time).

Computer Indexes (Including Name Searches)

Cost to process the request at the rate of $25.00 per hour connect time plus the cost of professional staff time (see Staff Time).

Staff Time

Clerical: $4.50 per each half hour (agency average of staff below a GS-11) for each request.

Professional: $12.40 per each half hour (agency average of staff at GS-11 and above) for each request.

Other Charges

Certification of a Document: $7.35 per quarter hour.

Transcripts of Commission meetings not previously transcribed: $7.50 per half hour (equivalent of a GS-11 executive secretary).

The Commission will not charge a fee for ordinary packaging and mailing of records requested. When a request for special mailing or delivery services is received the Commission will package the records requested. The requestor will make all arrangements for pick-up and delivery of the requested materials. The requestor shall pay all costs associated with special mailing or delivery services directly to the courier or mail service.

(5) Upon receipt of any request for the production of computer tape or microfilm, the Commission will advise the requestor of the identity of the private contractor who will perform the duplication services. If fees are charged for the production of computer tape or microfilm, they shall be made payable to that private contractor and shall be forwarded to the Commission.

(d) Interest charges. FOIA requestors should pay fees within 30 days following the day on which the invoice for that request was sent to the requestor. If the invoice is unpaid on the 31st day following the day on which the invoice was sent, the Commission will begin assessing interest charges, which will accrue from the date the invoice was mailed. Interest will be charged at a rate that is equal to the average investment rate for the Treasury tax and loan accounts for the 12-month period ending on September 30 of each year, rounded to the nearest whole percentage point, pursuant to 31 U.S.C. 3717. The accrual of interest will be stayed by the Commission's receipt of the fee, even if the fee has not yet been processed.

(e) Aggregating requests. A requestor may not file multiple requests, each seeking portions of a document or documents, in order to avoid payment of fees. When the Commission reasonably believes that a FOIA requestor or group of requestors acting in concert is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Commission will aggregate any such requests and charge the appropriate fees. In making this determination, the Commission will consider the time period in which the requests have occurred, the relationship of the requestors, and the subject matter of the requests.

(f) Advance payments. The Commission will require a requestor to make an advance payment, i.e., a payment before work is commenced or continued on a request, when:

(1) The Commission estimates or determines that allowable charges that a requestor may be required to pay are likely to exceed $250. In such a case, the Commission will notify the requestor of the likely cost and, where the requestor has a history of prompt payment of FOIA fees, obtain satisfactory assurance of full payment, or in the case of a requestor with no FOIA fee payment history, the Commission will require an advance payment of an amount up to the full estimated charges; or

(2) A requestor has previously failed to pay a fee in a timely fashion (i.e., within 30 days of the date of the billing). In such a case, the Commission may require that the requestor pay the full amount owed plus any applicable interest or demonstrate that the fee has been paid and make an advance payment of the full amount of the estimated fee before the Commission begins to process a new request or a pending request from that requestor.

(3) If the provisions of paragraph (f)(1) or (2) of this section apply, the administrative time limits prescribed in 11 CFR 4.7(c) will begin only after the Commission has received the payments or the requestor has made acceptable arrangements to make the payments
required by paragraph (f)(1) or (2) of this section.

In the event any advance payment differs from the actual fee, an appropriate adjustment will be made at the time the copies are made available by the Commission.

The purpose of this part is to effectuate section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by Executive agencies or the United States Postal Service.

§ 6.102 Application.

This part applies to all programs or activities conducted by the Commission.

§ 6.103 Definitions.

For purposes of this part, the term—

(a) Auxiliary aids means services, including attendant services, or devices that enable handicapped persons, including those with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities conducted by the Commission. For example, auxiliary aids useful for persons with impaired vision include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TDD's), interpreters, note takers, written materials, and other similar services and devices. Although auxiliary aids are explicitly required only by 11 CFR 6.160(a)(1), they may also be used to meet other requirements of this part.

(b) Commission means the Federal Election Commission, 999 E Street, NW., Washington, DC 20463.

(c) Complete complaint means a written statement that contains the complainant's name and address and describes the Commission's actions in sufficient detail to inform the Commission of the nature and date of the alleged violation of section 504. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

(d) Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other conveyances, or other real or personal property whether owned, leased or used on some other basis by the Commission.

The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction, and alcoholism.

(2) Major life activities includes functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.
§6.110 Evaluation.

(a) Within one year of the effective date of this part, the Commission will conduct, with the assistance of interested persons, including handicapped persons and organizations representing handicapped persons, and evaluation of its compliance with section 504. This evaluation will include a determination of whether the Commission's policies and practices, and the effects thereof, meet the requirements of this part and whether modification of any such policies or practices is required to comply with section 504. If modification of any policy or practice is found to be required as a result of this evaluation, the Commission will proceed to make the necessary modifications.

(b) For at least three years following completion of the evaluation required under paragraph (a), the Commission will maintain on file and make available for public inspection:

1. A list of the interested persons consulted;
2. A description of areas examined and any problems identified; and
3. A description of any modifications made.

§6.111 Notice.

The Commission will make available to employees, applicants, participants, beneficiaries, and other interested persons information regarding the provisions of this part and its applicability to the programs or activities conducted by the Commission. The Commission will make such information available to them in a manner it finds necessary to effectively apprise such persons of the protections against discrimination assured them by section 504 and the provisions of this part.

§§6.112-6.129 [Reserved]

§6.130 General prohibitions against discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the Commission.
(b)(1) The Commission, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—
   (i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;
   (ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;
   (iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;
   (iv) Provide different or separate aids, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aids, benefits, or services that are as effective as those provided to others;
   (v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient’s program, except that this paragraph does not apply to candidates or conventions receiving public financing under title 26, United States Code;
   (vi) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or
   (vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.
(2) The Commission may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.
(3) The Commission may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—
   (i) Subject qualified handicapped persons to discrimination on the basis of handicap;
   (ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons; or
   (iii) Perpetuate the discrimination of another agency.
(4) The Commission may not, in determining the site or location of a facility, make selections the purpose or effect of which would—
   (i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the Commission; or
   (ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.
(5) The Commission, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.
(6) The Commission may not administer a certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the Commission establish requirements for the programs or activities of certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. However, the programs or activities of entities that are certified by the Commission are not, themselves, covered by this part.
(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive Order to a different class of handicapped persons is not prohibited by this part.
(d) The Commission will administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.
§ 6.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Commission. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 6.141-6.148 [Reserved]

§ 6.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in 11 CFR 6.150 and 11 CFR 6.151, no qualified handicapped person shall be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the Commission because its facilities are inaccessible to or unusable by handicapped persons.

§ 6.150 Program accessibility; Existing facilities.

(a) General. The Commission will operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the Commission to make each of its existing facilities accessible to and usable by handicapped persons;

(2) Require the Commission to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. The Commission has the burden of proving that compliance with 11 CFR 6.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Commission after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the Commission will take any other action that would not result in such an alteration or such a burden but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods. The Commission may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The Commission is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The Commission, in making alterations to existing buildings, will meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157) and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the Commission will give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) Time period for compliance. The Commission will comply with the obligations established under this section within sixty days of the effective date of this part except that where structural changes in facilities are undertaken, such changes will be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the Commission will develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan will be developed with the assistance of interested persons, including handicapped persons and organizations representing handi-
Federal Election Commission

capped persons. A copy of the transition plan will be made available for
public inspection. The plan will, at a minimum—
(1) Identify physical obstacles in the
Commission's facilities that limit the
accessibility of its programs or activi­
ties to handicapped persons;
(2) Describe in detail the methods
that will be used to make the facilities
accessible;
(3) Specify the schedule for taking
the steps necessary to achieve compli­
ance with this section and, if the time
period of the transition plan is longer
than one year, identify steps that will
be taken during each year of the tran­
sition period;
(4) Indicate the official responsible
for implementation of the plan; and
(5) Identify the persons or groups
with whose assistance the plan was
prepared.

§ 6.151 Program accessibility: New
construction and alterations.

Each building or part of a building
that is constructed or altered by, on be­
half of, or for the use of the Commiss­
ion shall be designed, constructed, or
altered so as to be readily accessible to
and usable by handicapped persons.
The definitions, requirements, and
standards of the Architectural Barriers
Act, 42 U.S.C. 4151-4157, as established

(a) The term "contribution" includes the following payments, services or other things of value:

(1) A gift, subscription, loan (except for a loan made in accordance with 11 CFR 100.7(b)(1)), advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office is a contribution.

(B) For purposes of 11 CFR 100.7(a)(1), the term "money" includes currency of the United States or of any foreign nation, checks, money orders, or any other negotiable instruments payable on demand.

(ii) For purposes of 11 CFR 100.7(a)(1), the term "anything of value" includes all in-kind contributions. Unless specifically exempted under 11 CFR 100.7(b), the provision of any goods or services without charge or at a charge which is less than the usual and normal charge for such goods or services is a contribution. Examples of such goods or services include, but are not limited to: Securities, facilities, equipment, supplies, personnel, adver-

tising services, membership lists, and mailing lists. If goods or services are provided at less than the usual and normal charge, the amount of the in-kind contribution is the difference between the usual and normal charge for the goods or services at the time of the contribution and the amount charged the political committee.

(B) For purposes of 11 CFR 100.7(a)(1)(iii)(A), usual and normal charge for goods means the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution; and usual and normal charge for any services, other than those provided by an unpaid volunteer, means the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered.

(2) The entire amount paid to attend a fundraiser or other political event and the entire amount paid as the purchase price for a fundraising item sold by a political committee is a contribution.

(3) The payment by any person of compensation for the personal services of another person if those services are rendered without charge to a political committee for any purpose, except for legal and accounting services provided under 11 CFR 100.7(b)(13) or (14), is a contribution. No compensation is considered paid to any employee under any of the following conditions:

(i) If an employee is paid on an hourly or salaried basis and is expected to work a particular number of hours per period, no contribution results if the employee engages in political activity during what would otherwise be a regular work period, provided that the taken or released time is made up or completed by the employee within a reasonable time.

(ii) No contribution results where an employee engages in political activity during what would otherwise be normal working hours if the employee is paid on a commission or piecework basis, or is paid only for work actually performed and the employee's time is considered his or her own to use as he or she sees fit.

(iii) No contribution results where the time used by the employee to engage in political activity is bona fide, although compensable, vacation time or other earned leave time.

(4) The extension of credit by any person is a contribution unless the credit is extended in the ordinary course of the person's business and the terms are substantially similar to extensions of credit to nonpolitical debtors that are of similar risk and size of obligation. If a creditor fails to make a commercially reasonable attempt to collect the debt, a contribution will result. (See 11 CFR 116.3 and 116.4.) If a debt owed by a political committee is forgiven or settled for less than the amount owed, a contribution results unless such debt is settled in accordance with the standards set forth at 11 CFR 116.3 and 116.4.

(b) The term contribution does not include the following payments, services or other things of value:

(1) (i) Funds received solely for the purpose of determining whether an individual should become a candidate are not contributions. Examples of activities permissible under this exemption if they are conducted to determine whether an individual should become a candidate include, but are not limited to, conducting a poll, telephone calls, and travel. Only funds permissible under the Act may be used for such activities. The individual shall keep records of all such funds received. See 11 CFR 101.3. If the individual subsequently becomes a candidate, the funds received are contributions subject to the reporting requirements of the Act. Such contributions must be reported with the first report filed by the principal campaign committee of the candidate, regardless of the date the funds were received. III(ii) This exemption does not apply to funds received for activities indicating that an individual has decided to become a candidate for a particular office or for activities relevant to conducting a campaign. Examples of activities that indicate that an individual has decided to become a candidate include, but are not limited to:

(A) The individual uses general public political advertising to publicize his or her intention to campaign for Federal office.
§ 100.7

(B) The individual raises funds in excess of what could reasonably be expected to be used for exploratory activities or undertakes activities designed to amass campaign funds that would be spent after he or she becomes a candidate.

(C) The individual makes or authorizes written or oral statements that refer to him or her as a candidate for a particular office.

(D) The individual conducts activities in close proximity to the election or over a protracted period of time.

(E) The individual has taken action to qualify for the ballot under State law.

(2) Any cost incurred in covering or carrying a news story, commentary, or editorial by any broadcasting station, newspaper, magazine, or other periodical publication is not a contribution unless the facility is owned or controlled by any political party, political committee, or candidate, in which case the cost for a news story (i) which represents a bona fide news account communicated in a publication of general circulation or on a licensed broadcasting facility, and (ii) which is part of a general pattern of campaign-related news accounts which give reasonably equal coverage to all opposing candidates in the circulation or listening area, is not a contribution.

(3) The value of services provided without compensation by any individual who volunteers on behalf of a candidate or political committee is not a contribution.

(4) No contribution results where an individual, in the course of volunteering personal services on his or her residential premises to any candidate or to any political committee of a political party, provides the use of his or her real or personal property to such candidate for candidate-related activity or to such political committee of a political party for party-related activity. For the purposes of 11 CFR 100.7(b)(4), an individual's residential premises shall include a recreation room in a residential complex where the individual volunteering services resides, provided that the room is available for use without regard to political affiliation. A nominal fee paid by such individual for the use of such room is not a contribution.

(5) No contribution results where an individual, in the course of volunteering personal services to any candidate or political committee of a political party, obtains the use of a church or community room and provides such room to any candidate for candidate-related activity or to any political committee of a political party for party-related activity, provided that the room is used on a regular basis by members of the community for non-commercial purposes and the room is available for use by members of the community without regard to political affiliation. A nominal fee paid by such individual for the use of such room is not a contribution.

(6) The cost of invitations, food and beverages is not a contribution where such items are voluntarily provided by an individual volunteering personal services on the individual's residential premises or in a church or community room as specified at 11 CFR 100.7(b)(4) and (5) to a candidate for candidate-related activity or to any political committee of a political party for party-related activity, to the extent that: The aggregate value of such invitations, food and beverages provided by the individual on behalf of the candidate does not exceed $1,000 with respect to any single election; and on behalf of all political committees of each political party does not exceed $2,000 in any calendar year.

(7) The sale of any food or beverage by a vendor (whether incorporated or not) for use in a candidate's campaign, or for use by a political committee of a political party, at a charge less than the normal or comparable commercial rate, is not a contribution, provided that the charge is at least equal to the cost of such food or beverage to the vendor, to the extent that: The aggregate value of such discount given by the vendor on behalf of any single candidate does not exceed $1,000 with respect to any single election; and on behalf of all political committees of each political party does not exceed $2,000 in a calendar year.

(8) Any unreimbursed payment for transportation expenses incurred by any individual on behalf of any can-

§ 100.7

(1) A loan, including a line of credit, shall be considered made on a basis which assures repayment if it is obtained using either of the sources of repayment described in paragraphs (b)(11)(i) (A) or (B) of this section, or a combination of paragraphs (b)(11)(i) (A) and (B) of this section:

(A) The lending institution making the loan has perfected a security interest in collateral owned by the candidate or political committee receiving the loan, the fair market value of the collateral is equal to or greater than

applicable banking laws and regulations and is made in the ordinary course of business. A loan will be deemed to be made in the ordinary course of business if it: Bears the usual and customary interest rate of the lending institution for the category of loan involved; is made on a basis which assures repayment; is evidenced by a written instrument; and is subject to a due date or amortization schedule. Such loans shall be reported by the political committee in accordance with 11 CFR 104.3(a). Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement, except that, in the event of a signature by the candidate's spouse, the provisions of 11 CFR 100.7(a)(1)(i)(D) shall apply. Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that such agreement does not stipulate the portion of the loan for which each endorser or guarantor is liable, the loan shall be considered a contribution by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors. For purposes of 11 CFR 100.7(b)(11), an overdraft made on a checking or savings account shall be considered a contribution by the bank or institution unless: The overdraft is made on an account which is subject to automatic overdraft protection; the overdraft is subject to a definite interest rate which is usual and customary; and there is a definite repayment schedule.

(A) A loan, including a line of credit, shall be considered made on a basis which assures repayment if it is obtained using either of the sources of repayment described in paragraphs (b)(11)(i) (A) or (B) of this section, or a combination of paragraphs (b)(11)(i) (A) and (B) of this section:

(A) The lending institution making the loan has perfected a security interest in collateral owned by the candidate or political committee receiving the loan, the fair market value of the collateral is equal to or greater than
§ 100.7

the loan amount and any senior liens as determined on the date of the loan, and the candidate or political committee provides documentation to show that the lending institution has a perfected security interest in the collateral. Sources of collateral include, but are not limited to, ownership in real estate, personal property, goods, negotiable instruments, certificates of deposit, chattel papers, stocks, accounts receivable and cash on deposit.

(2) Amounts guaranteed by secondary sources of repayment, such as guarantors and cosigners, shall not exceed the contribution limits of 11 CFR part 110 or contravene the prohibitions of 11 CFR 110.4, part 114 and part 115; or

(3) The lending institution making the loan has obtained a written agreement whereby the candidate or political committee receiving the loan has pledged future receipts, such as public financing payments under 11 CFR part 9001 et seq. or part 9001 et seq., contributions, or interest income, provided that:

(1) The amount of the loan or loans obtained on the basis of such funds does not exceed the amount of pledged funds;

(2) Loan amounts are based on a reasonable expectation of the receipt of pledged funds. To that end, the candidate or political committee must furnish the lending institution documentation, i.e., cash flow charts or other financial plans, that reasonably establish that such future funds will be available;

(3) A separate depository account is established at the lending institution or the lender obtains an assignment from the candidate or political committee to access funds in a committee account at another depository institution that meets the requirements of 11 CFR 103.2, and the committee has notified the other institution of this assignment;

(4) The loan agreement requires the deposit of the public financing payments, contributions and interest income pledged as collateral into the separate depository account for the purpose of retiring the debt according to the repayment requirements of the loan agreement; and

(5) In the case of public financing payments, the borrower authorizes the Secretary of the Treasury to directly deposit the payments into the depository account for the purpose of retiring the debt.

(11) If the requirements set forth in paragraph (b)(11)(i) of this section are not met, the Commission will consider the totality of the circumstances on a case-by-case basis in determining whether a loan was made on a basis which assures repayment.

(12) A gift, subscription, loan, advance, or deposit of money or anything of value made to a national committee or a State committee of a political party is not a contribution if it is specifically designated to defray any cost incurred for construction or purchase of any office facility which is not acquired for the purpose of influencing the election of any candidate in any particular election for Federal office. If such gift, subscription, loan, advance, or deposit of money or anything of value is made to a committee which is not a political committee under 11 CFR 100.5, the amount need not be reported. However, if such gift, subscription, loan, advance, or deposit of money or anything of value is made to a political committee, it shall be reported in accordance with 11 CFR 104.4(g).

(13) Legal or accounting services rendered to or on behalf of any political committee of a political party are not contributions if the person paying for such services is the regular employer of the individual rendering the services and such services are not attributable to activities which directly further the election of any designated candidate for Federal office. For purposes of 11 CFR 100.7(b)(13), a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for such services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h).

(14) Legal or accounting services rendered to or on behalf of an authorized committee of a candidate or any other political committee are not contributions if the person paying for such services is the regular employer of the individual rendering the services and if such services are solely to ensure com-
§ 100.7

For purposes of 11 CFR 100.7(b)(14), a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for these services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h).

(15) The payment by a state or local committee of a political party of the costs of campaign materials (such as pins, bumper stickers, handbills, brochures, posters, party tabloids or newsletters, and yard signs) used by such committee in connection with volunteer activities on behalf of any nominee(s) of such party is not a contribution, provided that the following conditions are met:

(i) Such payment is not for cost incurred in connection with any broadcasting, newspaper, magazine, billboard, direct mail, or similar type of general public communication or political advertising. For purposes of 11 CFR 100.7(b)(15)(i), the term direct mail means any mailing(s) by a commercial vendor or any mailing(s) made from commercial lists.

(ii) The portion of the cost of such materials allocable to Federal candidates is paid from contributions subject to the limitations and prohibitions of the Act.

(iii) Such payment is not made from contributions designated by the donor to be spent on behalf of a particular candidate or candidates for Federal office. For purposes of 11 CFR 100.7(b)(15)(iii), a contribution shall not be considered a designated contribution if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.

(iv) Such materials are distributed by volunteers and not by commercial or for-profit operations. For the purposes of 11 CFR 100.7(b)(15)(iv), payments by the party organization for travel and subsistence or customary token payments to volunteers do not remove such individuals from the volunteer category.

(v) If made by a political committee, such payments shall be reported by the political committee as disbursements in accordance with 11 CFR 104.3 but need not be allocated to specific candidates in committee reports.

(vi) Payments by a State candidate or his or her campaign committee to a State or local political party committee for the State candidate's share of expenses for such campaign materials are not contributions, provided the amount paid by the State candidate or his or her committee does not exceed his or her proportionate share of the expenses.

(vii) Campaign materials purchased by the national committee of a political party and delivered to a State or local party committee, or materials purchased with funds donated by the national committee to such State or local committee for the purchase of such materials, shall not qualify under this exemption. Rather, the cost of such materials shall be subject to the limitations of 2 U.S.C. 441a(d) and 11 CFR 110.7.

(16) The payment by a candidate for any public office (including State or local office), or by such candidate's authorized committee, of the costs of that candidate's campaign materials which include information on or any reference to a candidate for Federal office and which are used in connection with volunteer activities (such as pins, bumper stickers, handbills, brochures, posters, and yard signs) is not a contribution to such candidate for Federal office, provided that the payment is not for the use of broadcasting, newspapers, magazines, billboards, direct mail or similar types of general public communication or political advertising. The payment of the portion of the cost of such materials allocable to Federal candidates shall be made from contributions subject to the limitations and prohibitions of the Act. For purposes of 11 CFR 100.7(b)(16), the term direct mail means any mailing(s) by commercial vendors or mailing(s) made from lists which were not developed by the candidate.

(17) The payment by a State or local committee of a political party of the costs of voter registration and get-out-the-vote activities conducted by such committee on behalf of the Presidential and Vice Presidential nominee(s) of that party, is not a con-
§ 100.7

Contribution to such candidate(s) provided that the following conditions are met:

(i) Such payment is not for the costs incurred in connection with any broadcasting, newspaper, magazine, billboard, direct mail, or similar type of general public communication or political advertising. For purposes of 11 CFR 100.7(b)(17)(i), the term direct mail means any mailing(s) by a commercial vendor or any mailing(s) made from commercial lists.

(ii) The portion of the costs of such activities allocable to Federal candidates is paid from contributions subject to the limitations and prohibitions of the Act.

(iii) Such payment is not made from contributions designated to be spent on behalf of a particular candidate or candidates for Federal office. For purposes of 11 CFR 100.7(b)(17)(iii), a contribution shall not be considered a designated contribution if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.

(iv) For purposes of 11 CFR 100.7(b)(17), if such activities include references to any candidate(s) for the House or Senate, the costs of such activities which are allocable to that candidate(s) shall be a contribution to such candidate(s) unless the mention of such candidate(s) is merely incidental to the overall activity.

(v) For purposes of 11 CFR 100.7(b)(17), payment of the costs incurred in the use of phone banks in connection with voter registration and get-out-the-vote activities is not a contribution when such phone banks are operated by volunteer workers. The use of professionals to design the phone bank system, develop calling instructions and train supervisors is permissible. The payment of the costs of such professional services is not an expenditure but shall be reported as a disbursement in accordance with 11 CFR 104.3 if made by a political committee.

(vi) If made by a political committee, such payments for voter registration and get-out-the-vote activities shall be reported by that committee as disbursements in accordance with 11 CFR 104.3, but such payments need not be allocated to specific candidates in committee reports except as provided in 11 CFR 100.7(b)(17)(iv).

(vii) Payments made from funds donated by a national committee of a political party to a State or local party committee for voter registration and get-out-the-vote activities shall not qualify under this exemption. Rather, such funds shall be subject to the limitations of 2 U.S.C. 441a(d) and 11 CFR 110.7.

(18) Payments made to any party committee by a candidate or the authorized committee of a candidate as a condition of ballot access are not contributions.

(19) [Reserved]

(20) A gift, subscription, loan, advance, or deposit of money or anything of value made with respect to a recount of the results of a Federal election, or an election contest concerning a Federal election, is not a contribution except that the prohibitions of 11 CFR 110.4(a) and part 114 apply.

(21) Funds provided to defray costs incurred in staging nonpartisan candidate debates in accordance with the provisions of 11 CFR 110.13 and 114.4(e).

(c) For purposes of 11 CFR 100.7(a) and (b), a contribution or payment made by an individual shall not be attributed to any other individual, unless otherwise specified by that other individual in accordance with 11 CFR 100.7(k).

EFFECTIVE DATE NOTE: At 60 FR 64272, Dec. 14, 1995, 1100.7 was amended by revising paragraph (b)(21). An effective date for this amendment will be announced in the Federal Register after these regulations have been before Congress for 30 legislative days. For the convenience of the user, the revised text follows:

(21) Funds provided to defray costs incurred in staging candidate debates in ac-
§ 100.8 Expenditure (2 U.S.C. 431(9)).

(a) The term expenditure includes the following payments, gifts or other things of value:

(1) A purchase, payment, distribution, loan (except for a loan made in accordance with 11 CFR 100.8(h)(12)), advance, deposit, or gift of money or anything of value, made by any person for the purpose of influencing any election for Federal office is an expenditure.

(ii) For purposes of 11 CFR 100.8(a)(1), the term payment includes payment of any interest on an obligation and any guarantee or endorsement of a loan by a candidate or a political committee.

(iii) For purposes of 11 CFR 100.8(a)(1), the term money includes currency of the United States or of any foreign nation, checks, money orders, or any other negotiable instrument payable on demand.

(iv)(A) For purposes of 11 CFR 100.8(a)(1), the term anything of value includes all in-kind contributions. Unless specifically exempted under 11 CFR 100.8(b), the provision of any goods or services without charge or at a charge which is less than the usual and normal charge for the goods or services is an expenditure. Examples of such goods or services include, but are not limited to: Securities, facilities, equipment, supplies, personnel, advertising services, membership lists, and mailing lists. If goods or services are provided at less than the usual and normal charge, the amount of the expenditure is the difference between the usual and normal charge for the goods or services at the time of the expenditure and the amount charged the candidate or political committee.

(B) For the purposes of 11 CFR 100.8(a)(1)(v)(A), usual and normal charge for goods means the price of those goods in the market from which they ordinarily would have been purchased at the time of the expenditure; and usual and normal charge for services, other than those provided by an unpaid volunteer, means the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered.

(2) A written contract, including a media contract, promise, or agreement to make an expenditure is an expenditure as of the date such contract, promise or obligation is made.

(3) An independent expenditure which meets the requirements of 11 CFR 104.4 or part 109 is an expenditure, and such independent expenditure is to be reported by the person making the expenditure in accordance with 11 CFR 104.4 and part 109.

(b) The term expenditure does not include the following payments, gifts, or other things of value:

(1) (i) Payments made solely for the purpose of determining whether an individual should become a candidate are not expenditures. Examples of activities permissible under this exemption if they are conducted to determine whether an individual should become a candidate include, but are not limited to, conducting a poll, telephone calls, and travel. Only funds permissible under the Act may be used for such activities. The individual shall keep records of all such payments. See 11 CFR 101.3. If the individual subsequently becomes a candidate, the payments made are subject to the reporting requirements of the Act. Such expenditures must be reported with the first report filed by the principal campaign committee of the candidate, regardless of the date the payments were made.

(ii) This exemption does not apply to payments made for activities indicating that an individual has decided to become a candidate for a particular office or for activities relevant to conducting a campaign. Examples of activities that indicate that an individual has decided to become a candidate include, but are not limited to:

(A) The individual uses general public political advertising to publicize his

or her intention to campaign for Federal office.

(B) The individual raises funds in excess of what could reasonably be expected to be used for exploratory activities or undertakes activities designed to amass campaign funds that would be spent after he or she becomes a candidate.

(C) The individual makes or authorizes written or oral statements that refer to him or her as a candidate for a particular office.

(D) The individual conducts activities in close proximity to the election or over a protracted period of time.

(E) The individual has taken action to qualify for the ballot under State law.

(2) Any cost incurred in covering or carrying a news story, commentary, or editorial by any broadcasting station, newspaper, magazine, or other periodical publication is not an expenditure, unless the facility is owned or controlled by any political party, political committee or candidate, in which case the cost for a news story (1) which represents a bona fide news account communicated in a publication of general circulation or on a licensed broadcasting facility, and (ii) which is part of a general pattern of campaign-related news accounts which give reasonably equal coverage to all opposing candidates in the circulation or listening area, is not an expenditure.

(3) Any cost incurred for nonpartisan activity designed to encourage individuals to register to vote or to vote is not an expenditure, except that corporations and labor organizations shall engage in such activity in accordance with 11 CFR 114.4(c) and (d). For purposes of 11 CFR 100.8(b)(3), nonpartisan activity means that no effort is or has been made to determine the party or candidate preference of individuals before encouraging them to register to vote or to vote.

(4) Any cost incurred for any communication by a membership organization to its members, or by a corporation to its stockholders or executive or administrative personnel, is not an expenditure, so long as the membership organization or corporation is not organized primarily for the purpose of influencing the nomination for election, or election, of any individual to Federal office, except that the costs incurred by a membership organization, including a labor organization, or by a corporation, directly attributable to a communication expressly advocating the election or defeat of a clearly identified candidate (other than a communication primarily devoted to subjects other than the express advocacy of the election or defeat of a clearly identified candidate) shall, if those costs exceed $2,000 per election, be reported to the Commission on FEC Form 7 in accordance with 11 CFR 104.6

(i) For purposes of 11 CFR 100.8(b)(4), labor organization means an organization of any kind (any local, national, or international union, or any local or State central body of a federation of unions is each considered a separate labor organization for purposes of this section) or any agency or employee representative committee or plan, in which employees participate and which exists for the purpose, in whole or in part, of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work.

(ii) For purposes of 11 CFR 100.8(b)(4), stockholder means a person who has a vested beneficial interest in stock, has the power to direct how that stock shall be voted, if it is voting stock, and has the right to receive dividends.

(iii) For purposes of 11 CFR 100.8(b)(4), executive or administrative personnel means individuals employed by a corporation who are paid on a salary rather than hourly basis and who have policymaking, managerial, professional, or supervisory responsibilities.

(A) This definition includes—

(1) Individuals who run the corporation's business, such as officers, other executives, and plant, division, and section managers; and

(2) Individuals following the recognized professions, such as lawyers and engineers.

(B) This definition does not include—

(1) Professionals who are represented by a labor organization;

(2) Salaried foremen and other salaried lower level supervisors having direct supervision over hourly employees;
(3) Former or retired personnel who are not stockholders; or
(4) Individuals who may be paid by the corporation, such as consultants, but who are not employees, within the meaning of 26 CFR 31.3401(c)-(1), of the corporation for the purpose of the collection of, and liability for, employee tax under 26 CFR 31.3402(a)-(1).

(C) Individuals on commission may be considered executive or administrative personnel if they have policymaking, managerial, professional, or supervisory responsibility and if the individuals are employees, within the meaning of 26 CFR 31.3401(c)-(1), of the corporation for the purpose of the collection of, and liability for, employee tax under 26 CFR 31.3402(a)-(1).

(D) The Fair Labor Standards Act, 29 USC 201, et seq., and the regulations issued pursuant to such Act, 29 CFR part 541, et seq., may serve as a guideline in determining whether individuals have policymaking, managerial, professional, or supervisory responsibilities.

(iv) (A) For purposes of paragraph (b)(4)(iv) of this section, membership association means a membership organization, trade association, cooperative, corporation without capital stock, or a local, national, or international labor organization that
1. Expressly provides for "members" in its articles and by-laws;
2. Expressly solicits members; and
3. Expressly acknowledges the acceptance of membership, such as by sending a membership card or inclusion on a membership newsletter list.

(B) For purposes of paragraph (b)(4) of this section, members means all persons who are currently satisfying the requirements for membership in a membership association, affirmatively accept the membership association's invitation to become a member, and either:
1. Have some significant financial attachment to the membership association, such as a significant investment or ownership stake (but not merely the payment of dues);
2. Are required to pay on a regular basis a specific amount of dues that is predetermined by the association and are entitled to vote directly either for at least one member who has full participatory and voting rights on the highest governing body of the membership association, or for those who select at least one member of those on the highest governing body of the membership association; or
3. Are entitled to vote directly for all of those on the highest governing body of the membership association.

(C) Notwithstanding the requirements of paragraph (b)(4)(iv) of this section, the Commission may determine, on a case by case basis, that persons seeking to be considered members of a membership association for purposes of this section have a significant organizational and financial attachment to the association under circumstances that do not precisely meet the requirements of the general rule. For example, student members who pay a lower amount of dues while in school or long term dues paying members who qualify for lifetime membership status with little or no dues obligation may be considered members if they retain voting rights in the association.

(D) Notwithstanding the requirements of paragraphs (b)(4)(iv) through (3) of this section, members of a local union are considered to be members of any national or international union of which the local union is a part and of any federation with which the local, national, or international union is affiliated.

(v) For purposes of 11 CFR 100.8(b)(4), election means two separate processes in a calendar year, to each of which the $2,000 threshold described above applies separately. The first process is comprised of all primary elections for Federal office, whenever and wherever held; the second process is comprised of all general elections for Federal office, whenever and wherever held. The term election shall also include each special election held to fill a vacancy in a Federal office (11 CFR 100.2(f)) or each runoff election (11 CFR 100.2(d)).

(vi) For purposes of 11 CFR 100.8(b)(4), corporation means any separately incorporated entity, whether or not affiliated.

(vii) When the aggregate costs under 11 CFR 100.8(b)(4) exceed $2,000 per election, all costs of the communication(s) shall be reported on the filing dates specified in 11 CFR 104.5, and shall in-

(1) No expenditure results where an individual, in the course of volunteering personal services, other than personal services performed by an individual to any candidate or political committee of a political party, provides the use of his or her real or personal property to such candidate for candidate-related activity or to such political committee of a political party for party-related activity. For the purposes of 11 CFR 100.8(b)(5), an individual’s residential premises shall include a recreation room in a residential complex where the individual volunteering services resides, provided that the room is available for use without regard to political affiliation. A nominal fee paid by such individual for the use of such room is not an expenditure.

(2) No expenditure results where an individual, in the course of volunteering personal services to any candidate or political committee of a political party, obtains the use of a church or community room and provides such room to any candidate for candidate-related activity or to any political committee of a political party for party-related activity, provided that the room is used on a regular basis by members of the community for non-commercial purposes and the room is available for use by members of the community without regard to political affiliation. A nominal fee paid by such individual for the use of such room is not an expenditure.

(3) The cost of invitations, food, and beverages is not an expenditure where such items are voluntarily provided by an individual in rendering voluntary personal services on the individual’s residential premises or in a church or community room as specified at 11 CFR 100.8(b)(5) and (6) to a candidate for candidate-related activity or to a political committee of a political party for party-related activity, to the extent that: The aggregate value of such invitations, food and beverages provided by the individual on behalf of the candidate does not exceed $1,000 with respect to any single election; and on behalf of all political committees of each political party does not exceed $2,000 in any calendar year.

(4) The sale of any food or beverage by a vendor (whether incorporated or not) for use in a candidate’s campaign, or for use by a political committee of a political party, at a charge less than the normal or comparable commercial charge, is not an expenditure, provided that the charge is at least equal to the cost of such food or beverage to the vendor, to the extent that: The aggregate value of such discount given by the vendor on behalf of any single candidate does not exceed $1,000 with respect to any single election; and on behalf of all political committees of each political party does not exceed $2,000 in a calendar year.

(5) Any unreimbursed payment for transportation expenses incurred by any individual on behalf of any candidate or political committee of a political party is not an expenditure to the extent that: The aggregate value of such payments made by such individual on behalf of a candidate does not exceed $1,000 with respect to a single election; and on behalf of all political committees of each political party does not exceed $2,000 in a calendar year. Additionally, any unreimbursed payment from a volunteer’s personal funds for usual and normal subsistence expenses incident to volunteer activity is not an expenditure.

(6) The payment by a State or local committee of a political party of the costs of preparation, display, or mailing or other distribution incurred by such committee with respect to a printed slate card, sample ballot, palm card, or other printed listing(s) of three or more candidates for any public office for which an election is held in the State in which the committee is organized is not an expenditure. The payment of the portion of such costs allocable to Federal candidates must be made from funds subject to the limitations and prohibitions of the Act. If made by a political party committee, such payments shall be reported by that committee as disbursements, but need not be allocated in committee reports to specific candidates. This exemption shall not apply to costs incurred by such a committee with respect to the preparation and display of listings made on broadcasting stations, or in newspapers, magazines, and simi-

lary types of general public political advertising such as billboards.

(11) Any payment made or obligation incurred by a corporation or labor organization is not an expenditure if under the provisions of 11 CFR part 114 such payment or obligation would not constitute an expenditure by the corporation or labor organization.

(12) A loan of money by a State bank, a federally chartered depository institution (including a national bank) or a depository institution whose deposits and accounts are insured by the Federal Deposit Insurance Corporation, the Federal Savings and Loan Insurance Corporation, or the National Credit Union Administration is not an expenditure by the lending institution if such loan is made in accordance with applicable banking laws and regulations and is made in the ordinary course of business. A loan will be deemed to be made in the ordinary course of business if it: Bears the usual and customary interest rate of the lending institution for the category of loan involved; is made on a basis which assures repayment; is evidenced by a written instrument; and is subject to a due date or amortization schedule. Such loans shall be reported by the political committee in accordance with 11 CFR 104.3(a). Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement, except that, in the event of a signature by the candidate's spouse, the provisions of 11 CFR 100.7(a)(1)(D) shall apply. Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that the loan agreement does not stipulate the portion of the loan for which each endorser or guarantor is liable, the loan shall be considered an expenditure by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors. For the purpose of 11 CFR 100.8(b)(12), an overdraft made on a checking or savings account shall be considered an expenditure unless: The overdraft is made on an account which is subject to automatic overdraft protection; and the overdraft is subject to a definite interest rate and a definite repayment schedule.

(i) A loan, including a line of credit, shall be considered made on a basis which assures repayment if it is obtained using either of the sources of repayment described in paragraphs (b)(12)(i) (A) or (B) of this section, or a combination of paragraphs (b)(12)(i) (A) and (B) of this section:

(A)(1) The lending institution making the loan has perfected a security interest in collateral owned by the candidate or political committee receiving the loan; the fair market value of the collateral is equal to or greater than the loan amount and any senior liens as determined on the date of the loan; and the candidate or political committee provides documentation to show that the lending institution has a perfected security interest in the collateral. Sources of collateral include, but are not limited to, ownership in real estate, personal property, goods, negotiable instruments, certificates of deposit, chattel papers, stocks, accounts receivable and cash on deposit.

(2) Amounts guaranteed by secondary sources of repayment, such as guarantors and cosigners, shall not exceed the contribution limits of 11 CFR part 110 or contravene the prohibitions of 11 CFR 110.4, part 114 and part 115; or

(B) The lending institution making the loan has obtained a written agreement whereby the candidate or political committee receiving the loan has pledged future receipts, such as public financing payments under 11 CFR part 9001 et seq., or part 9031 et seq., contributions, or interest income, provided that:

(1) The amount of the loan(s) obtained the basis of such funds does not exceed the amount of pledged funds;

(2) Loan amounts are based on a reasonable expectation of the receipt of pledged funds. To that end, the candidate or political committee must furnish the lending institution documentation, i.e., cash flow charts or other financial plans, that reasonably establish that such future funds will be available;

(3) A separate depository account is established at the lending institution.
or the lender obtains an assignment from the candidate or political committee to access funds in a committee account at another depository institution that meets the requirements of 11 CFR 103.2, and the committee has notified the other institution of this assignment;

(4) The loan agreement requires the deposit of the public financing payments, contributions, interest or other income pledged as collateral into the separate depository account for the purpose of retiring the debt according to the repayment requirements of the loan; and

(5) In the case of public financing payments, the borrower authorizes the Secretary of the Treasury to directly deposit the payments into the depository account for the purpose of retiring the debt.

(ii) If the requirements set forth in paragraph (b)(12)(i) of this section are not met, the Commission will consider the totality of circumstances on a case-by-case basis in determining whether a loan was made on a basis which assures repayment.

(13) A purchase, payment, distribution, loan, advance, or deposit of money or anything of value made to a national committee or a state committee of a political party is not an expenditure if it is specifically designated to defray any cost incurred for construction or purchase of any office facility which is not acquired for the purpose of influencing the election of any candidate in any particular election for Federal office. If such purchase, payment, distribution, loan, advance, or deposit of money or anything of value is made to a national committee or state committee of a political party, the amount need not be reported. However, if such purchase, payment, distribution, loan, advance, or deposit of money or anything of value is made to a political committee, it shall be reported in accordance with 11 CFR 104.3(g).

(14) Legal or accounting services rendered to or on behalf of any political committee of a political party are not expenditures if the person paying for such services is the regular employer of the individual rendering the services and such services are not attributable to activities which directly further the election of any designated candidate for Federal office. For purposes of 11 CFR 100.8(b)(14), a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for such services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h).

(15) Legal or accounting services rendered to or on behalf of an authorized committee of a candidate or any other political committee are not expenditures if the person paying for such services is the regular employer of the individual rendering such services and if the services are solely to ensure compliance with the Act or 26 U.S.C. 9001 et seq. and 9032 et seq. For purposes of 11 CFR 100.8(b)(15), a partnership shall be deemed to be the regular employer of a partner. Amounts paid by the regular employer for these services shall be reported by the committee receiving such services in accordance with 11 CFR 104.3(h). Expenditures for these services by a candidate certified to receive Primary Matching Funds under 11 CFR part 9034 do not count against such candidate's expenditure limitations under 11 CFR part 9035 or 11 CFR 110.8. Unless paid for with federal funds received pursuant to 11 CFR part 9005, disbursements for these services by a candidate who is certified to receive payments from the Presidential Election Campaign Fund under 11 CFR part 9005 do not count against that candidate's expenditure limitations under 11 CFR 110.8.

(16) The payment by a state or local committee of a political party of the costs of campaign materials (such as pins, bumper stickers, handbills, brochures, posters, party tabloids or newsletters, and yard signs) used by such committee in connection with volunteer activities on behalf of any nominee of such party is not an expenditure, provided that the following conditions are met:

(i) Such payment is not for costs incurred in connection with any broadcasting, newspaper, magazine, billboard, direct mail, or similar type of general public communication or political advertising. For the purposes of 11 CFR 100.8(b)(16)(i), the term direct mail

means any mailing(s) by a commercial vendor or any mailing(s) made from commercial lists.

(ii) The portion of the cost of such materials allocable to Federal candidates is paid from contributions subject to the limitations and prohibitions of the Act.

(iii) Such payment is not made from contributions designated by the donor to be spent on behalf of a particular candidate or candidates for Federal office. For purposes of 11 CFR 100.8(b)(16)(iii), a contribution shall not be considered a designated contribution if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.

(iv) Such materials are distributed by volunteers and not by commercial or for-profit operations. For the purposes of 11 CFR 100.8(b)(16)(iv), payments by the party organization for travel and subsistence or customary token payments to volunteers do not remove such individuals from the volunteer category.

(v) If made by a political party committee, such payments shall be reported by that committee as disbursements, in accordance with 11 CFR 104.3, but need not be allocated to specific candidates in committee reports.

(vi) Payments by a State candidate or his or her campaign committee to a State or local political party committee for the State candidate’s share of expenses for such campaign materials are not expenditures, provided the amount paid by the State candidate or his or her committee does not exceed his or her proportionate share of the expenses.

(vii) Campaign materials purchased by the national committee of a political party and delivered to a State or local party committee, or materials purchased with funds donated by the national committee to such State or local committee for the purchase of such materials, shall not qualify under this exemption. Rather, the cost of such materials shall be subject to the limitations of 2 U.S.C. 441a(d) and 11 CFR 110.7.

(17) The payment by a candidate for any public office (including State or local office), or by such candidate’s authorized committee, of the costs of that candidate’s campaign materials which include information on or any reference to a candidate for Federal office and which are used in connection with volunteer activities (such as pins, bumper stickers, handbills, brochures, posters, and yard signs) is not an expenditure on behalf of such candidate for Federal office, provided that the payment is not for the use of broadcasting, newspapers, magazines, billboards, direct mail or similar types of general public communication or political advertising. The payment of the portion of the cost of such materials allocable to Federal candidates shall be made from contributions subject to the limitations and prohibitions of the Act.

(18) The payment by a State or local committee of a political party of the costs of voter registration and get-out-the-vote activities conducted by such committee on behalf of the Presidential and Vice Presidential nominee(s) of that party is not an expenditure for the purpose of influencing the election of such candidates provided that the following conditions are met:

(i) Such payment is not for the costs incurred in connection with any broadcasting, newspaper, magazine, billboard, direct mail, or similar type of general public communication or political advertising. For purposes of 11 CFR 100.8(b)(18)(i), the term direct mail means any mailing(s) by a commercial vendor or any mailing(s) made from commercial lists.

(ii) The portion of the costs of such activities allocable to Federal candidates is paid from contributions subject to the limitations and prohibitions of the Act.

(iii) Such payment is not made from contributions designated to be spent on behalf of a particular candidate or candidates for Federal office. For the purposes of 11 CFR 100.8(b)(18)(iii), a contribution shall not be considered a designated contribution if the party committee disbursing the funds makes the final decision regarding which candidate(s) shall receive the benefit of such disbursement.
§ 100.8

candidate(s) shall receive the benefit of such disbursement.

(iv) For purposes of 11 CFR 100.8(b)(18), if such activities include references to any candidate(s) for the House or Senate, the costs of such activities which are allocable to that candidate(s) shall be an expenditure on behalf of such candidate(s) unless the mention of such candidate(s) is merely incidental to the overall activity.

(v) For purposes of 11 CFR 100.8(b)(18), payment of the costs incurred in the use of phone banks in connection with voter registration and get-out-the-vote activities is not an expenditure when such phone banks are operated by volunteer workers. The use of paid professionals to design the phone bank system, develop calling instructions and train supervisors is permissible. The payment of the costs of such professional services is not an expenditure but shall be reported as a disbursement in accordance with 11 CFR 104.3 if made by a political committee.

(vi) If made by a political committee, such payments for voter registration and get-out-the-vote activities shall be reported by that committee as disbursements, in accordance with 11 CFR 104.3 but such payments need not be allocated to specific candidates in committee reports except as provided in 11 CFR 100.8(b)(18)(iv).

(vii) Payments made from funds donated by a national committee of a political party to a State or local party committee for voter registration and get-out-the-vote activities shall not qualify under this exemption. Rather, such funds shall be subject to the limitations of 2 U.S.C. 441a(d) and 11 CFR 110.7.

(19) Amounts transferred by a party committee to another party committee or payments made to the appropriate State official of fees collected from candidates or their authorized committees as a condition of ballot access are not expenditures.

(20) A purchase, payment, distribution, loan, advance, or deposit of money or anything of value made with respect to a recount of the results of a Federal election, or an election contest concerning a Federal election, is not an expenditure except that the prohibitions of 11 CFR 110.4(a) and part 114 apply.

(21)(i) Any costs incurred by a candidate or his or her authorized committee(s) in connection with the solicitation of contributions are not expenditures if incurred by a candidate who has been certified to receive Presidential Primary Matching Fund Payments, or by a candidate who has been certified to receive general election public financing under 26 U.S.C. 9004 and who is soliciting contributions in accordance with 26 U.S.C. 9003(b)(2) or 9003(c)(2) to the extent that the aggregate of such costs does not exceed 20 percent of the expenditure limitation applicable to the candidate. These costs shall, however, be reported as disbursements pursuant to 11 CFR part 104.

(ii) For a candidate who has been certified to receive general election public financing under 26 U.S.C. 9004 and who is soliciting contributions in accordance with 26 U.S.C. 9003(b)(2) or 9003(c)(2), in connection with the solicitation of contributions means any cost reasonably related to fundraising activity, including the costs of printing and postage, the production of and space or air time for, advertisements used for fundraising, and the costs of meals, beverages, and other costs associated with a fundraising reception or dinner.

(iii) For a candidate who has been certified to receive Presidential Primary Matching Fund Payments, the costs that may be exempted as fundraising expenses under this section shall not exceed 20% of the overall expenditure limitation under 11 CFR 9035.1, and shall equal the total of:

(A) All amounts excluded from the state expenditure limitations for exempt fundraising activities under 11 CFR 100.8(c)(2), plus

(B) An amount of costs that would otherwise be chargeable to the overall expenditure limitation that are not chargeable to any state expenditure limitation, such as salary and travel expenses. See 11 CFR 106.2.

(22) Payments by a candidate from his or her personal funds, as defined at 11 CFR 110.16(b), for the candidate's routine living expenses which would have been incurred without candidacy, including the cost of food and resi-

Payments for such expenses by a member of the candidate's family as defined in 11 CFR 113.1(g)(7), are not expenditures if the payments are made from an account jointly held with the candidate, or if the expenses were paid by the family member before the candidate became a candidate.

(23) Funds used to defray costs incurred in staging nonpartisan candidate debates in accordance with the provisions of 11 CFR 110.13 and 114.4(e).

(c) For purposes of 11 CFR 100.8(a) and (b), a payment made by an individual shall not be attributed to any other individual, unless otherwise specified by that other individual. To the extent that a payment made by an individual qualifies as a contribution, the provisions of 11 CFR 110.1(k) shall apply.

§ 102.5 Organizations financing political activity in connection with Federal and non-Federal elections, other than through transfers and joint fundraisers.

(a) Organizations that are political committees under the Act

(1) Each organization, including a party committee, which finances political activity in connection with both federal and non-federal elections and which qualifies as a political committee under 11 CFR 100.5 shall either:

(i) Establish a separate federal account in a depository in accordance with 11 CFR part 103. Such account shall be treated as a separate federal political committee which shall comply with the requirements of the Act including the registration and reporting requirements of 11 CFR parts 102 and 104. Only funds subject to the prohibitions and limitations of the Act shall be deposited in such separate federal account. All disbursements, contributions, expenditures and transfers by the committee in connection with any federal election shall be made from its federal account. No transfers may be made to such federal account from any other account(s) maintained by such organization for the purpose of financing activity in connection with non-federal elections; or

(ii) Establish a political committee which shall receive only contributions subject to the prohibitions and limitations of the Act, regardless of whether such contributions are for use in connection with federal or non-federal elections. Such organization shall register as a political committee and comply with the requirements of the Act.

(2) Only contributions meeting the conditions set forth at subsections (1), (ii), and (iii) of this section may be deposited in a federal account established under 11 CFR 102.5(a)(1)(i) or may be received by a political committee established under 11 CFR 102.5(a)(1)(ii).

(i) Contributions designated for the federal account;

(ii) Contributions that result from a solicitation which expressly states that the contribution will be used in connection with a federal election; and

(iii) Contributions from contributors who are informed that all contributions are subject to the prohibitions and limitations of the Act.

(3) Any party committee solicitation that makes reference to a federal candidate or a federal election shall be presumed to be for the purpose of influencing a federal election, and contributions resulting from that solicitation shall be subject to the prohibitions and limitations of the Act. This presumption may be rebutted by demonstrating to the Commission that the funds were solicited with express notice that they would not be used for federal election purposes.

(b) Organizations that are not political committees under the Act

(1) Any organization that makes contributions or expenditures but does not qualify as a political committee under 11 CFR 100.5 and any State or local party organization that makes contributions, expenditures and exempted payments under 11 CFR 100.7(b)(9), (15) and (17) and 100.8(b)(10), (16) and (18) shall either:

(i) Establish a separate account to which only funds subject to the prohibitions and limitations of the Act shall be deposited and from which contributions, expenditures and exempted payments shall be made. Such organization shall keep records of deposits to and disbursements from such account and, upon request, shall make such records available for examination by the Commission.

(ii) Demonstrate through a reasonable accounting method that whenever such organization makes a contribution, expenditure or exempted pay-
§ 102.6 Transfers of funds; collecting agents.

(a) Transfers of funds; registration and reporting required.—(1) Who may make transfers under this section. (i) Transfers of funds may be made without limit on amount between affiliated committees whether or not they are political committees under 11 CFR 100.5.

(ii) Transfers of funds may be made without limit on amount between or among a national party committee, a State party committee and/or any subordinate party committee whether or not they are political committees under 11 CFR 100.5 and whether or not such committees are affiliated.

(iii) Transfers of joint fundraising proceeds may be made without limit on amount between organizations or committees participating in the joint fundraising activity provided that no participating committee or organization governed by 11 CFR 102.17 received more than its allocated share of the funds raised.

(iv) Transfers under paragraphs (a)(1) through (iii) shall be made only from funds which are permissible under the Act. See 11 CFR parts 110, 114 and 115.

(2) When registration and reporting required. Except as provided in 11 CFR 102.6(b), organizations or committees making transfers under 11 CFR 102.6(a)(1) shall count such transfers against the reporting thresholds of the Act for determining whether an organization or committee is a political committee under 11 CFR 100.5.

(b) Fundraising by collecting agents; No reporting required.—(1) Definition of collecting agent. A collecting agent is an organization or committee that collects and transmits contributions to one or more separate segregated funds to which the collecting agent is related. A collecting agent may be either:

(i) A committee, whether or not it is a political committee as defined in 11 CFR 100.5, affiliated with the separate segregated fund under 11 CFR 110.3; or

(ii) The connected organization of the separate segregated fund as defined in 11 CFR 100.6; or

(iii) A parent, subsidiary, branch, division, department, or local unit of the connected organization of the separate segregated fund; or

(iv) A local, national or international union collecting contributions on behalf of the separate segregated fund of any federation with which the local, national or international union is affiliated. See 11 CFR 114.1(e).

(3) Who is not a collecting agent—(1) Commercial fundraising firm. A separate segregated fund or a collecting agent may hire a commercial fundraising firm to assist in fundraising; however, the commercial fundraising firm shall not be considered as a collecting agent for the purpose of this section. Rather, the commercial fundraising firm shall be considered to be the agent of the separate segregated fund or collecting agent.

(ii) Individuals. An individual who collects contributions for a separate segregated fund shall not be considered a collecting agent for the purpose of this section. Individuals who collect contributions are subject to the requirements of 11 CFR 102.8 and the provisions of 11 CFR part 110.

A collecting agent may include a solicitation for voluntary contributions to a separate segregated fund in a bill for membership dues or other payments such as conference registration fees or a solicitation for contributions to the collecting agent. The collecting agent may only solicit contributions from persons permitted to be solicited under 11 CFR part 114. The solicitation for contributions must meet all of the requirements for proper solicitations under 11 CFR 114.5.

(i) The collecting agent may pay any or all of the costs incurred in soliciting and transmitting contributions to the separate segregated fund.

(ii) If the separate segregated fund pays any solicitation or other administrative expense from its own account, which expense could be paid for as an administrative expense by the collecting agent, the collecting agent may reimburse the separate segregated fund no later than 30 calendar days after the expense was paid by the separate segregated fund.

(3) Checks combining contributions with other payments. A contributor may write a check that represents both a contribution and payment of dues or other fees. The check must be drawn on the contributor's personal checking account or on a non-repayable corporate drawing account of the individual contributor. Under a payroll deduction plan, an employer may write a check on behalf of its employees to a union or its agent, which check represents a combined payment of voluntary contributions to the union's separate segregated fund and union dues or other employee deductions.

(i) Transmittal of contributions. The full amount of each contribution collected by a collecting agent on behalf of a separate segregated fund shall be transmitted to that fund within 10 or 30 days as required by 11 CFR 102.8.

(ii) To transfer all other contributions, a collecting agent shall either:

(A) Establish a transmittal account to be used solely for the deposit and transmittal of funds collected on behalf of the separate segregated fund. Funds deposited into this account are subject to the prohibitions and limitations of the Act. If any expenditure is made from the account, other than a transfer of funds to an affiliated committee, the account shall be considered a depository of the recipient committee and all activity of that account shall be reported; or

(B) Deposit the contributions collected into the collecting agent's treasury account. The collecting agent shall keep separate records of all receipts and deposits that represent contributions to the separate segregated fund and, in the case of cash contributions, the collecting agent shall make separate deposits of such funds; or

(C) Deposit the contributions collected into an account otherwise established solely for State or local election activity. The collecting agent shall keep separate records of all receipts and deposits that represent contributions to the separate segregated fund; or

(D) In the case of cash contributions, transmit the contributions to the separate segregated fund in the form of money orders or cashier's checks.

(5) Contributor information. The collecting agent shall comply with the requirements of 11 CFR 102.8 regarding transmittal of contributions and contributor information to the separate segregated fund, except that if contributions of $50 or less are received at a mass collection, a record shall be kept of the date, the total amount collected, and the name of the function at which the collection was made.

(6) Retention of records. The collecting agent shall retain all records of contribution deposits and transmittals under this section for a period of three years and shall make these records available to the Commission on request. The separate segregated fund shall keep a record of all transmittals of contributions received from collecting agents under this section, and shall retain these records for a period of three years.
§ 102.7 Organization of political committees (2 U.S.C. 432(a)).

(a) Every political committee shall have a treasurer and may designate, on the committee’s Statement of Organization, an assistant treasurer who shall assume the duties and responsibilities of the treasurer in the event of a temporary or permanent vacancy in the office or in the event the treasurer is unavailable.

(b) Except as provided in subsection (a), no contribution or expenditure shall be accepted or made by or on behalf of a political committee at a time when there is a vacancy in the office of the treasurer.

(c) No expenditure shall be made for or on behalf of a political committee without the authorization of its treasurer or of an agent authorized orally or in writing by the treasurer.

(d) Any candidate who receives a contribution, as defined at 11 CFR 100.7, obtains any loan or makes any disbursement in connection with his or her campaign, shall be considered as having received the contribution, obtained the loan or made the disbursement as an agent of such authorized committee(s).

§ 102.8 Receipt of contributions (2 U.S.C. 432(b)).

If the amount of the contribution is in excess of $200, such person shall forward the contribution, the identification of the contributor in accordance with 11 CFR 100.12, and the date of receipt of the contribution.

(b) Every person who receives a contribution in excess of $50 for a political committee which is not an authorized committee shall forward such contribution to the treasurer of the political committee no later than 30 days after receipt.

(c) Every person who receives a contribution from any person whose contributions aggregate more than $200 during a calendar year, such account shall include the identification of the person, and the date of receipt and amount of such contribution.

§ 102.9 Accounting for contributions and expenditures (2 U.S.C. 432(c)).

The treasurer of a political committee or an agent authorized by the treasurer to receive contributions and make expenditures shall fulfill all recordkeeping duties as set forth at 11 CFR 102.9(a) through (f):

(a) An account shall be kept by any reasonable accounting procedure of all contributions received by or on behalf of the political committee.

(b) For contributions in excess of $50, such account shall include the name and address of the contributor and the date of receipt and amount of such contribution.

(b)(1) An account shall be kept of all disbursements made by or on behalf of the political committee. Such account shall consist of a record of:

(i) the name and address of every person to whom any disbursement is made;

(ii) the date, amount, and purpose of the disbursement; and

(iii) if the disbursement is made for a candidate, the name and office (including State and congressional district, if any) sought by that candidate.

(iv) For purposes of 11 CFR 102.9(b)(1), purpose has the same meaning given the term at 11 CFR 104.3(b)(3)(1)(A).

(2) In addition to the account to be kept under 11 CFR 102.9(b)(1), a receipt or invoice from the payee or a cancelled check to the payee shall be obtained and kept for each disbursement in excess of $200 by or on behalf of, the committee, except that credit card transactions shall be documented in accordance with 11 CFR 102.9(b)(2)(i) and disbursements by share draft or check drawn on a credit union account shall be documented in accordance with 11 CFR 102.9(b)(2)(ii).

(i)(A) For purposes of 11 CFR 102.9(b)(2), payee means the person who provides the goods or services to the committee or agent thereof in return for payment, except for an advance of $500 or less for travel and subsistence to an individual who will be the recipient of the goods or services.

(B) For any advance of $500 or less to an individual for travel and subsistence, the expense voucher or other expense account documentation and a cancelled check to the recipient of the advance shall be obtained and kept.

(ii) For any credit card transaction, documentation shall include a monthly billing statement or customer receipt for each transaction and the cancelled check used to pay the credit card account.

(iii) For purposes of 11 CFR 102.9(b)(2), a carbon copy of a share draft or check drawn on a credit union account may be used as a duplicate record of such draft or check provided that the monthly account statement showing that the share draft or check was paid by the credit union is also retained.

(c) The treasurer shall preserve all records and accounts required to be kept under 11 CFR 102.9 for 3 years after the report to which such records and accounts relate is filed.

(d) In performing recordkeeping duties, the treasurer or his or her authorized agent shall use his or her best efforts to obtain, maintain and submit the required information and shall keep a complete record of such efforts. If there is a showing that best efforts have been made, any records of a committee shall be deemed to be in compliance with this Act. With regard to the requirements of 11 CFR 102.9(b)(2) concerning receipts, invoices and cancelled checks, the treasurer will not be deemed to have exercised best efforts to obtain, maintain and submit the records unless he or she has made at least one written effort per transaction to obtain a duplicate copy of the invoice, receipt, or cancelled check.

(e) If the candidate, or his or her authorized committee(s), receives contributions prior to the date of the primary election, which contributions are designated in writing by the contributor for use in connection with the general election, any contributions received for the general election shall be refunded to the contributors, redesignated in accordance with 11 CFR 110.1(k)(3), as appropriate.

§ 102.11 Petty cash fund (2 U.S.C. 432(h)(2)).

A political committee may maintain a petty cash fund out of which it may make expenditures not in excess of $100 to any person per purchase or transaction. (b) No political committee may be designated as the principal campaign committee of more than one candidate.

(c)(1) No political committee which supports or has supported more than one candidate may be designated as a principal campaign committee, except that, after nomination, a candidate for the office of President of the United States nominated by a political party may designate the national committee of such political party as his or her principal campaign committee. A national committee which is so designated shall maintain separate books of account with respect to its function as a principal campaign committee.

(2) For purposes of 11 CFR 102.12(c), the term support does not include contributions by an authorized committee in amounts aggregating $1,000 or less per election to an authorized committee of any other candidate, except that the national committee of a political party which has been designated as the principal campaign committee of that party's Presidential candidate may contribute to another candidate in accordance with 11 CFR part 110.

(a) The name of each authorized committee shall include the name of the candidate who authorized such committee. Except as provided in paragraph (b) of this section, no unauthorized committee shall include the name of any candidate in its name. For purposes of this paragraph, "name" includes any name under which a committee conducts activities, such as solicitations or other communications, including a special project name or other designation.

(b)(1) A delegate committee, as defined at 11 CFR 100.5(e)(5), shall include the word delegate(s) in its name and may also include in its name the name of the presidential candidate which the delegate committee supports.

(2) A political committee established solely to draft an individual or to encourage him or her to become a candidate may include the name of such individual in the name of the committee provided the committee's name clearly indicates that it is a draft committee.

(3) An unauthorized political committee may include the name of a candidate in the title of a special project name or other communication if the title clearly and unambiguously shows opposition to the named candidate.

(c) The name of a separate segregated fund established pursuant to 11 CFR 102.16(c) shall include the full name of its connected organization. Such fund may also use a clearly recognized abbreviation or acronym by which the connected organization is commonly known. Both the full name and such abbreviation or acronym shall be included on the fund's Statement of Organization, on all reports filed by the fund, and in all notices required by 11 CFR 109.3 and 110.11. § 102.17

the fundraising representative shall still be responsible for ensuring that the recordkeeping and reporting requirements set forth in this section are met.

(2) The procedures in 11 CFR 102.17(c) will govern all joint fundraising activity conducted under this section. The participants in joint fundraising activity may include political party committees (whether or not they are political committees under 11 CFR 100.5), candidate committees, multicandidate committees, and unregistered organizations which do not qualify as collecting agents under 11 CFR 102.6(b).

(3) A fundraising representative conducting joint fundraising under this section is distinguished from an unregistered organization acting as a collecting agent under 11 CFR 102.6(b). If a separate segregated fund or an unregistered organization qualifies and acts as a collecting agent under 11 CFR 102.6(b), the provisions of 11 CFR 102.17 will not apply to that fundraising activity.

(b) Fundraising representatives—(1) Separate fundraising committee as fundraising representative. Participating committees may establish a separate political committee to act as fundraising representative for all participants. This separate committee shall be a reporting political committee and shall collect contributions, pay fundraising costs from gross proceeds and from funds advanced by participants, and disburse net proceeds to each participant.

(2) Participating committee as fundraising representative. All participating committees may select one participant to act as fundraising representative for all participants. The fundraising representative must be a political committee as defined in 11 CFR 100.5. The fundraising representative and any other participating committees may collect contributions; however, all contributions received by other participants shall be forwarded to the fundraising representative as required by 11 CFR 102.8. The fundraising representative shall pay fundraising costs from gross proceeds and from funds advanced by participants and shall disburse net proceeds to each participant.

(3) Funds advanced for fundraising costs. (i) Except as provided in 11 CFR 102.17(b) (3)(ii) and (iii), the amount of funds advanced by each participant for fundraising costs shall be in proportion to the allocation formula agreed upon under 11 CFR 102.17 (c)(1).

(ii) A participant may advance more than its proportionate share of the fundraising costs, however, the amount advanced which is in excess of the participant’s proportionate share shall not exceed the amount that participant could legally contribute to the remaining participants. See 11 CFR 102.12(c)(2) and part 110.

(iii) If all the participants are affiliated under 11 CFR 110.3 or if the participants are all party committees of the same political party, there is no limit on the amount a participant may advance for fundraising costs on behalf of the other participants.

(c) Joint fundraising procedures. The requirements of 11 CFR 102.17(c)(1) through (6) shall govern joint fundraising activity conducted under this section.

(1) Written agreement. The participants in a joint fundraising activity shall enter into a written agreement, whether or not all participants are political committees under 11 CFR 100.5. The written agreement shall identify the fundraising representative and shall state a formula for the allocation of fundraising proceeds. The formula shall be stated as the amount or percentage of each contribution received to be allocated to each participant. The fundraising representative shall retain the written agreement for a period of three years and shall make it available to the Commission on request.

(2) Fundraising notice. In addition to any notice required under 11 CFR 110.11, a joint fundraising notice shall be included with every solicitation for contributions.

(i) This notice shall include the following information:

(A) The names of all committees participating in the joint fundraising activity whether or not such committees are political committees under 11 CFR 100.5; and

(B) The allocation formula to be used for distributing joint fundraising proceeds; and
(C) A statement informing contributors that, notwithstanding the stated allocation formula, they may designate their contributions for a particular participant or participants; and
(D) A statement informing contributors that the allocation formula may change if a contributor makes a contribution which would exceed the amount that contributor may give to any participant.

(ii) In the following situations, the notice shall include the following additional information:

(A) If one or more participants engage in the joint fundraising activity solely to satisfy outstanding debts, a statement informing contributors that the allocation formula may change if a participant receives sufficient funds to pay its outstanding debts; and
(B) If one or more participants can lawfully accept contributions that are prohibited under the Act, a statement informing contributors that contributions from prohibited sources will be distributed only to those participants that can accept them.

(3) Separate depository account. (i) The participants or the fundraising representative shall establish a separate depository account to be used solely for the receipt and disbursement of the joint fundraising proceeds. All contributions deposited into the separate depository account must be permissible under the Act. Each political committee shall amend its Statement of Organization to reflect the account as an additional depository.

(ii) The participants may either establish a second depository account for contributions received from prohibited sources or they may forward such contributions directly to the non-federal participants.

(iii) The fundraising representative shall deposit all joint fundraising proceeds in the separate depository account within ten days of receipt as required by 11 CFR 103.3. The fundraising representative may delay distribution of the fundraising proceeds to the participants until all contributions are received and all expenses are paid.

(iii) For contribution reporting and limitation purposes, the date of receipt of a contribution by a participating political committee is the date that the contribution is received by the fundraising representative. The fundraising representative shall report contributions in the reporting period in which they are received. Participating political committees shall report joint fundraising proceeds in accordance with 11 CFR 102.17(c)(6) when such funds are received from the fundraising representative.

(4) Recordkeeping requirements. (i) The fundraising representative and participating committees shall screen all contributions received to insure that the prohibitions and limitations of 11 CFR parts 110 and 114 are observed. Participating political committees shall make their contributor records available to the fundraising representative to enable the fundraising representative to carry out its duty to screen contributions.

(ii) The fundraising representative shall collect and retain contributor information with regard to gross proceeds as required under 11 CFR 102.3 and shall also forward such information to participating political committees. The fundraising representative shall also keep a record of the total amount of contributions received from prohibited sources, if any, and of all transfers of prohibited contributions to participants that can accept them.

(iii) The fundraising representative shall retain the records required under 11 CFR 102.3 regarding fundraising disbursements for a period of three years. Commercial fundraising firms or agents shall forward such information to the fundraising representative.

(5) Contribution limitations. Except to the extent that the contributor has previously contributed to any of the participants, a contributor may make a contribution to the joint fundraising effort which contribution represents the total amount that the contributor could contribute to all of the participants under the applicable limits of 11 CFR 110.1 and 110.2.

(6) Allocation of gross proceeds. (i) The fundraising representative shall allocate proceeds according to the formula stated in the fundraising agreement. If distribution according to the allocation formula extinguishes the debts of
one or more participants and results in a surplus for those participants or if distribution under the formula results in a violation of the contribution limits of 11 CFR 110.1(a), the fundraising representative may reallocate the excess funds. Reallocation shall be based upon the remaining participants' proportionate shares under the allocation formula. If reallocation results in a violation of a contributor's limit under 11 CFR 110.1, the fundraising representative shall return to the contributor the amount of the contribution that exceeds the limit.

(ii) Designated contributions which exceed the contributor's limit to the designated participant under 11 CFR part 110 may not be reallocated by the fundraising representative absent the prior written permission of the contributor.

(iii) If any participants can lawfully accept contributions from sources prohibited under the Act, any such contributions that are received are not required to be distributed according to the allocation formula.

(7) Allocation of expenses and distribution of net proceeds. (i) If participating committees are not affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity and are not committees of the same political party;

(A) After gross contributions are allocated among the participants under 11 CFR 102.17(c)(6), the fundraising representative shall calculate each participant's share of expenses based on the percentage of the total receipts each participant had been allocated. If contributions from sources prohibited under the Act have been received and distributed under 11 CFR 102.17(c)(6)(ii), those contributions need not be included in the total receipts for the purpose of allocating expenses under this section. To calculate each participant's net proceeds, the fundraising representative shall subtract the participant's share of expenses from the amount that participant has been allocated from gross proceeds.

(B) A participant may only pay expenses on behalf of another participant subject to the contribution limits of 11 CFR part 110.

(C) The expenses from a series of fundraising events or activities shall be allocated among the participants on a per-event basis regardless of whether the participants change or remain the same throughout the series.

(ii) If participating committees are affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity or if participants are party committees of the same political party, expenses need not be allocated among those participants. Payment of such expenses by an unregistered committee or organization on behalf of an affiliated political committee may cause the unregistered organization to become a political committee.

(iii) Payment of expenses may be made from gross proceeds by the fundraising representative.

(8) Reporting of receipts and disbursements—(i) Reporting receipts. (A) The fundraising representative shall report all funds received in the reporting period in which they are received. The fundraising representative shall report the total amount of contributions received from prohibited sources during the reporting period, if any, as a memo entry. Each Schedule A filed by the fundraising representative under this section shall clearly indicate that the contributions reported on that schedule represent joint fundraising proceeds.

(B) After distribution of net proceeds, each participating political committee shall report its share of net proceeds received as a transfer-in from the fundraising representative. Each participating political committee shall also file a memo Schedule A itemizing its share of gross receipts as contributions from original contributors to the extent required under 11 CFR 104.3(a).

(ii) Reporting disbursements. The fundraising representative shall report all disbursements in the reporting period in which they are made.

§ 103.3 Deposit of receipts and disbursements (2 U.S.C. 432(h)(1)).

The treasurer shall be responsible for examining all contributions received for evidence of illegality and for ascertaining whether contributions received, when aggregated with other contributions from the same contributor, exceed the contribution limitations of 11 CFR 110.1 or 110.2.

1. Contributions that present genuine questions as to whether they were made by corporations, labor organizations, foreign nationals, or Federal contractors may be, within ten days of the treasurer’s receipt, either deposited into a campaign depository under 11 CFR 103.3(a) or returned to the contributor. If any such contribution is deposited, the treasurer shall make his or her best efforts to determine the legality of the contribution. The treasurer shall make at least one written or oral request for evidence of the legality of the contribution. Such evidence includes, but is not limited to, a written statement from the contributor explaining why the contribution is legal, or a written statement by the treasurer memorializing an oral communication explaining why the contribution is legal. If the contribution cannot be determined to be legal, the treasurer shall, within thirty days of the treasurer’s receipt, return the contribution to the contributor.

2. If the treasurer in exercising his or her responsibilities under 11 CFR 103.3(b) determined that at the time a contribution was received and deposited, it did not appear to be made by a corporation, labor organization, foreign national or Federal contractor, or made in the name of another, but later discovers that it is illegal based on new evidence not available to the political committee at the time of receipt and deposit, the treasurer shall refund the contribution to the contributor within thirty days of the date on which the illegality is discovered. If the political committee does not have sufficient funds to refund the contribution at the time the illegality is discovered, the political committee shall make the refund from the next funds it receives.

3. Contributions which on their face exceed the contribution limitations set forth in 11 CFR 110.1 or 110.2, and contributions which do not appear to be excessive on their face, but which ex-
§ 103.4
ceed the contribution limits set forth in 11 CFR 110.1 or 110.2 when aggregated with other contributions from the same contributor, and contributions which cannot be accepted under the net debts outstanding provisions of 11 CFR 110.1(b)(3) and 110.2(b)(3) may be either deposited into a campaign depository under 11 CFR 103.3(a) or returned to the contributor. If any such contribution is deposited, the treasurer may request redesignation or reattribution of the contribution by the contributor in accordance with 11 CFR 110.1(b), 110.1(k) or 110.2(b), as appropriate. If a redesignation or reattribution is not obtained, the treasurer shall, within sixty days of the treasurer's receipt of the contribution, refund the contribution to the contributor.

(4) Any contribution which appears to be illegal under 11 CFR 103.3(b)(1) or (3), and which is deposited into a campaign depository shall not be used for any disbursements by the political committee until the contribution has been determined to be legal. The political committee must either establish a separate account in a campaign depository for such contributions or maintain sufficient funds to make all such refunds.

(5) If a contribution which appears to be illegal under 11 CFR 103.3(b)(1) or (3) is deposited in a campaign depository, the treasurer shall make and retain a written record noting the basis for the appearance of illegality. A statement noting that the legality of the contribution is in question shall be included in the report noting the receipt of the contribution. If a contribution is refunded to the contributor because it cannot be determined to be legal, the treasurer shall note the refund on the report covering the reporting period in which the refund is made.

(b) A debt or obligation, including a loan, written contract, written promise or written agreement to make an expenditure, the amount of which is $500 or less, shall be reported as of the time payment is made or not later than 60 days after such obligation is incurred, whichever comes first. A debt or obligation, including a loan, written contract, written promise or written agreement to make an expenditure, the amount of which is over $500 shall be reported as of the date on which the debt or obligation is incurred, except that any obligation incurred for rent, salary or other regularly reoccurring administrative expense shall not be reported as a debt before the payment due date. See 11 CFR 116.6. If the exact amount of a debt or obligation is not known, the report shall state that the amount reported is an estimate. Once the exact amount is determined, the political committee shall either amend the report(s) containing the estimate or indicate the correct amount on the report for the reporting period in which such amount is determined.

§ 104.12 Beginning cash on hand for political committees.

Political committees which have cash on hand at the time of registration shall disclose on their first report the source(s) of such funds, including the information required by 11 CFR 104.3(a)(1). The cash on hand balance is assumed to be composed of those contributions most recently received by the committee. The committee shall exclude from funds to be used for Federal elections any contributions not permissible under the Act. See 11 CFR parts 110, 114, and 115.

§ 104.13 Disclosure of receipt and consumption of in-kind contributions.

(a) (1) The amount of an in-kind contribution shall be equal to the usual and normal value on the date received. Each in-kind contribution shall be reported as a contribution in accordance with 11 CFR 104.3(a).

(2) Except for items noted in 11 CFR 104.13(b), each in-kind contribution shall also be reported as an expenditure at the same usual and normal value and reported on the appropriate expenditure schedule, in accordance with 11 CFR 104.3(b).

(b) Contributions of stocks, bonds, art objects, and other similar items to be liquidated shall be reported as follows:

(1) If the item has not been liquidated at the close of a reporting period, the committee shall record as a memo entry (not as cash) the item’s fair market value on the date received, including the name and mailing address (and, where in excess of $200, the occupation and name of employer) of the contributor.

(2) When the item is sold, the committee shall record the proceeds. It shall also report the (i) name and mailing address (and, where in excess of $200, the occupation and name of employer) of the purchaser, if purchased directly from the candidate or committee (as the purchaser shall be considered to have made a contribution to the committee), and (ii) the identification of the original contributor.

Prior to conducting any such audit or investigation, the Commission shall conduct an internal review of reports filed by selected committees to determine whether reports filed by a particular committee meet thresholds established by the Commission for substantial compliance with the Act. Such thresholds may vary according to the type of political committee being reviewed.

(b) The Commission may, upon affirmative vote of four members, conduct an audit and field investigation of any committee which meets the thresholds established pursuant to 11 CFR 104.16(a). PART 106—ALLOCATIONS OF CANDIDATE AND COMMITTEE ACTIVITIES

§ 106.1 Allocation of expenses between candidates.

(a) General rule. (1) Expenditures, including in-kind contributions, independent expenditures, and coordinated expenditures made on behalf of more than one clearly identified federal candidate shall be attributed to each such candidate according to the benefit reasonably expected to be derived. For example, in the case of a publication or broadcast communication, the attribution shall be determined by the proportion of space or time devoted to each candidate as compared to the total space or time devoted to all candidates. In the case of a fundraising program or event where funds are collected by one committee for more than one clearly identified candidate, the attribution shall be determined by the proportion of funds received by each candidate as compared to the total receipts by all candidates. These methods shall also be used to allocate payments involving both expenditures on behalf of one or more clearly identified federal candidates and disbursements on behalf of one or more clearly identified non-federal candidates. (2) An expenditure made on behalf of more than one clearly identified federal candidate shall be reported pursuant to 11 CFR 104.10(a). A payment that also includes amounts attributable to one or more non-federal candidates, and that is made by a political committee with separate federal and non-federal accounts, shall be made according to the procedures set forth in 11 CFR 106.5(g) or 106.6(e), as appropriate, but shall be reported pursuant to 11 CFR 104.10(a).

(b) An authorized expenditure made by a candidate or political committee on behalf of another candidate shall be reported as a contribution in-kind (transfer) to the candidate on whose behalf the expenditure was made, except that expenditures made by party committees pursuant to §110.7 need only be reported as an expenditure.

(c) Exceptions: (1) Expenditures for rent, personnel, overhead, general administrative, fund-raising, and other day-to-day costs of political committees need not be attributed to individual candidates, unless these expenditures are made on behalf of a clearly identified candidate and the expenditure can be directly attributed to that candidate. (2) Expenditures for educational campaign seminars, for training of cam-
§ 106.2 State allocation of expenditures incurred by authorized committees of presidential primary candidates receiving matching funds.

(a) General—(1) This section applies to Presidential primary candidates receiving or expecting to receive federal matching funds pursuant to 11 CFR parts 9031 et seq. The expenditures described in 11 CFR 106.2(b)(2) shall be allocated to a particular State if incurred by a candidate’s authorized committee(s) for the purpose of influencing the nomination of that candidate for the office of President with respect to that State. An expenditure shall not necessarily be allocated to the State in which the expenditure is incurred or paid. In the event that the Commission disputes the candidate’s allocation or claim of exemption for a particular expense, the candidate shall demonstrate, with supporting documentation, that his or her proposed method of allocation or claim of exemption was reasonable. Expenditures required to be allocated to the primary election under 11 CFR 9034.4(e) shall also be allocated to particular states in accordance with this section.

(2) Disbursements made prior to the time an individual becomes a candidate for the purpose of determining whether that individual should become a candidate pursuant to 11 CFR 100.7(b)(1) and 100.8(b)(1), i.e., payments for testing the waters, shall be allocable expenditures under this section if the individual becomes a candidate.

(b) Method of allocating expenditures among States—(1) General allocation method. Unless otherwise specified under 11 CFR 106.2(b)(2), an expenditure described in 11 CFR 106.2(b)(2) and incurred by a candidate’s authorized committee(s) for the purpose of influencing the nomination of that candidate in more than one State shall be allocated to each State on a reasonable and uniformly applied basis. The total amount allocated to a particular State may be reduced by the amount of exempt fundraising expenses for that State, as specified in 11 CFR 110.8(c)(2).

(2) Specific allocation methods. Expenditures that fall within the categories listed below shall be allocated based on the following methods. The method used to allocate a category of expenditures shall be based on consistent data for each State to which an allocation is made.

(A) Media expenditures. Except for expenditures exempted under 11 CFR 106.2(b)(2)(i)(E) and (F), allocation of expenditures for the publication and distribution of newspaper, magazine and other types of
printed advertisements distributed in more than one State shall be made using relative circulation percentages in each State or an estimate thereof. For purposes of this section, allocation to a particular State will not be required if less than 3% of the total estimated readership of the publication is in that State.

(B) Broadcast media. Except for expenditures exempted under 11 CFR 106.2(b)(2)(i) (E) and (F), expenditures for radio, television and similar types of advertisements purchased in a particular media market that covers more than one State shall be allocated to each State in proportion to the estimated audience. This allocation of expenditures, shall be made using industry market data. If industry market data is not available, the committee shall obtain market data from the media carrier transmitting the advertisement(s).

(C) Refunds for media expenditures. Refunds for broadcast time or advertisement space, purchased but not used, shall be credited to the States on the same basis as the original allocation.

(D) Limits on allocation of media expenditures. No allocation of media expenditures shall be made to any State in which the primary election has already been held.

(E) National advertising. Expenditures incurred for advertisements on national networks, national cable or in publications distributed nationwide need not be allocated to any State.

(F) Media production costs. Expenditures incurred for production of media advertising, whether or not that advertising is used in more than one State, need not be allocated to any State.

(G) Commissions. Expenditures for commissions, fees and other compensation for the purchase of broadcast or print media need not be allocated to any State.

(ii) Expenditures for mass mailings and other campaign materials. Expenditures for mass mailings of more than 500 pieces to addresses in the same State, and expenditures for shipping campaign materials to a State, including pins, bumperstickers, handbills, brochures, posters and yard signs, shall be allocated to that State. For purposes of this section, "mass mailing" includes newsletters and other materials in which the content of the materials is substantially identical. Records supporting the committee's allocations under this section shall include: For each mass mailing, documentation showing the total number of pieces mailed and the number mailed to each state or zip code; and, for other campaign materials acquired for use outside the State of purchase, records relating to any shipping costs incurred for transporting these items to each State.

(iii) Overhead expenditures—(A) Overhead expenditures of State offices and other facilities. Except for expenditures exempted under 11 CFR 106.2(b)(2)(i)(C), overhead expenditures of committee offices whose activities are directed at a particular State, and the costs of other facilities used for office functions and campaign events, shall be allocated to that State. An amount that does not exceed 10% of office overhead expenditures for a particular State may be treated as exempt compliance expenses, and may be excluded from allocation to that State.

(B) Overhead expenditures of regional offices. Except for expenditures exempted under 11 CFR 106.2(b)(2)(i)(C), overhead expenditures of a committee regional office or any committee office with responsibilities in two or more States shall be allocated to the State holding the next primary election, caucus or convention in the region. The committee shall maintain records to demonstrate that an office operated on a regional basis. These records should show, for example, the kinds of programs conducted from the office, the number and nature of contacts with other States in the region, and the amount of time devoted to regional programs by staff working in the regional office.

(C) Overhead expenditures of national campaign headquarters. Expenditures incurred for administrative, staff, and overhead expenditures of the national campaign headquarters need not be allocated to any State, except as provided in paragraph (b)(2)(iv) of this section.

(D) Definition of overhead expenditures. For purposes of 11 CFR 106.2(b)(2)(iii), overhead expenditures include, but are
§ 106.3 Allocation of expenses between campaign and non-campaign related travel.

(a) This section applies to allocation for expenses between campaign and non-campaign related travel with respect to campaigns of candidates for Federal office, other than Presidential and Vice Presidential candidates who receive federal funds pursuant to 11

not limited to, rent, utilities, equipment, furniture, supplies, and telephone service base charges. “Telephone service base charges” include any regular monthly charges for committee phone service, and charges for phone installation and intrastate phone calls other than charges related to a special program under 11 CFR 106.2(b)(2)(iv). Inter-state calls are not included in “telephone service base charges.” Overhead expenditures also include the costs of temporary offices established while the candidate is traveling in the State or in the final weeks before the primary election, as well as expenses paid by campaign staff and subsequently reimbursed by the committee, such as miscellaneous supplies, copying, printing and telephone expenses. See 11 CFR 116.5.

(iv) Expenditures for special telephone programs. Expenditures for special telephone programs targeted at a particular State, including the costs of designing and operating the program, the costs of installing or renting telephone lines and equipment, toll charges, personnel costs, consultants’ fees, related travel costs, and rental of office space, including a pro rata portion of national, regional or State office space used for such purposes, shall be allocated to that State based on the percentage of telephone calls made to that State. Special telephone programs include voter registration, get out the vote efforts, fundraising, and telemarketing efforts conducted on behalf of the candidate. A special telephone program is targeted at a particular State if 10% or more of the total telephone calls made each month are made to that State. Records supporting the committee’s allocation of each special telephone program under this section shall include either the telephone bills showing the total number of calls made in that program and the number made to each State; or, a copy of the list used to make the calls, from which these numbers can be determined.

(v) Public opinion poll expenditures. Expenditures incurred for the taking of a public opinion poll covering two or more States shall be allocated to those States based on the number of people interviewed in each State. Expenditures incurred for the taking of a public opinion poll include consultant’s fees, travel costs and other expenses associated with designing and conducting the poll. Records supporting the committee’s allocation under this section shall include documentation showing the total number of people contacted for each poll and the number contacted in each State.

(3) National consulting fees. Expenditures for consultants’ fees need not be allocated to any State if the fees are charged for consulting on national campaign strategy. Expenditures for consultants’ fees charged for conducting special telephone programs and public opinion polls shall be allocated in accordance with paragraphs (b)(2)(iv) and (v) of this section.

(c) Reporting. All expenditures allocated under this section shall be reported on FEC Form 3P, page 3.

(d) Recordkeeping. All assumptions and supporting calculations for allocations made under this section shall be documented and retained for Commission inspection. In addition to the records specified in paragraph (b) of this section, the treasurer shall retain records supporting the committee’s allocations of expenditures to particular States and claims of exemption from allocation under this section. If the records supporting the allocation or claim of exemption are not retained, the expenditure shall be considered allocable and shall be allocated to the State holding the next primary election, caucus or convention after the expenditure is incurred.

[56 FR 35905, July 29, 1991, as amended at 60 FR 31872, June 16, 1995]
CFR part 9005 or 9036. (See 11 CFR 9004.7 and 9034.7) All expenditures for campaign-related travel paid for by a candidate from a campaign account or by his or her authorized committees or by any other political committee shall be reported.

(b)(1) Travel expenses paid for by a candidate from personal funds, or from a source other than a political committee, shall constitute reportable expenditures if the travel is campaign-related.

(2) Where a candidate's trip involves both campaign-related and non-campaign-related stops, the expenditures allocable for campaign purposes are reportable, and are calculated on the actual cost-per-mile of the means of transportation actually used, starting at the point of origin of the trip, via every campaign-related stop and ending at the point of origin.

(3) Where a candidate conducts any campaign-related activity in a stop, the stop is a campaign-related stop and travel expenditures made are reportable. Campaign-related activity shall not include any incidental contacts.

(c)(1) Where an individual, other than a candidate, conducts campaign-related activities on a trip, the portion of the trip attributed to each candidate shall be allocated on a reasonable basis.

(2) Travel expenses of a candidate's spouse and family are reportable as expenditures only if the spouse or family members conduct campaign-related activities.

(d) Costs incurred by a candidate for the United States Senate or House of Representatives for travel between Washington, D.C., and the State or district in which he or she is a candidate need not be reported herein unless the costs are paid by a candidate's authorized committee(s), or by any other political committee(s).

(e) Notwithstanding paragraphs (b) and (c) of this section, the reportable expenditure for a candidate who uses government conveyance or accommodations for travel which is campaign-related is the rate for comparable commercial conveyance or accommodation. In the case of a candidate authorized by law or required by national security to be accompanied by staff and equipment, the allocable expenditures are the costs of facilities sufficient to accommodate the party, less authorized or required personnel and equipment. If such a trip includes both campaign and noncampaign stops, equivalent costs are calculated in accordance with paragraphs (b) and (c) of this section.

§106.4 Allocation of polling expenses.

(a) The purchase of opinion poll results by a candidate or a candidate's authorized political committee or agent is an expenditure by the candidate. Regarding the purchase of opinion poll results for the purpose of determining whether an individual should become a candidate, see 11 CFR 100.8(b)(1).

(b) The purchase of opinion poll results by a political committee or other person not authorized by a candidate to make expenditures and the subsequent acceptance of the poll results by a candidate or a candidate's authorized political committee or agent or by another unauthorized political committee is a contribution in-kind by the purchaser to the candidate or other political committee and an expenditure by the candidate or other political committee. Regarding the purchase of opinion poll results for the purpose of determining whether an individual should become a candidate, see 11 CFR 100.7(b)(1). The poll results are accepted by a candidate or other political committee if the candidate or the candidate's authorized political committee or agent or the other unauthorized political committee—

(1) Requested the poll results before their receipt;

(2) Uses the poll results; or

(3) Does not notify the contributor that the results are refused.

(c) The acceptance of any part of a poll's results which part, prior to receipt, has been made public without any request, authorization, prearrangement, or coordination by the candidate-receipient or political committee-receipient, shall not be treated as a contribution in-kind and expenditure under paragraph (b) of this section.
§ 106.5  
11 CFR Ch. I (1–1–96 Edition)

(d) The purchase of opinion poll results by an unauthorized political committee for its own use, in whole or in part, is an overhead expenditure by the political committee under §106.1(c)(1) to the extent of the benefit derived by the committee.

(e) The amount of a contribution under paragraph (b) of this section or of any expenditure under paragraphs (a) and (b) of this section attributable to each candidate-recipient or political committee-recipient shall be—

1) That share of the overall cost of the poll which is allocable to each candidate (including State and local candidates) or political committee, based upon the cost allocation formula of the polling firm from which the results are purchased. Under this method the size of the sample, the number of computer column codes, the extent of computer tabulations, and the extent of written analysis and verbal consultation, if applicable, may be used to determine the shares; or

2) An amount computed by dividing the overall cost of the poll equally among candidates (including State and local candidates) or political committees receiving the results; or

3) A proportion of the overall cost of the poll equal to the proportion that the number of question results received by the candidate or political committee bears to the total number of question results received by all candidates (including State and local candidates) and political committees; or

4) An amount computed by any other method which reasonably reflects the benefit derived.

(f) The first candidate(s) or committee(s) receiving poll results under paragraph (b) or (d) of this section and any candidate or political committee receiving poll results under paragraph (b) of this section within 15 days after receipt by the initial recipient(s) shall compute the amount of the contribution in-kind and the expenditure as provided in paragraph (e) of this section.

(g) The amount of the contribution and expenditure reported by a candidate or a political committee receiving poll results under paragraph (b) of this section more than 15 days after receipt of such poll results by the initial recipient(s) shall be—

1) If the results are received during the period 16 to 60 days following receipt by the initial recipient(s), 50 percent of the amount allocated to an initial recipient of the same results;

2) If the results are received during the period 61 to 180 days after receipt by the initial recipient(s), 5 percent of the amount allocated to an initial recipient of the same results;

3) If the results are received more than 180 days after receipt by the initial recipient(s), no amount need be allocated.

(h) A contributor of poll results under paragraph (b) of this section shall maintain records sufficient to support the valuation of the contribution(s) in-kind and shall inform the candidate-recipient(s) or political committee-recipient(s) of the value of the contribution(s).

[41 FR 35944, Aug. 25, 1976, as amended at 45 FR 21209, Apr. 1, 1980]

§ 106.6 Allocation of expenses between federal and non-federal activities by party committees.

(a) General rules. (1) Party committees that make disbursements in connection with federal and non-federal elections shall make those disbursements entirely from funds subject to the prohibitions and limitations of the Act, or from accounts established pursuant to 11 CFR 102.5. Political committees that have established separate federal and non-federal accounts under 11 CFR 102.5(a)(1)(i) shall allocate expenses between those accounts according to this section. Organizations that are not political committees but have established separate federal and non-federal accounts under 11 CFR 102.5(a)(1)(i), or that make federal and non-federal disbursements from a single account under 11 CFR 102.5(b)(1)(i) shall also allocate their federal and non-federal expenses according to this section. This section covers (i) general rules regarding allocation of federal and non-federal expenses by party committees, (ii) percentages to be allocated for administrative expenses and costs of generic voter drives by national party committees, (iii) methods for allocation of administrative ex-
expenses, costs of generic voter drives, and exempt activities by state and local party committees, and of fundraising costs by all party committees, and (iv) procedures for payment of allocable expenses. Requirements for reporting of allocated disbursements are set forth in 11 CFR 104.10.

(2) Costs to be allocated. Committees that make disbursements in connection with federal and non-federal elections shall allocate expenses according to this section for the following categories of activity:

(1) Administrative expenses including rent, utilities, office supplies, and salaries, except for such expenses directly attributable to a clearly identified candidate;

(ii) The direct costs of a fundraising program or event including disbursements for solicitation of funds and for planning and administration of actual fundraising events, where federal and non-federal funds are collected by one committee through such program or event;

(iii) State and local party activities exempt from the definitions of contribution and expenditure under 11 CFR 100.7(b) (9), (15) or (17), and 100.8(b) (10), (16) or (18) (exempt activities) including the production and distribution of slate cards and sample ballots, campaign materials distributed by volunteers, and voter registration and get-out-the-vote drives on behalf of the party's presidential and vice-presidential nominees, where such activities are conducted in conjunction with non-federal election activities; and

(iv) Generic voter drives including voter identification, voter registration, and get-out-the-vote drives, or any other activities that urge the general public to register, vote or support candidates of a particular party or associated with a particular issue, without mentioning a specific candidate.

(b) National party committees other than Senate or House campaign committees: fixed percentages for allocating administrative expenses and costs of generic voter drives—(1) General rule. Each national party committee other than a Senate or House campaign committee shall allocate a fixed percentage of its administrative expenses and costs of generic voter drives, as described in paragraph (a)(2) of this section, to its federal and non-federal account(s) each year. These percentages shall differ according to whether or not the allocable expenses were incurred in a presidential election year. Such committees shall allocate the costs of each combined federal and non-federal fundraising program or event according to paragraph (f) of this section, with no fixed percentages required.

(2) Fixed percentages according to type of election year. National party committees other than the Senate or House campaign committees shall allocate their administrative expenses and costs of generic voter drives according to paragraphs (b)(2)(i) and (ii) as follows:

(i) Presidential election years. In presidential election years, national party committees other than the Senate or House campaign committees shall allocate to their federal accounts at least 65% of each of their administrative expenses and costs of generic voter drives.

(ii) Non-presidential election years. In all years other than presidential election years, national party committees other than the Senate or House campaign committees shall allocate to their federal accounts at least 60% of each of their administrative expenses and costs of generic voter drives.

(c) Senate and House campaign committees of a national party: method and minimum federal percentage for allocating administrative expenses and costs of generic voter drives—(1) Method for allocating administrative expenses and costs of generic voter drives. Subject to the minimum percentage set forth in paragraph (c)(2) of this section, each Senate or House campaign committee of a national party shall allocate its administrative expenses and costs of generic voter drives, as described in paragraph (a)(2) of this section, according to the funds expended method, described in paragraphs (c)(1)(i) and (ii) as follows:

(i) Under this method, expenses shall be allocated based on the ratio of federal expenditures to total federal and non-federal disbursements made by the committee during the two-year federal election cycle. This ratio shall be estimated and reported at the beginning of each federal election cycle, based upon the committee's federal and non-fed-
§ 106.5  

eral disbursements in a prior comparable federal election cycle or upon the committee’s reasonable prediction of its disbursements for the coming two years. In calculating its federal expenditures, the committee shall include only amounts contributed to or otherwise spent on behalf of specific federal candidates. Calculation of total federal and non-federal disbursements shall also be limited to disbursements for specific candidates, and shall not include overhead or other generic costs.

(1) On each of its periodic reports, the committee shall adjust its allocation ratio to reconcile it with the ratio of actual federal and non-federal disbursements made, to date. If the non-federal account has paid more than its allocable share, the committee shall transfer funds from its federal to its non-federal account, as necessary, to reflect the adjusted allocation ratio. The committee shall make note of any such adjustments and transfers on its periodic reports, submitted pursuant to 11 CFR 104.5.

(2) Minimum federal percentage for administrative expenses and costs of generic voter drives. Regardless of the allocation ratio calculated under paragraph (c)(1) of this section, each Senate or House campaign committee of a national party shall allocate to its federal account at least 65% each of its administrative expenses and costs of generic voter drives each year. If the committee’s own allocation calculation under paragraph (c)(1) of this section yields a federal share greater than 65%, then the higher percentage shall be applied. If such calculation yields a federal share lower than 65%, then the committee shall report its calculated ratio according to 11 CFR 104.10(b), and shall apply the required minimum federal percentage.

(3) Allocation of fundraising costs. Senate and House campaign committees shall allocate the costs of each combined federal and non-federal fundraising program or event according to paragraph (f) of this section, with no minimum percentage required.

(d) State and local party committees: method for allocating administrative expenses and costs of generic voter drives—

(1) General rule. All state and local party committees except those covered by paragraph (d)(2) of this section shall allocate their administrative expenses and costs of generic voter drives, as described in paragraph (a)(2) of this section, according to the ballot composition method, described in paragraphs (d)(1)(i) and (ii) as follows:

(i) Under this method, expenses shall be allocated based on the ratio of federal offices expected on the ballot to total federal and non-federal offices expected on the ballot in the next general election to be held in the committee’s state or geographic area. This ratio shall be determined by the number of categories of federal offices on the ballot and the number of categories of non-federal offices on the ballot, as described in paragraph (d)(1)(i) of this section.

(ii) In calculating a ballot composition ratio, a state or local party committee shall count the federal offices of President, United States Senator, and United States Representative, if expected on the ballot in the next general election, as one federal office each. The committee shall count the non-federal offices of Governor, State Senator, and State Representative, if expected on the ballot in the next general election, as one non-federal office each. The committee shall count the total of all other partisan statewide executive candidates, if expected on the ballot in the next general election, as a maximum of two non-federal offices. State party committees shall also include in the ratio one additional non-federal office if any partisan local candidates are expected on the ballot in any regularly scheduled election during the two-year congressional election cycle. Local party committees shall also include in the ratio a maximum of two additional non-federal offices if any partisan local candidates are expected on the ballot in any regularly scheduled election during the two-year congressional election cycle. Local party committees shall also include in the ratio one additional non-federal office.

(2) Exception for states that do not hold federal and non-federal elections in the same year. State and local party committees in states that do not hold federal and non-federal elections in the same year shall allocate the costs of
generic voter drives according to the ballot composition method described in paragraph (d)(1) of this section, based on a ratio calculated for that calendar year. These committees shall allocate their administrative expenses according to the ballot composition method described in paragraph (d)(1) of this section, based on a ratio calculated for the two-year Congressional election cycle. 

(e) State and local party committees; method for allocating costs of exempt activities. Each state or local party committee shall allocate its expenses for activities exempt from the definitions of contribution and expenditure under 11 CFR 100.7(b)(8), (15), or (17), and 100.8(b)(10), (16) or (18), when conducted in conjunction with non-federal election activities, as described in paragraph (a)(2) of this section, according to the proportion of time or space devoted in a communication. Under this method, the committee shall allocate expenses of a particular communication based on the ratio of the portion of the communication devoted to federal candidates or elections as compared to the entire communication. In the case of a publication, this ratio shall be determined by the space devoted to federal candidates or elections as compared to the total space devoted to all federal and non-federal candidates or elections. In the case of a phone bank, the ratio shall be determined by the number of questions or statements devoted to federal candidates or elections as compared to the total number of questions or statements devoted to all federal and non-federal candidates or elections.

(f) All party committees; method for allocating direct costs of fundraising. (1) If federal and non-federal funds are collected by one committee through a joint activity, that committee shall allocate its direct costs of fundraising, as described in paragraph (a)(2) of this section, according to the funds received method. Under this method, the committee shall allocate its fundraising costs based on the ratio of funds received into its federal account to its total receipts from each fundraising program or event. This ratio shall be estimated prior to each such program or event based upon the committee's reasonable prediction of its federal and non-federal revenue from that program or event, and shall be noted in the committee's report for the period in which the first disbursement for such program or event occurred, submitted pursuant to 11 CFR 104.5. Any disbursements for fundraising costs made prior to the actual program or event shall be allocated according to this estimated ratio.

(2) If no later than the date 60 days after each fundraising program or event from which both federal and non-federal funds are collected, the committee shall adjust the allocation ratio for that program or event to reflect the actual ratio of funds received. If the non-federal account has paid more than its allocable share, the committee shall transfer funds from its non-federal to its federal account, as necessary, to reflect the adjusted allocation ratio. If the federal account has paid more than its allocable share, the committee shall make any transfers of funds from its non-federal to its federal account to reflect the adjusted allocation ratio within the 60-day time period established by this paragraph. The committee shall make note of any such adjustments and transfers in its report for any period in which a transfer was made, and shall also report the date of the fundraising program or event which serves as the basis for the transfer. In the case of a telemarketing or direct mail campaign, the “date” for purposes of this paragraph is the last day of the telemarketing campaign, or the day on which the final direct mail solicitations are mailed.

(g) Payment of allocable expenses by committees with separate federal and non-federal accounts—(1) Payment options. Committees that have established separate federal and non-federal accounts under 11 CFR 102.5(a)(1) or (b)(1)(i) shall pay the expenses of joint federal and non-federal activities described in paragraph (a)(2) of this section according to either paragraph (g)(1)(1) or (11), as follows:

(i) Payment by federal account; transfers from non-federal account to federal account. The committee shall pay the entire amount of an allocable expense from its federal account and shall transfer funds from its non-federal ac-
count to its federal account solely to cover the non-federal share of that allocable expense.

(11) Payment by separate allocation account; transfers from federal and non-federal accounts to allocation account. (A) The committee shall establish a separate allocation account into which funds from its federal and non-federal accounts shall be deposited solely for the purpose of paying the allocable expenses of joint federal and non-federal activities. Once a committee has established a separate allocation account for this purpose, all allocable expenses shall be paid from that account for as long as the account is maintained.

(B) The committee shall transfer funds from its federal and non-federal accounts to its allocation account in amounts proportionate to the federal or non-federal share of each allocable expense.

(C) No funds contained in the allocation account may be transferred to any other account maintained by the committee.

(2) Timing of transfers between accounts.

(1) Under either payment option described in paragraphs (g)(1)(i) or (11) of this section, the committee shall transfer funds from its non-federal account to its federal account or its separate allocation account following determination of the final cost of each joint federal and non-federal activity, or in advance of such determination if advance payment is required by the vendor and if such payment is based on a reasonable estimate of the activity’s final cost as determined by the committee and the vendor(s) involved.

(iii) Any portion of a transfer from a committee’s non-federal account to its federal account or its allocation account that does not meet the requirements of paragraph (g)(2)(ii) of this section shall be presumed to be a loan or contribution from the non-federal account to a federal account, in violation of the Act.

(3) Reporting transfers of funds and allocated disbursements. A political committee that transfers funds between accounts and pays allocable expenses according to this section shall report each such transfer and disbursement pursuant to 11 CFR 104.10(b).

§ 106.6 Allocation of expenses between federal and non-federal activities by separate segregated funds and nonconnected committees.

(a) General rule. Separate segregated funds and nonconnected committees that make disbursements in connection with federal and non-federal elections shall make those disbursements either entirely from funds subject to the prohibitions and limitations of the Act, or from accounts established pursuant to 11 CFR 102.5. Separate segregated funds and nonconnected committees that have established separate federal and non-federal accounts under 11 CFR 102.5 (a)(1)(i) or (b)(1)(i), or that make federal and non-federal disbursements from a single account under 11 CFR 102.5(b)(1)(ii), shall allocate their federal and non-federal expenses according to paragraphs (c) and (d) of this section. For purposes of this section, “nonconnected committee” includes any committee which conducts activities in connection with an election, but which is not a party committee, an authorized committee of any candidate for federal election, or a separate segregated fund.

(b) Costs to be allocated—(1) Separate segregated funds. Separate segregated funds that make disbursements in connection with federal and non-federal elections shall allocate expenses for the following categories of activity:

(i) Administrative expenses including rent, utilities, office supplies, and salaries not attributable to a clearly iden-
§ 106.6

(f) Method for allocating expenses and costs of generic voter drives. Nonconnected committees and separate segregated funds shall allocate their administrative expenses and costs of generic voter drives, as described in paragraph (b) of this section, according to the funds expended method, described in paragraphs (c) (1) and (2) as follows:

(1) Under this method, expenses shall be allocated based on the ratio of federal and non-federal disbursements made by the committee during the two-year federal election cycle. This ratio shall be estimated and reported at the beginning of each federal election cycle, based on the committee's federal and non-federal disbursements in the prior comparable federal election cycle or on the committee's reasonable prediction of its disbursements for the coming two years. In calculating its federal expenditures, the committee shall include only amounts contributed to or otherwise spent on behalf of specific federal candidates. Calculation of total federal and non-federal disbursements shall also be limited to disbursements for specific candidates, and shall not include overhead or other generic costs.

(2) On each of its periodic reports, the committee shall adjust its allocation ratio to reconcile it with the ratio of actual federal and non-federal disbursements made, to date. If the non-federal account has paid more than its allocable share, the committee shall transfer funds from its federal to its non-federal account, as necessary, to reflect the adjusted allocation ratio. The committee shall make note of any such adjustments and transfers on its periodic reports, submitted pursuant to 11 CFR 104.5.

(d) Method for allocating direct costs of fundraising. (1) If federal and non-federal funds are collected by one committee through a joint activity, that committee shall allocate its direct costs of fundraising, as described in paragraph (a)(2) of this section, according to the funds received method. Under this method, the committee shall allocate its fundraising costs based on the ratio of funds received into its federal account to its total receipts from each fundraising program or event. This ratio shall be estimated prior to each such program or event based upon the committee's reasonable prediction of its federal and non-federal revenue from that program or event, and shall be noted in the committee's report for the period in which the first disbursement for such program or event occurred, submitted pursuant to 11 CFR 104.5. Any disbursements for fundraising costs made prior to the actual pro-
§106.6

An event or program shall be allocated according to this estimated ratio.

(2) No later than the date 60 days after each fundraising program or event from which both federal and non-federal funds are collected, the committee shall adjust the allocation ratio for that program or event to reflect the actual ratio of funds received. If the non-federal account has paid more than its allocable share, the committee shall transfer funds from its federal account to its non-federal account, as necessary, to reflect the adjusted allocation ratio. If the federal account has paid more than its allocable share, the committee shall make any transfers of funds from its non-federal to its federal account to reflect the adjusted allocation ratio within the 60-day time period established by this paragraph. The committee shall make note of any such adjustments and transfers in its report for any period in which a transfer was made, and shall also report the date of the fundraising program or event which served as the basis for the transfer. In the case of a telemarketing or direct mail campaign, the "date" for purposes of this paragraph is the last day of the telemarketing campaign, or the day on which the final direct mail solicitations are mailed.

(e) Payment of allocable expenses by committees with separate federal and non-federal accounts—(1) Payment options. Nonconnected committees and separate segregated funds that have established separate federal and non-federal accounts under 11 CFR 102.5 (a)(1)(i) or (b)(1)(i) shall pay the expenses of joint federal and non-federal activities described in paragraph (b) of this section according to either paragraph (e)(1)(i) or (ii), as follows:

(i) Payment by federal account; transfers from non-federal account to federal account. The committee shall pay the entire amount of an allocable expense from its federal account and shall transfer funds from its non-federal account to its federal account solely to cover the non-federal share of that allocable expense.

(ii) Payment by separate allocation account; transfers from federal and non-federal accounts to allocation account. (A) The committee shall establish a separate allocation account into which funds from its federal and non-federal accounts shall be deposited solely for the purpose of paying the allocable expenses of joint federal and non-federal activities. Once a committee has established an allocation account for this purpose, all allocable expenses shall be paid from that account for as long as the account is maintained.

(B) The committee shall transfer funds from its federal and non-federal accounts to its allocation account in amounts proportionate to the federal or non-federal share of each allocable expense.

(C) No funds contained in the allocation account may be transferred to any other account maintained by the committee.

(2) Timing of transfers between accounts. (i) Under either payment option described in paragraphs (e)(1)(i) or (ii) of this section, the committee shall transfer funds from its non-federal account or from its federal and non-federal accounts to its separate allocation account following determination of the final cost of each joint federal and non-federal activity, or in advance of such determination if advance payment is required by the vendor and if such payment is based on a reasonable estimate of the activity's final cost as determined by the committee and the vendor(s) involved.

(ii) Funds transferred from a committee's non-federal account to its federal account or its allocation account are subject to the following requirements:

(A) For each such transfer, the committee must itemize in its reports the allocable activities for which the transferred funds are intended to pay, as required by 11 CFR 104.10(b)(3); and

(B) Except as provided in paragraph (d)(2) of this section, such funds may not be transferred more than 10 days before or more than 60 days after the payments for which they are designated are made.

(iii) Any portion of a transfer from a committee's non-federal account to its federal account or its allocation account that does not meet the requirements of paragraph (e)(2)(i) of this section shall be presumed to be a loan or contribution from the non-federal ac-
count to a federal account, in violation of the Act.

(3) Reporting transfers of funds and allocated disbursements. A political committee that transfers funds between accounts and pays allocable expenses according to this section shall report each such transfer and disbursement pursuant to 11 CFR 104.10(b).

PART 110—CONTRIBUTION AND EXPENDITURE LIMITATIONS AND PROHIBITIONS

Sec.
110.1 Contributions by persons other than multicandidate political committees (2 U.S.C. 441a(a)(1)).

(a) Scope. This section applies to all contributions made by any person as defined in 11 CFR 100.10, except multicandidate political committees as defined in 11 CFR 102.1 or political party committees prohibited from making contributions under 11 CFR 110.4 and 11 CFR parts 114 and 115.

(b) Contributions to candidates: designations; redesignations.

(1) No person shall make contributions to any candidate, his or her authorized political committees or agents with respect to any election for Federal office which, in the aggregate, exceed $1,000.

(2) For purposes of this section, with respect to any election means—

(I) in the case of a contribution designated in writing by the contributor for a particular election, the election so designated. Contributors to candidates are encouraged to designate their contributions in writing for particular elections. See 11 CFR 110.1(b)(4).

(ii) in the case of a contribution not designated in writing by the contributor for a particular election, the next election for that Federal office after the contribution is made.

(3)(i) A contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election. To the extent that such contribution exceeds net debts outstanding, the candidate or the candidate's authorized political committee shall return or deposit the contribution within ten days from the date of the treasurer's receipt of the contribution as provided by 11 CFR 103.3(a), and if deposited, then within sixty days from the date of the treasurer's receipt the treasurer shall take the following action, as appropriate:

(A) Refund the contribution using a committee check or draft; or

(B) Obtain a written redesignation by the contributor for another election in accordance with 11 CFR 110.1(b)(5); or

(C) Obtain a written reattribution to another contributor in accordance with 11 CFR 110.1(k)(3).
§ 110.1

If the candidate is not a candidate in the general election, all contributions made for the general election shall be either returned or refunded to the contributors or redesignated in accordance with 11 CFR 110.1(b)(5), or reattributed in accordance with 11 CFR 110.1(k)(3), as appropriate.

(i) In order to determine whether there are net debts outstanding from a particular election, the treasurer of the candidate's authorized political committee shall calculate net debts outstanding as of the date of the election. For purposes of this section, net debts outstanding means the total amount of unpaid debts and obligations incurred with respect to an election, including the estimated cost of raising funds to liquidate debts incurred with respect to the election and, if the candidate's authorized committee terminates or if the candidate will not be a candidate for the next election, estimated necessary costs associated with termination of political activity, such as the costs of complying with the post-election requirements of the Act and other necessary administrative costs associated with winding down the campaign, including office space rental, staff salaries and office supplies, less the sum of:

(A) The total cash on hand available to pay those debts and obligations, including: currency; balances on deposit in banks, savings and loan institutions, and other depository institutions; traveler's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value; and

(B) The total amounts owed to the candidate or political committee in the form of credits, refunds of deposits, returns, or receivables, or a commercially reasonable amount based on the collectibility of those credits, refunds, returns, or receivables.

(iii) The amount of the net debts outstanding shall be adjusted as additional funds are received and expenditures are made. The candidate and his or her authorized political committee(s) may accept contributions made after the date of the election if such contributions are designated in writing by the contributor for that election and if such contributions do not exceed the adjusted amount of net debts outstanding on the date the contribution is received.

(iv) This paragraph shall not be construed to prevent a candidate who is a candidate in the general election or his or her authorized political committee(s) from paying primary election debts and obligations with funds which represent contributions made with respect to the general election.

(4) For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if—

(i) The contribution is made by check, money order, or other negotiable instrument which clearly indicates the particular election with respect to which the contribution is made;

(ii) The contribution is accompanied by a writing, signed by the contributor, which clearly indicates the particular election with respect to which the contribution is made;

(iii) The contribution is redesignated in accordance with 11 CFR 110.1(b)(5).

(5) (i) The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election if—

(A) The contribution was designated in writing for a particular election, and the contribution, either on its face or when aggregated with other contributions from the same contributor for the same election, exceeds the limitation on contributions set forth in 11 CFR 110.1(b)(1); and

(B) The contribution was designated in writing for a particular election and the contribution was made after that election and the contribution cannot be accepted under the net debts outstanding provisions of 11 CFR 110.1(b)(3); or

(C) The contribution was not designated in writing for a particular election, and the contribution exceeds the limitation on contributions set forth in 11 CFR 110.1(b)(1); or

(D) The contribution was not designated in writing for a particular election, and the contribution was received after the date of an election for which there are net debts outstanding on the date the contribution is received.
(11) A contribution shall be considered to be redesignated for another election if—
(A) The treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and
(B) Within sixty days from the date of the treasurer’s receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor.

(111) A contribution redesignated for another election shall not exceed the limitations on contributions made with respect to that election. A contribution redesignated for a previous election shall be subject to the requirements of 11 CFR 110.1(b)(3) regarding net debts outstanding.

(6) For the purposes of this section, a contribution shall be considered to be made when the contributor relinquishes control over the contribution. A contributor shall be considered to relinquish control over the contribution when it is delivered by the contributor to the candidate, to the political committee, or to an agent of the political committee. A contribution that is mailed to the candidate, or to the political committee or to an agent of the political committee, shall be considered to be made on the date of the postmark. See 11 CFR 110.1(c)(4). An in-kind contribution shall be considered to be made on the date that the goods or services are provided by the contributor.

(c) Contributions to political party committees. (1) No person shall make contributions to the political committees established and maintained by a national political party in any calendar year, which, in the aggregate, exceed $20,000.

(2) For purposes of this section, political committees established and maintained by a national political party means—

(ii) The House campaign committee; and
(iii) The Senate campaign committee.

(3) Each recipient committee referred to in 11 CFR 110.1(c) may receive up to the $20,000 limitation from a contributor, but the limits of 11 CFR 110.5 shall also apply to contributions made by an individual.

(4) The recipient committee shall not be an authorized political committee of any candidate, except as provided in 11 CFR 9002.1(c).

(d) Contributions to other political committees. (1) No person shall make contributions to any other political committee in any calendar year which, in the aggregate, exceed $5,000.

(2) The limitation on contributions of this paragraph applies to contributions made to political committees making independent expenditures under 11 CFR part 109.

(e) Contributions by partnerships. A contribution by a partnership shall be attributed to the partnership and to each partner—
(i) In direct proportion to his or her share of the partnership profits, according to instructions which shall be provided by the partnership to the political committee or candidate; or
(ii) By agreement of the partners, as long as—
(a) Only the profits of the partners to whom the contribution is attributed are reduced (or losses increased), and
(b) These partners’ profits are reduced (or losses increased) in proportion to the contribution attributed to each of them.

A contribution by a partnership shall not exceed the limitations on contributions in 11 CFR 110.1(b), (c), and (d). No portion of such contribution may be made from the profits of a corporation that is a partner.

(f) Contributions to candidates for more than one Federal office. If an individual is a candidate for more than one Federal office, a person may make contributions which do not exceed $1,000 to the candidate, or his or her authorized political committees for each election for each office, as long as—
(i) Each contribution is designated in writing by the contributor for a particular office;
(ii) The candidate maintains separate campaign organizations, including sep-
§ 110.1
arate principal campaign committees and separate accounts; and
(3) No principal campaign committee or other authorized political committee of that candidate for one election for one Federal office transfers funds to, loans funds to, makes contributions to, or makes expenditures on behalf of another principal campaign committee or other authorized political committee of that candidate for another election for another Federal office, except as provided in 11 CFR 110.3(c)(4).

(g) [Reserved]

(h) Contributions to committees supporting the same candidate. A person may contribute to a candidate or his or her authorized committee with respect to a particular election and also contribute to a political committee which has supported, or anticipates supporting, the same candidate in the same election, as long as—

(1) The political committee is not the candidate's principal campaign committee or other authorized political committee or a single candidate committee;

(2) The contributor does not give with the knowledge that a substantial portion will be contributed to, or expended on behalf of, that candidate for the same election; and

(3) The contributor does not retain control over the funds.

(i) Contributions by spouses and minors.

(1) The limitations on contributions of this section shall apply separately to contributions made by each spouse even if only one spouse has income.

(2) Minor children (children under 18 years of age) may make contributions to any candidate or political committee which in the aggregate do not exceed the limitations on contributions of this section, if—

(1) The decision to contribute is made knowingly and voluntarily by the minor child;

(ii) The funds, goods, or services contributed are owned or controlled exclusively by the minor child, such as income earned by the child, the proceeds of a trust for which the child is the beneficiary, or a savings account opened and maintained exclusively in the child's name; and

(iii) The contribution is not made from the proceeds of a gift, the purpose of which was to provide funds to be contributed, or is not in any other way controlled by another individual.

(j) Application of limitations to elections. (1) The limitations on contributions of this section shall apply separately with respect to each election as defined in 11 CFR 100.2, except that all elections held in a calendar year for the office of President of the United States (except a general election for that office) shall be considered to be one election.

(2) An election in which a candidate is unopposed is a separate election for the purposes of the limitations on contributions of this section.

(3) A primary or general election which is not held because a candidate is unopposed or received a majority of votes in a previous election is a separate election for the purposes of the limitations on contributions of this section. The date on which the election would have been held shall be considered to be the date of the election.

(4) A primary election which is not held because a candidate was nominated by a caucus or convention with authority to nominate is not a separate election for the purposes of the limitations on contributions of this section.

(k) Joint contributions and reattributions. (1) Any contribution made by more than one person, except for a contribution made by a partnership, shall include the signature of each contributor on the check, money order, or other negotiable instrument or in a separate writing.

(2) If a contribution made by more than one person does not indicate the amount to be attributed to each contributor, the contribution shall be attributed equally to each contributor.

(3)(i) If a contribution to a candidate or political committee, either on its face or when aggregated with other contributions from the same contributor, exceeds the limitations on contributions set forth in 11 CFR 110.1(b), (c) or (d), as appropriate, the treasurer of the recipient political committee may ask the contributor whether the contribution was intended to be a joint contribution by more than one person.
Federal Election Commission

§ 110.2

(11) A contribution shall be considered to be reattributed to another contributor if—

(A) The treasurer of the recipient political committee asks the contributor whether the contribution is intended to be a joint contribution by more than one person, and informs the contributor that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution; and

(B) Within sixty days from the date of the treasurer’s receipt of the contribution, the contributors provide the treasurer with a written reattribution of the contribution, which is signed by each contributor, and which indicates the amount to be attributed to each contributor if equal attribution is not intended.

(1) Supporting evidence. (1) If a political committee receives a contribution designated in writing for a particular election, the treasurer shall retain a copy of the written designation, as required by 11 CFR 110.1(b)(4) or 110.2(b)(4), as appropriate. If the written designation is made on a check or other written instrument, the treasurer shall retain a full-size photocopy of the check or written instrument.

(2) If a political committee receives a written redesignation of a contribution for a different election, the treasurer shall retain the written redesignation provided by the contributor, as required by 11 CFR 110.1(b)(5) or 110.2(b)(5), as appropriate.

(3) If a political committee receives a written reattribution of a contribution to a different contributor, the treasurer shall retain the written reattribution signed by each contributor, as required by 11 CFR 110.1(k).

(4) If a political committee chooses to rely on a postmark as evidence of the date on which a contribution was made, the treasurer shall retain the envelope or a copy of the envelope containing the postmark and other identifying information.

(5) If a political committee does not retain the written record concerning designation required under 11 CFR 110.1(1)(2), the contribution shall not be considered to be designated in writing for a particular election, and the provisions of 11 CFR 110.1(b)(2)(1) or 110.2(b)(2)(11) shall apply. If a political committee does not retain the written records concerning redesignation or reattribution required under 11 CFR 110.1(2), (3) or (6), the redesignation or reattribution shall not be effective, and the original designation or attribution shall control.

(6) For each written redesignation or written reattribution of a contribution described in paragraph (b)(5) or paragraph (k)(3) of this section, the political committee shall retain documentation demonstrating when the written redesignation or written reattribution was received. Such documentation shall consist of:

(1) A copy of the envelope bearing the postmark and the contributor’s name, or return address or other identifying code; or

(11) A copy of the written redesignation or written reattribution with a date stamp indicating the date of the committee’s receipt; or

(ii) In the case of a contribution not designated in writing by the contributor for a particular election, the next election for that Federal office after the contribution is made.

(3)(i) A contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election. To the extent that such contribution exceeds net debts outstanding, the candidate or the candidate's authorized political committee shall return or deposit the contribution within ten days from the date of the treasurer's receipt of the contribution as provided by 11 CFR 103.3(a), and if deposited, then within sixty days from the date of the treasurer's receipt the treasurer shall take the following action, as appropriate:

(A) Refund the contribution using a committee check or draft; or

(B) Obtain a written redesignation by the contributor for another election in accordance with 11 CFR 110.2(b)(5).

If the candidate is not a candidate in the general election, all contributions made for the general election shall be either returned or refunded to the contributors or redesignated in accordance with 11 CFR 110.2(b)(5).

(ii) The treasurer of the candidate's authorized political committee shall calculate net debts outstanding in accordance with 11 CFR 110.1(b)(3)(ii). The amount of the net debts outstanding shall be adjusted as additional funds are received and expenditures are made. The candidate and his or her authorized political committee(s) may accept contributions made after the date of the election if such contributions are designated in writing by the contributor for that election and if such contributions do not exceed the adjusted amount of net debts outstanding on the date that the contribution is received.

(4) For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if—

(i) The contribution is made by check, money order, or other negotiable instrument which clearly indicates the particular election with respect to which the contribution is made;

(ii) The contribution is accompanied by a writing, signed by the contributor, which clearly indicates the particular election with respect to which the contribution is made; or

(iii) The contribution is redesignated in accordance with 11 CFR 110.2(b)(5).

(5)(i) The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election if—

(B) The contribution was designated in writing for a particular election and the contribution was made after that election and the contribution cannot be accepted under the net debts outstanding provisions of 11 CFR 110.2(b)(3);

(C) The contribution was not designated in writing for a particular election, and the contribution exceeds the limitation on contributions set forth in 11 CFR 110.2(b)(1); or

(D) The contribution was not designated in writing for a particular election and the contribution was received after the date of an election for which there are net debts outstanding on the date the contribution is received.

(ii) A contribution shall be considered to be redesignated for another election if—

Federal Election Commission

redesignation of the contribution and informs the contributor that the contribution may be redesignated by the contributor, which may request the refund of the contribution as an alternative to providing a written redesignation; and

(B) Within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor.

(iii) A contribution redesignated for another election shall not exceed the limitations on contributions made with respect to that election. A contribution redesignated for a previous election shall be subject to the requirements of 11 CFR 110.2(b)(3) regarding net debts outstanding.

(6) For the purposes of this section, a contribution shall be considered to be made when the contributor relinquishes control over the contribution. A contributor shall be considered to relinquish control over the contribution when it is delivered by the contributor to the candidate, to the political committee, or to an agent of the political committee. A contribution that is mailed to the candidate, or to the political committee or to an agent of the political committee, shall be considered to be made on the date of the postmark. See 11 CFR 110.1(1)(4). An in-kind contribution shall be considered to be made on the date that the goods or services are provided by the contributor.

(c) Contributions to political party committees. (1) No multicandidate political committee shall make contributions to the political committees established and maintained by a national political party in any calendar year which, in the aggregate, exceed $15,000.

(ii) The House campaign committee; and

(iii) The Senate campaign committee.

(3) Each recipient committee referred to in 11 CFR 110.2(c)(2) may receive up to the $15,000 limitation from a multicandidate political committee.

(d) Contributions to other political committees. (1) No multicandidate political committee shall make contributions to any other political committee in any calendar year which, in the aggregate, exceed $5,000.

(2) The limitation on contributions of this paragraph also applies to contributions made to political committees making independent expenditures under 11 CFR part 109.

(e) Contributions by political party committees to Senatorial candidates. Notwithstanding any other provision of the Act, or of these regulations, the Republican and Democratic Senatorial campaign committees, or the national committee of a political party, may make contributions of not more than a combined total of $17,500 to a candidate for nomination or election to the Senate during the calendar year of the election for which he or she is a candidate. Any contribution made by such committee to a Senatorial candidate under this paragraph in a year other than the calendar year in which the election is held shall be considered to be made during the calendar year in which the election is held.

(f) Contributions to candidates for more than one Federal office. If an individual is a candidate for more than one Federal office, a multicandidate political committee may make contributions which do not exceed $5,000 to the candidate, or his or her authorized political committees for each election for each office, provided that the requirements set forth in 11 CFR 110.1(f)(1), (2), and (3) are satisfied.

(g) Contributions to retire pre-1975 debts. Contributions made to retire debts resulting from elections held prior to January 1, 1975 are not subject to the limitations of 11 CFR part 110, as long as contributions and solicitations to retire these debts are designated in writing and used for that purpose. Contributions made to retire debts resulting from elections held after December 31, 1974 are subject to the limitations of 11 CFR part 110.

(h) Contributions to committees supporting the same candidate. A
multicandidate political committee may contribute to a candidate or his or her authorized committee with respect to a particular election and also contribute to a political committee which has supported, or anticipates supporting, the same candidate in the same election, as long as—

1. The recipient political committee is not the candidate's principal campaign committee or other authorized political committee or a single candidate committee;

2. The multicandidate political committee does not give with the knowledge that a substantial portion will be contributed to, or expended on behalf of, that candidate for the same election; and

3. The multicandidate political committee does not retain control over the funds.

Application of limitations to elections. (1) The limitations on contributions of this section (other than paragraph (e) of this section) shall apply separately with respect to each election as defined in 11 CFR 100.2, except that all elections held in a calendar year for the office of President of the United States (except a general election for that office) shall be considered to be one election.

(2) An election in which a candidate is unopposed is a separate election for the purposes of the limitations on contributions of this section.

(3) A primary or general election which is not held because a candidate is unopposed or received a majority of votes in a previous election is a separate election for the purposes of the limitations or contributions of this section. The date on which the election would have been held shall be considered to be the date of the election.

(4) A primary election which is not held because a candidate was nominated by a caucus or convention with authority to nominate is not a separate election for the purposes of the limitations on contributions of this section.

(j) Contributions to delegates and delegate committees. (1) Contributions to delegates for the purpose of furthering their selection under 11 CFR 110.14 are not subject to the limitations of this section.

(2) Contributions to delegate committees under 11 CFR 110.14 are subject to the limitations of this section.

§ 110.3 Contribution limitations for affiliated committees and political party committees; Transfers (2 U.S.C. 441a(a)(5), 441a(a)(4)).

(a) Contribution limitations for affiliated committees. (1) For the purposes of the contribution limitations of 11 CFR 110.1 and 110.2, all contributions made or received by more than one affiliated committee, regardless of whether they are political committees under 11 CFR 100.5, shall be considered to be made or received by a single political committee. See 11 CFR 100.5(g). Application of this paragraph means that all contributions made or received by the following committees shall be considered to be made or received by a single political committee—

(i) Authorized committees of the same candidate for the same election to Federal office; or

(ii) Committees (including a separate segregated fund, see 11 CFR part 114) established, financed, maintained or controlled by the same corporation, labor organization, person or group of persons, including any parent, subsidiary, branch, division, department or local unit thereof. For the purposes of this section, local unit may include, in appropriate cases, a franchisee, licensee, or State or regional association.

(2) Affiliated committees sharing a single contribution limitation under paragraph (a)(1)(ii) of this section include all of the committees established, financed, maintained or controlled by—

(i) A single corporation and/or its subsidiaries;

(ii) A single national or international union and/or its local unions or other subordinate organizations;

(iii) An organization of national or international unions and/or all its State and local central bodies;

(iv) A membership organization, (other than political party committees, see paragraph (b) of this section) including trade or professional associations, see 11 CFR 114.9(a), and/or related
Federal Election Commission

State and local entities of that organization or group; or

(v) The same person or group of persons.

(3)(i) The Commission may examine the relationship between organizations that sponsor committees, between the committees themselves, or between one sponsoring organization and a committee established by another organization to determine whether committees are affiliated.

(ii) In determining whether committees not described in paragraphs (a)(2)(i)–(iv) of this section are affiliated, the Commission will consider the circumstantial factors described in paragraphs (a)(3)(ii)(A) through (J) of this section. The Commission will examine these factors in the context of the overall relationship between committees or sponsoring organizations to determine whether the presence of any factor or factors is evidence of one committee or organization having been established, financed, maintained or controlled by another committee or sponsoring organization. Such factors include, but are not limited to:

(A) Whether a sponsoring organization owns a controlling interest in the voting stock or securities of the sponsoring organization of another committee;

(B) Whether a sponsoring organization or committee has the authority or ability to direct or participate in the governance of another sponsoring organization or committee through provisions of constitutions, bylaws, contracts, or other rules, or through formal or informal practices or procedures;

(C) Whether a sponsoring organization or committee has the authority or ability to hire, appoint, demote or otherwise control the officers, or other decisionmaking employees or members of another sponsoring organization or committee;

(D) Whether a sponsoring organization or committee has a common or overlapping membership with another sponsoring organization or committee which indicates a formal or ongoing relationship between the sponsoring organizations or committees;

(E) Whether a sponsoring organization or committee has common or overlapping officers or employees with another sponsoring organization or committee which indicates a formal or ongoing relationship between the sponsoring organizations or committees;

(F) Whether a sponsoring organization or committee has any members, officers or employees who were members, officers or employees of another sponsoring organization or committee which indicates a formal or ongoing relationship between the sponsoring organizations or committees, or which indicates the creation of a successor entity;

(G) Whether a sponsoring organization or committee provides funds or goods in a significant amount or on an ongoing basis to another sponsoring organization or committee, such as through direct or indirect payments for administrative, fundraising, or other costs, but not including the transfer to a committee of its allocated share of proceeds jointly raised pursuant to 11 CFR 102.17;

(H) Whether a sponsoring organization or committee caues or arranges for funds in a significant amount or on an ongoing basis to be provided to another sponsoring organization or committee, but not including the transfer to a committee of its allocated share of proceeds jointly raised pursuant to 11 CFR 102.17;

(I) Whether a sponsoring organization or a committee or its agent had an active or significant role in the formation of another sponsoring organization or committee; and

(J) Whether the sponsoring organizations or committees have similar patterns of contributions or contributors which indicates a formal or ongoing relationship between the sponsoring organizations or committees.

(b) Contribution limitations for political party committees. (1) For the purposes of the contribution limitations of 11 CFR 110.1 and 110.2, all contributions made or received by the following political committees shall be considered to be made or received by separate political committees—

(i) The national committee of a political party and any political committees established, financed, maintained, or controlled by the same national committee; and

125
§ 110.3

(11) The State committee of the same political party.

(2) Application of paragraph (b)(1)(i) of this section means that—

(i) The House campaign committee and the national committee of a political party shall have separate limitations on contributions under 11 CFR 110.1 and 110.2.

(ii) The Senate campaign committee and the national committee of a political party shall have separate limitations on contributions, except that contributions to a senatorial candidate made by the Senate campaign committee and the national committee of a political party are subject to a single contribution limitation under 11 CFR 110.2(e).

(3) All contributions made by the political committees established, financed, maintained, or controlled by a State party committee and by subordinate State party committees shall be presumed to be made by one political committee. This presumption shall not apply if—

(i) The political committee of the party unit in question has not received funds from any other political committee established, financed, maintained, or controlled by a State party committee and by subordinate State party committees; and

(ii) The political committee of the party unit in question does not make its contributions in cooperation, consultation or concert with, or at the request or suggestion of any other party unit or political committee established, financed, maintained, or controlled by another party unit.

(c) Permissible Transfers. The contribution limitations of 11 CFR 110.1 and 110.2 shall not limit the transfers set forth below in 11 CFR 110.3(c)(1) through (6)—

(1) Transfers of funds between affiliated committees or between party committees of the same political party whether or not they are affiliated or by collecting agents to a separate segregated fund made pursuant to 11 CFR 102.6;

(2) Transfers of joint fundraising proceeds between organizations or committees participating in the joint fundraising activity provided that no participating committee or organization governed by 11 CFR 102.17 received more than its allocated share of the funds raised;

(3) Transfers of funds between the primary campaign and general election campaign of a candidate of funds unused for the primary;

(4) Transfers of funds between a candidate's previous Federal campaign committee and his or her current Federal campaign committee, or between previous Federal campaign committees, provided that the candidate is not a candidate for more than one Federal office at the same time, and provided that the funds transferred are not composed of contributions that would be in violation of the Act. The cash on hand from which the transfer is made shall be considered to consist of the funds most recently received by the transferor committee. The transferor committee must be able to demonstrate that such cash on hand contains sufficient funds at the time of the transfer that comply with the limitations and prohibitions of the Act to cover the amount transferred.

(i) Previous Federal campaign committee means a principal campaign committee, or other authorized committee, that was organized to further the candidate's campaign in a Federal election that has already been held.

(ii) Current Federal campaign committee means a principal campaign committee, or other authorized committee, organized to further the candidate's campaign in a future Federal election.

(iii) For purposes of the contribution limits, a contribution made after an election has been held, or after an individual ceases to be a candidate in an election, shall be aggregated with other contributions from the same contributor for the next election unless the contribution is designated for the previous election, or is designated for another election, and the candidate has net debts outstanding for the election so designated pursuant to 11 CFR 110.1(b)(3).

(iv) For purposes of this section, an individual ceases to be a candidate in an election as of the earlier of the following dates—

(A) The date on which the candidate publicly announces that he or she will no longer be a candidate in that election for that office and ceases to con-
duct campaign activities with respect to that election; or

(B) The date on which the candidate is or becomes ineligible for nomination or election to that office by operation of law;

(5) Transfers of funds between the principal campaign committees of an individual seeking nomination or election to more than one Federal office, as long as the conditions in 11 CFR 110.3(c)(5)(i), (ii), and (iii) are met. An individual will be considered to be seeking nomination or election to more than one Federal office if the individual is concurrently a candidate for more than one Federal office during the same or overlapping election cycles.

(i) The transfer shall not be made when the individual is actively seeking nomination or election to more than one Federal office. An individual will not be considered to be actively seeking nomination or election to a Federal office if:

(A) The individual publicly announces that he or she will no longer seek nomination or election to that office and ceases to conduct campaign activities with respect to that election, except in connection with the retirement of debts outstanding at the time of the announcement;

(B) The individual is or becomes ineligible for nomination or election to that office by operation of law;

(C) The individual has filed a proper termination report with the Commission under 11 CFR 102.3; or

(D) The individual has notified the Commission in writing that the individual and his or her authorized committees will conduct no further campaign activities with respect to that election, except in connection with the retirement of debts outstanding at the time of the notification;

(ii) The limitations on contributions by persons shall not be exceeded by the transfer. The cash on hand from which the transfer is made shall be considered to consist of the funds most recently received by the transferor committee. The transferor committee must be able to demonstrate that such cash on hand contains sufficient funds at the time of the transfer that comply with the limitations and prohibitions of the Act to cover the amount transferred. A contribution shall be excluded from the amount transferred to the extent that such contribution, when aggregated with other contributions from the same contributor to the transferor principal campaign committee, exceeds the contribution limits set forth at 11 CFR 110.1 or 110.2, as appropriate; and

(iii) The candidate has not elected to receive funds under 26 U.S.C. 9006 or 9007 for either election; or

(6) [Reserved]

(7) The authorized committees of a candidate for more than one Federal office, or for a Federal office and a non-federal office, shall follow the requirements for separate campaign organizations set forth at 11 CFR 110.8(d).

(d) Transfers from nonfederal to federal campaigns. Transfers of funds or assets from a candidate’s campaign committee or account for a nonfederal election to his or her principal campaign committee or other authorized committee for a federal election are prohibited. However, at the option of the nonfederal committee, the nonfederal committee may refund contributions, and may coordinate arrangements with the candidate’s principal campaign committee or other authorized committee for a solicitation by such committee(s) to the same contributors. The full cost of this solicitation shall be paid by the Federal committee.

§ 110.4 Prohibited contributions (2 U.S.C. 441e, 441f, 441g, 432(c)(2)).

(2) No person shall solicit, accept, or receive a contribution as set out above from a foreign national.

(3) A foreign national shall not directly, dictate, control, or directly or indirectly participate in the decision-making process of any person, such as
§ 110.5

(4) For purposes of this section, foreign national means—

(i) A foreign principal, as defined in 22 U.S.C. 611(b); or

(ii) An individual who is not a citizen of the United States and who is not lawfully admitted for permanent residence, as defined in 8 U.S.C. 1101(a)(20); or

(iii) Except that foreign national shall not include any individual who is a citizen of the United States.

(b) Contributions in the name of another.

(1) No person shall—

§ 113.1 Definitions (2 U.S.C. 439a).

When used in this part—

(a) Funds donated. Funds donated means all funds, including, but not limited to, gifts, loans, advances, credits or deposits of money which are donated for the purpose of supporting the activities of a Federal or State officeholder, but does not mean funds appropriated by Congress, a State legislature, or another similar public appropriating body, or personal funds of the officeholder donated to an account containing only those personal funds.

(b) Office account. Office account means an account established for the purposes of supporting the activities of a Federal or State officeholder which contains excess campaign funds and funds donated, but does not include an account used exclusively for funds appropriated by Congress, a State legislature, or another similar public appropriating body, or an account of the officeholder which contains only the personal funds of the officeholder, or an account containing only appropriated funds and only personal funds of the officeholder.

(c) Federal officeholder. Federal officeholder means an individual elected to or serving in the office of President or Vice President of the United States; or a Senator or a Representative in, or Delegate or Resident Commissioner to, the Congress of the United States.

(d) State officeholder. State officeholder means an individual elected to or serving in any elected public office within a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico or any subdivision thereof.

(e) Excess campaign funds. Excess campaign funds means amounts received by a candidate as contributions which he or she determines are in excess of any amount necessary to defray his or her campaign expenditures.

(f) Qualified Member. Qualified Member means an individual who was serving as a Senator or Representative in, or Delegate or Resident Commissioner to, Congress, on January 8, 1991.

(A) Household food items or supplies;

(B) Funeral, cremation or burial expenses;

(C) Clothing, other than items of de minimis value that are used in the campaign, such as campaign "T-shirts" or caps with campaign slogans;

(D) Tuition payments, other than those associated with training campaign staff;

(E) Mortgage, rent or utility payments—

(1) For any part of any personal residence of the candidate or a member of the candidate's family; or

(2) For real or personal property that is owned by the candidate or a member of the candidate's family and used for campaign purposes, to the extent the payments exceed the fair market value of the property usage;

(F) Admission to a sporting event, concert, theater or other form of entertainment, unless part of a specific campaign or officeholder activity;

(G) Dues, fees or gratuities at a country club, health club, recreational facility or other nonpolitical organization, unless they are part of the costs of a specific fundraising event that takes place on the organization's premises; and

(H) Salary payments to a member of the candidate's family, unless the family member is providing bona fide services to the campaign. If a family member provides bona fide services to the campaign, any salary payment in excess of the fair market value of the services provided is personal use.

(ii) The Commission will determine, on a case by case basis, whether other uses of funds in a campaign account fulfill a commitment, obligation or expense that would exist irrespective of the candidate's campaign or duties as a Federal officeholder, and therefore are personal use. Examples of such other uses include:

(A) Legal expenses;

(B) Meal expenses;

(C) Travel expenses, including subsistence expenses incurred during travel. If a committee uses campaign funds to pay expenses associated with travel that involves both personal activities and campaign or officeholder related activities, the incremental expenses that result from the personal activities are personal use, unless the person(s) benefiting from this use reimburse the campaign account within thirty days for the amount of the incremental expenses; and

(D) Vehicle expenses, unless they are a de minimis amount. If a committee uses campaign funds to pay expenses associated with a vehicle that is used for both personal activities beyond a de minimus amount and campaign or officeholder related activities, the portion of the vehicle expenses associated with the personal activities is personal use, unless the person(s) using the vehicle for personal activities reimburse the campaign account within thirty days for the expenses associated with the personal activities.

(2) Charitable donations. Donations of campaign funds or assets to an organization described in section 170(c) of Title 26 of the United States Code are not personal use, unless the candidate receives compensation from the organization before the organization has expended the entire amount donated for purposes unrelated to his or her personal benefit.

(3) Transfers of campaign assets. The transfer of a campaign committee asset is not personal use so long as the transfer is for fair market value. Any depreciation that takes place before the transfer must be allocated between the committee and the purchaser based on the useful life of the asset.

(4) Gifts. Gifts of nominal value and donations of a nominal amount made on a special occasion such as a holiday, graduation, marriage, retirement, or death are not personal use, unless made to a member of the candidate's family.

(5) Political or officially connected expenses. The use of campaign funds for an expense that would be a political expense under the rules of the United States House of Representatives or an officially connected expense under the rules of the United States Senate is not personal use to the extent that the expense is an expenditure under 11 CFR 100.8 or an ordinary and necessary ex-
§ 113.2 Use of funds (2 U.S.C. 439a).

Excess campaign funds and funds donated:

(a) May be used to defray any ordinary and necessary expenses incurred in connection with the recipient's duties as a holder of Federal office, if applicable, including:

(1) The costs of travel by the recipient Federal officeholder and an accompanying spouse to participate in a function directly connected to bona fide official responsibilities, such as a fact-finding meeting or an event at which the officeholder's services are provided through a speech or appearance in an official capacity; and

(2) The costs of winding down the office of a former Federal officeholder for a period of 6 months after he or she leaves office; or

(b) May be contributed to any organization described in section 170(c) of Title 26, of the United States Code; or

(e)(1) Except as limited by paragraph (e)(5) of this section, a qualified Member who serves in the 102d or an earlier Congress may convert to personal use no more than the unobligated balance of excess funds as of November 30, 1989. This unobligated balance shall be cal-

pense incurred in connection with the duties of an holder of Federal office. Any use of funds that would be personal use under 11 CFR 113.1(g)(1) will not be considered an expenditure under 11 CFR 100.8 or an ordinary and necessary expense incurred in connection with the duties of an holder of Federal office.

(5) Third party payments. Notwithstanding the use of funds for a particular expense would be a personal use under this section, payment of that expense by any person other than the candidate or the campaign committee shall be a contribution under 11 CFR 100.7 to the candidate unless the payment would have been made irrespective of the candidacy. Examples of payments considered to be irrespective of the candidacy include, but are not limited to, situations where—

(i) The payment is a donation to a legal expense trust fund established in accordance with the rules of the United States Senate or the United States House of Representatives;

(ii) The payment is made from funds that are the candidate's personal funds as defined in 11 CFR 110.10(b), including an account jointly held by the candidate and a member of the candidate's family;

(iii) Payments for that expense were made by the person making the payment before the candidate became a candidate. Payments that are considered to be contributions unless—

(A) The compensation results from bona fide employment that is genuinely independent of the candidacy;

(B) The compensation is exclusively in consideration of services provided by the employee as part of this employment; and

(C) The compensation does not exceed the amount of compensation which would be paid to any other similarly qualified person for the same work over the same period of time.

(7) Members of the candidate's family.

For the purposes of section 113.1(g), the candidate's family includes:

(i) The spouse of the candidate;

(ii) Any child, step-child, parent, grandparent, sibling, half-sibling or step-sibling of the candidate or the candidate's spouse;

(iii) The spouse of any child, step-child, parent, grandparent, sibling, half-sibling or step-sibling of the candidate; and

(iv) A person who has a committed relationship with the candidate, such as sharing a household and having mutual responsibility for each other's personal welfare or living expenses.

The Member may convert any excess campaign or donated funds in an amount up to the Member’s authorized committee(s)’ cash on hand, determined under 11 CFR 104.3(a)(1), as of November 30, 1989, less the committee(s)’ total outstanding debts as of that date.

(ii) Cash Plus Nonliquid Assets. (A) The Member may convert unliquidated committee assets held by his or her authorized committee(s) on November 30, 1989; or the value of such assets may be added to the value of the committee(s)’ cash assets under paragraph (e)(1)(i) of this section to determine the amount which is eligible for conversion. In either case, prior to conversion, the committee shall amend its 1989 year end reports to indicate, as memo entries to Schedule A, the assets to be converted. These amendments shall list each asset, give its date of acquisition, its fair market value as of November 30, 1989, and a brief narrative description of how this value was ascertained. The committee shall also disclose the disposition made of each such asset, including its fair market value on the date of sale or other disposition, in its termination report, unless the asset was sold or otherwise disposed of during an earlier period and included in the report covering that period.

(B) The Member may add the value of debts and loans reported as owed to the Member’s authorized committee(s) as of November 30, 1989, and itemized on the committee(s)’ year end reports for 1989, to the unobligated balance, provided that such receivables are actually collected by the committee(s) prior to their termination.

(C) The Member may add to the unobligated balance the value of vendor credits and deposit refunds to which authorized campaign committee(s) are entitled, if these receivables are itemized on Schedule C or D of the committee(s)’ 1989 year end reports or in amendment(s) thereto.

(2) If the unobligated balance subsequently falls below its November 30, 1989, level, a qualified Member may use contributions lawfully received or other lawful committee income received after that date to restore the account up to that level.

(3) A qualified Member may convert committee assets which were not held on November 30, 1989, to personal use; however, the fair market value of such assets at the time of conversion shall be counted against the unobligated balance.

(4) Under no circumstances may an amount greater than the unobligated balance on November 30, 1989, be converted to personal use. Should money from subsequent contributions, other committee income, and/or the sale of campaign assets exceed the amount needed to restore the unobligated balance to its November 30, 1989, level, such additional funds shall not be converted to personal use but may be used for the purposes set forth in paragraphs (a), (b), and (c) of this section.

(5) 103d Congress or later Congress: A qualified Member who serves in the 103d Congress or a later Congress may not convert to personal use any excess campaign or donated funds, as of the first day of such service.

(6) Nothing in this section modifies or supersedes other Federal statutory restrictions or relevant State laws which may apply to the use of excess campaign or donated funds by candidates or Federal officeholders.

§ 113.3 Deposits of funds donated to a Federal or State officeholder (2 U.S.C. 432(h)).

(a) Any contributions to, or expenditures from an office account which are made for the purpose of influencing a federal election shall be subject to 2 U.S.C. 441a and 11 CFR part 110 of these regulations.

(b) If any treasury funds of a corporation or labor organization are donated to an office account, no funds from that office account may be transferred to a political committee account or otherwise used in connection with a federal election.

§ 114.5 Separate segregated funds.

(a) Voluntary contributions to a separate segregated fund. (1) A separate segregated fund is prohibited from making a contribution or expenditure by utilizing money or anything of value secured by physical force, job discrimination, financial reprisals, or the threat of force, job discrimination, or financial reprisal; or by dues, fees, or other monies required as a condition of membership in a labor organization or as a condition of employment or by monies obtained in any commercial transaction. For purposes of this section, fees or monies paid as a condition of acquiring or retaining membership or employment are monies required as a condition of membership or employment even though they are refundable upon request of the payor.

(2) A guideline for contributions may be suggested by a corporation or a labor organization, or the separate segregated fund of either, provided that the person soliciting or the solicitation informs the persons being solicited—

(1) That the guidelines are merely suggestions; and

(2) That an individual is free to contribute more or less than the guidelines suggest and the corporation or labor organization will not favor or disadvantage anyone by reason of the amount of their contribution or their decision not to contribute.

A corporation or labor organization or the separate segregated fund of either may not enforce any guideline for contributions.

(3) Any person soliciting an employee or member for a contribution to a separate segregated fund must inform such employee or member of the political purposes of the fund at the time of the solicitation.

(4) Any persons soliciting an employee or member for a contribution to a separate segregated fund must inform the employee or member at the time of such solicitation of his or her right to refuse to so contribute without any reprisal.

A corporation, labor organization, membership organization, cooperative, or corporation without capital stock may not use the establishment, administration, and solicitation process as a means of exchanging treasury monies for voluntary contributions.

(1) A contributor may not be paid for his or her contribution through a bonus, expense account, or other form of direct or indirect compensation.

(2) A corporation, labor organization, membership organization, cooperative, or corporation without capital stock may, subject to the provisions of 39 U.S.C. 3005 and chapter 61, title 18, United States Code, utilize a raffle or other fundraising device which involves a prize, so long as State law permits and the prize is not disproportionately valuable. Dances, parties, and other types of entertainment may also be used as fundraising devices. When using raffles or entertainment to raise funds, a reasonable practice to follow is for the separate segregated fund to reimburse the corporation or labor organization for costs which exceed one-third of the money contributed.
§ 114.5

(3) If the separate segregated fund pays any solicitation or other administrative expense from its own account, which expense could be paid for as an administrative expense by the collecting agent, the collecting agent may reimburse the separate segregated fund no later than 30 calendar days after the expense was paid by the separate segregated fund.

(c) Membership in separate segregated funds. (1) A separate segregated fund established by a corporation, labor organization, membership organization, cooperative, or corporation without capital stock may provide that persons who contribute a certain amount to its separate segregated fund will become members of its separate segregated fund, so long as—

(i) The fund accepts contributions of all amounts, subject to the limitations of part 110;

(ii) Subject to paragraph (c)(1)(i) of this section, nothing of value may be given in return for or in the course of membership;

(iii) The fund may use membership status for intangible privileges such as allowing members only to choose the candidates to whom the fund will contribute.

(2) The fact that the separate segregated fund of a corporation, labor organization, membership organization, cooperative, or corporation without capital stock is a membership group does not provide the corporation, labor organization, membership organization, cooperative, or corporation without capital stock with any greater right of communication or solicitation than the corporation, labor organization, membership organization, cooperative, or corporation without capital stock with any greater right of communication or solicitation than the corporation, labor organization, membership organization, cooperative, or corporation without capital stock is otherwise granted under this part.

(d) Control of funds. A corporation, membership organization, cooperative, corporation without capital stock, or labor organization may exercise control over its separate segregated fund.

(1) A corporation or labor organization is not required to report any payment made or obligation incurred which is not a contribution or expenditure, as defined in §114.1(a), except those reporting requirements specifically set forth in this section.

(2) A membership organization or corporation is not required to report the cost of any communication to its members or stockholders or executive or administrative personnel, if such membership organization or corporation is not organized primarily for the purpose of influencing the nomination for election, or election, of any person to Federal office, except that—

(i) The costs incurred by a membership organization, including a labor organization, or by a corporation, directly attributable to a communication expressly advocating the election or defeat of a clearly identified candidate (other than a communication primarily devoted to subjects other than the express advocacy of the election or defeat of a clearly identified candidate) shall, if those costs exceed $2,000 per election, be reported in accordance with 11 CFR 100.8(b)(4); and

(ii) The amounts paid or incurred for legal or accounting services rendered to or on behalf of a candidate or political committee solely for the purpose of ensuring compliance with the provisions of the Act or chapter 95 or 96 of the Internal Revenue Code of 1954 paid by a corporation or labor organization which is the regular employer of the individual rendering such services, shall be reported in accordance with the provisions of part 104.

(3) A separate segregated fund is subject to all other disclosure requirements of political committees as set forth in part 104.

(f) Contribution limits. Separate segregated funds are subject to the contribution limitations for political committees set forth in part 110. (See particularly §110.3).

(g) Solicitations. Except as specifically provided in §§114.6, 114.7, and 114.8, a corporation and/or its separate segregated fund or a labor organization and/or its separate segregated fund is subject to the following limitations on solicitations:

(1) A corporation or a separate segregated fund established by a corporation is prohibited from soliciting contributions to such fund from any person other than its stockholders and their families and its executive or ad-

ministrative personnel and their families. A corporation may solicit the executive or administrative personnel of its subsidiaries, branches, divisions, and affiliates and their families. For purposes of this section, the factors set forth at 11 CFR 100.5(g)(4) shall be used to determine whether an organization is an affiliate of a corporation.

(2) A labor organization, or a separate segregated fund established by a labor organization is prohibited from soliciting contributions to such a fund from any person other than its members and executive or administrative personnel, and their families.

(h) Accidental or inadvertent solicitation. Accidental or inadvertent solicitation by a corporation or labor organization, or the separate segregated fund of either, of persons apart from and beyond those whom it is permitted to solicit will not be deemed a violation, provided that such corporation or labor organization or separate segregated fund has used its best efforts to comply with the limitations regarding the persons it may solicit and that the method of solicitation is corrected forthwith after the discovery of such erroneous solicitation.

(i) Communications paid for with voluntary contributions. A separate segregated fund may, using voluntary contributions, communicate with the general public, except that such communications may not solicit contributions to a separate segregated fund established by a corporation, labor organization, membership organization, cooperative, or corporation without capital stock, unless such solicitation is permitted under paragraph (g) of this section.

(j) Acceptance of contributions. A separate segregated fund may accept contributions from persons otherwise permitted by law to make contributions.

(k) Availability of methods. Any corporation, including its subsidiaries, branches, divisions, and affiliates, that uses a method of soliciting voluntary contributions or facilitating the making of voluntary contributions from its stockholders or executive or administrative personnel and their families, shall make that method available to a labor organization representing any members working for the corporation, its subsidiaries, branches, divisions, and affiliates for soliciting voluntary contributions or facilitating the making of voluntary contributions from its members and their families. Such method shall be made available on the written request of the labor organization and at a cost sufficient only to reimburse the corporation for the expenses incurred thereby. For example—

(1) If a corporation, including its subsidiaries, branches, divisions, or affiliates utilizes a payroll deduction plan, check-off system, or other plan which deducts contributions from the dividend or payroll checks of stockholders or executive or administrative personnel, the corporation shall, upon written request of the labor organization, make that method available to members of the labor organization working for the corporation, its subsidiaries, branches, divisions, or affiliates, who wish to contribute to the separate segregated fund of the labor organization representing any members working for the corporation, or any of its subsidiaries, branches, divisions, or affiliates. The corporation shall make the payroll deduction plan available to the labor organization at a cost sufficient only to reimburse the corporation for the actual expenses incurred thereby.

(2) If a corporation uses a computer for addressing envelopes or labels for a solicitation to its stockholders or executive or administrative personnel, the corporation shall, upon written request, program the computer to enable the labor organization to solicit its members. The corporation shall charge the labor organization a cost sufficient only to reimburse the corporation for the actual expenses incurred in programming the computers and the allocated cost of employee time relating to the work, and the materials used.

(3) If a corporation uses corporate facilities, such as a company dining room or cafeteria, for meetings of stockholders or executive or administrative personnel at which solicitations are made, the corporation shall upon written request of the labor organization allow that labor organization to use existing corporate facilities for meetings to solicit its members. The labor organization shall be required to reimburse the corporation for any actual expenses incurred by the corporation.
§ 114.6

Incurred thereby, such as any increase in the overhead to the corporation and any cost involved in setting up the facilities.

(4) If a corporation uses no method to solicit voluntary contributions or to facilitate the making of voluntary contributions from stockholders or executive or administrative personnel, it is not required by law to make any method available to the labor organization for its members. The corporation and the labor organization may agree upon making any lawful method available even though such agreement is not required by the Act.

(5) The availability of methods of twice yearly solicitations is subject to the provisions of §114.8(e).

(1) Methods permitted by law to labor organizations. Notwithstanding any other law, any method of soliciting voluntary contributions or of facilitating the making of voluntary contributions to a separate segregated fund established by a corporation, permitted by law to corporations with regard to stockholders and executive or administrative personnel, shall also be permitted to labor organizations with regard to their members and executive or administrative personnel.

§ 114.8 Twice yearly solicitations.

(a) A corporation and/or its separate segregated fund may make a total of two written solicitations for contributions to its separate segregated fund per calendar year of its employees other than stockholders, executive or administrative personnel, and their families. Employees as used in this section does not include former or retired employees who are not stockholders. Nothing in this paragraph shall limit the number of solicitations a corporation may make of its stockholders and executive or administrative personnel under §114.5(g).

(b) A labor organization and/or its separate segregated fund may make a total of two written solicitations per calendar year of employees who are not members of the labor organization, executive or administrative personnel, or stockholders (and their families) of a corporation in which the labor organization represents members working for the corporation. Nothing in this paragraph shall limit the number of solicitations a labor organization may make of its members under §114.5(g).

(c) Written solicitation. A solicitation under this section may be made only by mail addressed to stockholders, executive or administrative personnel, or employees at their residences. All written solicitations must inform the recipient—

1. Of the existence of the custodial arrangement described hereinafter;
2. That the corporation, labor organization, or the separate segregated fund of either cannot be informed of persons who do not make contributions; and
3. That persons who, in a calendar year make a single contribution of $50 or less, or multiple contributions aggregating $200 or less may maintain their anonymity by returning their contributions to the custodian.

(d) The custodial arrangement. In order to maintain the anonymity of persons who do not wish to contribute and of persons who wish to respond with a single contribution of $50 or less, or multiple contributions aggregating $200 or less in a calendar year, and to satisfy the recordkeeping provisions, the corporation, labor organization, or separate segregated fund of either shall establish a custodial arrangement for collecting the contributions under this section.

1. The custodian for a separate segregated fund established by a corporation shall not be a stockholder, officer, executive or administrative personnel, or employee of the corporation, or an officer, or employee of its separate segregated fund. The custodian for a separate segregated fund established by a labor organization shall not be a member, officer or employee of the labor organization or its separate segregated fund.

2. The custodian shall keep the records of contributions received in accordance with the requirements of part 102 and shall also—
(1) Establish a separate account and deposit contributions in accordance with the provisions of part 103;

(2) Provide the fund with the identification of any person who makes a single contribution of more than $50 and the identification of any person who makes multiple contributions aggregating more than $200. The custodian must provide this information within a reasonable time prior to the reporting date of the fund under part 104;

(3) Periodically forward all funds in the separate account, by check drawn on that account, to the separate segregated fund; and

(4) Treat all funds which appear to be illegal in accordance with the provisions of §103.3(b).

(3) The custodian shall not—

(i) Make the records of persons making a single contribution of $50 or less, or multiple contributions aggregating $200 or less, in a calendar year, available to any person other than representatives of the Federal Election Commission, the Clerk of the House or the Secretary of the Senate, as appropriate, and law enforcement officials or judicial bodies.

(ii) Provide the corporation or labor organization or the separate segregated fund of either with any information pertaining to persons who, in a calendar year, make a single contribution of $50 or less or multiple contributions aggregating $200 or less except that the custodian may forward to the corporation, labor organization or separate segregated fund of either the total number of contributions received; or

(iii) Provide the corporation, labor organization, or the separate segregated fund of either with any information pertaining to persons who have not contributed.

(4) The corporation, labor organization, or the separate segregated fund of either shall provide the custodian with a list of all contributions, indicating the contributor's identification and amount contributed, which have been made directly to the separate segregated fund by any person within the group of persons solicited under this section.

(5) Notwithstanding the prohibitions of paragraph (d)(1) of this section, the custodian may be employed by the separate segregated fund as its treasurer and may handle all of its contributions, provided that the custodian preserves the anonymity of the contributors as required by this section. The custodian shall file the required reports with the Federal Election Commission, the Clerk of the House, or the Secretary of the Senate, as appropriate. A custodian who serves as treasurer is subject to all of the duties, responsibilities, and liabilities of a treasurer under the Act, and may not participate in the decision-making process whereby the separate segregated fund makes contributions and expenditures.

(e) Availability of methods. (1) A corporation or labor organization or the separate segregated fund of either may not use a payroll deduction plan, a check-off system, or other plan which deducts contributions from an employee's paycheck as a method of facilitating the making of contributions under this section.

(2) The twice yearly solicitation may only be used by a corporation or labor organization to solicit contributions to its separate segregated fund and may not be used for any other purpose.

(3) A corporation is required to make available to a labor organization representing any members working for the corporation or its subsidiaries, branches, divisions, or affiliates the method which the corporation uses to solicit employees under this section during any calendar year.

(1) If the corporation uses a method to solicit any employees under this section, the corporation is required to make that method available to the labor organization to solicit the employees of the corporation who are not represented by that labor organization, and the executive or administrative personnel and the stockholders of the corporation and their families.

(1) If the corporation does not wish to disclose the names and addresses of stockholders or employees, the corporation shall make the names and addresses of stockholders and employees available to an independent mailing service which shall be retained to make the mailing for both the corporation and the labor organization for any mailings under this section.
§ 114.7 Membership organizations, cooperatives, or corporations without capital stock.

(a) Membership organizations, cooperatives, or corporations without capital stock, or separate segregated funds established by such persons may solicit contributions to the fund from members and executive or administrative personnel, and their families, of the organization, cooperative, or corporation without capital stock.

(b) Nothing in this section waives the prohibition on contributions to the separate segregated fund by corporations, national banks, or labor organizations which are members of a membership organization, cooperative, or corporation without capital stock.

(c) A trade association whose membership is made up in whole or in part of corporations is subject to the provisions of §114.9 when soliciting any stockholders or executive or administrative personnel of member corporations. A trade association which is a membership organization may solicit its noncorporate members under the provisions of this section.

(d) The question of whether a professional organization is a corporation is determined by the law of the State in which the professional organization exists.

(e) There is no limitation upon the number of times an organization under this section may solicit its members and executive or administrative personnel, and their families.

(f) There is no limitation under this section on the method of solicitation or the method of facilitating the making of voluntary contributions which may be used.

(g) A membership organization, cooperative, or corporation without capital stock and the separate segregated funds of the organizations are subject to the provisions in §114.5(a).

(h) A membership organization, cooperative, or corporation without capital stock may communicate with its members and executive or administrative personnel, and their families, under the provisions of §114.3.

(i) A mutual life insurance company may solicit its policyholders if the policyholders are members within the organizational structure.

(j) A membership organization, including a trade association, cooperative, or corporation without capital stock may solicit the members of the cooperative's regional, state or local affiliates, provided that all of the political committees established, financed, maintained or controlled by the cooperative and its regional, State, or local affiliates are considered one

§ 114.8 Trade associations.

(a) Definition. A trade association is generally a membership organization of persons engaging in a similar or related line of commerce, organized to promote and improve business conditions in that line of commerce and not to engage in a regular business of a kind ordinarily carried on for profit, and no part of the net earnings of which inures to the benefit of any member.

(b) Prohibition. Nothing in this section waives the prohibition on contributions by corporations which are members of a trade association.

(c) Limitations. A trade association or a separate segregated fund established by a trade association may solicit contributions from the stockholders and executive or administrative personnel of the member corporations of such trade association and the families of such stockholders and personnel if—

(1) The member corporation involved has separately and specifically approved the solicitations; and

(2) The member corporation has not approved a solicitation by any other trade association for the same calendar year.

(d) Separate and specific approval. (1) The member corporation must knowingly and specifically approve any solicitation for a trade association, whether the solicitation is done by the trade association, its separate segregated fund, the corporation or any of its personnel, for contributions to the trade association's separate segregated fund.

(2) A copy of each approved request received by a trade association or its separate segregated fund shall be maintained by the trade association or its fund for three years from the year for which the approval is given.

(3) The request for approval may contain a copy of solicitation materials which will be used if approval is granted. Such a mailing must specifically indicate the requirement of approval and the limitation of paragraph (c)(2) of this section, and approval must be granted to the trade association or its separate segregated fund prior to the time any solicitation is made of the stockholders or executive or administrative personnel by the trade association, its separate segregated fund, or by the corporation for contributions to the separate segregated fund of the trade association. (The request for approval may be sent to the representatives of the corporation with whom the trade association normally conducts the association's activities.)

(4) A separate authorization specifically allowing a trade association to solicit its corporate member's stockholders, and executive or administrative personnel applies through the calendar year for which it is designated. A separate authorization by the corporate member must be designated for each year during which the solicitation is to occur. This authorization may be requested and may also be received prior to the calendar year in which the solicitation is to occur.

(5) In its request to a member corporation, a trade association may indicate that it intends to solicit, for example, a limited class of the executive or administrative personnel of the member corporation, or only the executive or administrative personnel but not the stockholders of the member corporation. Moreover, in its approval, a member corporation may similarly limit any solicitation by the trade association or its separate segregated fund. In any event, a member corporation, once it has approved any solicitation—even to a limited extent—of its personnel or stockholders by a trade association or its separate segregated fund, is precluded from approving any such solicitation by another trade association or its separate segregated fund and the corporation and its personnel are precluded from soliciting the corporation's executive or administrative personnel or stockholders on behalf of another trade association or its separate segregated fund.
§114.8

(e) Solicitation. (1) After a trade association has obtained the approval required in paragraph (c) of this section, there is no limit on the number of times the trade association or its separate segregated fund may solicit the persons approved by the member corporation during the calendar year to which the approval applies. The member corporation may, however, in its approval limit the number of times solicitations may be made.

(2) A member corporation which grants permission to a trade association to solicit is in no way restricted in its rights under §114.5(g) to solicit its stockholders or executive or administrative personnel and their families for contributions to the corporation's own separate segregated fund.

(3) There is no limitation on the method of soliciting voluntary contributions or the method of facilitating the making of voluntary contributions which a trade association may use. The member corporation may not use a payroll deduction or checkoff system for executive or administrative personnel contributing to the separate segregated fund of the trade association.

(f) Solicitation of a subsidiary corporation.

(1) If a parent corporation is a member of the trade association but its subsidiary is not, the trade association or its separate segregated fund may only solicit the parent's executive or administrative personnel and their families. If a subsidiary is a member of the trade association but the parent corporation is not, the trade association or its separate segregated fund may only solicit the subsidiary's executive or administrative personnel and their families and the subsidiary's stockholders and their families; it may not solicit the parent's executive or administrative personnel and their families.

(2) A trade association and/or its separate segregated fund is subject to the provisions of §114.5(a).

(g) Federations of trade associations.

(1) A federation of trade associations is an organization representing trade associations involved in the same or allied line of commerce. Such a federation may, subject to the following limitations, solicit the members of the federation's regional, State or local affiliates or members, provided that all of the political committees established, financed, maintained or controlled by the federation and its regional, State, or local affiliates or members are considered one political committee for the purposes of the limitations in §§110.1 and 110.2. The factors set forth at §1B0.5(g)(4) shall be used to determine whether an entity is a regional, State or local affiliate of a federation of trade associations.

(1) The federation and its member associations may engage in a joint solicitation; or

(ii) The member association may delegate its solicitation rights to the federation.

(2) A federation is subject to the provisions of this section when soliciting the stockholders and executive or administrative personnel of the corporate members of its member associations.

(h) Communications other than solicitations. A trade association may make communications, other than solicitations, to its members and their families under the provisions of §114.3.

(1) Trade association employees.

(1) A trade association may communicate with its executive or administrative personnel and their families under the provisions of §114.3; a trade association may communicate with its other employees under the provisions of §114.4.

(2) A trade association may solicit its executive or administrative personnel and their families under the provisions of §114.5(g); a trade association may so-
§ 114.9 Use of corporate or labor organization facilities and means of transportation.

(a) Use of corporate facilities for individual volunteer activity by stockholders and employees. (1) Stockholders and employees of the corporation may, subject to the rules and practices of the corporation, make occasional, isolated, or incidental use of the facilities of a corporation for individual volunteer activity in connection with a Federal election and will be required to reimburse the corporation only to the extent that the overhead or operating costs of the corporation are increased. As used in this paragraph, occasional, isolated, or incidental use generally means—

(i) When used by employees during working hours, an amount of activity during any particular work period which does not prevent the employee from completing the normal amount of work which that employee usually carries out during such work period; or

(ii) When used by stockholders other than employees during the working period, such use does not interfere with the corporation in carrying out its normal activities; but

(iii) Any such activity which does not exceed one hour per week or four hours per month, regardless of whether the activity is undertaken during or after normal working hours, shall be considered as occasional, isolated, or incidental use of the corporation facilities.

(2) A stockholder or employee who makes more than occasional, isolated, or incidental use of a corporation's facilities for individual volunteer activities in connection with a Federal election is required to reimburse the corporation with a commercially reasonable time for the normal and usual rental charge, as defined in 11 CFR 100.7(a)(1)(iii)(B), for the use of such facilities.

(b) Use of labor organization facilities for individual volunteer activity by officials, members and employees. (1) The officials, members, and employees of a labor organization may, subject to the rules and practices of the labor organization, make occasional, isolated, or incidental use of the facilities of a labor organization for individual volunteer activity in connection with a Federal election and will be required to reimburse the labor organization only to the extent that the overhead or operating costs of the labor organization are increased. As used in this paragraph, occasional, isolated, or incidental use generally means—

(i) When used by employees during working hours, an amount of activity during any particular work period which does not prevent the employee from completing the normal amount of work which that employee usually carries out during such work period; or

(ii) When used by members other than employees during the working period, such use does not interfere with the labor organization in carrying out its normal activities; but

(iii) Any such activity which does not exceed one hour per week or four hours per month, regardless of whether the activity is undertaken during or after normal working hours, shall be considered as occasional, isolated, or incidental use of the labor organization facilities.

(2) The officials, members, and employees who make more than occasional, isolated, or incidental use of a labor organization's facilities for individual volunteer activities in connection with a Federal election are required to reimburse the labor organization within a commercially reasonable time for the normal and usual rental charge, as defined in 11 CFR 100.7(a)(1)(iii)(B), for the use of such facilities.

(c) Use of corporate or labor organization facilities to produce materials. Any person who uses the facilities of a corporation or labor organization to produce materials in connection with a Federal election is required to reimburse the corporation or labor organization within a commercially reasonable time for the normal and usual charge for producing such materials in the commercial market.
§ 114.10

(d) Use or rental of corporate or labor organization facilities by other persons. Persons, other than those specifically mentioned in paragraphs (a) and (b) of this section, who make any use of corporate or labor organization facilities, such as by using telephones or typewriters or borrowing office furniture, for activity in connection with a Federal election are required to reimburse the corporation or labor organization within a commercially reasonable time in the amount of the normal and usual rental charge, as defined in 11 CFR 100.7(a)(1)(iii)(B), for the use of the facilities.

(e) Use of airplanes and other means of transportation. (1) A candidate, candidate’s agent, or person traveling on behalf of a candidate who uses an airplane which is owned or leased by a corporation or labor organization other than a corporation or labor organization licensed to offer commercial services for travel in connection with a Federal election must, in advance, reimburse the corporation or labor organization—

(1) In the case of travel to a city served by regularly scheduled commercial service, the first class air fare; 

(2) In the case of travel to a city not served by a regularly scheduled commercial service, the usual charter rate.

(2) A candidate, candidate’s agent, or person traveling on behalf of a candidate who uses other means of transportation owned or leased by a corporation or labor organization must reimburse, within a commercially reasonable time, the corporation or labor organization at the normal and usual rental charge.

§ 114.10 Nonprofit corporations exempt from the prohibition on independent expenditures.

(a) Scope. This section describes those nonprofit corporations that qualify for an exemption from the prohibition on independent expenditures contained in 11 CFR 114.2. It sets out the procedures for demonstrating qualified nonprofit corporation status, for reporting independent expenditures, and for disclosing the potential use of donations for political purposes.

(b) Definitions. For the purposes of this section—

(1) The promotion of political ideas includes issue advocacy, election influencing activity, and research, training or educational activity that is expressly tied to the organization’s political goals.

(2) A corporation’s express purpose includes:

(i) The corporation’s purpose as stated in its charter, articles of incorporation, or bylaws, except that a statement such as “any lawful purpose,” “any lawful activity,” or other comparable statement will not preclude a finding under paragraph (c) of this section that the corporation’s only express purpose is the promotion of political ideas;

(ii) The corporation’s purpose as publicly stated by the corporation or its agents; and

(iii) Purposes evidenced by activities in which the corporation actually engages.

(3) (i) The term business activities includes but is not limited to:

(A) Any provision of goods or services that results in income to the corporation; and

(B) Advertising or promotional activity which results in income to the corporation, other than in the form of membership dues or donations.

(ii) The term business activities does not include fundraising activities that are expressly described as requests for donations that may be used for political purposes, such as supporting or opposing candidates.

(4) The term shareholder has the same meaning as the term stockholder, as defined in 11 CFR 114.1(h).

(c) Qualified nonprofit corporations. For the purposes of this section, a qualified nonprofit corporation is a corporation that has all the characteristics set forth in paragraphs (c)(1) through (c)(6) of this section:

(1) Its only express purpose is the promotion of political ideas, as defined in paragraph (b)(1) of this section;

(2) It cannot engage in business activities;

(3) It has:

(i) No shareholders or other persons, other than employees and creditors with no ownership interest, affiliated
§ 114.11 Employee participation plans.

(a) A corporation may establish and administer an employee participation plan (i.e., a trustee plan) which is a political giving program in which a corporation pays the cost of establishing and administering separate bank accounts for any employee who wishes to participate. The cost of administering and establishing includes the payment of costs for a payroll deduction or check-off plan and the cost of maintaining the separate bank accounts.

(1) The employees must exercise complete control and discretion over the disbursement of the monies in their accounts.
§114.12 Miscellaneous provisions.

(a) An organization may incorporate and not be subject to the provisions of this part if the organization incorporates for liability purposes only, and if the organization is a political committee as defined in 11 CFR 100.5. Notwithstanding the corporate status of the political committee, the treasurer of an incorporated political committee remains personally responsible for carrying out their respective duties under the Act.

(b) Notwithstanding any other provision of part 114, a corporation or a labor organization which customarily makes its meeting rooms available to clubs, civic or community organizations, or other groups may make such facilities available to a political committee or candidate if the meeting rooms are made available on a nonpartisan basis and on the same terms given to other groups using the meeting rooms.

(c)(1) A corporation of labor organization may not pay the employer's share of the cost of fringe benefits, such as health and life insurance and retirement, for employees or members on leave-without-pay to participate in political campaigns of federal candidates. The separate segregated fund of a corporation or a labor organization may pay the employer's share of fringe benefits, and such payment would be a contribution in-kind to the candidate. An employee or member may, out of unreimbursed personal funds, assure the continuity of his or her fringe benefits during absence from work for political campaigning, and such payment would not be a contribution in-kind.

(2) Service credit for periods of leave-without-pay is not considered compensation for purposes of this section if the employer normally gives identical treatment to employees placed on leave-without-pay for nonpolitical purposes.

§ 115.2 Prohibition.

(a) Corporations, labor organizations, membership organizations, cooperatives, and corporations without capital stock to which this part applies may expend treasury monies to establish, administer, and solicit contributions to any separate segregated fund subject to the provisions of part 114. Each specific prohibition, allowance, and duty applicable to a corporation, labor organization, or separate segregated fund under part 114 applies to a corporation, labor organization, or separate segregated fund to which this part applies.

(b) The question of whether a professional organization is a corporation is determined by the law of the State in which the professional organization exists.

(a) Terminating committees. A terminating committee may settle outstanding debts provided that the terminating committee files a debt settlement plan and the requirements of 11 CFR 116.7 are satisfied. The Commission will review each debt settlement plan filed to determine whether or not the terminating committee appears to have complied with the requirements set forth in this part, and whether or not the proposed debt settlement plan would result in an apparent violation of the Act or the Commission's regulations.

(b) Ongoing committees. Ongoing committees shall not settle any outstanding debts for less than the entire amount owed, but may request a Commission determination that such debts are not payable under 11 CFR 116.9, and may resolve disputed debts under 11 CFR 116.10. Creditors may forgive debts owed by ongoing committees under the limited circumstances provided in 11 CFR 116.8.

§ 116.3 Extensions of credit by commercial vendors.

(a) Unincorporated vendor. A commercial vendor that is not a corporation may extend credit to a candidate, a political committee or another person on behalf of a candidate or political committee. (b) Incorporated vendor. A corporation in its capacity as a commercial vendor may extend credit to a candidate, a political committee or another person on behalf of a candidate or political committee provided that the credit is extended in the ordinary course of the corporation's business and the terms are substantially similar to extensions of credit to nonpolitical debtors that are of similar risk and size of obligation.

(c) Ordinary course of business. In determining whether credit was extended in the ordinary course of business, the Commission will consider—

(1) Whether the commercial vendor adhered to its established procedures and its past practice in approving the extension of credit;

(2) Whether the commercial vendor received prompt payment in full if it previously extended credit to the same candidate or political committee; and

(3) Whether the extension of credit conformed to the usual and normal practice in the commercial vendor's trade or industry.

(d) Extension of credit by regulated industries. The Commission may rely on the regulations prescribed by the Federal Communications Commission, the Interstate Commerce Commission, and the Department of Transportation or the Civil Aeronautics Board, issued pursuant to 2 U.S.C. 451 and any other regulations prescribed by other Federal agencies to determine whether extensions of credit by the entities regulated by those Federal agencies were

(1) The amount forgiven is exempted from the definition of contribution in 11 CFR 100.7(b); or

(2) The commercial vendor has treated the debt in a commercially reasonable manner and the requirements of 11 CFR 116.7 or 116.8, as appropriate, are satisfied.

(ii) Withholding delivery of additional goods or services until overdue debts are satisfied;

(iv) Referral of overdue debts to a commercial debt collection service; and

(f) Reporting. The political committee shall continue to report the debt in accordance with 11 CFR 104.3(d) and 104.11 until the Commission has completed a review of the debt settlement plan pursuant to 11 CFR 116.7(f) or until the Commission has completed a review of the request to forgive the debt pursuant to 11 CFR 116.8, or until the political committee pays the debt, whichever occurs first.

The terminating committee shall file a debt settlement plan after the creditors included in the debt settlement plan have agreed to the settlement or forgiveness of the particular debt(s) owed to each of them. The terminating committee shall not make any payments to the creditors included in the debt settlement plan until completion of Commission review. The Commission encourages terminating committees to include as many debt settlement agreements as possible in a debt settlement plan. (2) Disputed debts are not subject to the debt settlement and Commission review requirements and procedures. (See CFR 116.10).

(d) Reporting. The terminating committee shall continue to report each outstanding debt or obligation included in a debt settlement plan in accordance with 11 CFR 104.3(d) and 104.11 until the Commission has completed a review of the debt settlement plan pursuant to paragraph (f) of this section. The terminating committee shall continue to report all remaining debts and obligations not included in the debt settlement plan in accordance with 11 CFR 104.3 and 104.11.

(e) Contents of debt settlement plans.

§ 116.8 Creditor forgiveness of debt owed by ongoing committees; Commission review.

(a) General requirements. A creditor may forgive the outstanding balance of a debt owed by an ongoing committee if the creditor and the ongoing committee have satisfied the requirements of 11 CFR 116.3 or 116.5, as appropriate, regarding extensions of credit by commercial vendors and advances by committee staff and other individuals, and the debt has been outstanding for at least twenty-four months, and—

(1) The creditor has exercised reasonable diligence in attempting to locate the ongoing committee and has been unable to do so; or

the terminating committee will take to obtain the funds needed to make the payments.

(4) If a debt settlement plan does not include settlements for all of the terminating committee's outstanding debts and obligations, the debt settlement plan shall include a separate list of all of the terminating committee's remaining debts and obligations, including debts that are not subject to debt settlement as set forth in paragraph (c) of this section. The debt settlement plan shall indicate—

(1) Whether the terminating committee intends to pay the entire amount still owed on each remaining debt or obligation or to settle such debts and obligations, and if settlement is contemplated, the terms that were or will be offered to the creditor(s); and

(2) Whether the terminating committee has sufficient cash on hand to pay such remaining debts and obligations, or to pay a lesser portion of such amounts, and if not, what steps the terminating committee will take to obtain the funds needed to make such payments.

(5) If the terminating committee expects to have residual funds or assets after disposing of all its outstanding debts and obligations, the debt settlement plan shall include a statement as to the purpose for which such residual funds or assets will be used. See 11 CFR 110.1(b)(3)(iii) regarding contributions received to pay net debts outstanding owed by authorized committees.

(6) The political committee filing the debt settlement plan shall demonstrate in the debt settlement plan that such political committee qualifies as a terminating committee under 11 CFR 116.1(a) and shall state when the political committee expects to file a termination report under 11 CFR 102.3.

(7) Upon the Commission's request, the candidate, the terminating committee or the creditor shall provide such additional information as the Commission may require to review the debt settlement plan. The Commission may also require the submission of additional debt settlement agreements prior to Commission review of the debt settlement plan.

(5) Commission review of debt settlement plans. In reviewing the debt settlement plan, the Commission will consider—

(1) The information provided by the terminating committee and the creditors under this section;

(2) The amount of each debt that remains unpaid and the length of time each debt has been overdue;

(3) The amount and percentage of each debt that would be forgiven under the plan;

(4) The total amount of debts and obligations owed by the terminating committee to all creditors, compared to the total amount of cash on hand and other amounts available to pay those debts and obligations;

(5) The year to date expenditures and receipts of the terminating committee; and

(6) Whether the total percentage that was or will be repaid on any loans made by the candidate to the terminating committee is comparable to the total percentage that was or will be paid to other creditors.

(g) Debts dischargeable in bankruptcy. If a terminating committee is released from debts or obligations pursuant to a discharge under 11 U.S.C. chapter 7, the terminating committee's debt settlement plan shall include a copy of the order issued by the Bankruptcy Court of the United States so indicating, and a list of all debts and obligations from which the terminating committee is released, in lieu of the information specified in paragraphs (e)(1), (e)(2), and (e)(3) of this section.

(1) The creditor has gone out of business and no other entity has a right to be paid the amount owed; or

(2) The political committee has exercised reasonable diligence in attempting to locate the creditor and has been unable to do so. Reasonable diligence in attempting to locate the creditor means the political committee has attempted to ascertain the current address and telephone number, and has attempted to contact the creditor by registered or certified mail, and either in person or by telephone.

(b) Terminating committees. If the political committee making the request is a terminating committee, the terminating committee shall include the request in a debt settlement plan filed with the Commission, and shall demonstrate that the requirements of 11 CFR 116.3, 116.5 or 116.6, as appropriate, and 116.9(a) are satisfied. The terminating committee shall continue to disclose the debt on its schedules of outstanding debts and obligations until the Commission has completed its review of the debt settlement plan pursuant to 11 CFR 116.7(f) and has determined that the debt is not payable for purposes of the Act.

An expenditure which constitutes such a violation shall nevertheless count against the candidate’s expenditure limitation if the expenditure meets the conditions set forth at 11 CFR 9002.11(a) (1) and (2).
(b)(1) An expenditure is made to further a Presidential or Vice Presidential candidate's campaign if it is incurred by or on behalf of such candidate or his or her authorized committee. (2) That no contributions to defray qualified campaign expenses have been or will be accepted by the candidate or his or her authorized committee(s) except to the extent that the qualified campaign expenses incurred exceed the aggregate payments received by such candidate from the Fund under 11 CFR 9004.2.

(c) All candidates. To be eligible to receive any payment under 11 CFR 9004.2,
§ 9003.2

the Presidential candidate of each major, minor or new party shall certify to the Commission, under penalty of perjury, that such candidate will not knowingly make expenditures from his or her personal funds, or the personal funds of his or her immediate family, in connection with his or her campaign for the office of President in excess of $50,000 in the aggregate.

(1) For purposes of this section, the term immediate family means a candidate's spouse, and any child, parent, grandparent, brother, half-brother, sister, or half-sister of the candidate, and the spouses of such persons.

(2) Expenditures from personal funds made under this paragraph shall not apply against the expenditure limitations.

(3) For purposes of this section, the terms personal funds and personal funds of his or her immediate family mean:

(i) Any assets which, under applicable state law, at the time he or she became a candidate, the candidate had legal right of access to or control over, and with respect to which the candidate had either:

(A) Legal and rightful title, or
(B) An equitable interest.

(ii) Salary and other earned income from bona fide employment; dividends and proceeds from the sale of the candidate's stocks or other investments; bequests to the candidate; income from trusts established before candidacy; income from trusts established by bequest after candidacy of which the candidate is a beneficiary; gifts of a personal nature which had been customarily received prior to candidacy; proceeds from lotteries and similar legal games of chance.

The portion of the jointly owned assets that shall be considered as personal funds of the candidate shall be that portion which is the candidate's share under the instrument(s) of conveyance or ownership. If no specific share is indicated by any instrument of conveyance or ownership, the value of one-half of the property used shall be considered as personal funds of the candidate.

(4) For purposes of this section, expenditures from personal funds made by a candidate of a political party for the office of Vice President shall be considered to be expenditures made by the candidate of such party for the office of President.

(5) Contributions made by members of a candidate's family from funds which do not meet the definition of personal funds under 11 CFR 9003.2(c)(3) shall not count against such candidate's $50,000 expenditure limitation under 11 CFR 9003.2(c).

(6) Personal funds expended pursuant to this section shall be first deposited in an account established in accordance with 11 CFR 9003.3(b) or (c).

(7) The provisions of this section shall not operate to limit the candidate's liability for, nor the candidate's ability to pay, any repayments required under 11 CFR part 9007. If the candidate or his or her committee knowingly incurs expenditures in excess of the limitations of 11 CFR 110.8(a), the Commission may seek civil penalties under 11 CFR part 111 in addition to any repayment determinations made on the basis of such excessive expenditures.

(8) Expenditures made using a credit card for which the candidate is jointly or solely liable will count against the limits of this section to the extent that the full amount due, including any finance charge, is not paid by the committee within 60 days after the closing date of the billing statement on which the charges first appear. (a) Legal and accounting compliance fund—major party candidates.

(1) Sources. (i) A major party candidate may accept contributions to a legal and accounting compliance fund if such contributions are received and disbursed in accordance with this section. A general election legal and accounting compliance fund ("GELAC") may be established by such candidate prior to being nominated or selected as the candidate of a political party for the office of President or Vice President of the United States.

(A) All solicitations for contributions to the GELAC shall clearly state that Federal law prohibits private contributions from being used for the candidate’s election and that contributions will be used solely for legal and accounting services to ensure compliance with Federal law, and shall clearly state how contribution checks should be made payable.

(B) Contributions to the GELAC shall be subject to the limitations and prohibitions of 11 CFR parts 110, 114, and 115.

(C) Contributions shall be deposited in the GELAC only if they are designated in writing for the GELAC, or transferred pursuant to paragraph (a)(1)(ii), (iv) or (v) of this section. Any contribution which otherwise could be matched pursuant to 11 CFR 9034.2 shall not be considered designated in writing for the GELAC unless the contributor specifically designates it for the GELAC or unless it is accompanied by a proper designation for the GELAC. Any contribution that is designated in writing or redesignated for the GELAC shall not be matched pursuant to 11 CFR 9034.2.

(ii)(A) Contributions made during the matching payment period that do not exceed the contributor’s limit for the primary election may be redesignated for the GELAC and subsequently transferred to the GELAC before the nomination only if—

(I) The contributions represent funds in excess of any amount needed to pay remaining primary expenses;

(2) The contributions have not been submitted for matching;

(3) The redesignations are received within 60 days of the Treasurer’s receipt of the contributions; and

(4) The requirements of 11 CFR 110.1(b) (5) and (l) regarding redesignation are satisfied.

(B) Ali contributions redesignated and deposited pursuant to paragraph (a)(1)(ii)(A) of this section shall be subject to the contribution limitations applicable for the general election pursuant to 11 CFR 110.1(b)(2)(i).

(iii) Funds received during the matching payment period that are remaining in a candidate’s primary election account after the nomination may be transferred to the GELAC without regard to the contribution limitations of 11 CFR part 110 and used for any purpose permitted under this section, only if the funds are in excess of any amount needed to pay remaining net outstanding campaign obligations under 11 CFR 9034.1(b) and any amount required to be reimbursed to the Presidential Primary Matching Payment Account under 11 CFR 9038.2. The excess funds so transferred may include contributions made before the beginning of the expenditure report period, which contributions do not exceed the contributor’s limit for the primary election. Such contributions need not be redesignated by the contributors for the GELAC.

(iv) Contributions that are made after the beginning of the expenditure report period but which are not designated in writing for the GELAC may be redesignated for the GELAC and transferred to the GELAC only if—

(A) The funds are in excess of any amount needed to pay remaining net outstanding campaign obligations under 11 CFR 9034.1(b) and any amount required to be reimbursed to the Presidential Primary Matching Payment Account under 11 CFR 9038.2;

(B) The contributions have not been submitted for matching; and

(C) The candidate obtains the contributor’s redesignation in accordance with 11 CFR 110.1.

(v) Contributions made with respect to the primary election that exceed the contributor’s limit for the primary election may be redesignated for the
§ 9003.3

GELAC and transferred to the GELAC if the candidate obtains the contributor's redesignation for the GELAC in accordance with 11 CFR 110.1.

(vi) For purposes of this section, a contribution shall be considered to be designated in writing for the GELAC if—

(A) The contribution is made by check, money order, or other negotiable instrument which clearly indicates that it is made with respect to the GELAC; or

(B) The contribution is accompanied by a writing, signed by the contributor, which clearly indicates that it is made with respect to the GELAC.

(2) Uses. (i) Contributions to the GELAC shall be used only for the following purposes:

(A) To defray the cost of legal and accounting services provided solely to ensure compliance with 2 U.S.C. 431 et seq. and 26 U.S.C. 9001 et seq. in accordance with paragraph (a)(2)(ii) of this section;

(B) To defray in accordance with paragraph (a)(2)(ii)(A) of this section, that portion of expenditures for payroll, overhead, and computer services related to ensuring compliance with 2 U.S.C. 431 et seq. and 26 U.S.C. 9001 et seq.;

(C) To defray any civil or criminal penalties imposed pursuant to 2 U.S.C. 437g or 26 U.S.C. 9012;

(D) To make repayments under 11 CFR 9007.2;

(E) To defray the cost of soliciting contributions to the GELAC;

(F) To defray the cost of producing, delivering and explaining the computerized information and materials provided pursuant to 11 CFR 9003.6 and explaining the operation of the computer system's software;

(G) To make a loan to an account established pursuant to 11 CFR 9003.4 to defray qualified campaign expenses incurred prior to the expenditure report period or prior to receipt of Federal funds, provided that the amounts so loaned are restored to the GELAC; and

(H) To defray unreimbursed costs incurred in providing transportation and services for the Secret Service and national security staff pursuant to 11 CFR 9004.6.

(ii)(A) Expenditures for payroll (including payroll taxes), overhead and computer services, a portion of which are related to ensuring compliance with Title 2 of the United States Code and Chapter 95 of Title 26 of the United States Code, shall be initially paid from the candidate's Federal fund account under 11 CFR 9005.2 and may be later reimbursed by the compliance fund. For purposes of paragraph (a)(2)(i)(B) of this section, a candidate may use contributions to the GELAC to reimburse his or her Federal fund account an amount equal to 10% of the payroll and overhead expenditures of his or her national campaign headquarters and state offices.

(B) Overhead expenditures include, but are not limited to rent, utilities, office equipment, furniture, supplies and all telephone charges except for telephone charges related to a special use such as voter registration and get out the vote efforts.

(C) If the candidate wishes to claim a larger compliance exemption for payroll or overhead expenditures, the candidate shall establish allocation percentages for each individual who spends all or a portion of his or her time to perform duties which are considered necessary to ensure compliance with Title 2 of the United States Code or chapter 95 of Title 26 of the United States Code. The candidate shall keep detailed records to support the derivation of each percentage. Such records shall indicate which duties are considered compliance and the percentage of time each person spends on such activity.

(D) In addition, a candidate may use contributions to the GELAC to reimburse his or her Federal fund account an amount equal to 50% of the costs (other than payroll) associated with computer services. Such costs include but are not limited to rental and maintenance of computer equipment, data entry services not performed by committee personnel, and related supplies.

(E) If the candidate wishes to claim a larger compliance exemption for costs associated with computer services, the candidate shall establish allocation percentages for each computer function that is considered necessary, in whole or in part, to ensure compliance with 2 U.S.C. 431 et seq. and 26 U.S.C. 9001 et seq. The allocation shall be
based on a reasonable estimate of the costs associated with each computer function, such as the costs for data entry services performed by persons other than committee personnel and processing time. The candidate shall keep detailed records to support such calculations. The records shall indicate which computer functions are considered compliance-related and shall reflect which costs are associated with each computer function.

(F) The Commission's Financial Control and Compliance Manual for General Election Candidates Receiving Public Funding contains some accepted alternative allocation methods for determining the amount of salaries and overhead expenditures that may be considered exempt compliance costs.

(G) Reimbursement from the GELAC may be made to the separate account maintained for federal funds under 11 CFR 9005.2 for legal and accounting compliance services disbursements that are initially paid from the separate federal funds account. Such reimbursement must be made prior to any repayment determination by the Commission pursuant to 11 CFR 9007.2. Any amounts so reimbursed to the Federal funds account may not subsequently be transferred back to the GELAC.

(II) Amounts paid from the GELAC for the purposes permitted by paragraphs (a)(2)(I) (A) through (F) and (H) of this section shall not be subject to the expenditure limits of 2 U.S.C. 441a(b) and 11 CFR 110.8. (See also 11 CFR 100.8(b)(15).) When the proceeds of loans made in accordance with paragraph (a)(2)(I)(G) of this section are expended on qualified campaign expenses, such expenditures shall count against the candidate’s expenditure limit.

(iv) Contributions to or funds deposited in the GELAC may not be used to retire debts remaining from the presidential primaries, except that, if after payment of all expenses set out in paragraph (a)(2)(I) of this section, there are excess campaign funds, such funds may be used for any purpose permitted under 2 U.S.C. 438a and 11 CFR part 113, including payment of primary election debts.

(3) Deposit and disclosure. (i) Amounts received pursuant to paragraph (a)(I) of this section shall be deposited and maintained in a GELAC account separate from the account described in 11 CFR 9005.2 and shall not be commingled with any money paid to the candidate by the Secretary pursuant to 11 CFR 9005.2.

(ii) The receipts to and disbursements from the GELAC account shall be reported in a separate report in accordance with 11 CFR 9006.1(b)(2). All contributions made to the GELAC account shall be recorded in accordance with 11 CFR 103.9. Disbursements made from the GELAC account shall be documented in the same manner provided in 11 CFR 9002.5.

(b) Contributions to defray qualified campaign expenses—major party candidates. (1) A major party candidate or his or her authorized committee(s) may solicit contributions to defray qualified campaign expenses to the extent necessary to make up any deficiency in payments received from the Fund due to the application of 11 CFR 9005.2(b).

(2) Such contributions may be deposited in a separate account or may be deposited with federal funds received under 11 CFR 9005.2. Disbursements from this account shall be made only to defray qualified campaign expenses and to defray the cost of soliciting contributions to such account. All disbursements from this account shall be documented in accordance with 11 CFR 9005.3 and shall be reported in accordance with 11 CFR 9006.1.

(3) A candidate may make transfers to this account from his or her GELAC, or from the candidate’s primary election account in accordance with paragraph (a)(III) of this section.

(4) The contributions received under this section shall be subject to the limitations and prohibitions of 11 CFR Parts 110, 114 and 115 and shall be aggregated with all contributions made by the same persons to the candidate’s GELAC under paragraph (a) of this section for the purposes of such limitations.

(5) Any costs incurred for soliciting contributions to this account shall not be considered expenditures to the extent that the aggregate of such costs does not exceed 20 percent of the expenditure limitation under 11 CFR 9003.2(a)(I). These costs shall, however, be reported as disbursements in accord-
authorized committee(s) are qualified campaign expenses as defined in 11 CFR 902.11. The candidate and his or her authorized committee(s) shall obtain and furnish to the Commission on request any evidence regarding qualified campaign expenses made by the candidate, his or her authorized committees and agents or persons authorized to make expenditures on behalf of the candidate or committee(s) as provided in paragraph (b) of this section.

(b) Documentation required.

(1) For disbursements in excess of $200 to a payee, the candidate shall present a canceled check negotiated by the payee and either:

           (B) Evidence that the disbursement is covered by a pre-established written campaign committee policy, such as a daily travel expense policy.
   (iv) If the purpose of the disbursement is not stated in the accompanying documentation, it must be indicated on the canceled check.

(2) For all other disbursements, the candidate shall present:
   (i) A record disclosing the full name and mailing address of the payee, the amount, date and purpose of the disbursement, if made from a petty cash fund; or
   (ii) A canceled check negotiated by the payee that states the full name and mailing address of the payee, and the amount, date and purpose of the disbursement.

(c) Retention of records. The candidate shall retain records with respect to each disbursement and receipt, including bank records, vouchers, work sheets, receipts, bills and accounts, journals, ledgers, fundraising solicitation material, accounting systems documentation, and any related materials documenting campaign receipts and disbursements, for a period of three years pursuant to 11 CFR 102.9(c), and shall present these records to the Commission on request.

§ 9004.1 Major parties.

The eligible candidates of each major party in a Presidential election shall be entitled to equal payments under 11 CFR part 9005 in an amount which, in the aggregate, shall not exceed $20,000,000 as adjusted by the Consumer Price Index in the manner described in 11 CFR 110.3(c).

§ 9004.2 Pre-election payments for minor and new party candidates.

(a) Candidate of a minor party in the preceding election. An eligible candidate of a minor party is entitled to pre-election payments:

(1) If he or she received at least 5% of the total popular vote as the candidate of a minor party in the preceding election whether or not he or she is the same minor party's candidate in this election.

(2) In an amount which is equal, in the aggregate, to a proportionate share of the amount to which major party candidates are entitled under 11 CFR 9004.1.

The aggregate amount received by a minor party candidate shall bear the same ratio to the amount received by the major party candidates as the number of popular votes received by the minor party Presidential candidate in the preceding Presidential election bears to the average number of popular votes received by all major party candidates in that election.

(b) Candidate of a minor party in the current election. The eligible candidate of a minor party whose candidate for the office of President in the preceding election received at least 5% but less than 25% of the total popular vote is entitled to receive pre-election payments. The amount which a minor party candidate is entitled under this section shall be computed pursuant to 11 CFR 9004.2(a) based on the number of popular votes received by the minor party's candidate in the preceding Presidential election; however, the amount to which the minor party candidate is entitled under this section shall be reduced by the amount to which the minor party's Presidential candidate in this election is entitled under 11 CFR 9004.2(a), if any.

(c) New party candidate. A candidate of a new party who was a candidate for the office of President in at least 10 States in the preceding election may be entitled to receive pre-election payments if he or she received at least 5% but less than 25% of the total popular vote in the preceding election. The amount which a new party candidate is entitled to receive under this section shall be computed pursuant to 11 CFR 9004.2(a) based on the number of popular votes received by the new party candidate in the preceding election. If a new party candidate is entitled to payments under this section, the amount of the entitlement shall be reduced by the amount to which the candidate is entitled under 11 CFR 9004.2(a), if any.

§ 9004.3 Post-election payments.

(a) Minor and new party candidates. Eligible candidates of a minor party or of a new party who, as candidates, receive 5 percent or more of the total number of popular votes cast for the office of President in the election shall be entitled to payments under this section, the amount of the entitlement shall be reduced by the amount to which the minor or new party candidate is entitled under 11 CFR 9004.1. The amount to which a minor or new party candidate is entitled shall bear the same ratio to the amount received by the major party candidates as the number of popular votes received by the minor or new party candidate in the Presidential election bears to the average number of popular votes received by the major party candidates for President in that election.

(b) Amount of entitlement. The aggregate payments to which an eligible candidate shall be entitled shall not exceed an amount equal to the lower of:

(1) The amount of qualified campaign expenses incurred by such eligible candidate and his or her authorized committees, reduced by the amount of contributions which are received to defray qualified campaign expenses by such eligible candidate and such committees; or

(2) The aggregate payments to which the eligible candidates of a major party are entitled under 11 CFR 9004.1, reduced by the amount of contributions received by such eligible candidates
and their authorized committees to defray qualified campaign expenses in the case of a deficiency in the Fund.

(c) Amount of entitlement limited by pre-election payment. If an eligible candidate is entitled to payment under 11 CFR 9004.2, the amount allowable to that candidate under this section shall also be limited to the amount, if any, by which the entitlement under 11 CFR 9004.3(a) exceeds the amount of the entitlement under 11 CFR 9004.2.

§ 9004.4 Use of payments.

(a) Qualified campaign expenses. An eligible candidate shall use payments received under 11 CFR part 9005 only for the following purposes:

(1) To defray qualified campaign expenses;

(2) To repay loans that meet the requirements of 11 CFR 100.7(a)(1) or (b)(11) or to otherwise restore funds (other than contributions received pursuant to 11 CFR 9003.3(b) or (c) and expended to defray qualified campaign expenses) used to defray qualified campaign expenses;

(3) To restore funds expended in accordance with 11 CFR 9003.4 for qualified campaign expenses incurred by the candidate prior to the beginning of the expenditure report period;

(4) Winding down costs. The following costs shall be considered qualified campaign expenses:

(i) Costs associated with the termination of the candidate’s general election campaign such as complying with the post-election requirements of the Act and other necessary administrative costs associated with winding down the campaign, including office space rental, staff salaries, and office supplies; or

(ii) Costs incurred by the candidate prior to the end of the expenditure report period for which written arrangement or commitment was made on or before the close of the expenditure report period.

(5) Gifts and monetary bonuses. Gifts and monetary bonuses shall be considered qualified campaign expenses, provided that:

(i) Gifts for committee employees, consultants and volunteers in recognition for campaign-related activities or services do not exceed $1,500 total per individual and the total of all gifts does not exceed $20,000; and

(ii) All monetary bonuses for committee employees and consultants in recognition for campaign-related activities or services:

(A) Are provided for pursuant to a written contract made prior to the date of the election; and

(B) Are paid during the expenditure report period.

(b) Non-qualified campaign expenses—

(1) General. The following are examples of disbursements that are not qualified campaign expenses.

(2) Excessive expenditures. An expenditure which is in excess of any of the limitations under 11 CFR 9003.2 shall not be considered a qualified campaign expense. The Commission will calculate the amount of expenditures attributable to these limitations using the full amounts originally charged for goods and services rendered to the committee and not the amounts for which such obligations were later settled and paid, unless the committee can demonstrate that the lower amount paid reflects a reasonable settlement of a bona fide dispute with the creditor.

(3) Expenditures incurred after the close of the expenditure report period. Any expenditures incurred after the close of the expenditure report period, as defined in 11 CFR 9002.12, are not qualified campaign expenses except to the extent permitted under 11 CFR 9004.4(a)(4).

(4) Civil or criminal penalties. Civil or criminal penalties paid pursuant to the Federal Election Campaign Act are not qualified campaign expenses and cannot be defrayed from payments received under 11 CFR part 9005. Penalties may be paid from contributions in the candidate’s legal and accounting compliance fund, in accordance with 11 CFR 9003.3(a)(3)(i)(C). Additional amounts may be received and expended to pay such penalties, if necessary.
§ 9004.5 Investment of public funds; other uses resulting in income.

Investment of public funds or any other use of public funds that results in income is permissible, provided that an amount equal to all net income derived from such a use, less Federal, State and local taxes paid on such income, shall be paid to the Secretary. Any net loss from an investment or other use of public funds will be considered a non-qualified campaign expense and an amount equal to the amount of such loss shall be repaid to the United States Treasury as provided under 11 CFR 9007.2(b)(2)(i).

[60 FR 31875, June 16, 1995]

§ 9004.6 Expenditures for transportation and services made available to media personnel; reimbursements.

(a) General. (1) Expenditures by an authorized committee for transportation, ground services or facilities (including air travel, ground transportation, housing, meals, telephone service, and typewriters) made available to media personnel, Secret Service personnel or national security staff will be considered qualified campaign expenses, and, except for costs relating to Secret Service personnel or national security staff, will be subject to the overall expenditure limitations of 11 CFR 9003.2 (a)(1) and (b)(1).

(2) Subject to the limitation in paragraphs (b) and (c) of this section, committees may seek reimbursement for these expenses, and may deduct reimbursements received from media representatives from the amount of expenditures subject to the overall expenditure limitations of 11 CFR 9003.2 (a)(1) and (b)(1). Expenses for which the committee receives no reimbursement will be considered qualified campaign expenses, and, with the exception of those expenses relating to Secret Service personnel and national security staff, will be subject to the overall expenditure limitation.

(b) Reimbursement limits. (1) The amount of reimbursement sought from a media representative under paragraph (a)(2) of this section shall not exceed 110% of the media representative’s pro rata share (or a reasonable estimate of the media representative’s pro rata share) of the actual cost of the transportation and services made available. Any reimbursement received in excess of this amount shall be disposed of in accordance with paragraph (d)(1) of this section.

(2) For the purpose of this section, a media representative’s pro rata share shall be calculated by dividing the total actual cost of the transportation and services provided by the total number of individuals to whom such transportation and services are made available. For purposes of this calculation,
the total number of individuals shall include committee staff, media personnel, Secret Service personnel, national security staff and any other individuals to whom such transportation and services are made available, except that, when seeking reimbursement for transportation costs paid by the committee under 11 CFR §9004.7(b)(5)(i)(C), the total number of individuals shall not include national security staff.

(c) **Deduction of reimbursements from expenditures subject to the overall expenditure limitation.** (1) The committee may deduct from the amount of expenditures subject to the overall expenditure limitation:

   (i) The amount of reimbursements received from media representatives in payment for the transportation and services described in paragraph (a) of this section, up to the actual cost of the transportation and services provided to media representatives; and

   (ii) An additional amount of the reimbursements received from media representatives, representing the administrative costs incurred by the committee in providing these services to the media representative and seeking reimbursement for them, equal to:

       (A) Three percent of the actual cost of transportation and services provided to the media representatives under this section; or

       (B) An amount in excess of 3% representing the administrative costs actually incurred by the committee in providing services to the media representatives, provided that the committee is able to document the total amount of administrative costs actually incurred.

   (2) For the purpose of this paragraph, "administrative costs" includes all costs incurred by the committee in making travel arrangements and seeking reimbursement, whether these services are performed by committee staff or by independent contractors.

(d) **Disposal of excess reimbursements.** If the committee receives reimbursements in excess of the amount deductible under paragraph (c) of this section, it shall dispose of the excess amount in the following manner:

   (1) Any reimbursement received in excess of 110% of the actual pro rata cost of the transportation and services made available to a media representative shall be returned to the media representative.

   (2) Any amount in excess of the amount deductible under paragraph (c) of this section that is not required to be returned to the media representative under paragraph (d)(1) of this section shall be paid to the Treasury.

(e) **Reporting.** The total amount paid by an authorized committee for the services and facilities described in paragraph (a)(1) of this section, plus the administrative costs incurred by the committee in providing these services and facilities and seeking reimbursement for them, shall be reported as an expenditure in accordance with 11 CFR 104.3(b)(2)(i). Any reimbursement received by such committee under paragraph (b)(1) of this section shall be reported in accordance with 11 CFR 104.3(a)(3)(ix).

[60 FR 31876, June 16, 1995]

§9004.7 Allocation of travel expenditures.

(a) Notwithstanding the provisions of 11 CFR 106.3, expenditures for travel relating to a Presidential or Vice Presidential candidate's campaign by any individual, including a candidate, shall, pursuant to the provisions of paragraph (b) of this section, be qualified campaign expenses and be reported by the candidate's authorized committee(s) as expenditures.

(b)(1) For a trip which is entirely campaign-related, the total cost of the trip shall be a qualified campaign expense and a reportable expenditure.

(b)(2) For a trip which includes campaign-related and non-campaign-related stops, that portion of the cost of the trip allocable to campaign activity shall be a qualified campaign expense and a reportable expenditure. Such portion shall be determined by calculating what the trip would have cost from the point of origin of the trip to the first campaign-related stop and from the stop through each subsequent campaign-related stop to the point of origin. If any campaign activity, other than incidental contacts, is conducted at a stop, that stop shall be considered campaign-related. Campaign activity includes soliciting, making, or accepting contributions, and expressly advo-
§ 9004.7

cating the election or defeat of the candidate. Other factors, including the setting, timing and statements or expressions of the purpose of an event, and the substance of the remarks or speech made, will also be considered in determining whether a stop is campaign-related.

(3) For each trip, an itinerary shall be prepared and such itinerary shall be made available by the committee for Commission inspection. The itinerary shall show the time of arrival and departure and the type of events held.

(4) For trips by government conveyance or by charter, a list of all passengers on such trip, along with a designation of which passengers are and which are not campaign-related, shall be made available for Commission inspection. When required to be created, a copy of the government's or charter company's official manifest shall also be maintained and made available by the committee.

(5)(i) If any individual, including a candidate, uses a government airplane for campaign-related travel, the candidate's authorized committee shall pay the appropriate government entity an amount equal to:

(A) The lowest unrestricted and non-discounted first class commercial air fare available for the time traveled, in the case of travel to a city served by a regularly scheduled commercial airline service; or

(B) The lowest unrestricted and non-discounted coach commercial air fare available for the time traveled, in the case of travel to a city served by regularly scheduled coach airline service, but not regularly scheduled first class airline service; or

(C) In the case of travel to a city not served by a regularly scheduled commercial airline service, the commercial charter rate for an airplane sufficient in size to accommodate the campaign-related travelers, including the candidate, plus the news media and the Secret Service.

(ii) If any individual, including a candidate, incurs expenses for campaign-related travel, other than by use of government conveyance or accommodations, an amount equal to that portion of the actual cost of the conveyance or accommodations which is allocable to all passengers, including

(iii) If any individual, including a candidate, uses government conveyance, other than an airplane, for campaign-related travel, the candidate's authorized committee shall pay the appropriate government entity an amount equal to the commercial rental rate for a conveyance sufficient in size to accommodate the campaign-related travelers, including the candidate, plus the news media and the Secret Service.

(iv) If any individual, including a candidate, uses accommodations, including lodging and meeting rooms, during campaign-related travel, and the accommodations are paid for by a government entity, the candidate's authorized committee shall pay the appropriate government entity an amount equal to the usual and normal charge for the accommodations, and shall maintain documentation supporting the amount paid.

(v) For travel by airplane, the committee shall maintain documentation of the lowest unrestricted nondiscounted air fare available for the time traveled, including the airline, flight number and travel service providing that fare or the charter rate, as appropriate. For travel by other conveyances, the committee shall maintain documentation of the commercial rental rate for a conveyance sufficient in size, including the provider of the conveyance and the size, model and make of the conveyance.

(6) Travel expenses of a candidate's spouse and family when accompanying the candidate on campaign-related travel may be treated as qualified campaign expenses and reportable expenditures. If the spouse or family members conduct campaign-related activities, their travel expenses shall be qualified campaign expenses and reportable expenditures.

(7) If any individual, including a candidate, incurs expenses for campaign-related travel, other than by use of government conveyance or accommodations, an amount equal to that portion of the actual cost of the conveyance or accommodations which is allocable to all passengers, including
the candidate, who are traveling for campaign purposes shall be a qualified campaign expense and shall be reported by the committee as an expenditure.

(1) If the trip is by charter, the actual cost for each passenger shall be determined by dividing the total operating cost for the charter by the total number of passengers transported. The amount which is a qualified campaign expense and a reportable expenditure shall be calculated in accordance with the formula set forth at 11 CFR 9004.7(b)(2) on the basis of the actual cost per passenger multiplied by the number of passengers traveling for campaign purposes.

(11) If the trip is by non-charter commercial transportation, the actual cost shall be calculated in accordance with the formula set forth at 11 CFR 9004.7(b)(2) on the basis of the commercial fare. Such actual cost shall be a qualified campaign expense and a reportable expenditure.

(6) Travel on corporate airplanes and other corporate conveyances is governed by 11 CFR 114.9(e).

§ 9004.8 Withdrawal by candidate.

(a) Any individual who is not actively conducting campaigns in more than one State for the office of President or Vice President shall cease to be a candidate under 11 CFR 9002.2.

(b) An individual who ceases to be a candidate under this section shall:

(1) No longer be eligible to receive any payments under 11 CFR 9005.2 except to defray qualified campaign expenses as provided in 11 CFR 9004.4.

(2) Submit a statement, within 30 calendar days after he or she ceases to be a candidate, setting forth the information required under 11 CFR 9004.8(c).

§ 9004.9 Net outstanding qualified campaign expenses.

(a) Candidates receiving post-election funding. A candidate who is eligible to receive post-election payments under 11 CFR 9004.3 shall file, no later than 20 calendar days after the date of the election, a preliminary statement of that candidate's net outstanding qualified campaign expenses. The candidate’s net outstanding qualified campaign expenses under this section equal the difference between 11 CFR 9004.9(a)(1) and (2).

(1) The total of:

(i) All outstanding obligations for qualified campaign expenses as of the date of the election; plus

(ii) An estimate of the amount of qualified campaign expenses that will be incurred by the end of the expenditure report period; plus

(iii) An estimate of the necessary winding down costs, as defined under 11 CFR 9004.4(a)(4), submitted in the format required by paragraph (a)(4) of this section; less

(2) The total of:

(i) Cash on hand as of the close of business on the day of the election, including: All contributions dated on or before that date; currency; balances on deposit in banks, savings and loan institutions, and other depository institutions; traveler’s checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value;

(ii) The fair market value of capital assets and other assets on hand; and

(iii) Amounts owed to the candidate’s authorized committee(s) in the form of credits, refunds of deposits, returns, receivables, or rebates of qualified campaign expenses; or a commercially reasonable amount based on the collectibility of those credits, returns, receivables or rebates.

(3) The amount submitted as the total of outstanding campaign obligations under paragraph (a)(1) of this section shall not include any accounts payable for non-qualified campaign expenses nor any amounts determined or anticipated to be required as a repayment under 11 CFR part 9007 or any amounts paid to secure a surety bond under 11 CFR 9007.5(c).

(4) The amount submitted as an estimate of necessary winding down costs under paragraph (a)(1)(ii) of this section shall be broken down by expense category and quarterly or monthly time period. This breakdown shall include estimated costs for office space rental, staff salaries, legal expenses, accounting expenses, office supplies, equipment rental, telephone expenses, postage and other mailing costs, printing and storage. The breakdown shall estimate the costs that will be incurred
in each category from the time the statement is submitted until the expected termination of the committee's political activity.

(b) All candidates. Each candidate, except for individuals who have withdrawn pursuant to 11 CFR 9004.8, shall submit a statement of net outstanding qualified campaign expenses no later than 30 calendar days after the end of the expenditure report period. The statement shall contain the information required by 11 CFR 9004.9(a)(1) and (2), except that the amount of outstanding obligations under 11 CFR 9004.9(a)(1)(1) and the amount of cash on hand, assets, and receivables under 11 CFR 9004.9(a)(2) shall be complete as of the last day of the expenditure report period.

(c) Candidates who withdraw. An individual who ceases to be a candidate pursuant to 11 CFR 9004.8 shall file a statement of net outstanding qualified campaign expenses no later than 30 calendar days after he or she ceases to be a candidate. The statement shall contain the information required under 11 CFR 9004.9(a)(1) and (2), except that the amount of outstanding obligations under 11 CFR 9004.9(a)(1)(1) and the amount of cash on hand, assets, and receivables under 11 CFR 9004.9(a)(2) shall be complete as of the day on which the individual ceased to be a candidate.

(d)(1) Capital assets. For purposes of this section, the term “capital asset” means any property used in the operation of the campaign whose purchase price exceeded $2,000 when acquired by the committee. Property that must be valued as capital assets under this section includes, but is not limited to, office equipment, furniture, vehicles and fixtures acquired for use in the operation of the candidate's campaign, but does not include property defined as “other assets” under 11 CFR 9004.9(d)(2). A list of all capital assets shall be maintained by the committee in accordance with 11 CFR 9003.5(d)(1). The fair market value of capital assets may be considered to be the total original cost of such items when acquired less 40%, to account for depreciation, except that items acquired after the date of ineligibility must be valued at their fair market value on the date acquired.

(2) Other assets. The term other assets means any property acquired by the committee for use in raising funds or as collateral for campaign loans. “Other assets” must be included on the candidate's statement of net outstanding qualified campaign expenses if the aggregate value of such assets exceeds $5,000. The value of “other assets” shall be determined by the fair market value of each item on the last day of the expenditure report period or the day on which the individual ceased to be a candidate, whichever is earlier, unless the item is acquired after these dates, in which case the item shall be valued on the date it is acquired. A list of other assets shall be maintained by the committee in accordance with 11 CFR 9003.5(d)(2).

(e) Collectibility of accounts receivable. If the committee determines that an account receivable of $500 or more, including any credit, refund, return or rebate, is not collectible in whole or in part, the committee shall determine through documentation that the determination was commercially reasonable. The documentation shall include records showing the original amount of the account receivable, copies of correspondence and memoranda of communications with the debtor showing attempts to collect the amount due, and an explanation of how the lesser amount or full write-off was determined.

(f) Review of candidate statement—(1) General. The Commission will review the statement filed by each candidate under this section. The Commission may request further information with respect to statements filed pursuant to 11 CFR 9004.9(b) during the audit of that candidate's authorized committee(s) under 11 CFR part 9007.

(2) Candidate eligible for post-election funding. (1) If, in reviewing the preliminary statement of a candidate eligible to receive post-election funding, the Commission receives information indicating that substantial assets of that candidate's authorized committee(s) have been undervalued or not included in the statement or that the amount of outstanding qualified campaign expenses has been otherwise overstated in relation to committee assets, the Commission may decide to temporarily
postpone its certification of funds to that candidate pending a final determination of whether the candidate is entitled to all or a portion of the funds for which he or she is eligible based on the percentage of votes the candidate received in the general election.

(ii) Initial determination. In making a determination under 11 CFR 9004.9(f)(2)(i), the Commission will notify the candidate within 10 business days after its receipt of the statement of its initial determination that the candidate is not entitled to receive the full amount for which the candidate may be eligible. The notice will give the legal and factual reasons for the initial determination and advise the candidate of the evidence on which the Commission's initial determination is based. The candidate will be given the opportunity to revise the statement or to submit, within 10 business days, written legal or factual materials to demonstrate that the candidate has net outstanding qualified campaign expenses that entitle the candidate to post-election funds. Such materials may be submitted by counsel if the candidate so desires.

(iii) Final determination. The Commission will consider any written legal or factual materials submitted by the candidate before making its final determination. A final determination that the candidate is entitled to receive only a portion or no post-election funding will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the legal and factual reasons underlying the Commission's determination and will summarize the results of any investigation on which the determination is based.

(iv) If the candidate demonstrates that the amount of outstanding qualified campaign expenses still exceeds committee assets, the Commission will certify the payment of post-election funds to which the candidate is entitled.

(v) Petitions for rehearing. The candidate may file a petition for rehearing of a final determination under this section in accordance with 11 CFR 9007.5(a).

(56 FR 35919, July 29, 1991, as amended at 60 FR 31877, June 16, 1995)
(b) Certification of pre-election payments for minor and new party candidates. (1) Not later than 10 days after a minor or new party candidate has met all applicable conditions for eligibility to receive payments under 11 CFR 9003.1, 9005.2 and 9004.2, the Commission will make an initial determination of the amount, if any, to which the candidate is entitled. The Commission will base its determination on the percentage of votes received in the official vote count certified in each State. In notifying the candidate, the Commission will give the legal and factual reasons for its determination and advise the candidate of the evidence on which the determination is based.

(2) The candidate may submit, within 15 days after the Commission's initial determination, written legal or factual materials to demonstrate that a re-determination is appropriate. Such materials may be submitted by counsel if the candidate so desires.

(3) The Commission will consider any written legal or factual materials timely submitted by the candidate in making its final determination. A final determination of certification by the Commission will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the reasons underlying the Commission's determination and will summarize the results of any investigation on which the determination is based.

(c) Certification of minor and new party candidates for post-election payments. (1) Not later than 30 days after the general election, the Commission will determine whether a minor or new party candidate is eligible for post-election payments.

(2) The Commission's determination of eligibility will be based on the following factors:

(i) The candidate has received at least 5% or more of the total popular vote based on unofficial vote results in each State;

(ii) The candidate has filed a preliminary statement of his or her net outstanding qualified campaign expenses pursuant to 11 CFR 9004.9(a); and

(iii) The candidate has met all applicable conditions for eligibility under 11 CFR 9003.1 and 9003.2.

(3) The Commission will notify the candidate of its initial determination of the amount, if any, to which the candidate is entitled, give the legal and factual reasons for its determination and advise the candidate of the evidence on which the determination is based. The Commission will also notify the candidate that it will deduct a percentage of the amount to which the candidate is entitled based on the unofficial vote results when the Commission certifies an amount for payment to the Secretary. This deduction will be based on the average percentage differential between the unofficial and official vote results for all candidates who received public funds in the preceding Presidential general election.

(4) The candidate may submit within 15 days after the Commission's initial determination written legal or factual materials to demonstrate that a re-determination is appropriate. Such materials may be submitted by counsel if the candidate so desires.

(5) The Commission will consider any written legal or factual materials timely submitted by the candidate in making its final determination. A final determination of certification by the Commission will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the reasons underlying the Commission's determination and will summarize the results of any investigation on which the determination is based.

(d) All certifications made by the Commission pursuant to this section shall be final and conclusive, except to the extent that they are subject to examination and audit by the Commission under 11 CFR part 9007 and judicial review under 26 U.S.C. 9011.

Secretary shall pay to such candidates out of the Fund the amount certified by the Commission. Amounts paid to a candidate shall be under the control of that candidate.

(b)(1) If at the time of a certification from the Commission under 11 CFR 9005.1, the Secretary determines that the monies in the Fund are not, or may not be, sufficient to satisfy the full entitlements of the eligible candidates of all political parties, he or she shall withhold an amount which is determined to be necessary to assure that the eligible candidates of each political party will receive their pro rata share.

(2) Amounts withheld under 11 CFR 9005.2(b)(1) shall be paid when the Secretary determines that there are sufficient monies in the Fund to pay such amounts, or pro rata portions thereof, to all eligible candidates from whom amounts have been withheld.

(c) Payments received from the Fund by a major party candidate shall be deposited in a separate account maintained by his or her authorized committee, unless there is a deficiency in the Fund as provided under 11 CFR 9005.2(b)(1). In the case of a deficiency, the candidate may establish a separate account for payments from the Fund or may deposit such payments with contributions received pursuant to 11 CFR 9003.2(b)(1). The account(s) shall be maintained at a State bank, federally chartered depository institution or other depository institution, the deposits or accounts of which are insured by the Federal Deposit Insurance Corporation.

(d) No funds other than the payments received from the Treasury, reimbursements, or income generated through use of public funds in accordance with 11 CFR 9004.5, shall be deposited in the account described in 11 CFR 9005.2(c). ‘Reimbursements’ shall include, but are not limited to, refunds of deposits, vendor refunds, reimbursements for travel expenses under 11 CFR 9004.6 and 9004.7 and reimbursements for legal and accounting costs under 11 CFR 9003.3(a)(2)(i)(B).

§9006.2 Filing dates.

The reports required to be filed under 11 CFR 9006.1 shall be filed during an election year on a monthly or quarterly basis as prescribed at 11 CFR 104.5(b)(1). During a non-election year, the candidate’s principal campaign
§ 9006.3 Alphabetized schedules.

If the authorized committee(s) of a candidate file a schedule of itemized receipts, disbursements, or debts and obligations pursuant to 11 CFR 104.3 that was generated directly or indirectly from computerized files or records, the schedule shall list in alphabetical order the sources of the receipts, the payees or the creditors, as appropriate. In the case of individuals, such schedule shall list all contributors, payees, and creditors in alphabetical order by surname.

§ 9007.1 Audits.

(a) General. (1) After each Presidential election, the Commission will conduct a thorough examination and audit of the receipts, disbursements, debts and obligations of each candidate, his or her authorized committee(s), and agents of such candidates or committees. Such examination and audit will include, but will not be limited to, expenditures pursuant to 11 CFR 9003.4 prior to the beginning of the expenditure report period, contributions to and expenditures made from the legal and accounting compliance fund established under 11 CFR 9003.3(a), contributions received to supplement any payments received from the Fund, and qualified campaign expenses.

(2) In addition, the Commission may conduct other examinations and audits from time to time as it deems necessary to carry out the provisions of this subchapter.

(3) Information obtained pursuant to any audit and examination conducted under 11 CFR 9007.1(a) (1) and (2) may be used by the Commission as the basis, or partial basis, for its repayment determinations under 11 CFR 9007.2.

(b) Conduct of fieldwork. (1) If the candidate or the candidate's authorized committee does not maintain or use any computerized information containing any of the data listed in 11 CFR 9003.6, the Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. If the candidate or the candidate's authorized committee maintains or uses computerized information containing any of the data listed in 11 CFR 9003.6, the Commission generally will request such information prior to commencement of audit fieldwork. Such request will be made in writing. The committee shall produce the computerized information no later than 15 calendar days after service of such request. Upon receipt of the computerized information requested and compliance with the technical specifications of 11 CFR 9003.6(a), the Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. During or after audit fieldwork, the Commission may request additional or updated computerized information which expands the coverage dates of computerized information previously provided, and which may be used for purposes including, but not limited to, updating a statement of net outstanding qualified campaign expenses. During or after audit fieldwork, the Commission may also request additional computerized information which was created by or becomes available to the committee that is of assistance in the Commission's audit. The committee shall produce the additional or updated computerized information no
later than 15 calendar days after service of the Commission's request.

(i) Office space and records. On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall provide Commission staff with office space and committee records in accordance with the candidate and committee agreement under 11 CFR 9003.1(b)(6).

(ii) Availability of committee personnel. On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall have committee personnel present at the site of the fieldwork. Such personnel shall be familiar with the committee's records and operation and shall be available to Commission staff to answer questions and to aid in locating records.

(iii) Failure to provide staff, records or office space. If the candidate or his or her authorized committee(s) fail to provide adequate office space, personnel or committee records, the Commission may seek judicial intervention under 2 U.S.C. 437d or 26 U.S.C. 9010(c) to enforce the candidate and committee agreement made under 11 CFR 9003.1(b). Before seeking judicial intervention, the Commission will notify the candidate of his or her failure to comply with the agreement and will recommend corrective action to bring the candidate into compliance. Upon receipt of the Commission's notification, the candidate will have ten (10) calendar days in which to take the corrective action indicated or to otherwise demonstrate to the Commission in writing that he or she is complying with the candidate and committee agreements.

(iv) If, in the course of the audit process, a dispute arises over the documentation sought or other requirements of the candidate agreement, the candidate may seek review by the Commission of the issues raised. To seek review, the candidate shall submit a written statement within 10 days after the disputed Commission staff request is made, describing the dispute and indicating the candidate's proposed alternative(s).

(v) If the candidate or his or her authorized committee fails to produce particular records, materials, evidence or other information requested by the Commission, the Commission may issue an order pursuant to 2 U.S.C. 437d(a)(1) or a subpoena or subpoena duces tecum pursuant to 2 U.S.C. 437d(a)(3). The procedures set forth in 11 CFR 111.1 through 111.15, as appropriate, shall apply to the production of such records, materials, evidence or other information as specified in the order, subpoena or subpoena duces tecum.

(2) Fieldwork will include the following steps designed to keep the candidate and committee informed as to the progress of the audit and to expedite the process:

(i) Entrance conference. At the outset of the fieldwork, Commission staff will hold an entrance conference, at which the candidate's representatives will be advised of the purpose of the audit and the general procedures to be followed. The candidate and his or her authorized committee, such as possible repayments to the United States Treasury, will also be discussed. Committee representatives shall provide information and records necessary to conduct the audit, and Commission staff will be available to answer committee questions.

(ii) Review of records. During the fieldwork, Commission staff will review committee records and may conduct interviews of committee personnel. Commission staff will be available to explain aspects of the audit and examination as it progresses. Additional meetings between Commission staff and committee personnel may be held from time to time during the fieldwork to discuss possible audit findings and to resolve issues arising during the course of the audit.

(iii) Exit conference. At the conclusion of the fieldwork, Commission staff will hold an exit conference to discuss with committee representatives the staff's preliminary findings and recommendations which the staff anticipates it will present to the Commission for approval. Commission staff will prepare a written Exit Conference Memorandum that discusses these findings and recommendations. A copy of the Exit Conference Memorandum will be given to committee representatives at the exit conference. These preliminary staff
findings may include an evaluation of procedures and systems employed by the candidate and committee to comply with applicable provisions of the Federal Election Campaign Act, the Presidential Election Campaign Fund Act and Commission regulations; the accuracy of statements and reports filed with the Commission by the candidate and committee; and preliminary calculations regarding future repayments to the United States Treasury. Commission staff will advise committee representatives at this conference of the committee's opportunity to respond to these proposed findings, the projected timetable regarding the issuance of the audit report and any repayment determination, the committee's opportunity for an administrative review of any repayment determination, and the procedures involved in Commission repayment determinations under 11 CFR 9007.2.

(3) Commission staff may conduct additional fieldwork after the completion of the fieldwork conducted pursuant to 11 CFR 9007.1(b) (1) and (2). Factors that may necessitate such follow-up fieldwork include, but are not limited to, the following:

(1) Committee response to audit findings;
(2) Financial activity of the committee subsequent to the fieldwork conducted pursuant to 11 CFR 9007.1(b)(1);
(3) Committee responses to Commission repayment determinations made under 11 CFR 9007.2.

(4) The Commission will notify the candidate and his or her authorized committee if follow-up fieldwork is necessary. The provisions of 11 CFR 9007.1(b) (1) and (2) will apply to any additional fieldwork conducted.

(c) Committee response to the Exit Conference Memorandum. The candidate and his or her authorized committee may submit in writing within 60 calendar days after the exit conference, legal and factual materials disputing or commenting on the proposed findings contained in the Exit Conference Memorandum. In addition, the committee shall submit any additional documentation requested by Commission staff. Such materials may be submitted by counsel if the candidate so desires.

(d) Approval and issuance of the audit report. (1) Before voting on whether to approve and issue an audit report, the Commission will consider any written legal and factual materials timely submitted by the candidate or his or her authorized committee in accordance with paragraph (c) of this section. The Commission-approved audit report may address issues other than those contained in the Exit Conference Memorandum. In addition, this report will contain a repayment determination made by the Commission pursuant to 11 CFR 9007.2(c)(1).

(2) The audit report may contain issues that warrant referral to the Office of General Counsel for possible enforcement proceedings under 2 U.S.C. 437g and 11 CFR Part 111.

(3) Addenda to the audit report may be approved and issued by the Commission from time to time as circumstances warrant and as additional information becomes available. Such addenda may be based on follow-up fieldwork conducted under paragraph (b)(3) of this section, and/or information ascertained by the Commission in the normal course of carrying out its supervisory responsibilities. The procedures set forth in paragraphs (c) and (d) (1) and (2) of this section will be followed in preparing such addenda. The addenda will be placed on the public record as set forth in paragraph (e) of this section. Such addenda may also include additional repayment determination(s).

(e) Public release of audit report. (1) The Commission will consider the audit report in an open session agenda document. The Commission will provide the candidate and the committee with copies of any agenda document to be considered in an open session 24 hours prior to releasing the agenda document to the public.

(2) Following Commission approval of the audit report, the report will be forwarded to the committee and released to the public. The Commission will provide the candidate and committee with copies of the audit report approved by the Commission 24 hours before releasing the report to the public.

(f) Sampling. In conducting an audit of contributions pursuant to this section, the Commission may utilize gen-
eraly accepted statistical sampling techniques to quantify, in whole or in part, the dollar value of related audit findings. A projection of the total amount of violations based on apparent violations identified in such a sample may become the basis, in whole or in part, of any audit finding.

(2) A committee in responding to a sample-based finding shall respond only to the specific sample items used to make the projection. If the committee demonstrates that any apparent errors found among the sample items were not errors, the Commission shall make a new projection based on the reduced number of errors in the sample.

(3) Within 30 days of service of the Final Audit Report, the committee shall submit a check to the United States Treasury for the total amount of any excessive or prohibited contributions not refunded, reattributed or redesignated in a timely manner in accordance with 11 CFR 103.3(b) (1), (2) or (3); or take any other action required by the Commission with respect to sample-based findings.

Federal Election Commission

§ 9007.2 Repayments.

(a) General. (1) A candidate who has received payments from the Fund under 11 CFR part 9005 shall pay the United States Treasury any amounts which the Commission determines to be repayable under this section. In making repayment determinations under this section, the Commission may utilize information obtained from audits and examinations conducted pursuant to 11 CFR 9007.1 or otherwise obtained by the Commission in carrying out its responsibilities under this subchapter.

(2) The Commission will notify the candidate of any repayment determinations made under this section as soon as possible, but not later than 3 years after the day of the presidential election. The Commission's issuance of the audit report to the candidate under 11 CFR 9007.1(d) will constitute notification for purposes of this section.

(3) Once the candidate receives notice of the Commission's repayment determination under this section, the candidate should give preference to the repayment over all other outstanding obligations of his or her committee, except for any federal taxes owed by the committee.

(4) Repayments may be made only from the following sources: personal funds of the candidate (without regard to the limitations of 11 CFR 903.3(c)), contributions and federal funds in the committee's account(s), and any additional funds raised subject to the limitations and prohibitions of the Federal Election Campaign Act of 1971, as amended.

(b) Bases for repayment. The Commission may determine that an eligible candidate of a political party who has received payments from the Fund must repay the United States Treasury under any of the circumstances described below.

(1) Payments in excess of candidate's entitlement. If the Commission determines that any portion of the payments made to the candidate was in excess of the aggregate payments to which such candidate was entitled, it will notify the candidate, and such candidate shall pay to the United States Treasury an amount equal to such portion.

(2) Use of funds for non-qualified campaign expenses. (i) If the Commission determines that any amount of any payment to an eligible candidate from the Fund was used for purposes other than those described in paragraphs (b)(2)(i) (A) through (C) of this section, it will notify the candidate of the amount so used, and such candidate shall pay to the United States Treasury an amount equal to such amount.

(A) To defray qualified campaign expenses;

(B) To repay loans, the proceeds of which were used to defray qualified campaign expenses; and

(C) To restore funds (other than contributions which were received and expended by minor or new party candidates to defray qualified campaign expenses) which were used to defray qualified campaign expenses.

(ii) Examples of Commission repayment determinations under 11 CFR 9007.3(b)(2) include, but are not limited to the following:

(A) Determinations that a candidate, a candidate's authorized committee(s),
or agent(s) have incurred expenses in excess of the aggregate payments to which an eligible major party candidate is entitled;

(B) Determinations that amounts spent by a candidate, a candidate’s authorized committee(s) or agent(s) from the Fund were not documented in accordance with 11 CFR 9003.5;

(C) Determinations that any portion of the payments made to a candidate from the Fund was expended in violation of State or Federal law; and

(D) Determinations that any portion of the payments made to a candidate from the Fund was used to defray expenses resulting from a violation of State or Federal law, such as the payment of fines or penalties.

(iii) In the case of a candidate who has received contributions pursuant to 11 CFR 9003.3 (b) or (c), the amount of any repayment sought under this section shall be the same ratio to the total amount determined to have been used for non-qualified campaign expenses as the amount of payments certified to the candidate from the Fund bears to the total deposits, as of December 31 of the Presidential election year. For purposes of this subsection, total deposits means all deposits to all candidate accounts minus transfers between accounts, refunds, rebates, reimbursements, checks returned for insufficient funds, proceeds of loans and other similar amounts.

(3) Surplus. If the Commission determines that a portion of payments from the Fund remains unspent after all qualified campaign expenses have been paid, it shall so notify the candidate, and such candidate shall pay the United States Treasury that portion of surplus funds.

(4) Income on investment or other use of payments from the Fund. If the Commission determines that an eligible candidate of a major party, the candidate’s authorized committee(s) or agent(s) accepted contributions to defray qualified campaign expenses other than contributions to make up deficiencies in payments from the Fund, or to defray expenses incurred for legal and accounting services in accordance with 11 CFR 9003.3(a), it shall notify the candidate of the amount of contributions so accepted, and the candidate shall pay to the United States Treasury an amount equal to such amount.

(c) Repayment determination procedures. The Commission’s repayment determination will be made in accordance with the procedures set forth at paragraphs (c)(1) through (c)(4) of this section.

(1) Repayment determination. The Commission will provide the candidate with a written notice of its repayment determination(s). This notice will be included in the Commission’s audit report prepared pursuant to 11 CFR 9007.1(d) and will set forth the legal and factual reasons for such determination(s), as well as the evidence upon which any such determination is based. The candidate shall repay to the United States Treasury in accordance with paragraph (d) of this section, the amount which the Commission has determined to be repayable.

(2) Administrative review of repayment determination. If a candidate disputes the Commission’s repayment determination(s), he or she may request an administrative review of the determination(s) as set forth in paragraph (c)(2)(1) of this section.

(1) Submission of written materials. A candidate who disputes the Commission’s repayment determination(s) may submit in writing, within 60 calendar days after service of the Commission’s notice, legal and factual materials demonstrating that no repayment, or a lesser repayment, is required. Such materials may be submitted by counsel if the candidate so desires. The candidate’s failure to timely raise an issue in written materials presented pursuant to this paragraph will be deemed a waiver of the candidate’s right to raise the issue at any future stage of proceedings including any pe-

application by the candidate, the Commission may grant an extension of up to 90 calendar days in which to make repayment.

(3) Interest shall be assessed on all repayments made after the initial 90-day repayment period established at paragraph (d)(1) of this section or the 30-day repayment period established at paragraph (d)(2) of this section. The amount of interest due shall be the greater of:

(i) An amount calculated in accordance with 28 U.S.C. 1961 (a) and (b); or

(ii) The amount actually earned on the funds set aside or to be repaid under this section.

(e) Computation of time. The time periods established by this section shall be computed in accordance with 11 CFR 111.2.

(f) Additional repayments. Nothing in this section will prevent the Commission from making additional repayment determinations on one or more of the bases set forth at 11 CFR 9007.2(b) after it has made a repayment determination on any such basis. The Commission may make additional repayment determinations where there exist facts not used as the basis for any previous determination. Any such additional repayment determination will be made in accordance with the provisions of this section.

(g) Newly-discovered assets. If, after any repayment determination made under this section, a candidate or his or her authorized committee(s) receives or becomes aware of assets not
previously included in any statement of net outstanding qualified campaign expenses submitted pursuant to 11 CFR 9004.9, the candidate or his or her authorized committee(s) shall promptly notify the Commission of such newly-discovered assets. Newly-discovered assets may include refunds, rebates, late-arriving receivables, and actual receipts for capital assets in excess of the value specified in any previously-submitted statement of net outstanding qualified campaign expenses. Newly-discovered assets may serve as a basis for additional repayment determinations under 11 CFR 9007.2(f).

(h) Limit on repayment. No repayment shall be required from the eligible candidates of a political party under 11 CFR 9007.2 to the extent that such repayment, when added to other repayments required from such candidates under 11 CFR 9007.2, exceeds the amount of payments received by such candidates under 11 CFR 9005.2.

(i) Petitions for rehearing; stays pending appeal. The candidate may file a petition for rehearing of a repayment determination in accordance with 11 CFR 9007.5(a). The candidate may request a stay of a repayment determination in accordance with 11 CFR 9007.5(c) pending the candidate's appeal of that repayment determination.

§ 9007.3 Extensions of time.

(a) It is the policy of the Commission that extensions of time under 11 CFR part 9007 will not be routinely granted.

(b) Whenever a candidate has a right or is required to take action within a period of time prescribed by 11 CFR part 9007 or by notice given thereunder, the candidate may apply in writing to the Commission for an extension of time in which to exercise such right or take such action. The candidate shall demonstrate in the application for extension that good cause exists for his or her request.

(c) An application for extension of time shall be made at least 7 calendar days prior to the expiration of the time period for which the extension is sought. The Commission may, upon a showing of good cause, grant an extension of time to a candidate who has applied for such extension in a timely manner. The length of time of any extension granted hereunder shall be decided by the Commission and may be less than the amount of time sought by the candidate in his or her application.

(d) If a candidate fails to seek an extension of time, exercise a right or take a required action prior to the expiration of a time period prescribed by 11 CFR part 9007, the Commission may, on the candidate's showing of excusable neglect:

(1) Permit such candidate to exercise his or her right(s), or take such required action(s) after the expiration of the prescribed time period; and

(2) Take into consideration any information obtained in connection with the exercise of any such right or taking of any such action before making decisions or determinations under 11 CFR part 9007.

[56 FR 35924, July 29, 1991, as amended at 60 FR 31880, June 16, 1995]

§ 9007.4 Additional audits.

In accordance with 11 CFR 104.16(c), the Commission, pursuant to 11 CFR part 9010, may upon affirmative vote of four members conduct an audit and field investigation of any committee in any case in which the Commission finds reason to believe that a violation of a statute or regulation over which the Commission has jurisdiction has occurred or is about to occur.

§ 9007.5 Petitions for rehearing; stays of repayment determinations.

(a) Petitions for rehearing. (1) Following the Commission's repayment determination or a final determination that a candidate is not entitled to all or a portion of post-election funding under 11 CFR 9004.9(c), the candidate may file a petition for rehearing setting forth the relief desired and the legal and factual basis in support. To be considered by the Commission, petitions for rehearing must:

(1) Be filed within 20 calendar days following service of the Commission's
Federal Election Commission

§ 9007.6

renal payment determination or final determination;

11 Raise new questions of law or fact that would materially alter the Commission's repayment determination or final determination; and

(iii) Set forth clear and convincing grounds why such questions were not and could not have been presented during the original determination process.

2 If a candidate files a timely petition under this section challenging a Commission repayment determination, the time for repayment will be suspended until the Commission serves notice on the candidate of its determination on the petition. The time periods for making repayment under 11 CFR 9007.2(d) shall apply to any amounts determined to be repayable following the Commission's consideration of a petition for rehearing under this section.

(b) Effect of failure to raise Issues. The candidate's failure to raise an argument in a timely fashion during the original determination process or in a petition for rehearing under this section, as appropriate, shall be deemed a waiver of the candidate's right to present such arguments in any future stage of proceedings including any petition for review filed under 28 U.S.C. 9011(a). An issue is not timely raised in a petition for rehearing if it could have been raised earlier in response to the Commission's original determination.

(c) Stay of repayment determination pending appeal. (1)(i) The candidate may apply to the Commission for a stay of all or a portion of the amount determined to be repayable under this section or under 11 CFR 9007.2 pending the candidate's appeal of that repayment determination pursuant to 28 U.S.C. 9011(a). The repayment amount requested to be stayed shall not exceed the amount at issue on appeal.

(ii) A request for a stay shall be made in writing and shall be filed within 30 calendar days after service of the Commission's decision on a petition for rehearing under paragraph (a) of this section or, if no petition for rehearing is filed, within 30 calendar days after service of the Commission's repayment determination under 11 CFR 9007.2(c).

(2) The Commission's approval of a stay request will be conditioned upon the candidate's presentation of evidence in the stay request that he or she:

(i) Has placed the entire amount at issue in a separate interest-bearing account pending the outcome of the appeal and that withdrawals from the account may only be made with the joint signatures of the candidate or his or her agent and a Commission representative; or

(ii) Has posted a surety bond guaranteeing payment of the entire amount at issue plus interest; or

(iii) Has met the following criteria:

(A) He or she will suffer irreparable injury in the absence of a stay; and, if so, that

(B) He or she has made a strong showing of the likelihood of success on the merits of the judicial action.

(C) Such relief is consistent with the public interest; and

(D) No other party interested in the proceedings would be substantially harmed by the stay.

(3) In determining whether the candidate has made a strong showing of the likelihood of success on the merits under paragraph (c)(2)(iii)(B) of this section, the Commission may consider whether the issue on appeal presents a novel or admittedly difficult legal question and whether the equities of the case suggest that the status quo should be maintained.

(4) All stays shall require the payment of interest on the amount at issue. The amount of interest due shall be calculated from the date 30 days after service of the Commission's repayment determination under 11 CFR 9007.2(c)(4) and shall be the greater of:

(1) An amount calculated in accordance with 28 U.S.C. 1961 (a) and (b); or

(11) The amount actually earned on the funds set aside under this section.

(a) The Commission's administrative record for final determinations under 11 CFR 9004.9 and 9005.1, and for repayment determinations under 11 CFR 9007.2, consists of all documents and materials submitted to the Commission for its consideration in making those determinations. The administrative record will include the certification of the Commission's vote(s), the audit report that is sent to the committee (for repayment determinations), the statement(s) of reasons, and the candidate agreement. The committee may include documents or materials in the administrative record by submitting them within the time periods set forth at 11 CFR 9004.9(1)(2), 9005.1(b)(2), 9005.1(c)(4), 9007.3(c) and 9007.2(c)(2), as appropriate. 

(b) The Commission's administrative record for determinations under 11 CFR 9004.9, 9005.1 and 9007.2 does not include:
1. Documents and materials in the files of individual Commissioners or employees of the Commission that do not constitute a basis for the Commission's decisions because they were not circulated to the Commission and were not referenced in documents that were circulated to the Commission;
2. Transcripts or audio tapes of Commission discussions other than transcripts or audio tapes of oral hearings pursuant to 11 CFR 9007.2(c)(2), although such transcripts or tapes may be made available under 11 CFR parts 4 or 5; or
3. Documents properly subject to privileges such as an attorney-client privilege, or items constituting attorney work product.

(c) The administrative record identified in paragraph (a) of this section is the exclusive record for the Commission's determinations under 11 CFR 9004.9, 9005.1 and 9007.2.

(2) If a national committee of a major or minor party elects to receive part of the amounts to which it is entitled under 11 CFR 9008.4 and 9008.5, or if the Secretary determines there is a deficiency in the Fund under 26 U.S.C. 9008(b)(4), the national committee may receive and use private contributions, so long as the sum of the contributions which are used to defray convention expenses and the amount of entitlements elected to be received does not exceed the total expenditure limitation under 11 CFR 9008.8.

(3) Such payment may be used to restore funds (including advances from the national committee to the convention committee), other than contributions to the committee for the purpose of defraying convention expenses, where such funds were used to defray convention expenses.

(vii) Expenses incurred in providing a transportation system in the convention city for use by delegates and other persons attending or otherwise connected with the convention;

(ix) Expenses for printing convention programs, a journal of proceedings, agendas, tickets, badges, passes, and other similar publications;

(b) Prohibited uses. (1) No part of any payment made under 11 CFR 9008.6 shall be used to defray the expenses of any candidate, delegate, or alternate delegate who is participating in any presidential nominating convention except that the expenses of a person participating in the convention as official personnel of the national party may be defrayed with public funds even though that person is simultaneously participating as a delegate or candidate to the convention. This Part shall not prohibit candidates, delegates or alternate delegates who are participating in a presidential nominating convention from attending official party convention activities including but not limited to dinners, concerts and receptions, where such activities are paid for with public funds.

(2) Public funds shall not be used to defray any expense the incurring or
payment of which violates any law of the United States or any law of the State in which such expense is incurred or paid, or any regulation prescribed under federal or State laws.

(3) Public funds shall not be used to pay civil or criminal penalties required or agreed to be paid pursuant to 2 U.S.C. 437g. Any amounts received or expended by the national committee or convention committee of a political party to pay such penalties shall not be considered contributions or expenditures, except that such amounts shall be reported in accordance with 11 CFR Part 104 and shall be subject to the prohibitions of 11 CFR 110.4 and Parts 114 and 115.

§ 9008.8 Limitation of expenditures.

(a) National party limitations. (1) Major parties. Except as provided by paragraph (a)(3) of this section, the national committee of a major party may not incur convention expenses with respect to a Presidential nominating convention which, in the aggregate, exceed the amount to which such committee is entitled under 11 CFR 9008.4 and 9008.5.

(2) Minor parties. Except as provided by paragraph (a)(3) of this section, the national committee of a minor party may not incur convention expenses with respect to a Presidential nominating convention which, in the aggregate, exceed the amount to which the national committee of a major party is entitled under 11 CFR 9008.4 and 9008.5.

(3) Authorization to exceed limitation. The Commission may authorize the national committee of a major party or minor party to make expenditures for convention expenses, which expenditures exceed the limitation established by paragraph (a)(1) or (2) of this section. This authorization shall be based upon a determination by the Commission that, due to extraordinary and unforeseen circumstances, the expenditures are necessary to assure the effective operation of the Presidential nominating convention by the committee. Examples of "extraordinary and unforeseen circumstances" include, but are not limited to, a natural disaster or a catastrophic occurrence at the convention site. In no case, however, will such authorization entitle a national committee to receive public funds greater than the entitlement specified under 11 CFR 9008.4 and 9008.5. All private contributions received to defray expenditures under this paragraph shall be subject to all reporting requirements, limitations (except for limitations imposed by paragraphs (a)(1) and (2) of this section) and prohibitions of the Federal Election Campaign Act (2 U.S.C. 431 et seq.).

(b) Payments not subject to limit. (1) Host committee expenditures. Expenditures made by the host committee shall not be considered expenditures by the national committee and shall not count against the expenditure limitations of this section if the funds are spent in accordance with 11 CFR 9008.52.

Commercial vendors may sell, lease, rent or provide their goods or services to the national committee with respect to a presidential nominating convention at reduced or discounted rates, or at no charge, provided that the requirements of either paragraph (a), paragraph (b), or paragraph (c) of this section are met. For purposes of this section, commercial vendor shall have the same meaning as provided in 11 CFR 116.1(c).

(a) Standard reductions or discounts. A commercial vendor may provide reductions or discounts in the ordinary course of business. A reduction or discount shall be considered in the ordinary course of business if the commercial vendor has an established practice of providing the same reductions or discounts for the same amount of its goods or services to non-political clients, or if the reduction or discount is consistent with established practice in the commercial vendor’s trade or industry. Examples of reductions or discounts made in the ordinary course of business include standard volume discounts and reduced rates for corporate, governmental or preferred customers. Reductions or discounts provided under paragraph (a) of this section need not be reported.

(b) Items provided for promotional consideration.

(1) A commercial vendor may provide goods or services in exchange for promotional consideration provided that doing so is in the ordinary course of business.

(2) The provision of goods or services shall be considered in the ordinary course of business under this paragraph:

(i) If the commercial vendor has an established practice of providing goods or services on a similar scale and on similar terms to non-political clients, or

(ii) If the terms and conditions under which the goods or services are provided are consistent with established practice in the commercial vendor’s trade or industry in similar circumstances.

(3) In all cases, the value of the goods or services provided shall not exceed the commercial benefit reasonably expected to be derived from the unique promotional opportunity presented by the national nominating convention.

(4) The convention committee shall maintain documentation showing: the goods or services provided; the date(s) on which the goods or services were provided; the terms and conditions of the arrangement; and what promotional consideration was provided.
In addition, the convention committee shall disclose in its report covering the period the goods or services are received, in a memo entry, a description of the goods or services provided for promotional consideration, the name and address of the commercial vendor, and the dates on which the goods or services were provided (e.g., “Generic Motor Co., Detroit, Michigan—ten automobiles for use 7/15-7/20, received on 7/14”, or “Workers Inc., New York, New York—five temporary secretarial assistants for use 8/1-8/30, received on 8/1”).

(c) Items of de minimis value. Commercial vendors (including banks) may sell at nominal cost, or provide at no charge, items of de minimis value, such as samples, discount coupons, maps, pens, pencils, or other items included in tote bags for those attending the convention. The items of de minimis value may be distributed by or with the help of persons employed by the commercial vendor, or employed by or volunteering for the national party or a host committee. The value of the items of de minimis value provided under this paragraph need not be reported.

(d) Expenditure Limits. The value of goods or services provided pursuant to this section will not count toward the national party’s expenditure limitation under 11 CFR 9008.8(a).

§ 9008.10 Documentation of disbursements; net outstanding convention expenses.

The convention committee must include as part of the evidence of convention expenses the following documentation:

(a) For disbursements in excess of $200 to a payee, either:

(1) A receipted bill from the payee that states the purpose of the disbursement;

(2) If such a receipted bill is not available, the following documents:

(i) A canceled check negotiated by the payee; plus

(ii) One of the following documents generated by the payee—a bill, invoice, voucher or contemporaneous memorandum that states the purpose of the disbursement;

(iii) Where the documents specified at paragraph (a)(2)(ii) of this section are not available, a voucher or contemporaneous memorandum from the committee that states the purpose of the disbursement;

(3) If neither a receipted bill nor the supporting documentation specified in paragraph (a)(2)(i) or (ii) of this section is available, a canceled check negotiated by the payee that states the purpose of the disbursement.

(4) Where the supporting documentation required above is not available, the committee may present a canceled check and collateral evidence to document the convention expense. Such collateral evidence may include but is not limited to:

(1) Evidence demonstrating that the disbursement is part of an identifiable program or project which is otherwise sufficiently documented, such as a disbursement which is one of a number of documented disbursements relating to the operation of a committee office;

(11) Evidence that the disbursement is covered by a preestablished written committee policy, such as a daily travel expense policy.

(b) For all other disbursements:

(1) If from the petty cash fund, a record that states the full name and mailing address of the payee and the amount, date and purpose of the disbursement; or

(2) A canceled check which has been negotiated by the payee and states the identification of the payee, and the amount and date of the disbursement.

(c) For purposes of this section, “payee” means the person who provides the goods or services to the committee in return for the disbursement, except that an individual will be considered a payee under this section if he or she receives $2,000 or less advanced for travel and/or subsistence and if he or she is the recipient of the goods or services purchased.

(d) For purposes of this section, the term “purpose” means the full name and mailing address of the payee, the date and amount of the disbursement, and a brief description of the goods or services purchased.

(e) Upon the request of the Commission the convention committee shall supply an explanation of the connec-
tion between the disbursement and the convention.

(5) The committee shall retain records with respect to each disbursement and receipt, including bank records, vouchers, worksheets, receipts, bills and accounts, journals, ledgers, fundraising solicitation material, accounting systems documentation, and any related material documenting campaign receipts and disbursements, for a period of three years pursuant to 11 CFR 102.9(c), and shall present these records to the Commission on request.

(g) Net outstanding convention expenses. A convention committee that is eligible to receive payments under 11 CFR 9008.3 shall file, no later than sixty days after the last day of the convention, a statement of that committee's net outstanding convention expenses. The convention committee shall file a revised statement of net outstanding convention expenses which shall reflect the financial position of the convention committee as of the end of the ninth month following the last day of the convention. The revised statement shall be filed no later than 30 calendar days after the end of the ninth month following the last day of the convention, and shall be accompanied by the interim repayment, if required under 11 CFR 9008.12(b)(5)(i). The committee's net outstanding convention expenses under this section equal the difference between paragraphs (g) (1) and (2) of this section:

(1) The total of:

(i) All outstanding obligations for convention expenses as of 45 days after the last day of the convention; plus

(ii) An estimate of the amount of convention expenses that will be incurred after the 45th day and before the end of the ninth month following the last day of the convention; plus

(iii) An estimate of necessary winding down costs; less

(2) The total of:

(i) Cash on hand as of 45 days after the last day of the convention, including: all receipts dated on or before that date; currency; balances on deposit in banks, savings and loan institutions, and other depository institutions; traveler's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value;

(ii) The fair market value of capital assets and other assets on hand; and

(iii) Amounts owed to the committee in the form of credits, refunds of deposits, returns, receivables, or rebates of convention expenses; or a commercially reasonable amount based on the collectibility of those credits, returns, receivables or rebates.

(3) The amount submitted as the total of outstanding convention obligations under paragraph (g)(1) of this section shall not include any accounts payable for non-convention expenses nor any amounts determined or anticipated to be required as a repayment under 11 CFR 9008.12 or any amounts paid to secure a surety bond under 11 CFR 9008.14(c).

(4) Capital assets. For purposes of this section, the term “capital asset” means any property used in the operation of the convention whose purchase price exceeded $2000 when acquired by the committee. Property that must be valued as capital assets under this section includes, but is not limited to, office equipment, furniture, vehicles and fixtures acquired for use in the operation of the convention, but does not include property defined as “other assets” under 11 CFR 9006.10(g)(5). A list of all capital assets shall be maintained by the committee, which shall include a brief description of each capital asset, the purchase price, the date it was acquired, the method of disposition and the amount received in disposition. The fair market value of capital assets may be considered to be the total original cost of such items when acquired less 40%, to account for depreciation. If the committee wishes to claim a higher depreciation percentage for an item, it must list that capital asset on the statement separately and demonstrate, through documentation, the fair market value of each such asset.

(5) Other assets. The term “other assets” means any property acquired by the committee for use in raising funds or as collateral for loans. “Other assets” must be included on the committee's statement of net outstanding convention expenses if the aggregate value of such assets exceeds $5000. The value
§ 9008.10

of “other assets” shall be determined by the fair market value of each item as of 45 days after the last day of the convention, unless the item is acquired after this date, in which case the item shall be valued on the date it is acquired. A list of other assets shall be maintained by the committee, which shall include a brief description of each such asset, the fair market value of each asset, the method of disposition and the amount received in disposition.

(6) Collectibility of accounts receivable. If the committee determines that an account receivable of $500 or more, including any credit, refund, return or rebate, is not collectible in whole or in part, the committee shall demonstrate through documentation that the determination was commercially reasonable. The documentation shall include records showing the original amount of the account receivable, copies of correspondence and memoranda of communications with the debtor showing attempts to collect the amount due, and an explanation of how the lesser amount or full write-off was determined.

(7) Winding down costs. The term “winding down costs” means:

(i) Costs associated with the termination of the convention such as complying with the post-convention requirements of the Act and other necessary administrative costs associated with winding down the convention, including office space rental, staff salaries and office supplies; and

(ii) Costs incurred by the convention committee prior to 45 days after the last day of the convention for which written arrangements or commitment was made on or before that date.

(8) Review of convention committee statement. The Commission will review the statement filed by each convention committee under this section. The Commission may request further information with respect to statements filed pursuant to 11 CFR 9008.10 during the audit of that committee under 11 CFR 9008.11.

(h) Production of computer information.

(1) Categories of computerized information to be provided. If the convention committee maintains or uses computerized information containing any of the categories of data listed in paragraphs (h)(1)(i) through (h)(1)(iv) of this section, the committee shall provide computerized magnetic media, such as magnetic tapes or magnetic diskettes, containing the computerized information at the times specified in paragraph (h)(2) of this section:

(i) Information required by law to be maintained regarding the committee’s receipts or disbursements;

(ii) Records used to reconcile bank statements;

(iii) Records relating to the acquisition, use and disposition of capital assets; and

(iv) Any other information that may be used during the Commission’s audit to review the committee’s receipts, disbursements, loans, debts, obligations, or bank reconciliations.

(2) Time for Production. If the committee maintains or uses computerized information containing any of the data listed in paragraph (h)(1) of this section, the Commission generally will request such information prior to commencement of audit fieldwork. Such request will be made in writing. The committee shall produce the computerized information no later than 15 calendar days after service of such request. During or after audit fieldwork, the Commission may request additional or updated computerized information which expands the coverage dates of computerized information previously provided. During or after audit fieldwork, the Commission may also request additional computerized information which was created by or becomes available to the committee that is of assistance in the Commission’s audit. The committee shall produce the additional or updated computerized information no later than 15 calendar days after service of the Commission’s request.

(3) Organization of computerized information and technical specifications. §9033.1 Candidate and committee agreements.

(a) General. (1) A candidate seeking to become eligible to receive Presidential primary matching fund payments shall agree in a letter signed by the candidate to the Commission that the candidate and the candidate's authorized committee(s) will comply with the conditions set forth in 11 CFR 9033.1(b). The candidate may submit the letter containing the agreements required by this section at any time after January 1 of the year immediately preceding the Presidential election year.

(2) The Commission will not consider a candidate's threshold submission until the candidate has submitted a candidate agreement that meets the requirements of this section.

(b) Conditions. The candidate shall agree that:

(1) The candidate has the burden of proving that disbursements by the candidate or any authorized committee(s) or agents thereof are qualified campaign expenses as defined at 11 CFR 9032.9.

(2) The candidate and the candidate's authorized committee(s) will comply with the documentation requirements set forth in 11 CFR 9033.11.

(3) The candidate and the candidate's authorized committee(s) will provide an explanation, in addition to complying with the documentation requirements, of the connection between any disbursements made by the candidate or authorized committee(s) of the candidate and the campaign if requested by the Commission.

(4) The candidate and the candidate's authorized committee(s) will keep and furnish to the Commission all documentation for matching fund submissions, any books, records (including bank records for all accounts), and supporting documentation and other information that the Commission may request.

If the candidate or the candidate's authorized committee maintains or uses computerized information containing any of
§ 9033.2 Candidate and committee certifications; threshold submission.

(a) General. (1) A candidate seeking to become eligible to receive Presidential primary matching fund payments shall make the certifications set forth in 11 CFR 9033.2(b) to the Commission in a written statement signed by the candidate. The candidate may submit the letter containing the required certifications at any time after January 1 of the year immediately preceding the Presidential election year.

(2) The Commission will not consider a candidate's threshold submission until the candidate has submitted candidate certifications that meet the requirements of this section.

(b) Certifications. (1) The candidate shall certify that he or she is seeking
nomination by a political party to the Office of President in more than one State. For purposes of this section, in order for a candidate to be deemed to be seeking nomination by a political party to the office of President, the party whose nomination the candidate seeks must have a procedure for holding a primary election, as defined in 11 CFR 9032.7, for nomination to that office. For purposes of this section, the term political party means an association, committee or organization which nominates an individual for election to the office of President. The fact that an association, committee or organization qualifies as a political party under this section does not affect the party's status as a national political party for purposes of 2 U.S.C. 441a(a)(1)(B) and 441a(a)(2)(B).

(2) The candidate and the candidate's authorized committee(s) shall certify that they have not incurred and will not incur expenditures in connection with the candidate's campaign for nomination, which expenditures are in excess of the limitations under 11 CFR part 9035.

(3) The candidate and the candidate's authorized committee(s) shall certify:
   (i) That they have received matchable contributions totaling more than $5,000 in each of at least 20 States; and
   (ii) That the matchable contributions are from individuals who are residents of the State for which their contributions are submitted.
   (iii) A maximum of $250 of each individual's aggregate contributions will be considered as matchable contributions for the purpose of meeting the thresholds of this section.
   (iv) For purposes of this section, contributions of an individual who maintains residences in more than one State may only be counted toward the $5,000 threshold for the State from which the earliest contribution was made by that contributor.

Threshold submission. To become eligible to receive matching payments, the candidate shall submit documentation of the contributions described in 11 CFR 9033.2(b)(3) to the Commission for review. The submission shall follow the format and requirements of 11 CFR 9036.1.
§ 9033.5

Final determination by the Commission that the candidate has failed to satisfy threshold requirements will be made in accordance with the procedures outlined in 11 CFR 9033.10(c).

(b) The Commission will make its examination and determination under this section as soon as practicable. During the Presidential election year, the Commission will generally complete its review and make its determination within 15 business days.

§ 9033.5 Determination of ineligibility date.

The candidate's date of ineligibility shall be whichever date by operation of 11 CFR 9033.5 (a), (b), or (c) occurs first. After the candidate's date of ineligibility, he or she may only receive matching payments to the extent that he or she has net outstanding campaign obligations as defined in 11 CFR 9034.5.

(a) Inactive candidate. The ineligibility date shall be the day on which an individual ceases to be a candidate because he or she is not actively conducting campaigns in more than one State in connection with seeking the Presidential nomination. This date shall be the earliest of—

(1) The date the candidate publicly announces that he or she will not be actively conducting campaigns in more than one State; or

(2) The date the candidate notifies the Commission by letter that he or she is not actively conducting campaigns in more than one State; or

(3) The date which the Commission determines under 11 CFR 9033.6 to be the date that the candidate is not actively seeking election in more than one State.

(b) Insufficient votes. The ineligibility date shall be the 30th day following the date of the second consecutive primary election in which such individual receives less than 10 percent of the number of popular votes cast for all candidates of the same party in that primary election, if the candidate permitted or authorized his or her name to appear on the ballot, unless the candidate certifies to the Commission at least 25 business days prior to the primary that he or she will not be an active candidate in the primary involved.

(1) The Commission may refuse to accept the candidate's certification if it determines under 11 CFR 9033.7 that the candidate is an active candidate in the primary involved.

(2) For purposes of this paragraph, if the candidate is running in two primary elections in different States on the same date, the highest percentage of votes the candidate receives in any one State will govern. Separate primary elections held in more than one State on the same date are not deemed to be consecutive primaries. If two primary elections are held on the same date in the same State (e.g., a primary to select delegates to a national nominating convention and a primary for the expression of preference for the nomination of candidates for election to the office of President), the highest percentage of votes a candidate receives in either election will govern. If two or more primaries are held in the same State on different dates, the earliest primary will govern.

(c) End of matching payment period. The ineligibility date shall be the last day of the matching payment period for the candidate as specified in 11 CFR 9032.6.

§ 9033.5 Determination of inactive candidacy.

(a) Where a candidate certifies to the Commission under 11 CFR 9033.5(b) that he or she will not be an active candidate in an upcoming primary, the Commission may, nevertheless, on the basis of factors listed in 11 CFR 9033.6(b), make an initial determination that the candidate is an active candidate in the primary involved.

(b) The Commission will notify the candidate of its initial determination within 10 business days of receiving the candidate’s certification under 11 CFR 9033.5(b) or, if the timing of the activity does not permit notice during the 10 day period, as soon as practicable following campaign activity by the candidate in the primary state. The Commission’s initial determination will be made in accordance with the procedures outlined in 11 CFR 9033.10(b). Within 10 business days after service of the Commission’s notice the candidate may submit, in accordance with 11 CFR 9033.10(b), written legal or factual materials to demonstrate that he or she is not an active candidate in the primary involved.

(c) A final determination by the Commission that the candidate is active will be made in accordance with the procedures outlined in 11 CFR 9033.10(c).

§ 9033.8 Reestablishment of eligibility.

(a) Candidates found to be inactive. A candidate who has become ineligible under 11 CFR 9033.5(a) on the basis that he or she is not actively campaigning in more than one State may reestablish eligibility for matching payments by submitting to the Commission evidence of active campaigning in more than one State. In determining whether the candidate has reestablished eligibility, the Commission will consider, but is not limited to considering, the factors listed in 11 CFR 9033.6(b). The day the Commission determines to be the day the candidate becomes active again will be the date on which eligibility is reestablished.

(b) Candidates receiving insufficient votes. A candidate determined to be ineligible under 11 CFR 9033.5(b) by failing to obtain the required percentage of votes in two consecutive primaries may have his or her eligibility reestablished if the candidate receives at least 20 percent of the total number of votes cast for candidates of the same party for the same office in a primary election held subsequent to the date of the election which rendered the candidate ineligible.

(c) The Commission will make its determination under 11 CFR 9033.8 (a) or (b) without requiring the individual to reestablish eligibility under 11 CFR 9033.1 and 2. A candidate whose eligibility is reestablished under this sect-
§ 9033.9 Failure to comply with disclosure requirements or expenditure limitations.

(a) If the Commission receives information indicating that a candidate or his or her authorized committee(s) has knowingly and substantially failed to comply with the disclosure requirements of 2 U.S.C. 434 and 11 CFR part 104, or that a candidate has knowingly and substantially exceeded the expenditure limitations at 11 CFR part 9035, the Commission may make an initial determination to suspend payments to that candidate.

(b) The Commission will notify the candidate of its initial determination in accordance with the procedures outlined in 11 CFR 9033.10(b). The candidate will be given an opportunity, within 20 calendar days after service of the Commission's notice, to comply with the above cited provisions or to submit in accordance with 11 CFR 9033.10(b) written legal or factual materials to demonstrate that he or she is not in violation of those provisions.

(c) Suspension of payments to a candidate will occur upon a final determination by the Commission to suspend payments. Such final determination will be made in accordance with the procedures outlined in 11 CFR 9033.10(c).

(d) (1) A candidate whose payments have been suspended for failure to comply with reporting requirements may become entitled to receive payments if he or she subsequently files the required reports and pays or agrees to pay any civil or criminal penalties resulting from failure to comply.

(2) A candidate whose payments are suspended for exceeding the expenditure limitations shall not be entitled to receive further matching payments under 11 CFR 9034.1.
§9033.11 Documentation of disbursements.

(a) Burden of proof. Each candidate shall have the burden of proving that disbursements made by the candidate or his or her authorized committee(s) or persons authorized to make expenditures on behalf of the candidate or authorized committee(s) are qualified campaign expenses as defined in 11 CFR 9032.9. The candidate and his or her authorized committee(s) shall obtain and furnish to the Commission on request any evidence regarding qualified campaign expenses made by the candidate, his or her authorized committees and agents or persons authorized to make expenditures on behalf of the candidate or committee(s) as provided in paragraph (b) of this section.

(b) Documentation required. (1) For disbursements in excess of $200 to a payee, the candidate shall present a canceled check negotiated by the payee and either:
   (i) A receipted bill from the payee that states the purpose of the disbursement; or
   (ii) If such a receipt is not available, (A) One of the following documents generated by the payee: a bill, invoice, or voucher that states the purpose of the disbursement; or
      (B) Where the documents specified in paragraph (b)(1)(i)(A) of this section are not available, a voucher or contemporaneous memorandum from the candidate or the committee that states the purpose of the disbursement; or
   (iii) Where the supporting documentation required in paragraphs (b)(1) (i) or (ii) of this section is not available, the candidate or committee may present collateral evidence to document the qualified campaign expense. Such collateral evidence may include, but is not limited to:
      (A) Evidence demonstrating that the expenditure is part of an identifiable program or project which is otherwise sufficiently documented such as a disbursement which is one of a number of documented disbursements relating to a campaign mailing or to the operation of a campaign office; or
      (B) Evidence that the disbursement is covered by a pre-established written campaign committee policy, such as a daily travel expense policy.
   (iv) If the purpose of the disbursement is not stated in the accompanying documentation, it must be indicated on the canceled check.

(2) For all other disbursements, the candidate shall present:
   (i) A record disclosing the full name and mailing address of the payee, the amount, date and purpose of the disbursement, if made from a petty cash fund; or
   (ii) A canceled check negotiated by the payee that states the full name and mailing address of the payee, and the amount, date and purpose of the disbursement.

§ 9033.12 Production of computerized information.

(a) Categories of computerized information to be provided. 1. Information required by law to be maintained regarding the committee's receipts or disbursements;
2. Records of allocations of expenditures to particular state expenditure limits and to the overall expenditure limits;

4. Records of allocations of expenditures for the purchase of broadcast media;
5. Records used to prepare statements of net outstanding campaign obligations;
6. Records used to reconcile bank statements;
7. Disbursements made and reimbursements received for the cost of transportation, ground services and facilities made available to media personnel, including records relating to how costs charged to media personnel were determined;
8. Records relating to the acquisition, use and disposition of capital assets or other assets; and
9. Any other information that may be used during the Commission's audit to review the committee's receipts, disbursements, loans, debts, obligations, bank reconciliations or statements of net outstanding campaign obligations.

(b) Organization of computerized information and technical specifications. The computerized magnetic media shall be prepared and delivered at the committee's expense and shall conform to the technical specifications, including file requirements, described in the Federal Election Commission's Computerized Magnetic Media Requirements for title 26 candidates/committees receiving Federal Funding. The data contained in the computerized magnetic media provided to the Commission shall be organized in the order specified by the
Computerized Magnetic Media Requirements.

(c) Additional materials and assistance. Upon request, the committee shall provide documentation explaining the computer system's software capabilities, such as user guides, technical manuals, formats, layouts and other materials for processing and analyzing the information requested. Upon request, the committee shall also make available such personnel as are necessary to explain the operation of the computer system's software and the computerized information prepared or maintained by the committee.

AUTHORITY: 26 U.S.C. 9034 and 9039(b).

§ 9034.1 Candidate entitlements.

(a) A candidate who has been notified by the Commission under 11 CFR 9036.1 that he or she has successfully satisfied eligibility and certification requirements is entitled to receive payments under 26 U.S.C. 9037 and 11 CFR part 9037 in an amount equal to the amount of each matchable campaign contribution received by the candidate, except that a candidate who has become ineligible under 11 CFR 9033.5 may not receive further matching payments regardless of the date of deposit of the underlying contributions if he or she has no net outstanding campaign obligations as defined under 11 CFR 9034.5, that candidate may continue to receive matching payments for matchable contributions received and deposited on or before December 31 of the Presidential election year provided that on the date of payment there are remaining net outstanding campaign obligations, i.e., the sum of the contributions received on or after the date of ineligibility plus matching funds received on or after the date of ineligibility is less than the candidate's net outstanding campaign obligations. This entitlement will be equal to the lesser of:

1. The amount of contributions submitted for matching; or
2. The remaining net outstanding campaign obligations.

(c) A candidate whose eligibility has been reestablished under 11 CFR 9033.8 or who after suspension of payments has met the conditions set forth at 11 CFR 9033.9(d) is entitled to receive payments for matchable contributions for which payments were not received during the ineligibility or suspension period.

(d) The total amount of payments to a candidate under this section shall not exceed 50% of the total expenditure limitation applicable under 11 CFR part 9035.

§ 9034.2 Matchable contributions.

(a) Contributions meeting the following requirements will be considered matchable campaign contributions.

1. The contribution shall be a gift of money made: By an individual; by a written instrument and for the purpose of influencing the result of a primary election.

2. Only a maximum of $250 of the aggregate amount contributed by an individual may be matched.

3. Before a contribution may be submitted for matching, it must actually be received by the candidate or any of the candidate's authorized committees and deposited in a designated campaign depository maintained by the candidate's authorized committee.

4. The written instrument used in making the contribution must be dated, physically received and deposi-
§9034.2  

(a) Donations received by an individual who is testing the waters pursuant to 11 CFR 100.7(b)(1) and 100.8(b)(1) may be matched when the individual becomes a candidate if such donations meet the requirements of this section.

(b) For purposes of this section, the term written instrument means a check written on a personal, escrow or trust account representing or containing the contributor's personal funds; a money order; or any similar negotiable instrument.

(c) The written instrument shall be:

Payable on demand; and to the order of, or specifically endorsed without qualification to, the Presidential candidate, or his or her authorized committee. The written instrument shall contain: The full name and signature of the contributor(s); the amount and date of the contribution; and the mailing address of the contributor(s).

(i) In cases of a check drawn on a joint checking account, the contributor is considered to be the owner whose signature appears on the check.

(ii) To be attributed equally to other joint tenants of the account, the check or other accompanying written document shall contain the signature(s) of the joint tenant(s). If a contribution on a joint account is to be attributed other than equally to the joint tenants, the check or other written documentation shall also indicate the amount to be attributed to each joint tenant.

(iii) In the case of a check for a contribution attributed to more than one person, where it is not apparent from the face of the check that each contributor is a joint tenant of the account, a written statement shall accompany the check stating that the contribution was made from each individual's personal funds in the amount so attributed and shall be signed by each contributor.

(iv) In the case of a contribution reattributed to a joint tenant of the account, the reattribution shall comply with the requirements of 11 CFR 110.1(k) and the documentation described in 11 CFR 110.1 (1), (3), (5) and (6) shall accompany the reattributed contribution.

(2) Contributions in the form of checks drawn on an escrow or trust account are matchable contributions, provided that:

(i) The contributor has equitable ownership of the account; and

(ii) The check is accompanied by a statement, signed by each contributor to whom all or a portion of the contribution is being attributed, together with the check number, amount and date of contribution. This statement shall specify that the contributor has equitable ownership of the account and the account represents the personal funds of the contributor.

(3) Contributions in the form of checks written on partnership accounts or accounts of unincorporated associations or businesses are matchable contributions, so long as:

(i) The check is accompanied by a statement, signed by each contributor to whom all or a portion of the contribution is being attributed, together with the check number, amount and date of contribution. This statement shall specify that the contribution is made with the contributor's personal funds and that the account on which the contribution is drawn is not maintained or controlled by an incorporated entity; and

(ii) The aggregate amount of the contributions drawn on a partnership or unincorporated association or business does not exceed $1,000 to any one Presidential candidate seeking nomination.

(4) Contributions in the form of money orders, cashier's checks, or other similar negotiable instruments are matchable contributions, provided that:

(i) At the time it is initially submitted for matching, such instrument is signed by each contributor and is accompanied by a statement which specifies that the contribution was made in the form of a money order, cashier's check, traveler's check, or other similar negotiable instrument, with the contributor's personal funds;

(ii) Such statement identifies the date and amount of the contribution made by money order, cashier's check,
traveler's check, or other similar negotiable instrument, the check or serial number, and the name of the issuer of the negotiable instrument; and

(iii) Such statement is signed by each contributor.

(5) Contributions in the form of the purchase price paid for the admission to any activity that primarily confers private benefits in the form of entertainment to the contributor (i.e., concerts, motion pictures) are matchable. The promotional material and tickets for the event shall clearly indicate that the ticket purchase price represents a contribution to the Presidential candidate.

(6) Contributions in the form of a purchase price paid for admission to an activity that is essentially political are matchable. An "essentially political" activity is one the principal purpose of which is political speech or discussion, such as the traditional political dinner or reception.

(7) Contributions received from a joint fundraising activity conducted in accordance with 11 CFR 9034.8 are matchable, provided that such contributions are accompanied by a copy of the joint fundraising agreement when they are submitted for matching.

§ 9034.3 Non-matchable contributions.

A contribution to a candidate other than one which meets the requirements of 11 CFR 9034.2 is not matchable. Contributions which are not matchable include, for example:

(a) In-kind contributions of real or personal property;

(b) A subscription, loan, advance, or deposit of money, or anything of value;

(c) A contract, promise, or agreement, whether or not legally enforceable, such as a pledge card or credit card transaction, to make a contribution for any such purposes (but a gift of money by written instrument is not rendered unmatchable solely because the contribution was preceded by a promise or pledge);

(d) Funds from a corporation, labor organization, government contractor, political committee as defined in 11 CFR 100.8 or any group of persons other than those under 11 CFR 9034.2(c)(3);

(e) Contributions which are made or accepted in violation of 2 U.S.C. 441a, 441b, 441c, 441e, 441f, or 441g;

(f) Contributions in the form of a check drawn on the account of a committee, corporation, union or government contractor even though the funds represent personal funds earmarked by a contributing individual to a Presidential candidate;

(g) Contributions in the form of the purchase price paid for an item with significant intrinsic and enduring value, such as a watch;

(h) Contributions in the form of the purchase price paid for or otherwise induced by a chance to participate in a raffle, lottery, or a similar drawing for valuable prizes;

(i) Contributions which are made by persons without the necessary donative intent to make a gift or made for any purpose other than to influence the result of a primary election;

(j) Contributions of currency of the United States or currency of any foreign country; and

(k) Contributions redesignated for a different election or redesignated for a legal and accounting compliance fund pursuant to 11 CFR 9003.3.

§ 9034.4 Use of contributions and matching payments.

(a) Qualified campaign expenses—

(1) General. Except as provided in paragraph (b)(3) of this section, all contributions received by an individual from the date he or she becomes a candidate and all matching payments received by the candidate shall be used only to defray qualified campaign expenses or to repay loans or otherwise restore funds (other than contributions which were received and expended to defray qualified campaign expenses), which were used to defray qualified campaign expenses.

(2) Testing the waters. Even though incurred prior to the date an individual becomes a candidate, payments made in accordance with the 11 CFR 100.8(b)(1) for the purpose of determining whether an individual should become a candidate shall be considered qualified campaign expenses if the individual subsequently becomes a candidate and shall count against that

11 CFR Ch. I (1-1-96 Edition)

(3) Winding down costs.

(1) Costs associated with the termination of political activity, such as the costs of complying with the post election requirements of the Act and other necessary administrative costs associated with winding down the campaign, including office space rental, staff salaries, and office supplies, shall be considered qualified campaign expenses. A candidate may receive and use matching funds for these purposes either after he or she has notified the Commission in writing of his or her withdrawal from the campaign for nomination or after the date of the party's nominating convention, if he or she has not withdrawn before the convention.

(i) If the candidate has become ineligible due to the operation of 11 CFR 9033.5(b), he or she may only receive matching funds to defray costs incurred before the candidate's date of eligibility, for goods and services to be received before the date of eligibility and for which written arrangement or commitment was made on or before the candidate's date of eligibility, until the candidate is eligible to receive winding down costs under paragraph (a)(3)(i) of this section.

(ii) For purposes of the expenditure limitations set forth in 11 CFR 9035.1, 100% of salary, overhead and computer expenses incurred after a candidate's date of eligibility may be treated as exempt legal and accounting compliance expenses beginning with the first full reporting period after the candidate's date of eligibility. For candidates who continue to campaign or re-establish eligibility, this paragraph shall not apply to expenses incurred during the period between the date of eligibility and the date on which the candidate either re-establishes eligibility or ceases to continue to campaign.

(4) Taxes. Federal income taxes paid by the committee on non-exempt function income, such as interest, dividends and sale of property, shall be considered qualified campaign expenses. These expenses shall not, however, count against the state or overall expenditure limits of 11 CFR 9035.1(a).

(5) Gifts and monetary bonuses. Gifts and monetary bonuses shall be considered qualified campaign expenses, provided that:

(1) Gifts for committee employees, consultants and volunteers in recognition for campaign-related activities or services do not exceed $150 total per individual and the total of all gifts does not exceed $20,000; and

(11) All monetary bonuses for committee employees and consultants in recognition for campaign-related activities or services:

(A) Are provided for pursuant to a written contract made prior to the date of ineligibility; and

(B) Are paid no later than thirty days after the date of ineligibility.

(b) Non-qualified campaign expenses—

(1) General. The following are examples of disbursements that are not qualified campaign expenses.

(2) Excessive expenditures. An expenditure which is in excess of any of the limitations under 11 CFR part 9035 shall not be considered a qualified campaign expense. The Commission will calculate the amount of expenditures attributable to the limitations in accordance with 11 CFR 9035.1(a)(2).

(3) General election and post-ineligibility expenditures. Any expenses incurred after a candidate's date of ineligibility, as determined under 11 CFR 9033, are not qualified campaign expenses except to the extent permitted under 11 CFR 9034.4(a)(3). In addition, any expenses incurred before the candidate's date of eligibility for goods and services to be received after the candidate's date of eligibility, or for property, services, or facilities used to benefit the candidate's general election campaign, are not qualified campaign expenses.

(4) Civil or criminal penalties. Civil or criminal penalties paid pursuant to the Federal Election Campaign Act are not qualified campaign expenses and cannot be defrayed from contributions or matching payments. Any amounts received or expended to pay such penalties shall not be considered contributions or expenditures but all amounts so received shall be subject to the prohibitions of the Act. Amounts received and expended under this section shall be reported in accordance with 11 CFR part 104.
(5) Payments to candidate. Payments made to the candidate by his or her committee, other than to reimburse funds advanced by the candidate for qualified campaign expenses, are not qualified campaign expenses.

(6) Payments to other authorized committees. Payments, including transfers and loans, to other committees authorized by the same candidate for a different election are not qualified campaign expenses.

(7) Allocable expenses. Payments for expenses subject to state allocation under 11 CFR 106.2 are not qualified campaign expenses if the records retained are not sufficient to permit allocation to any state, such as the failure to keep records of the date on which the expense is incurred.

(8) Lost or misplaced items. The cost of lost or misplaced items may be considered a nonqualified campaign expense. Factors considered by the Commission in making this determination shall include, but not be limited to, whether the committee demonstrates that it made conscientious efforts to safeguard the missing equipment; whether the committee sought or obtained insurance; the type of equipment involved; and the number and value of items that were lost.

(c) [Reserved]

(d) Transfers to other campaigns—(1) Other Federal offices. If a candidate has received matching funds and is simultaneously seeking nomination or election to another Federal office, no transfer of funds between his or her principal campaign committees or authorized committees may be made. See 2 U.S.C. 441a(a)(6)(C) and 11 CFR 110.8(a)(5) and 110.8(d). A candidate will be considered to be simultaneously seeking nomination or election to another Federal office if he or she is seeking nomination or election to such Federal office under 11 CFR 110.3(c)(5). If a candidate has received matching funds, all transfers from the candidate’s primary election account to a legal and accounting compliance fund established for the general election must be made in accordance with 11 CFR 9033.3(a)(1).

(2) General election. If a candidate has received matching funds, all transfers from the candidate’s primary election account to a legal and accounting compliance fund established for the general election must be made in accordance with 11 CFR 9033.3(a)(1).

(e) Attribution of expenditures between the primary and the general election limits. The following rules apply to candidates who receive public funding in both the primary and the general election.

(1) General rule. Any expenditure for goods or services that are used exclusively for the primary election campaign shall be attributed to the limits set forth at 11 CFR 9035.1. Any expenditure for goods or services that are used exclusively for the general election campaign shall be attributed to the limits set forth at 11 CFR 110.8(a)(2), as adjusted under 11 CFR 110.9(c).

(2) Polling expenses. Polling expenses shall be attributed according to when the results of the poll are received. If the results are received on or before the date of the candidate’s nomination, the expenses shall be considered primary election expenses. If results are received from a single poll both before and after the date of the candidate’s nomination, the costs shall be allocated between the primary and the general election limits based on the percentage of results received during each period.

(3) State or national campaign offices. Overhead expenditures and payroll costs incurred in connection with state or national campaign offices, shall be attributed according to when the usage occurs or the work is performed. For purposes of this section, overhead expenditures shall have the same meaning as set forth in 11 CFR 106.2(b)(2)(i)(I)(D). Expenses for usage of offices or work performed on or before the date of the candidate’s nomination shall be attributed to the primary election, except for periods when the office is used only by persons working exclusively on general election campaign preparations.

(4) Campaign materials. Expenditures for campaign materials, including bumper stickers, campaign brochures, buttons, pens and similar items, that are purchased by the primary election campaign committee and later transferred to and used by the general election campaign committee shall be attributed to the general election limits. Materials transferred to but not used by the general election committee shall be attributed to the primary election limits.
§9034.5

date of the candidate's nomination. 50% of the media production costs shall be attributed to the primary election limits, and 50% to the general election limits. Distribution costs, including such costs as air time and advertising space in newspapers, shall be paid for 100% by the primary or general election campaign depending on when the communication is broadcast or distributed.

(6) Campaign Communications. (1) Solicitations. The costs of a solicitation shall be attributed to the primary election or to the GELAC, depending on the purpose of the solicitation. If a candidate solicits funds for both the primary election and for the GELAC in a single communication, 50% of the cost of the solicitation shall be attributed to the primary election, and 50% to the GELAC.

(ii) Other communications. Except as provided in paragraph (e)(5) of this section, the costs of a campaign communication that does not include a solicitation shall be attributed to the primary or general election limits based on the date on which the communication is broadcast, published or mailed. The cost of a communication that is broadcast, published or mailed before the date of the candidate's nomination shall be attributed to the primary election limits.

(7) Travel costs. Expenditures for campaign-related transportation, food, and lodging by any individual, including a candidate, shall be attributed according to when the travel occurs. If the travel occurs on or before the date of the candidate's nomination, the cost is a primary election expense. Travel to and from the convention shall be attributed to the primary election. Travel by a person who is working exclusively on general election campaign preparations shall be considered a general election expense even if the travel occurs before the candidate's nomination.

EFFECTIVE DATE NOTE: At 60 FR 57538, Nov. 15, 1995, §9034.4 was amended by revising the heading in paragraph (a)(3), and by revising paragraph (a)(3)(ii). An effective date for this amendment will be announced in the Fed.
§ 9034.5

(2) The total of:
(i) Cash on hand as of the close of business on the last day of eligibility (including all contributions dated on or before that date whether or not submitted for matching; currency; balances on deposit in banks; savings and loan institutions; traveler's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value);
(ii) The fair market value of capital assets and other assets on hand; and
(iii) Amounts owed to the committee in the form of credits, refunds of deposits, returns, receivables, or rebates of qualified campaign expenses; or a commercially reasonable amount based on the collectibility of those credits, returns, receivables or rebates.

(b) Liabilities. (1) The amount submitted as the total of outstanding campaign obligations under paragraph (a)(1) of this section shall not include any accounts payable for non-qualified campaign expenses nor any amounts determined or anticipated to be required as repayment under 11 CFR part 9038 or any amounts paid to secure a surety bond under 11 CFR 9038.5.

(2) The amount submitted as estimated necessary winding down costs under paragraph (a)(1) of this section shall be broken down by expense category and quarterly or monthly time period. This breakdown shall include estimated costs for office space rental, staff salaries, legal expenses, accounting expenses, office supplies, equipment rental, telephone expenses, postage and other mailing costs, printing and storage. The breakdown shall estimate the costs that will be incurred in each category from the time the statement is submitted until the expected termination of the committee's political activity.

(c)(1) Capital assets. For purposes of this section, the term capital asset means any property used in the operation of the campaign whose purchase price exceeded $2000 when received by the committee. Property that must be valued as capital assets under this section includes, but is not limited to, office equipment, furniture, vehicles and fixtures acquired for use in the operation of the candidate's campaign, but does not include property defined as "other assets" under 11 CFR 9034.5(c)(2). A list of all capital assets shall be maintained by the Committee in accordance with 11 CFR 9033.11(d). The fair market value of capital assets shall be considered to be the total original cost of such items when acquired less 40%, to account for depreciation, except that items received after the date of ineligibility must be valued at their fair market value on the date received.

(2) Other assets. The term other assets means any property acquired by the committee for use in raising funds or as collateral for campaign loans. "Other assets" must be included on the candidate's statement of net outstanding campaign obligations if the aggregate value of such assets exceeds $5000. The value of "other assets" shall be determined by the fair market value of each item on the candidate's date of ineligibility or on the date the item is acquired if acquired after the date of ineligibility. A list of other assets shall be maintained by the committee in accordance with 11 CFR 9033.11(d)(2).

(d) Collectibility of accounts receivable. If the committee determines that an account receivable of $500 or more, including any credit, refund, return or rebate, is not collectible in whole or in part, the committee shall demonstrate through documentation that the determination was commercially reasonable. The documentation shall include records showing the original amount of the account receivable, copies of correspondence and memoranda of communications with the debtor showing attempts to collect the amount due, and an explanation of how the lesser amount or full writeoff was determined.

(e) Contributions received from joint fundraising activities conducted under 11 CFR 9034.8 may be used to pay a candidate's outstanding campaign obligations.

(1) Such contributions shall be deemed monies available to pay outstanding campaign obligations as of the date these funds are received by the fundraising representative committee and shall be included in the candidate's statement of net outstanding campaign obligations.
§ 9034.6

(3) The amount of money deemed available to pay a candidate's net outstanding campaign obligations will equal either—

(1) An amount calculated on the basis of the predetermined allocation formula, as adjusted for 2 U.S.C. 441a limitations; or

(ii) If a candidate receives an amount greater than that calculated under 11 CFR 9034.5(e)(2)(i), the amount actually received.

(f)(1) With each submission for matching fund payments filed after the candidate's date of ineligibility, the candidate shall certify that, as of the close of business on the last business day preceding the date of submission for matching funds, his or her remaining net outstanding campaign obligations equal or exceed the amount submitted for matching.

(2) A candidate who makes a submission for matching fund payments after his or her date of ineligibility shall also submit a revised statement of net outstanding campaign obligations. This revised statement shall be due before the next regularly scheduled payment date, on a date to be determined and published by the Commission. This statement shall reflect the financial status of the campaign as of the close of business three business days before the due date of the statement. The revised statement shall also contain a brief explanation of each change in the committee's assets and obligations from the previous statement.

(3) After a candidate's date of ineligibility, if the candidate does not receive the entire amount of matching funds on a regularly scheduled payment date due to a shortfall in the matching payment account, the candidate shall also submit a revised statement of net outstanding campaign obligations. The revised statement shall be filed on a date to be determined and published by the commission, which will be before the next regularly scheduled payment date.

(g) (1) If the Commission receives information indicating that substantial assets of the candidate's authorized committee(s) have been undervalued or not included in the statement or that the amount of outstanding campaign obligations has been otherwise overstated in relation to committee assets, the Commission may decide to temporarily suspend further matching payments pending a final determination whether the candidate is entitled to receive all or a portion of the matching funds requested.

(2) In making a determination under 11 CFR 9034.5(g)(1), the Commission will follow the procedures for initial and final determinations under 11 CFR 9033.10 (b) and (c). The Commission will notify the candidate of its initial determination within 15 business days after receipt of the candidate's statement of net outstanding campaign obligations. Within 15 business days after service of the Commission's notice, the candidate may submit written legal or factual materials to demonstrate that he or she has net outstanding campaign obligations that entitle the campaign to further matching payments.

(3) If the candidate demonstrates that the amount of outstanding campaign obligations still exceeds committee assets, he or she may continue to receive matching payments.

(4) Following a final determination under this section, the candidate may file a petition for rehearing in accordance with 11 CFR 9038.5(a).

§ 9034.6 Expenditures for transportation and services made available to media personnel; reimbursements.

(a) General. (1) Expenditures by an authorized committee for transportation, ground services or facilities (including air travel, ground transportation, housing, meals, telephone service, and typewriters) made available to media personnel, Secret Service personnel or national security staff will be considered qualified campaign expenses, and, except for costs relating to Secret Service personnel or national security staff, will be subject to the overall expenditure limitations of 11 CFR 9035.1(a).

(2) Subject to the limitations in paragraphs (b) and (c) of this section, committees may seek reimbursement for these expenses, and may deduct reimbursements received from media rep-
representatives from the amount of expenditures subject to the overall expenditure limitation of 11 CFR 9035.1(a). Expenses for which the committee receives no reimbursement will be considered qualified campaign expenses, and, with the exception of those expenses relating to Secret Service personnel and national security staff, will be subject to the overall expenditure limitation.

(b) Reimbursement limits. (1) The amount of reimbursement sought from a media representative under paragraph (a)(2) of this section shall not exceed 110% of the media representative’s pro rata share (or a reasonable estimate of the media representative’s pro rata share) of the actual cost of the transportation and services made available. Any reimbursement received in excess of this amount shall be disposed of in accordance with paragraph (d)(1) of this section.

(2) For the purposes of this section, a media representative’s pro rata share shall be calculated by dividing the total actual cost of the transportation and services provided by the total number of individuals to whom such transportation and services are made available. For purposes of this calculation, the total number of individuals shall include committee staff, media personnel, Secret Service personnel, national security staff and any other individuals to whom such transportation and services are made available, except that, when seeking reimbursement for transportation costs paid by the committee under 11 CFR 9034.7(b)(5)(i)(C), the total number of individuals shall not include national security staff.

(c) Deduction of reimbursements from expenditures subject to the overall expenditure limitation.

(1) The Committee may deduct from the amount of expenditures subject to the overall expenditure limitation:

(i) The amount of reimbursements received from media representatives in payment for the transportation and services described in paragraph (a) of this section, up to the actual cost of the transportation and services provided to media representatives; and

(ii) An additional amount of the reimbursements received from media representatives, representing the administrative costs incurred by the committee in providing these services to the media representatives and seeking reimbursement for them, equal to:

(A) Three percent of the actual cost of transportation and services provided to the media representatives under this section; or

(B) An amount in excess of 3% representing the administrative costs actually incurred by the committee in providing services to the media representatives, provided that the committee is able to document the total amount of administrative costs actually incurred.

(2) For the purposes of this paragraph, “administrative costs” includes all costs incurred by the committee in making travel arrangements and seeking reimbursement, whether these services are performed by committee staff or by independent contractors.

(d) Disposal of excess reimbursements. If the committee receives reimbursements in excess of the amount deductible under paragraph (c) of this section, it shall dispose of the excess amount in the following manner:

(1) Any reimbursement received in excess of 110% of the actual pro rata cost of the transportation and services made available to a media representative shall be returned to the media representative.

(2) Any amount in excess of the amount deductible under paragraph (c) of this section that is not required to be returned to the media representative under paragraph (d)(1) of this section shall be paid to the Treasury.

(e) Reporting. The total amount paid by an authorized committee for the services and facilities described in paragraph (a)(1) of this section, plus the administrative costs incurred by the committee in providing these services and facilities and seeking reimbursement for them, shall be reported as an expenditure in accordance with 11 CFR 104.3(b)(2)(1). Any reimbursement received by such committee under paragraph (b)(1) of this section shall be reported in accordance with 11 CFR 104.3(a)(9)(ix).

§ 9034.7 Allocation of travel expenditures.

(a) Notwithstanding the provisions of 11 CFR 106.3, expenditures for travel relating to the campaign of a candidate seeking nomination for election to the office of President by any individual, including a candidate, shall, pursuant to the provisions of paragraph (b) of this section, be qualified campaign expenses and be reported by the candidate's authorized committee(s) as expenditures.

(b)(1) For a trip which is entirely campaign-related, the total cost of the trip shall be a qualified campaign expense and a reportable expenditure.

(2) For a trip which includes campaign-related and non-campaign-related stops, that portion of the cost of the trip allocable to campaign activity shall be a qualified campaign expense and a reportable expenditure. Such portion shall be determined by calculating what the trip would have cost from the point of origin of the trip to the first campaign-related stop and from that stop through each subsequent campaign-related stop, back to the point of origin. If any campaign activity, other than incidental contacts, is conducted at a stop, that stop shall be considered campaign-related. Campaign activity includes soliciting, making, or accepting contributions, and expressly advocating the election or defeat of the candidate. Other factors, including the setting, timing and statements or expressions of the purpose of an event and the substance of the remarks or speech made, will also be considered in determining whether a stop is campaign-related.

(3) For each trip, an itinerary shall be prepared and such itinerary shall be made available by the committee for Commission inspection. The itinerary shall show the time of arrival and departure and the type of event held.

(4) For trips by government conveyance or by charter, a list of all passengers on such trip, along with a designation of which passengers are and which are not campaign-related, shall be made available for Commission inspection. When required to be created, a copy of the government's or the charter company's official manifest shall also be maintained and made available by the committee.

(5)(i) If any individual, including a candidate, uses a government airplane for campaign-related travel, the candidate's authorized committee shall pay the appropriate government entity an amount equal to:

(A) The lowest unrestricted and non-discounted first class commercial airline fare available for the time traveled, in the case of travel to a city served by a regularly scheduled commercial airline service; or

(B) The lowest unrestricted and non-discounted coach commercial airline fare available for the time traveled, in the case of travel to a city served by regularly scheduled coach airline service, but not regularly scheduled first class airline service; or

(C) In the case of travel to a city not served by a regularly scheduled commercial airline service, the commercial charter rate for an airplane sufficient in size to accommodate the campaign-related travelers, including the candidate, plus the news media and the Secret Service.

(ii) If a government airplane is flown to a campaign-related stop where it will pick up passengers, or from a campaign-related stop where it left off passengers, the candidate's authorized committee shall pay the appropriate government entity an amount equal to the greater of the amount billed or the amount required under paragraph (b)(5)(i) of this section for one passenger.

(iii) If any individual, including a candidate, uses a government conveyance, other than an airplane, for campaign-related travel, the candidate's authorized committee shall pay the appropriate government entity an amount equal to the commercial rental rate for a conveyance sufficient in size to accommodate the campaign-related travelers, including the candidate, plus the news media and the Secret Service.

(iv) If any individual, including a candidate, uses accommodations, including lodging and meeting rooms, during campaign-related travel, and the accommodations are paid for by a government entity, the candidate's authorized committee shall pay the appropriate government entity an
amount equal to the usual and normal charge for the accommodations, and shall maintain documentation supporting the amount paid.

(v) For travel by airplane, the committee shall maintain documentation of the lowest unrestricted nondiscounted air fare available for the time traveled, including the airline, the flight number and travel service providing that fare or the charter rate, as appropriate. For travel by other conveyances, the committee shall maintain documentation of the commercial rental rate for a conveyance of sufficient size, including the provider of the conveyance and the size, model and make of the conveyance.

(6) Travel expenses of a candidate’s spouse and family when accompanying the candidate on campaign-related travel may be treated as qualified campaign expenses and reportable expenditures. If the spouse or family members conduct campaign-related activities, their travel expenses will be treated as qualified campaign expenses and reportable expenditures.

(7) If any individual, including a candidate, incurs expenses for campaign-related travel, other than by use of government conveyance or accommodations, an amount equal to that portion of the actual cost of the conveyance or accommodations which is allocable to all passengers, including the candidate, who are traveling for campaign purposes will be a qualified campaign expense and shall be reported by the committee as an expenditure.

(1) If the trip is by charter, the actual cost for each passenger shall be determined by dividing the total operating cost for the charter by the total number of passengers transported. The amount which is a qualified campaign expense and a reportable expenditure shall be calculated in accordance with the formula set forth at 11 CFR 9034.7(b)(2) on the basis of the cost per passenger multiplied by the number of passengers traveling for campaign purposes.

(ii) If the trip is by non-charter commercial transportation, the actual cost shall be calculated in accordance with the formula set forth at 11 CFR 9034.7(b)(2) on the basis of the commercial fare. Such actual cost shall be a qualified campaign expense and a reportable expenditure.

(8) Travel on corporate airplanes and other corporate conveyances is governed by 11 CFR 114.9(e).

§9034.8 Joint fundraising.

(a) General—(1) Permissible participants. Presidential primary candidates who receive matching funds under this subchapter may engage in joint fundraising with other candidates, political committees or unregistered committees or organizations.

(2) Use of funds. Contributions received as a result of a candidate’s participation in a joint fundraising activity under this section may be—

(i) Submitted for matching purposes in accordance with the requirements of 11 CFR 9034.2 and the Federal Election Commission’s Guideline for Presentation in Good Order;

(ii) Used to pay a candidate’s net outstanding campaign obligations as provided in 11 CFR 9034.5;

(iii) Used to defray qualified campaign expenses;

(iv) Used to defray exempt legal and accounting costs; or

(v) If in excess of a candidate’s net outstanding campaign obligations or expenditure limit, used in any manner consistent with 11 CFR 113.2, including repayment of funds under 11 CFR part 9038.

(b) Fundraising representatives—(1) Establishment or selection of fundraising representative. The participants in a joint fundraising effort under this section shall either establish a separate committee or select a participating committee to act as fundraising representative for all participants. The fundraising representative shall be a reporting political committee and an authorized committee of each candidate. If the participants establish a separate committee to act as the fundraising representative, the separate committee shall not be a participant in any other joint fundraising effort, but the separate committee may conduct more than one joint fundraising effort for the participants.

(2) Separate fundraising committee as fundraising representative. A separate fundraising committee established by
§9034.8

the participants to act as fundraising representative for all participants shall—

(i) Be established as a reporting political committee under 11 CFR 100.5;

(ii) Collect contributions;

(iii) Pay fundraising costs from gross proceeds and funds advanced by participants; and

(iv) Disburse net proceeds to each participant.

(3) Participating committee as fundraising representative. A participant selected to act as fundraising representative for all participants shall—

(i) Be a political committee as defined in 11 CFR 100.5;

(ii) Collect contributions; however, other participants may also collect contributions and then forward them to the fundraising representative as required by 11 CFR 102.8;

(iii) Pay fundraising costs from gross proceeds and funds advanced by participants; and

(iv) Disburse net proceeds to each participant.

(4) Independent fundraising agent. The participants or the fundraising representative may hire a commercial fundraising firm or other agent to assist in conducting the joint fundraising activity. In that case, however, the fundraising representative shall still be responsible for ensuring that the recordkeeping, reporting and documentation requirements set forth in this subchapter are met.

(c) Joint fundraising procedures. Any joint fundraising activity under this section shall be conducted in accordance with the following requirements:

(1) Written agreement. The participants in a joint fundraising activity shall enter into a written agreement, whether or not all participants are political committees under 11 CFR 100.5. The written agreement shall identify the fundraising representative and shall state a formula for the allocation of fundraising proceeds. The formula shall be stated as the amount or percentage of each contribution received to be allocated to each participant. The fundraising representative shall retain the written agreement for a period of three years and shall make it available to the Commission on request.

(2) Funds advanced for fundraising costs. (i) Except as provided in 11 CFR 9034.8(c)(2)(ii), the amount of funds advanced by each participant for fundraising costs shall be in proportion to the allocation formula agreed upon under 11 CFR 9034.8(c)(1).

(ii) A participant may advance more than its proportionate share of the fundraising costs; however, the amount advanced which is in excess of the participant's proportionate share shall not exceed the amount that participant could legally contribute to the remaining participants. See 11 CFR 102.12(c)(2), part 110, and 9034.4(b)(6).

(3) Fundraising notice. In addition to any notice required under 11 CFR 110.11, a joint fundraising notice shall be included with every solicitation for contributions.

(i) This notice shall include the following information:

(A) The names of all committees participating in the joint fundraising activity whether or not such committees are political committees under 11 CFR 100.5;

(B) The allocation formula to be used for distributing joint fundraising proceeds;

(C) A statement informing contributors that, notwithstanding the stated allocation formula, they may designate their contributions for a particular participant or participants; and

(D) A statement informing contributors that the allocation formula may change if a contributor makes a contribution which would exceed the amount that contributor may give to any participant.

(ii) If one or more participants engage in the joint fundraising activity solely to satisfy outstanding debts, the notice shall also contain a statement informing contributors that the allocation formula may change if a participant receives sufficient funds to pay its outstanding debts.

(4) Separate depository account. The participants or the fundraising representative shall establish a separate depository account to be used solely for the receipt and disbursement of the joint fundraising proceeds. All contributions deposited into the separate depository account must be permissible under title 2, United States Code. Each
political committees shall amend its Statement of Organization to reflect the account as an additional depository.

(11) The fundraising representative shall deposit all joint fundraising proceeds in the separate depository account within ten days of receipt as required by 11 CFR 103.3. The fundraising representative may delay distribution of the fundraising proceeds to the participants until all contributions are received and all expenses are paid.

(111) For contribution reporting and limitation purposes, the date of receipt of a contribution by a participating political committee is the date that the contribution is received by the fundraising representative. The fundraising representative shall report contributions in accordance with 11 CFR 9034.8(c)(9) when such funds are received from the fundraising representative.

(5) Recordkeeping requirements. (1) The fundraising representative and participating committees shall screen all contributions received to insure that the prohibitions and limitations of 11 CFR parts 110 and 114 are observed. Participating political committees shall make their contributor records available to the fundraising representative to enable the fundraising representative to carry out its duty to screen contributions.

(ii) The fundraising representative shall collect and retain contributor information with regard to gross proceeds as required under 11 CFR 102.8 and shall also forward such information to participating political committees.

(iii) The fundraising representative shall retain the records required under 11 CFR 9033.11 regarding fundraising disbursements for a period of three years. Commercial fundraising firms or agents shall forward such information to the fundraising representative.

(6) Contribution limitations. Except to the extent that the contributor has previously contributed to any of the participants, a contributor may make a contribution to the joint fundraising effort which contribution represents the total amount that the contributor could contribute to all of the participants under the applicable limits of 11 CFR 110.1 and 110.2.

(7) Allocation of gross proceeds. (i) The fundraising representative shall allocate proceeds according to the formula stated in the fundraising agreement. Each contribution received shall be allocated among the participants in accordance with the allocation formula, unless the circumstances described in paragraphs (c)(7) (ii), (iii) or (iv) of this section apply. Funds may not be distributed or reallocated so as to maximize the matchability of the contributions.

(ii) If distribution according to the allocation formula extinguishes the debts of one or more participants or if distribution under the formula results in a violation of the contribution limits of 11 CFR 110.1(b), the fundraising representative may reallocate the surplus funds. The fundraising representative shall not reallocate funds so as to allow candidates seeking to extinguish outstanding debts to rely on the receipt of matching funds to pay the remainder of their debts; rather, all funds to which a participant is entitled under the allocation formula shall be deemed funds available to pay the candidate's outstanding campaign obligations as provided in 11 CFR 9034.5(c).

(iii) Reallocation shall be based upon the remaining participant's proportionate shares under the allocation formula. If reallocation results in a violation of a contributor's limit under 11 CFR 110.1, the fundraising representative shall return to the contributor the amount of the contribution that exceeds the limit.

(iv) Earmarked contributions which exceed the contributor's limit to the designated participant under 11 CFR part 110 may not be reallocated by the fundraising representative without the prior written permission of the contributor. A written instrument made payable to one of the participants shall be considered an earmarked contribution unless a written statement by the contributor indicates that it is intended for inclusion in the general proceeds of the fundraising activity.

(8) Allocation of expenses and distribution of net proceeds. (i) If participating
committees are not affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity and are not committees of the same political party:

(A) After gross contributions are allocated among the participants under 11 CFR 9034.8(c)(7), the fundraising representative shall calculate each participant's share of expenses based on the percentage of the total receipts each participant had been allocated. To calculate each participant's net proceeds, the fundraising representative shall subtract the participant's share of expenses from the amount that participant has been allocated from gross proceeds.

(B) A participant may only pay expenses on behalf of another participant subject to the contribution limits of 11 CFR part 110. See also 11 CFR 9034.4(b)(6).

(C) The expenses from a series of fundraising events or activities shall be allocated among the participants on a per-event basis regardless of whether the participants change or remain the same throughout the series.

(ii) If participating committees are affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity or if participants are party committees of the same political party, expenses need not be allocated among those participants. Payment of such expenses by an unregistered committee or organization on behalf of an affiliated political committee may cause the unregistered organization to become a political committee.

(iii) Payment of expenses may be made from gross proceeds by the fundraising representative.

§ 9034.9 Sale of assets acquired for fundraising purposes.

(a) General. A candidate may sell assets donated to the candidate's authorized committee(s) or otherwise acquired for fundraising purposes (See 11 CFR 9034.5(c)(2)), subject to the limitations and prohibitions of title 2, United States Code and 11 CFR parts 110 and 114.

(b) Sale after end of matching payment period. A candidate whose outstanding debts exceed his or her cash on hand after the end of the matching payment period as determined under 11 CFR 9032.f may dispose of assets acquired for fundraising purposes in a sale to a wholesaler or other intermediary who will in turn sell such assets to the public, provided that the sale to the wholesaler or intermediary is an arms-length transaction. Sales made under this subsection will not be subject to the limitations and prohibitions of title 2, United States Code and 11 CFR parts 110 and 114.

§ 9034.9 Sale of assets acquired for fundraising purposes.

(a) General. A candidate may sell assets donated to the candidate's authorized committee(s) or otherwise acquired for fundraising purposes (See 11 CFR 9034.5(c)(2)), subject to the limitations and prohibitions of title 2, United States Code and 11 CFR parts 110 and 114.

(b) Sale after end of matching payment period. A candidate whose outstanding debts exceed his or her cash on hand after the end of the matching payment period as determined under 11 CFR 9032.f may dispose of assets acquired for fundraising purposes in a sale to a wholesaler or other intermediary who will in turn sell such assets to the public, provided that the sale to the wholesaler or intermediary is an arms-length transaction. Sales made under this subsection will not be subject to the limitations and prohibitions of title 2, United States Code and 11 CFR parts 110 and 114.

PART 9035—EXPENDITURE LIMITATIONS

AUTHORITY: 26 U.S.C. 9035 and 9039(b).

§ 9035.1 Campaign expenditure limitation.

(a)(1) No candidate or his or her authorized committee(s) shall knowingly incur expenditures in connection with the candidate's campaign for nomination, which expenditures, in the aggregate, exceed $10,000,000 (as adjusted under 2 U.S.C. 441a(c)), except that the
aggregate expenditures by a candidate in any one State shall not exceed the greater of: 16 cents (as adjusted under 2 U.S.C. 441a(c)) multiplied by the voting age population of the State (as certified under 2 U.S.C. 441a(e)); or $200,000 (as adjusted under 2 U.S.C. 441a(c)).

(2) The Commission will calculate the amount of expenditures attributable to the overall expenditure limit or to a particular state using the full amounts originally charged for goods and services rendered to the committee and not the amounts for which such obligations were settled and paid, unless the committee can demonstrate that the lower amount paid reflects a reasonable settlement of a bona fide dispute with the creditor.

(b) Each candidate receiving or expecting to receive matching funds under this subchapter shall also allocate his or her expenditures in accordance with the provisions of 11 CFR 106.2.

(c)(1) A candidate may exclude from the overall expenditure limitation of 11 CFR 9035.1 an amount equal to 10% of all salaries and overhead expenditures as an exempt legal and accounting compliance cost under 11 CFR 100.8(b)(15). For purposes of this section overhead expenditures include, but are not limited to rent, utilities, office equipment, furniture, supplies, and telephone base service charges set forth at 11 CFR 106.2(b)(2)(ii1)(A).

(i) If the candidate wishes to claim a larger compliance exemption for any person, the candidate shall establish allocation percentages for each individual who spends all or a portion of his or her time to perform duties which are considered compliance. The candidate shall keep detailed records to support the derivation of each percentage. Such records shall indicate which duties are considered compliance and the percentage of time each person spends on such activity. Alternatively, the Commission's Financial Control and Compliance Manual for Presidential Primary Candidates contains some other accepted allocation methods for calculating a compliance exemption.

(ii) Exempt compliance costs are those legal and accounting costs incurred solely to ensure compliance with 26 U.S.C. 9531 et seq., 2 U.S.C. 431 et seq., and 11 CFR ch. I, including the costs of preparing matching fund submissions and the costs of producing, delivering and explaining computerized information and materials provided pursuant to 11 CFR 9033.12 and explaining the operation of the computer system's software. The costs of preparing matching fund submissions shall be limited to those functions not required for general contribution processing and shall include the costs associated with: Generating the matching fund submission list and the matching fund computer tape or other form of magnetic media for each submission, edits of the contributor database that are related to preparing a matching fund submission, making photocopies of contributor checks, and seeking additional documentation from contributors for matching purposes. The costs associated with general contribution processing shall include those normally performed for fundraising purposes, or for compliance with the recordkeeping and reporting requirements of 11 CFR part 100 et seq., such as data entry, batching contributions for deposit, and preparation of FEC reports.

(2) A candidate may exclude from the overall expenditure limitation of 11 CFR 9035.1 the amount of exempt fundraising costs specified in 11 CFR 100.8(b)(21)(iii).

(d) The expenditure limitations of 11 CFR 9035.1 shall not apply to a candidate who does not receive matching funds at any time during the matching payment period.

[56 FR 35491, July 29, 1991]

§9035.2 Limitation on expenditures from personal or family funds.

(a)(1) No candidate who has accepted matching funds shall knowingly make expenditures from his or her personal funds, or funds of his or her immediate family, in connection with his or her campaign for nomination for election to the office of President which exceed $50,000, in the aggregate. This section shall not operate to prohibit any member of the candidate's immediate family from contributing his or her personal funds to the candidate, subject to the limitations of 11 CFR part 110. The provisions of this section also shall not limit the candidate's liability for, nor
§ 9036.1  
11 CFR Ch. I (1–1–96 Edition)

the candidate’s ability to pay, any repayments required under 11 CFR part 9038. If the candidate or his or her committee knowingly incurs expenditures in excess of the limitations of 11 CFR 110.8(a), the Commission may seek civil penalties under 11 CFR part 111 in addition to any repayment determinations made on the basis of such excessive expenditures.

(2) Expenditures made using a credit card for which the candidate is jointly or solely liable will count against the limits of this section to the extent that the full amount due, including any finance charge, is not paid by the committee within 60 days after the closing date of the billing statement on which the charges first appear. For purposes of this section, the closing date shall be the date indicated on the billing statement which serves as the cutoff date for determining which charges are included on that billing statement.

(b) For purposes of this section, the term immediate family means a candidate, spouse, and any child, parent, grandparent, brother, half-brother, sister, or half-sister of the candidate, and the spouses of such persons.

(c) For purposes of this section, personal funds has the same meaning as specified in 11 CFR 110.10.

Sec.
9036.1 Threshold submission.
9036.2 Additional submissions for matching fund payments.
9036.3 Submission errors and insufficient documentation.
9036.4 Commission review of submissions.
9036.5 Resubmissions.
9036.6 Continuation of certification.

AUTHORITY: 26 U.S.C. 9036 and 9039(b).

SOURCE: 56 FR 34132, July 25, 1991, unless otherwise noted.

§ 9036.1 Threshold submission.

(a) Time for submission of threshold submission. At any time after January 1 of the year immediately preceding the Presidential election year, the candidate may submit a threshold submission for matching fund payments in accordance with the format for such submissions set forth in 11 CFR 9036.1(b). The candidate may submit the threshold submission simultaneously with or subsequent to his or her submission of the candidate agreement and certifications required by 11 CFR 9033.1 and 9033.2.

(b) Format for threshold submission. (1) For each State in which the candidate certifies that he or she has met the requirements of the certifications in 11 CFR 9033.2(b), the candidate shall submit an alphabetical list of contributors showing:

(i) Each contributor’s full name and residential address;

(ii) The occupation and name of employer for individuals whose aggregate contributions exceed $200 in the calendar year;

(iii) The date of deposit of each contribution into the designated campaign depository;

(iv) The full dollar amount of each contribution submitted for matching purposes;

(v) The matchable portion of each contribution submitted for matching purposes;

(vi) The aggregate amount of all matchable contributions from that contributor submitted for matching purposes;

(vii) A notation indicating which contributions were received as a result of joint fundraising activities.

(2) For each list of contributors generated directly or indirectly from computerized files or computerized records, the candidate shall submit computerized magnetic media, such as magnetic tapes or magnetic diskettes, containing the information required by 11 CFR 9036.1(b)(1) in accordance with 11 CFR 9033.12.

(3) The candidate shall submit a full-size photocopy of each check or written instrument and of supporting documentation in accordance with 11 CFR 9034.2 for each contribution that the candidate submits to establish eligibility for matching funds. For purposes of the threshold submission, the photocopies shall be segregated alphabetically by contributor within each State, and shall be accompanied by and referenced to copies of the relevant deposit slips.
(4) The candidate shall submit bank documentation, such as bank-validated deposit slips or unvalidated deposit slips accompanied by the relevant bank statements, which indicate that the contributions submitted were deposited into a designated campaign depository.

(5) For each State in which the candidate certifies that he or she has met the requirements to establish eligibility, the candidate shall submit a listing, alphabetically by contributor, of contribution checks returned by the bank to date as unpaid (e.g., stop payments, non-sufficient funds) regardless of whether the contribution was submitted for matching. This listing shall be accompanied by a full-size photocopy of each unpaid check and copies of the associated debit memo and bank statement.

(6) For each State in which the candidate certifies that he or she has met the requirements to establish eligibility, the candidate shall submit a listing, in alphabetical order by contributor, of all contributions that were refunded to the contributor, regardless of whether the contributions were submitted for matching. For each refunded contribution, the listing shall state the contributor's full name and address, the deposit date and batch number, an indication of which matching fund submission the contribution was included in, if any, and the amount and date of the refund. The listing shall be accompanied by a full-sized photocopy of each refunded contributor check.

(7) The candidate shall submit all contributions in accordance with the Federal Election Commission's Guideline for Presentation in Good Order.

(8) Contributions that are not submitted in compliance with this section shall not count toward the threshold amount.

(c) Threshold certification by Commission. (1) After the Commission has determined under 11 CFR 9036.1(a) in a Presidential election year, the Commission shall certify to the Secretary, within 10 calendar days after the Commission has made its determination, the amount to which the candidate is entitled.

(3) If the Commission makes a determination of a candidate's eligibility under 11 CFR 9036.1(a) in the year preceding the Presidential election year, the Commission will notify the candidate that he or she is eligible to receive matching fund payments; however, the Commission's determination will not result in a payment of funds to the candidate until after January 1 of the Presidential election year.

§ 9036.2 Additional submissions for matching fund payments.

(a) Time for submission of additional submissions. The candidate may submit additional submissions for payments to the Commission on dates to be determined and published by the Commission. On the last two submission dates in the year prior to the election year and on each submission date after the beginning of the matching payment period, the candidate may not make more than one additional submission, and either one resubmission under 11 CFR 9036.5 or one corrected submission under 11 CFR 9036.2(c) or (d)(2), as appropriate.

(b) Format for additional submissions. The candidate may obtain additional matching fund payments subsequent to the Commission's threshold certification and payment of primary matching funds to the candidate by filing an additional submission for payment. All additional submissions for payments filed by the candidate shall be made in accordance with the Federal Election Commission's Guideline for Presentation in Good Order.

(1) The first submission for matching funds following the candidate's threshold submission shall contain all the matchable contributions included in the threshold submission and any additional contributions to be submitted for matching in that submission. This submission shall contain all the information required for the threshold submission except that:

(i) The candidate is not required to resubmit the candidate agreement and
§ 9036.2

certifications of 11 CFR 9033.1 and
9033.2;

(ii) The candidate is required to submit an alphabetical list of contributors (either solely in magnetic media from or in both printed and magnetic media forms), but not segregated by State as required in the threshold submission;

(iii) The candidate is required to submit a listing, alphabetical by contributor, of all checks returned unpaid, but not segregated by State as required in the threshold submission;

(iv) The candidate is required to submit a listing, in alphabetical order by contributor, of all contributions refunded to the contributor but not segregated by State as required in the threshold submission.

(v) The occupation and employer’s name need not be disclosed on the contributor list for individuals whose aggregate contributions exceed $200 in the calendar year, but such information is subject to the recordkeeping and reporting requirements of 2 U.S.C. 432(c)(3), 434(b)(3)(A) and 11 CFR 102.9(a)(2), 104.3(a)(4)(1); and

(vi) The photocopies of each check or written instrument and of supporting documentation shall either be alphabetized and referenced to copies of the relevant deposit slip, but not segregated by State as required in the threshold submission; or such photocopies may be batched in deposits of 50 contributions or less and cross-referenced by deposit number and sequence number within each deposit on the contributor list. In lieu of submitting photocopies, the candidate may submit digital images of checks, written instruments and deposit slips as specified in the Computerized Magnetic Media Requirements. The candidate shall provide the computer equipment and software needed to retrieve and read the digital images, if necessary, at no cost to the Commission, and shall include digital images of every contribution received and imaged on or after the date of the previous matching fund request. Contributions and other documentation not imaged shall be submitted in photocopy form.

(2) Following the first submission under 11 CFR 9036.2(b)(1), candidates may request additional matching funds on dates prescribed by the Commission by making a full submission as required under 11 CFR 9036.2(b)(1). The amount requested for matching may include contributions received up to the last business day preceding the date of the request.

(c) Additional submissions submitted in non-Presidential election year. The candidate may submit additional contributions for review during the year preceding the presidential election year; however, the amount of each submission made during this period must exceed $350,000. Additional submissions filed by a candidate in a non-Presidential election year will not result in payment of matching funds to the candidate until after January 1 of the Presidential election year. If the projected dollar value of the nonmatchable contributions exceeds 15% of the amount requested, the procedures described in 11 CFR 9036.2(d)(2) shall apply, unless the submission was made on the last submission date in December of the year before the Presidential election year.

(d) Certification of additional payments by Commission. (1) When a candidate who is eligible under 11 CFR 9033.4 submits an additional submission for payment in the Presidential election year, and before the candidate’s date of ineligibility, the Commission will review the additional submission and will certify to the Secretary at least once a month on dates to be determined and published by the Commission, an amount to which the candidate is entitled in accordance with 11 CFR 9034.1(b). See 11 CFR 9036.4 for Commission procedures for certification of additional payments.

(2) After a candidate’s date of ineligibility, the Commission will review each additional submission and resubmission, and will certify to the Secretary, at least once a month on dates to be determined and published by the Commission, an amount to which the ineligible candidate is entitled in accordance with 11 CFR 9034.1(b), unless the projected dollar value of the nonmatchable contributions contained in the submission or resubmission exceeds 15% of the amount requested. In the latter case, the Commission will return the additional submission or resubmission to the candidate and request that it be corrected, unless the
§ 9036.3 Submission errors and insufficient documentation.

Contributions which are otherwise matchable may be rejected for matching purposes because of submission errors or insufficient supporting documentation. Contributions, other than those defined in 11 CFR 9034.3 or in the form of money orders, cashier’s checks, or similar negotiable instruments, may become matchable if there is a proper resubmission in accordance with 11 CFR 9036.5 and 9036.6. Insufficient documentation or submission errors include but are not limited to:

(a) Discrepancies in the written instrument, such as:
   (1) Instruments drawn on other than personal accounts of contributors and not signed by the contributing individual;
   (2) Signature discrepancies; and
   (3) Lack of the contributor’s signature, the amount or date of the contribution, or the listing of the committee or candidate as payee.

(b) Discrepancies between listed contributions and the written instrument or supporting documentation, such as:
   (1) The listed amount requested for matching exceeds the amount contained on the written instrument;
   (2) A written instrument has not been submitted to support a listed contribution;
   (3) The submitted written instrument cannot be associated, either by account holder identification or signature with the listed contributor; or
   (4) A discrepancy between the listed contribution and the supporting bank documentation or the bank documentation is omitted.

(c) Discrepancies within or between contributor lists submitted, such as:
   (1) The address of the contributor is omitted or incomplete or the contributor’s name is alphabetized incorrectly, or more than one contributor is listed per item;
   (2) A discrepancy in aggregation within or between submissions which results in a request that more than $250 be matched for that contributor, or a listing of a contributor more than once within the same submission; or
   (3) A written instrument has been previously submitted and matched in full or is listed twice in the same submission.

(d) The omission of information, supporting statements, or documentation required by 11 CFR 9034.2.

§ 9036.4 Commission review of submissions.

(a) Non-acceptance of submission for review of matchability. (1) The Commission will make an initial review of each submission made under 11 CFR part 9036 to determine if it substantially meets the format requirements of 11 CFR 9036.1(b) and 9036.2(b) and the Federal Election Commission’s Guideline for Presentation in Good Order. If the Commission determines that a submission does not substantially meet these requirements, it will not review the matchability of the contributions contained therein.

(2) For submissions made in the year before the Presidential election year (other than submissions made on the last submission date in that year), and submissions made after the candidate’s date of ineligibility, the Commission will stop reviewing the submission once the projected dollar value of nonmatchable contributions exceeds 15% of the amount requested, as provided in 11 CFR 9036.2(c) or (d), as applicable.

(3) Under either paragraphs (a)(1) or (a)(2) of this section, the Commission will return the submission to the candidate and request that it be corrected in accordance with the applicable requirements. If the candidate makes a corrected submission within 5 business days after the Commission’s return of the original, the Commission will review the corrected submission prior to
§ 9036.5 Resubmissions.

(a) Alternative resubmission methods. Upon receipt of the Commission's notice of the results of the submission review pursuant to 11 CFR 9036.4(b), or of an inquiry pursuant to 11 CFR 9039.3 that results in a downward adjustment
§ 9036.6

Federal Election Commission

to the amount of certified matching funds, a candidate may choose to:

(1) Resubmit the entire submission; or

(2) Make a written request for the identification of the specific contributions that were rejected for matching, and resubmit those specific contributions.

(b) Time for presentation of resubmissions. If the candidate chooses to resubmit any contributions under 11 CFR 9036.5(a), the contributions shall be resubmitted on dates to be determined and published by the Commission. The candidate may not make any resubmissions later than the first Tuesday in September of the year following the Presidential election year.

(c) Format for resubmissions. All resubmissions filed by the candidate shall be made in accordance with the Federal Election Commission’s Guideline for Presentation in Good Order. In making a presentation of resubmitted contributions, the candidate shall follow the format requirements as specified in 11 CFR 9036.2(b)(1), except that:

(1) The candidate need not provide photocopies of written instruments, supporting documentation and bank documentation unless it is necessary to supplement the original documentation.

(2) Each resubmitted contribution shall be referenced to the submission in which it was first presented.

(3) Each list of resubmitted contributions shall reflect the aggregate amount of contributions submitted for matching from each contributor as of the date of the original submission.

(4) Each list of resubmitted contributions shall reflect the aggregate amount of contributions submitted for matching from each contributor as of the date of the resubmission.

(5) Each list of resubmitted contributions shall only contain contributions previously submitted for matching and no new or additional contributions.

(6) Each resubmission shall be accompanied by a statement that the candidate has corrected his or her contributor records (including the database for those candidates maintaining their contributor list on computer).

(d) Certification of resubmitted contributions. Contributions that the Commission determines to be matchable will be certified to the Secretary at least once a month on dates to be determined and published by the Commission. If the candidate chooses to request the specific contributions rejected for matching pursuant to 11 CFR 9036.5(a)(2), the amount certified shall equal only the matchable amount of the particular contribution that meets the standards on resubmission, rather than the amount projected as being nonmatchable based on that contribution due to the sampling techniques used in reviewing the original submission.

(e) Initial determinations. If the candidate resubmits a contribution for matching and the Commission determines that the rejected contribution is still non-matchable, the Commission will notify the candidate in writing of its determination. The Commission will advise the candidate of the legal and factual reasons for its determination and of the evidence on which that determination is based. The candidate may submit written legal or factual materials to demonstrate that the contribution is matchable within 30 calendar days after service of the Commission’s notice. Such materials may be submitted by counsel if the candidate so desires.

(f) Final determinations. The Commission will consider any written legal or factual materials timely submitted by the candidate in making its final determination. A final determination by the Commission that a contribution is not matchable will be accompanied by a written statement of reasons for the Commission’s action. This statement will explain the reasons underlying the Commission’s determination and will summarize the results of any investigation upon which the determination is based.

§ 9036.6

Continuation of certification.

Candidates who have received matching funds and who are eligible to continue to receive such funds may continue to submit additional submissions for payment to the Commission on dates specified in the Federal Election Commission’s Guideline for Presen-
§ 9037.1 Payments of Presidential primary matching funds.

Upon receipt of a written certification from the Commission, but not before the beginning of the matching payment period, the Secretary will promptly transfer the amount certified from the matching payment account to the candidate. A matching fund certification may not result in full payment by the Secretary in the case of a shortfall in the matching payment account. The audit may be conducted at any time after the date of the candidate's ineligibility.

(a) General. (1) The Commission will conduct an audit of the qualified campaign expenses of every candidate and his or her authorized committee(s) who received Presidential primary matching funds. The audit may be conducted at any time after the date of the candidate's ineligibility.

(2) In addition, the Commission may conduct other examinations and audits from time to time as it deems necessary to carry out the provisions of this subchapter.
Federal Election Commission

§ 9038.1

(3) Information obtained pursuant to any audit and examination conducted under 11 CFR 9038.1(a) (1) and (2) may be used by the Commission as the basis, or partial basis, for its repayment determinations under 11 CFR 9038.2.

(b) Conduct of fieldwork. (1) If the candidate or the candidate's authorized committee does not maintain or use any computerized information containing the data listed in 11 CFR 9033.12, the Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. If the candidate or the candidate's authorized committee maintains or uses computerized information containing any of the data listed in 11 CFR 9033.12, the Commission generally will request such information prior to commencement of audit fieldwork. Such request will be made in writing. The committee shall produce the computerized information no later than 15 calendar days after service of such request. Upon receipt of the computerized information requested and compliance with the technical specifications of 11 CFR 9033.12(b), the Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. During or after audit fieldwork, the Commission may request additional or updated computerized information which expands the coverage dates of computerized information previously provided, and which may be used for purposes including, but not limited to, updating a statement of net outstanding campaign obligations, or updating the amount chargeable to a state expenditure limit. During or after audit fieldwork, the Commission may also request additional computerized information which was created by or becomes available to the committee and that is of assistance in the Commission's audit. The committee shall produce the additional or updated computerized information no later than 15 calendar days after service of the Commission's request.

(i) Office space and records. On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall provide Commission staff with office space and committee records in accordance with the candidate and committee agreement under 11 CFR 9033.1(b)(6).

(ii) Availability of committee personnel. On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall have committee personnel present at the site of the fieldwork. Such personnel shall be familiar with the committee's records and operation and shall be available to Commission staff to answer questions and to aid in locating records.

(iii) Failure to provide staff, records or office space. If the candidate or his or her authorized committee(s) fail to provide adequate office space, personnel or committee records, the Commission may seek judicial intervention under 2 U.S.C. 437d or 26 U.S.C. 9040(c) to enforce the candidate and committee agreement made under 11 CFR 9033.1(b). Before seeking judicial intervention, the Commission will notify the candidate of his or her failure to comply with the agreement and will recommend corrective action to bring the candidate into compliance. Upon receipt of the Commission's notification, the candidate will have 10 calendar days in which to take the corrective action indicated or to otherwise demonstrate to the Commission in writing that he or she is complying with the candidate and committee agreement.

(iv) If, in the course of the audit process, a dispute arises over the documentation sought or other requirements of the candidate agreement, the candidate may seek review by the Commission of the issues raised. To seek review, the candidate shall submit a written statement, within 10 calendar days after the disputed Commission staff request is made, describing the dispute and indicating the candidate's proposed alternative(s).

(v) If the candidate or his or her authorized committee fails to produce particular records, materials, evidence
or other information requested by the Commission, the Commission may issue an order pursuant to 2 U.S.C. 437d(a)(1) or a subpoena or subpoena duces tecum pursuant to 2 U.S.C. 437d(a)(3). The procedures set forth in 11 CFR 111.11 through 111.15, as appropriate, shall apply to the production of such records, materials, evidence or other information as specified in the order, subpoena or subpoena duces tecum.

(2) Fieldwork will include the following steps designed to keep the candidate and committee informed as to the progress of the audit and to expedite the process:

(i) Entrance conference. At the outset of the fieldwork, Commission staff will hold an entrance conference, at which the candidate's representatives will be advised of the purpose of the audit and the general procedures to be followed. Future requirements of the candidate and his or her authorized committee, such as possible repayments to the United States Treasury, will also be discussed. Committee representatives shall provide information and records necessary to conduct the audit, and Commission staff will be available to answer committee questions.

(ii) Review of records. During the fieldwork, Commission staff will review committee records and may conduct interviews of committee personnel. Commission staff will be available to explain aspects of the audit and examination as it progresses. Additional meetings between Commission staff and committee personnel may be held from time to time during the fieldwork to discuss possible audit findings and to resolve issues arising during the course of the audit.

(iii) Exit conference. At the conclusion of the fieldwork, Commission staff will hold an exit conference to discuss with committee representatives the staff's preliminary findings and recommendations which the staff anticipates it will present to the Commission for approval. Commission staff will prepare a written Exit Conference Memorandum that discusses these findings and recommendations. A copy of the Exit Conference Memorandum will be given to committee representatives at the exit conference. These findings may include an evaluation of procedures and systems employed by the candidate and committee to comply with applicable provisions of the Federal Election Campaign Act, the Presidential Matching Payment Account Act and Commission regulations; the accuracy of statements and reports filed with the Commission by the candidate and committee; and preliminary calculations regarding future repayments to the United States Treasury. Commission staff will advise committee representatives at this conference of the committee's opportunity to respond to these proposed findings, the projected timetable regarding the issuance of the audit report and any repayment determination, the committee's opportunity for an administrative review of any repayment determination, and the procedures involved in Commission repayment determinations under 11 CFR 9038.2.

(3) Commission staff may conduct additional fieldwork after the completion of the fieldwork conducted pursuant to 11 CFR 9038.1(b)(1) and (2). Factors that may necessitate such follow-up fieldwork include, but are not limited to, the following:

(i) Committee responses to audit findings;

(ii) Financial activity of the committee subsequent to the fieldwork conducted pursuant to 11 CFR 9038.1(b)(1);

(iii) Committee responses to Commission repayment determinations made under 11 CFR 9038.2.

(4) The Commission will notify the candidate and his or her authorized committee if follow-up fieldwork is necessary. The provisions of 11 CFR 9038.1(b)(1) and (2) shall apply to any additional fieldwork conducted.

(c) Committee Response to the Exit Conference Memorandum. The candidate and his or her authorized committee may submit in writing within 60 calendar days after the exit conference, legal and factual materials disputing or commenting on the proposed findings contained in the Exit Conference Memorandum. In addition, the committee shall submit any additional documentation requested by Commission staff. Such materials may be submitted by counsel if the candidate so desires.
(d) Approval and issuance of audit report. (1) Before voting on whether to issue and approve an audit report, the Commission will consider any written legal and factual materials timely submitted by the candidate or his or her authorized committee in accordance with paragraph (c) of this section. The Commission-approved audit report may address issues other than those contained in the Exit Conference Memorandum. In addition, this report will contain a repayment determination made by the Commission pursuant to 11 CFR 9038.2(c)(1).

(2) The audit report may contain issues that warrant referral to the Office of General Counsel for possible enforcement proceedings under 2 U.S.C. 437g and 11 CFR part 111.

(3) Addenda to the audit report may be approved and issued by the Commission from time to time as circumstances warrant and as additional information becomes available. Such addenda may be based on follow-up fieldwork conducted under paragraph (b)(3) of this section, and/or information ascertained by the Commission in the normal course of carrying out its supervisory responsibilities. The procedures set forth in paragraphs (c) and (d)(1) and (2) of this section will be followed in preparing such addenda. The addenda will be placed on the public record as set forth in paragraph (e) of this section. Such addenda may also include additional repayment determination(s).

(e) Public release of audit report. (1) The Commission will consider the audit report in an open session agenda document. The Commission will provide the candidate and the committee with copies of any agenda document to be considered in an open session 24 hours prior to releasing the agenda document to the public.

(2) Following Commission approval of the audit report, the report will be forwarded to the committee and released to the public. The Commission will provide the candidate and committee with copies of the audit report approved by the Commission 24 hours before releasing the report to the public.

(f) Sampling. In conducting an audit of contributions pursuant to this section, the Commission may utilize generally accepted statistical sampling techniques to quantify, in whole or in part, the dollar value of related audit findings. A projection of the total amount of violations based on apparent violations identified in such a sample may become the basis, in whole or in part, of any audit finding.

(2) A committee in responding to a sample-based finding concerning excessive or prohibited contributions shall respond only to the specific sample items used to make the projection. If the committee demonstrates that any apparent errors found among the sample items were not errors, the Commission shall make a new projection based on the reduced number of errors in the sample.

(3) Within 30 days of service of the Final Audit Report, the committee shall submit a check to the United States Treasury for the total amount of any excessive or prohibited contributions not refunded, reattributed or redesignated in a timely manner in accordance with 11 CFR 103.3(b) (1), (2) or (3); or take any other action required by the Commission with respect to sample-based findings.

[56 FR 35945, July 29, 1991; 56 FR 42380, Aug. 27, 1991; 60 FR 31885, June 16, 1995]

§9038.2 Repayments.

(a) General. (1) A candidate who has received payments from the matching payment account shall pay the United States Treasury any amounts which the Commission determines to be repayable under this section. In making repayment determinations under this section, the Commission may utilize information obtained from audits and examinations conducted pursuant to 11 CFR 9038.1 and part 9039 or otherwise obtained by the Commission in carrying out its responsibilities under this subchapter.

(2) The Commission will notify the candidate of any repayment determinations made under this section as soon as possible, but not later than 3 years after the close of the matching payment period. The Commission’s issuance of the audit report to the candidate under 11 CFR 9038.1(d) will constitute notification for purchases of this section.
(3) Once the candidate receives notice of the Commission's repayment determination under this section, the candidate should give preference to the repayment over all other outstanding obligations of his or her committee, except for any federal taxes owned by the committee.

(4) Repayments may be made only from the following sources: personal funds of the candidate (without regard to the limitations of 11 CFR 9035.2), contributions and federal funds in the committee's account(s), and any additional funds raised subject to the limitations and prohibitions of the Federal Election Campaign Act of 1971, as amended.

(b) Bases for repayment—(1) Payments in excess of candidate's entitlement. The Commission may determine that certain portions of the payments made to a candidate from the matching payment account were in excess of the aggregate amount of payments to which such candidate was entitled. Examples of such excessive payments include, but are not limited to, the following:

(i) Payments made to the candidate after the candidate's date of ineligibility where it is later determined that the candidate had no net outstanding campaign obligations as defined in 11 CFR 9034.5;

(ii) Payments or portions of payments made to the candidate which are later determined to have been excessive due to the operation of the Commission's expedited payment procedures as set forth in the Federal Election Commission's Guideline for Presentation in Good Order;

(iii) Payments or portions of payments made to the candidate which are later determined to have been non-matchable;

(iv) Payments or portions of payments made to the candidate which are later determined to have been excessive due to the candidate's failure to include funds received by a fundraising representative committee under 11 CFR 9034.3 on the candidate's statement of net outstanding campaign obligations under 11 CFR 9034.5; and

(v) Payments or portions of payments made to the candidate on the basis of the debts reflected in the candidate's statement of net outstanding campaign obligations, which debts are later settled for an amount less than that stated in the statement of net outstanding campaign obligations.

(2) Use of funds for non-qualified campaign expenses. (i) The Commission may determine that amount(s) of any payments made to a candidate from the matching payment account were used for purposes other than those set forth in paragraphs (b)(2)(i) (A)-(C) of this section:

(A) Defrayal of qualified campaign expenses;

(B) Repayment of loans which were used to defray qualified campaign expenses; and

(C) Restoration of funds (other than contributions which were received and expended to defray qualified campaign expenses) which were used to defray qualified campaign expenses.

(ii) Examples of Commission repayment determinations under 11 CFR 9038.2(b)(2) include, but are not limited to, the following:

(A) Determinations that a candidate, a candidate's authorized committee(s) or agents have made expenditures in excess of the limitations set forth in 11 CFR part 9035;

(B) Determinations that funds described in 11 CFR 9038.2(b)(2)(i) were expended in violation of State or Federal law;

(C) Determinations that funds described in 11 CFR 9038.2(b)(2)(i) were expended for expenses resulting from a violation of State or Federal law, such as the payment of fines or penalties; and

(D) Determinations that funds described in 11 CFR 9038.2(b)(2)(i) were expended for costs associated with continuing to campaign after the candidate's date of ineligibility.

(iii) The amount of any repayment sought under this section shall bear the same ratio to the total amount determined to have been used for non-qualified campaign expenses as the amount of matching funds certified to the candidate bears to the candidate's total deposits, as of 90 days after the candidate's date of ineligibility. For the purposes of this paragraph (b)(2)(iii)

(A) Total deposits is defined in accordance with 11 CFR 9038.3(c)(2); and
(B) In seeking repayment for non-qualified campaign expenses from committees that have received matching fund payments after the candidate's date of ineligibility, the Commission will review committee expenditures to determine at what point committee accounts no longer contain matching funds. In doing this, the Commission will review committee expenditures from the date of the last matching fund payment to the candidate, using the assumption that the last payment has been expended on a last-in, first-out basis.

(iv) Repayment determinations under 11 CFR 9038.2(b)(2) will include all non-qualified campaign expenses paid before the point when committee accounts no longer contain matching funds, including non-qualified campaign expenses listed on the candidate's statement of net outstanding campaign obligations that may result in a separate repayment determination under 11 CFR 9038.2(b)(1).

(v) If a candidate or a candidate's authorized committee(s) exceeds both the overall expenditure limitation and one or more State expenditure limitations, as set forth at 11 CFR 9035.1(a), the repayment determination under 11 CFR 9038.2(b)(2)(i)(A) shall be based on only the larger of either the amount exceeding the State expenditure limitation(s) or the amount exceeding the overall expenditure limitation.

(c) Repayment determination procedures. The Commission's repayment determination will be made in accordance with the procedures set forth at paragraphs (c)(1) through (c)(4) of this section.

(1) Repayment determination. The Commission will provide the candidate with a written notice of its repayment determination(s). This notice will be included in the Commission's audit report prepared pursuant to 11 CFR 9038.1(d), or inquiry report pursuant to 11 CFR 9039.3, and will set forth the legal and factual reasons for such determination(s), as well as the evidence upon which any such determination is based. The candidate shall repay to the United States Treasury in accordance with paragraph (d) of this section, the amount which the Commission has determined to be repayable.

(2) Administrative review of repayment determination. If a candidate disputes the Commission's repayment determination(s), he or she may request an administrative review of the determination(s) as set forth in paragraph (c)(2)(i) of this section.

(i) Submission of written materials. A candidate who disputes the Commission's repayment determination(s) shall submit in writing, within 60 calendar days after service of the Commission's notice, legal and factual materials demonstrating that no repayment, or a lesser repayment, is required. Such materials may be submitted by counsel if the candidate so desires. The candidate's failure to timely raise an issue in written materials presented pursuant to this paragraph will be deemed a waiver of the candidate's right to raise the issue at any future stage of proceedings including any petition for review filed under 26 U.S.C. 9041(a).

(ii) Oral hearing. A candidate who submits written materials pursuant to paragraph (c)(2)(i) of this section may at the same time request in writing that the Commission provide such candidate with an opportunity to address the Commission in open session to demonstrate that no repayment, or a lesser repayment, is required. The candidate should identify in this request the repayment issues he or she wants to address at the oral hearing. If the
§ 9038.2

Commission decides by an affirmative vote of four (4) of its members to grant the candidate's request, it will inform the candidate of the date and time set for the oral hearing. At the date and time set by the Commission, the candidate or candidate's designated representative will be allotted an amount of time in which to make an oral presentation to the Commission based upon the legal and factual materials submitted under paragraph (c)(2)(ii) of this section. The candidate or representative will also have the opportunity to answer any questions from individual members of the Commission.

(3) Repayment determination upon review. In deciding whether to revise any repayment determination(s) following an administrative review pursuant to paragraph (c)(2) of this section, the Commission will consider any submission made under paragraph (c)(2)(i) and any oral hearing conducted under paragraph (c)(2)(ii); and may also consider any new or additional information from other sources. A determination following an administrative review that a candidate must repay a certain amount will be accompanied by a written statement of reasons supporting the Commission's determination(s). This statement will explain the legal and factual reasons underlying the Commission's determination(s) and will summarize the results of any investigation(s) upon which the determination(s) are based.

(d) Repayment period. (1) Within 90 calendar days of service of the notice of the Commission's repayment determination(s), the candidate shall repay to the United States Treasury the amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90 calendar days in which to make repayment.

(2) If the candidate requests an administrative review of the Commission's repayment determination(s) under paragraph (c)(2) of this section, the time for repayment will be suspended until the Commission has concluded its administrative review of the repayment determination(s). Within 30 calendar days after service of the notice of the Commission's post-adminis-

trative review repayment determination(s), the candidate shall repay to the United States Treasury the amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90 calendar days in which to make repayment.

(3) Interest shall be assessed on all repayments made after the initial 90-day repayment period established at paragraph (d)(1) of this section or the 30-day repayment period established at paragraph (d)(2) of this section. The amount of interest due shall be the greater of:

(i) An amount calculated in accordance with 28 U.S.C. 1961 (a) and (b); or

(ii) The amount actually earned on the funds set aside under this section.

(e) Computation of time. The time periods established by this section shall be computed in accordance with 11 CFR 111.2.

(f) Additional repayments. Nothing in this section will prevent the Commission from making additional repayment determinations on one or more of the bases set forth at 11 CFR 9038.2(b) after it has made a repayment determination on any such basis. The Commission may make additional repayment determinations where there exist facts not used as the basis for any previous determination. Any such additional repayment determination will be made in accordance with the provisions of this section.

(g) Newly-discovered assets. If, after any repayment determination made under this section, a candidate or his or her authorized committee(s) receives or becomes aware of assets not previously included in any statement of net outstanding campaign obligations submitted pursuant to 11 CFR 9034.5, the candidate or his or her authorized committee(s) shall promptly notify the Commission of such newly-discovered assets. Newly-discovered assets may include refunds, rebates, late-arriving receivables, and actual receipts for capital assets in excess of the value specified in any previously-submitted statement of net outstanding campaign obligations. Newly-discovered assets may serve as a basis for ad-
ditional repayment determinations under 11 CFR 9038.2(f).

(h) Petitions for rehearing; stays pending appeal. The candidate may file a petition for rehearing of a repayment determination in accordance with 11 CFR 9038.5(a). The candidate may request a stay of a repayment determination in accordance with 11 CFR 9038.5(c) pending the candidate's appeal of that repayment determination.

§ 9038.2 Repayment.

* * * * *

(b) * * *
(2) * * *
(III) * * *
(B) * * * In doing this, the Commission will review committee expenditures from the date of the last matching fund payment to which the candidate was entitled, using the assumption that the last payment has been expended on a last-in, first-out basis.

* * * * *

§ 9038.3 Liquidation of obligations; repayment.

(a) The candidate may retain amounts received from the matching payment account for a period not exceeding 6 months after the matching payment period to pay qualified campaign expenses incurred by the candidate.

(b) After all obligations have been liquidated, the candidate shall so inform the Commission in writing.

(c)(1) If on the last day of candidate eligibility the candidate's net outstanding campaign obligations, as defined in 11 CFR 9034.5, reflect a surplus, the candidate shall within 30 calendar days of the date of the eligibility date repay to the Secretary an amount which represents the amount of matching funds contained in the candidate’s surplus. The amount shall be an amount equal to that portion of the surplus which bears the same ratio to the total surplus that the total amount received by the candidate from the matching payment account bears to the total deposits made to the candidate's accounts.

(2) For purposes of this subsection, total deposits means all deposits to all candidate accounts minus transfers between accounts, refunds, rebates, reimbursements, checks returned for insufficient funds, proceeds of loans and other similar amounts.

(3) Notwithstanding the payment of any amounts to the United States Treasury under this section, the Commission may make surplus repayment determination(s) which require repayment in accordance with 11 CFR 9038.2.

§ 9038.4 Extensions of time.

(a) It is the policy of the Commission that extensions of time under 11 CFR part 9038 shall not be routinely granted.

(b) Whenever a candidate has a right or is required to take action within a period of time prescribed by 11 CFR part 9038 or by notice given thereunder, the candidate may apply in writing to the Commission for an extension of time in which to exercise such right or take such action. The candidate shall demonstrate in the application for extension that good cause exists for his or her request.

(c) An application for extension of time shall be made at least 7 calendar days prior to the expiration of the time period for which the extension is sought. The Commission may, upon a showing of good cause, grant an extension of time to a candidate who has applied for such extension in a timely manner. The length of time of any extension granted hereunder will be decided by the Commission and may be less than the amount of time sought by the candidate in his or her application. If a candidate seeks an extension of any 60-day response period under 11 CFR part 9038, the Commission may grant no more than one extension to that candidate, which extension shall not exceed 15 days.

(d) If a candidate fails to seek an extension of time, exercise a right or take a required action prior to the expiration of a time period prescribed by
§ 9038.5 Petitions for rehearing; stays of repayment determinations.

(a) Petitions for rehearing. (1) Following the Commission's final determination under 11 CFR 9033.10 or 9034.5(g) or the Commission's repayment determination under 11 CFR 9038.2(c), the candidate may file a petition for rehearing setting forth the relief desired and the legal and factual basis in support. To be considered by the Commission, petitions for rehearing must:
(i) Be filed within 20 calendar days after service of the Commission's final determination or repayment determination;
(ii) Raise new questions of law or fact that would materially alter the Commission's final determination or repayment determination; and
(iii) Set forth clear and convincing grounds why such questions were not and could not have been presented during the original determination process.

(2) If a candidate files a timely petition under this section challenging a Commission repayment determination, the time for repayment of the amount at issue will be suspended until the Commission serves notice on the candidate of its determination on the petition. The time periods for making repayment under 11 CFR 9038.2(d) shall apply to any amounts determined to be repayable following the Commission's consideration of a petition for rehearing under this section.

(b) Effect of failure to raise issues. The candidate's failure to raise an argument in a timely fashion during the original determination process or in a petition for rehearing under this section, as appropriate, shall be deemed a waiver of the candidate's right to present such arguments in any future stage of proceedings including any petition for review filed under 26 U.S.C. 9041(a). An issue is not timely raised in a petition for rehearing if it could have been raised earlier in response to the Commission's original determination.

(c) Stay of repayment determination pending appeal. (1)(i) The candidate may apply to the Commission for a stay of all or a portion of the amount determined to be repayable under this section or under 11 CFR 9038.2 pending the candidate's appeal of that repayment determination pursuant to 26 U.S.C. 9041(a). The repayment amount requested to be stayed shall not exceed the amount at issue on appeal.

(ii) A request for a stay shall be made in writing and shall be filed within 30 calendar days after service of the Commission's decision on a petition for rehearing under paragraph (a) of this section, or, if no petition for rehearing is filed, within 30 calendar days after service of the Commission's repayment determination under 11 CFR 9038.2(c).

(2) The Commission's approval of a stay request will be conditioned upon the candidate's presentation of evidence in the stay request that he or she:
(i) Has placed the entire amount at issue in a separate interest-bearing account pending the outcome of the appeal and that withdrawals from the account may only be made with the joint signatures of the candidate or his or her agent and a Commission representative; or
(ii) Has posted a surety bond guaranteeing payment of the entire amount at issue plus interest; or
(iii) Has met the following criteria:
(A) He or she will suffer irreparable injury in the absence of a stay; and, if so, that
(B) He or she has made a strong showing of the likelihood of success on the merits of the judicial action.
(C) Such relief is consistent with the public interest; and
(D) No other party interested in the proceedings would be substantially harmed by the stay.

(3) In determining whether the candidate has made a strong showing of the likelihood of success on the merits
under paragraph (c)(2)(iii)(B) of this section, the Commission may consider whether the issue on appeal presents a novel or admittedly difficult legal question and whether the equities of the case suggest that the status quo should be maintained.

(4) All stays shall require the payment of interest on the amount at issue. The amount of interest due shall be calculated from the date 30 days after service of the Commission’s repayment determination under 11 CFR 9038.2(c) and shall be the greater of:

(i) An amount calculated in accordance with 28 U.S.C. 1961 (a) and (b); or

(ii) The amount actually earned on the funds set aside under this section.

§ 9038.8 Stale-dated committee checks.

If the committee has checks outstanding to creditors or contributors that have not been cashed, the committee shall notify the Commission. The committee shall inform the Commission of its efforts to locate the payees, if such efforts have been necessary, and its efforts to encourage the payees to cash the outstanding checks. The committee shall also submit a check for the total amount of such outstanding checks, payable to the United States Treasury.

§ 9038.7 Administrative record.

(a) The Commission’s administrative record for final determinations under 11 CFR part 9033, sections 9034.5, 9036.5 and part 9038, and for repayment determinations under 11 CFR 9038.2, consists of all documents or materials submitted to the Commission for its consideration in making those determinations. The administrative record will include the certification of the Commission’s vote(s), the audit report that is sent to the committee (for repayment determinations), the statement(s) of reasons, and the candidate agreement. The committee may include documents or materials in the administrative record by submitting them within the time periods set forth at 11 CFR 9033.3(b), 9033.4(a)(2), 9033.6(c), 9033.7(b), 9033.8(b), 9034.8(k)(2), 9035.5(e), 9038.1(c) and 9038.2(c)(2), as appropriate.

(b) The Commission’s administrative record for determinations under 11 CFR part 9033, sections 9034.5, 9036.5 and 9038.2 and part 9038 does not include:

(1) Documents and materials in the files of individual Commissioners or employees of the Commission that do not constitute a basis for the Commission’s decisions because they were not circulated to the Commission and were not referenced in documents that were circulated to the Commission;

(2) Transcripts or audio tapes of Commission discussions other than transcripts or audio tapes of oral hearings pursuant to 11 CFR 9038.2(c)(2), although such transcripts or tapes may be made available under 11 CFR parts 4 or 5;

(3) Documents properly subject to privileges such as an attorney-client privilege, or items constituting attorney work product.

(c) The administrative record identified in paragraph (a) of this section is the exclusive record for the Commission’s determinations under 11 CFR part 9033, §§9034.5, 9036.5 and 9038.2 and part 9039.

PART 9039—REVIEW AND INVESTIGATION AUTHORITY

Sec.
9039.1 Retention of books and records.
9039.2 Continuing review.
9039.3 Examinations and audits; investigations.

SOURCE: 56 FR 35949, July 29, 1991, unless otherwise noted.

§ 9039.1 Retention of books and records.

The candidate and his or her authorized committee(s) shall keep all books, records and other information required under 11 CFR 9033.11, 9034.2 and part 9036 for a period of three years pursuant to 11 CFR 102.9(c) and shall furnish such books, records and information to the Commission on request.

§ 9039.2 Continuing review.

(a) In reviewing candidate submissions made under 11 CFR part 9038 and in otherwise carrying out its respons-
§ 9039.3 Examination and audits; investigations.

(a) General. (1) The Commission will consider information obtained in its continuing review under 11 CFR 9039.2 in making any certification, determination or finding under this subchapter. If the Commission decides by an affirmative vote of four of its members that additional information must be obtained in connection with any such certification, determination or finding, it will conduct a further inquiry. A decision to conduct an inquiry under this section may be based on information that is obtained under 11 CFR 9039.2, received by the Commission from outside sources, or otherwise ascertained by the Commission in carrying out its supervisory responsibilities under the Presidential Primary Matching Payment Account Act and the Federal Election Campaign Act.

(2) An inquiry conducted under this section may be used to obtain information relevant to candidate eligibility, matchability of contributions and repayments to the United States Treasury. Information obtained during such an inquiry may be used as the basis, or partial basis, for Commission certifications, determinations and findings under 11 CFR parts 9033, 9034, 9036 and 9038. Information thus obtained may also be the basis of, or be considered in connection with, an investigation under 2 U.S.C. 437g and 11 CFR part 111.

(3) Before conducting an inquiry under this section, the Commission will attempt to obtain relevant information under the continuing review provisions of 11 CFR 9039.2. Matching payments will not be withheld pending the results of an inquiry under this section unless the Commission finds patent irregularities suggesting the possibility of fraud in materials submitted by, or in the activities of, the candidate or his or her authorized committee(s).

(b) Procedures. (1) The Commission will notify the candidate of its decision to conduct an inquiry under this section. The notice will summarize the legal and factual basis for the Commission’s decision.

(2) The Commission’s inquiry may include, but is not limited to, the following:

(I) A field audit of the candidate’s books and records;

(11) Field interviews of agents and representatives of the candidate and his or her authorized committee(s);

(111) Verification of reported contributions by contacting reported contributors;

(iv) Verification of disbursement information by contacting reported vendors;

(v) Written questions under order;

(vi) Production of documents under subpoena;

(vii) Depositions.

(3) The provisions of 2 U.S.C. 437g and 11 CFR part 111 will not apply to inquiries conducted under this section except that the provisions of 11 CFR 111.12 through 111.15 shall apply to any orders or subpoenas issued by the Commission.

(4) If, at the close of the inquiry, the Commission determines that no action or no further action is warranted, the Commission shall so notify the candidate. If the inquiry results in an adjustment to the amount of certified matching funds, the procedures set forth at 11 CFR 9036.5 or 9038.1 shall be followed, as appropriate. If the inquiry coincides with an audit undertaken pursuant to 11 CFR 9038.1, the information obtained in the inquiry will be utilized in making the repayment deter-
If the inquiry results in an initial or additional repayment determination, the procedures set forth at 11 CFR 9038.2, 9038.4, and 9038.5 shall be followed.
